INDEPENDENT AUDITOR'S REPORT

To the Mondelēz Global Administrative Committee and the
Participants of the Mondelēz Global LLC Group Benefits Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Mondelēz Global LLC Group Benefits Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits and statements of plan's benefit obligations as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits and statement of changes in plan's benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

(Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule H, Part IV, Line 4j – Schedule of Reportable Transactions for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of the Plan

The Mondelēz Global LLC Group Benefits Plan (the "Plan") is a welfare benefit plan sponsored by Mondelēz Global LLC ("Mondelēz Global") for its employees and those of affiliated participating employers. Mondelēz Global is a wholly owned subsidiary of Mondelēz International, Inc. The Plan is comprised of a number of component welfare benefit programs, including medical (including prescription drug and mental health and substance abuse benefits), employee assistance program, dental, vision, short-term disability (including accident & sickness and statutory disability coverage) and life insurance benefits for active employees and where applicable, their eligible dependents. Certain component program coverage is self-insured and other coverage is fully insured. Certain component program coverage is automatic for all and certain coverage is voluntary. Voluntary coverage requires electing employees to pay all or a portion of the cost of coverage.

Other than certain bargaining unit employees who have not bargained for eligibility under any of the component programs under the Plan, substantially all of the employees of Mondelēz Global and its U.S. affiliates are eligible for coverage under the Plan. Participants should refer to the Plan documents for a complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Mondelēz Global Management Committee for Employee Benefits has been authorized by the Board of Managers of Mondelēz Global to take settlor actions with respect to the Plan. The Plan vests the Mondelēz Global Administrative Committee with authority to control and manage the non-investment operations of the Plan and the Mondelēz Global Benefits Investment Committee ("BIC") with authority to control and manage the investment operations of the Plan. The Administrative Committee and the BIC are hereinafter collectively referred to as the "Fiduciaries."

The Plan is funded through a Voluntary Employees' Beneficiary Association trust intended to be exempt from tax in accordance with Section 501(c)(9) of the Internal Revenue Code of 1986, as amended (the "Code") (hereinafter referred to as the "Trust"). JPMorgan Chase Bank, N.A. (the "Trustee") serves as the trustee for the Trust. The Trustee holds the Plan's investment assets and executes investment transactions directed by the BIC or an investment manager to whom authority is delegated by the BIC.

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts in the financial statements and related disclosures. Actual results could differ from those estimates. The Plan's obligation for claims incurred but not reported is particularly subject to change in the near term.

Valuation of Investments

The Plan's investments are reported at fair value. The guidance defines fair value as the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs.

Notes to Financial Statements

The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (level 1 measurements) and gives the lowest priority to unobservable inputs (level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Registered investment company: The fair value of the Plan's investment in a registered investment company is determined by obtaining a quoted price on a nationally recognized securities exchange (level 1 input).

All fair value measurement disclosure requirements in ASC 820-10-50, including the reporting of investments in the fair value hierarchy table, are to be provided by general type of asset, rather than by classes of assets.

Investments measured at fair value on a recurring basis are summarized below:

	Fair Value Measurements at December 31, 2025 Using Quoted Prices in Active Markets for Identical Assets	
	Level 1	
Registered investment companies	$	2,228,203

	Fair Value Measurements at December 31, 2024 Using Quoted Prices in Active Markets for Identical Assets

Investment Transactions and Investment Income

Investment transactions are accounted for on a trade-date basis. Dividend income is recorded on the ex-dividend date; interest income is recorded as earned on an accrual basis.

Notes to Financial Statements

Risks and Uncertainties

The Plan invests in a money market mutual fund. This type of fund is exposed to various risks, such as interest rate, credit, liquidity, global events, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

Benefit obligations, including claims incurred but not reported ("IBNR"), are determined based on certain assumptions pertaining to per capita claim costs, claim lag patterns, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Funding and Expenses

The funding of the Plan is provided by Mondelēz Global and participating employer contributions, based on claims filed, insurance premiums, incurred administrative expenses and other discretionary considerations, and by active employees through payroll deductions based on plan requirements. Certain participants, such as individuals receiving coverage in accordance with Federal continuation rules, also contribute toward the cost of coverage.

