Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carriers that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025, and December 31, 2024, and for the years ended December 31, 2025, and December 31, 2024, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the auditor's responsibilities for the audit of the financial statements section —

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA

Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles

generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other matters - Supplemental schedules required by ERISA**

The supplemental schedules of Schedule H, Part IV, Line 4a – Schedule of delinquent participant contributions for the year ended December 31, 2025, and Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2025, (referred to as the "supplemental information"), are presented for purposes of additional analysis and not a required part of the financial statements but supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. Description of Plan

The following description of the Artech, LLC 401(k) Savings Plan (formerly known as Artech Information Systems, LLC 401(k) Savings Plan) (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

*General*

The Plan is a defined contribution plan, effective January 1, 1997, and restated as of January 25, 2023, covering all eligible employees of Artech, LLC (formerly known as Artech Information Systems, LLC) (“Plan Sponsor” or "Plan Administrator" or "Employer" or "Company") who have completed 1 month of service and are age 21 years or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

*Contributions*

Each year, participants may contribute up to 90% of eligible annual compensation, as defined in the Plan document, up to the maximum limits of the Internal Revenue Code (IRC). Participants also may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 years before the end of the plan year are eligible to make catch-up contributions. Effective January 01, 2025, pursuant to provisions of the SECURE 2.0 Act of 2022 adopted by the Plan Sponsor, participants aged 60 through 63 years may make enhanced catch-up contributions subject to applicable IRC limits. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Plan includes an automatic enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation until changed by the participant. Automatically enrolled participants will have their deferral rate increase by 1% on the first day of subsequent Plan years until their deferral rate reaches 6%, unless they elect otherwise.

The Plan provisions allow the Company to make employer matching contributions and employer non-elective contributions. No employer matching contributions or employer non-elective contributions were made to the Plan during the years ended December 31, 2025, and December 31, 2024.

Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain IRC limitations.

*Participant accounts*

Each participant's account is credited with the participant's contributions, rollover contributions, employer matching contributions and employer non-elective contributions and an allocation of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting*

Participants are vested immediately in their contributions and rollover contributions plus actual earnings thereon. Vesting in Company's matching and non-elective contributions are based on years of continuous service as below:

| **Years of Service** | **Percentage** |
|---|---|
| Less than 2 | 0 |
| 2 | 20 |
| 3 | 40 |
| 4 | 60 |
| 5 | 80 |
| 6 or more | 100 |

*Forfeited accounts*

Consistent with the terms of the Plan, forfeitures are available to pay eligible Plan administrative expenses and/or reduce future employer contributions. As of December 31, 2025, and December 31, 2024, forfeited account balances arising from Plan corrections and miscellaneous adjustments amounted to $243,462, and $229,225, respectively, which include adjustments for earnings and losses, amounting to $9,803, and $2,859, for the years ended December 31, 2025, and December 31, 2024, respectively. Forfeitures amounted to $4,434, and $22,671 during the years ended December 31, 2025, and December 31, 2024, respectively. No forfeitures were utilized for the years ended December 31, 2025, and December 31, 2024.

*Notes receivable from participants*

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the participant's vested account balances and bear interest at rates equal to the prime rate, plus 1 percent. Principal and interest are paid

ratably through payroll deductions. Terms range up to 5 years except for purchase of a primary residence which may have repayment terms as established by the Plan Administrator. Delinquent loans are treated as deemed distributions when the applicable requirements are met. Loan offsets against participant account balances upon a distributable event are treated as taxable distributions.

*Benefit payments*

In-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant after reaching age fifty-nine and a half years. Upon normal retirement at age sixty-five years, disability, or death, the participant or beneficiary may receive the value of the account as set forth in the Plan document.

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, disability, or death, may receive the value of their vested account by transfer to another qualified plan or individual retirement account or as set forth in the Plan document.

If a terminated participant's vested balance is less than or equal to $7,000 for the year ended December 31, 2025, or $5,000 for the year ended December 31, 2024, the amount may be automatically distributed in the form of a single lump-sum payment. In addition, the Plan allows for hardship distributions if certain criteria are met.

Distributions from the Plan will normally be subject to income taxes and, in certain circumstances, may also be subject to Internal Revenue Service ("IRS") penalties unless the distribution is transferred to another qualified plan or individual retirement account.

## 2. Summary of Accounting Policies

*Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

*Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

*Investment Valuation and Income Recognition*

Investments in mutual funds and money market fund are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investment in a common/ collective trust is measured at fair value using net asset value (NAV) per share as a practical expedient and, in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements, is excluded from the fair value hierarchy. See note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

*Contributions*

Participant contributions are recorded in the period in which the related amounts are withheld from participants' compensation. Employer contributions are recorded in the period in which they are earned in accordance with the terms of the Plan. Contributions due to the Plan at year-end are reported as contributions receivable.

*Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred.

*Payment of Benefits*

Benefits are recorded when paid.

*Deemed Distributions and Loan Offsets*

Participant loans that are in default and satisfy the applicable requirements of the IRC are treated as deemed distributions for tax-reporting purposes. Although a deemed distribution is taxable to the participant, the participant may remain obligated to repay the loan in accordance with the Plan's provisions. If repayment is not made and a distributable event subsequently occurs, any outstanding loan balance may be offset against the participant's account balance. Loan offsets are recognized as benefit payments when the outstanding loan balance is deducted from the participant's account in accordance with the provisions of the Plan.

*Corrective distributions*

Corrective distributions (such as excess deferrals or ADP/ACP refunds) are recorded as deductions from net assets when paid.