Employees are generally required to contribute specified amounts to extend coverage to eligible dependents.

Expenses of the Plan may be paid from the Trust's assets. Trust investment gains are also applied to pay Plan benefits and expenses.

Claims Administration

The Plan uses a variety of claims administrators including Aetna Life Insurance Company ("Aetna"), BlueCross BlueShield of Illinois, CVS Caremark, Delta Dental, CIGNA, EyeMed Vision Care, Progyny, and Securian. The Plan pays service fees to the claims administrators in accordance with administrative services agreements.

Claim Payments

Claim payments to participants are recorded when paid.

Premiums

Insurance premium expenses are recorded when paid.

Rebates

Rebates are recorded when received as a reduction to the cost of claims. The total amount of rebates for 2025 was approximately $16.2 million.

Administrative Expenses

Administrative expenses are recorded as incurred.

3. Investments (Certified Information)

Certain information related to investments and ERISA-required supplemental schedules, including investments held at December 31, 2025 and 2024, and interest income, for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by JPMorgan Chase Bank, N.A. (the trustee of the Plan).

4. Benefit Obligations

Medical and Dental

The Plan's medical, prescription, and dental obligations for active employees at the end of the plan year includes claims payable and an estimate of claims incurred but not reported which is based on completion factors developed through studies of claim lag patterns and a provision for administrative expenses based on the ratio of actual administrative expenses to paid claims. As a result, the Plan benefit obligations, including claims incurred but not reported, as of December 31, 2025 and 2024 are as follows:

	2025	2024
Medical	$ 11,431,000	$ 12,218,000
Prescription	514,000	440,000
Dental	415,000	452,000
Total	$ 12,360,000	$ 13,110,000

At December 31, 2025 and 2024, benefit obligations for medical, prescription, and dental claims incurred by active participants, but not reported as of the respective date, have been estimated by the actuary and the claims administrators. Such estimated amounts are reported in the accompanying statements of plan's benefit obligations. There were not any premiums payable as of December 31, 2025 or December 31, 2024. The Company is responsible for the excess of benefit obligations over net assets of the Plan.

Life Insurance

Employer-sponsored life insurance benefits are funded either by the Company or through the Trust under contracts currently held with Securian in 2025 and 2024. The Securian contracts are funded on a prospectively rated basis. No reserve was required at December 31, 2025 and 2024 as the Securian contracts are fully insured.

5. Tax Status

The Plan administrator believes that the Trust is designed to be, and to the best of their knowledge, is currently operated in compliance with the applicable requirements of Section 501(c)(9) of the Code. Accordingly, no provision for income taxes has been reflected in the accompanying financial statements. The Plan received a favorable determination letter from the Internal Revenue Service dated October 15, 2014, stating that the Trust is tax-exempt under the provisions of Section 501(c)(9) of the IRC.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

Notes to Financial Statements

6. Transactions with Parties-in-Interest

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. At December 31, 2025 and 2024, the Plan held party-in-interest investments consisting of shares of a registered investment company issued by JPMorgan Asset Management, an affiliate of JPMorgan Chase Bank, N.A., the Trustee of the Plan. In addition, fees were paid to parties-in-interest for various plan administrative services. Investment management fees charged to the Plan by parties in interest pertaining to its mutual fund investments are deducted from fund returns on a daily basis and are not separately reflected in the statement of changes in net assets available for benefits. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. These transactions are exempt from the party-in-interest transaction prohibitions of ERISA.

7. Termination of Plan

Mondelēz Global intends to continue the Plan; however, the Plan, or any of the programs under the Plan, may be terminated by Mondelēz Global at any time. If Mondelēz Global terminates the Plan, all of the assets of the Plan (except as permitted by law) will be used to provide benefits for the Plan's participants in accordance with the provisions of the Plan, the Trust and ERISA.

8. Reconciliation of Plan's Financial Statements to Form 5500s

The following is a reconciliation of net assets available for benefits per the financial statements to the net (deficit) per the Form 5500 at December 31, 2025 and 2024:

The following is a reconciliation of the decrease in net assets available for benefits per the financial statements to the net income (loss) per the Form 5500 for the year ended December 31, 2025:

	2025
Decrease in net assets available for benefits per the financial statements	$ (5,000,092)