*Expenses*

Certain expenses for maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

*Subsequent Events*

The Plan evaluated all events and transactions that occurred after December 31, 2025, through the date the financial statements were available to be issued. Based on the evaluation, the Plan is not aware of any events or transactions that would require recognition or disclosure in the financial statements.

**3. Information Certified by Trustee**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA as of and for years ended December 31, 2025, and December 31, 2024. Accordingly, John Hancock Trust Company LLC, the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025, and December 31, 2024, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity and interest income on notes receivable from participants reported in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2025, and December 31, 2024.

**4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, Fair Value Measurement, are described

as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025, and December 31, 2024.

*Money market fund:* Valued at the quoted NAV of shares held by the Plan at year end.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Stable-value collective trust:* The Plan invests in the John Hancock Stable Value Fund, Class I6, a collective trust measured at fair value using net asset value (NAV) per unit as a practical expedient.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2025, and December 31, 2024:

| As of December 31, 2025 | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Mutual funds | 80,711,188 | - | - | 80,711,188 |
| Money market fund | 316,488 | - | - | 316,488 |
| Common/ collective trust (a) | - | - | - | 2,300,336 |
| **Total investments** | 81,027,676 | - | - | 83,328,012 |

| As of December 31, 2024 | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Mutual funds | 67,820,833 | - | - | 67,820,833 |
| Money market fund | 352,395 | - | - | 352,395 |
| Common/ collective trust (a) | - | - | - | 2,166,866 |
| Interest-bearing cash | 87 | - | - | 87 |
| **Total investments** | 68,173,315 | - | - | 70,340,181 |

(a) In accordance with FASB ASC 820, certain investments that were measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

**Fair Value of Investments that Calculate NAV**

The following table summarizes investments measured at fair value using NAV per share (or its equivalent) as a practical expedient as of December 31, 2025, and December 31, 2024. There are no participant redemption restrictions for these investments; the redemption notice period below is applicable only to the Plan.

| December 31, 2025 | Fair Value | Unfunded Commitments | Redemption Frequency (if currently eligible) | Redemption Notice Period |
|---|---|---|---|---|
| Common/ collective trust | 2,300,336 | - | Daily | Up to 12 months |

| December 31, 2024 | Fair Value | Unfunded Commitments | Redemption Frequency (if currently eligible) | Redemption Notice Period |
|---|---|---|---|---|
| Common/ collective trust | 2,166,866 | - | Daily | Up to 12 months |

There were no transfers between Level 1, Level 2, and Level 3 during the years ended December 31, 2025, and December 31, 2024.

## 5. Concentration

The following table presents investments that represent 5% or more of the Plan's net assets available for benefits as of December 31, 2025, and December 31, 2024:

| Fund Name | 2025 $ | 2025 % | 2024 $ | 2024 % |
|---|---|---|---|---|
| iShares S&P 500 Index Fund (Institutional Class) | 15,998,408 | 19 | 13,534,265 | 19 |

| American Funds 2055 Target Date Retirement Fund (Class R4) | 4,977,894 | 6 | 3,919,732 | 6 |
| American Funds 2030 Target Date Retirement Fund (Class R4) | 4,976,477 | 6 | 3,765,845 | 5 |
| American Funds 2035 Target Date Retirement Fund (Class R4) | 4,584,961 | 5 | 3,688,726 | 5 |
| American Funds 2025 Target Date Retirement Fund (Class R4) | * | * | 3,937,085 | 6 |
| American Funds 2020 Target Date Retirement Fund (Class R4) | * | * | 3,838,716 | 5 |

*Value as of the reporting date does not equal or exceed 5% of net assets.

Percentages presented in the table have been rounded to the nearest whole percentage. Accordingly, an investment representing less than 5% of the Plan's net assets may be presented as 5% due to rounding.

## 6. Related Party and Party-in-Interest Transactions

The Company serves as the Plan Administrator. The Plan Administrator has the responsibility to administer

the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions that may affect eligibility for benefits.

John Hancock Trust Company LLC serves as the Plan trustee and performs services, sells products to, manages, and maintains certain investments of the Plan for which fees are paid by the Plan. John Hancock Retirement Plan Services LLC provides services to the Plan as a recordkeeper and third-party plan administrator for which administration fees were charged to the Plan. In addition to this, the Company provides certain accounting and administrative services to the Plan for which no fees are charged. Party-in-interest transactions also include loans made to participants.

Such transactions, while considered party-in-interest transactions under ERISA, are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

## 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, participants would become fully vested in account balances in accordance with the Plan provisions.

## 8. Tax Status

The Plan adopted a pre-approved plan offered by John Hancock Retirement Plan Services LLC. The pre-approved plan received an IRS Opinion Letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the IRS Opinion Letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

The Plan management has evaluated the Plan's tax positions and concluded that the Plan had no uncertain tax positions requiring recognition or disclosure as of December 31, 2025, and December 31, 2024. The Plan is subject to routine examinations by taxing authorities; however, no examinations are currently in progress.

## 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is

at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**10. Delinquent Participant Contributions**

During the Plan years 2023 through 2025, due to unintentional delays, the Company failed to remit certain participant contributions, including loan repayments, to the Plan on a timely basis as defined by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The delayed contributions totaling $2,386, $3,774, and $2,366,982 were remitted to the Plan during Plan years ended December 31, 2025, December 31, 2024, and December 31, 2023, respectively.

As of December 31, 2025, the correction of Plan year 2025 delinquent contributions had not been completed because the applicable lost earnings had not yet been calculated and remitted to the affected participant accounts. The Company intends to complete the correction by calculating and remitting the applicable lost earnings.

The Company corrected Plan years 2024 and 2023 delinquent contributions by calculating and remitting lost earnings to the affected participants' account during the years ended December 31, 2025, and December 31, 2024.
