INDEPENDENT AUDITOR'S REPORT

To the Mondelēz Global Administrative Committee and the Participants
of the Mondelēz Global LLC Employee-Paid Group Benefits Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Mondelēz Global LLC Employee-Paid Group Benefits Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

(Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, Schedule H, Part IV, Line 4j – Schedule of Reportable Transactions for the year ended December 31, 2025, and Schedule G, Part III – Nonexempt Transactions for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of the Plan

The Mondelēz Global LLC Employee-Paid Group Benefits Plan (the "Plan") is a voluntary contributory welfare benefit plan administered by a committee appointed by Mondelēz Global LLC ("Mondelēz Global") for its employees and those of affiliated participating employers. Mondelēz Global is a wholly owned subsidiary of Mondelēz International, Inc. The Plan provides exclusively for employee-pay-all long-term disability benefits for active and disabled employees, primarily paid for through active participant contributions. No Mondelēz Global contributions are made to the Plan. As of April 1, 2024, Mondelēz Global entered into a Reserve Buy-Out Agreement with The Hartford and transferred its obligation. The Plan no longer retains any obligations for self-insured LTD benefits and the plan benefits are fully insured with The Hartford.

The Plan is funded through a Voluntary Employees' Beneficiary Association within the meaning of Section 501(c)(9) of the Internal Revenue Code of 1986, as amended (the "Code") (hereinafter, referred to as the "Trust"). Other than certain bargaining unit employees who have not bargained for eligibility under the Plan, substantially all of the employees of Mondelēz Global and its U.S. affiliates are eligible for coverage under the Plan. JPMorgan Chase Bank, N.A. (the "Trustee") serves as the trustee for the Trust. The Trustee holds the Plan's investment assets and executes investment transactions. Participants should refer to the Plan documents for a complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Mondelēz Global Management Committee for Employee Benefits has been authorized by the Board of Managers of Mondelēz Global to take settlor actions with respect to the Plan. The Plan vests the Mondelēz Global Administrative Committee with authority to control and manage the non-investment operations of the Plan and the Mondelēz Global Benefits Investment Committee ("BIC") with authority to control and manage the investment operations of the Plan. The Administrative Committee and the BIC are hereinafter collectively referred to as the "Fiduciaries."

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts in the financial statements and related disclosures. Actual results could differ from those estimates.

Valuation of Plan Investments

The Plan's investments are reported at fair value. The guidance defines fair value as the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (level 1 measurements) and gives the lowest priority to unobservable inputs (level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Notes to Financial Statements

Level 2: Significant other observable inputs other than level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Registered investment companies: The fair values of registered investment companies are determined by obtaining quoted prices on nationally recognized securities exchanges (level 1 inputs).

All fair value measurement disclosure requirements in ASC 820-10-50, including the reporting of investments in the fair value hierarchy table, are to be provided by general type of asset, rather than by classes of assets.

	Fair Value Measurements at December 31, 2025 Using Quoted Prices in Active Markets for Identical Assets	
	Level 1	
Registered investment companies	$	6,139,542

	Fair Value Measurements at December 31, 2024 Using Quoted Prices in Active Markets for Identical Assets	
	Level 1	
Registered investment companies	$	5,810,443

Investment Transactions and Investment Income

Investment transactions are accounted for on a trade-date basis. Dividend income is recorded on the ex-dividend date; interest income is recorded as earned on an accrual basis.

In accordance with the policy of stating investments at fair value, the net appreciation (depreciation) in the fair value of investments reflects both realized gains or losses and the change in the unrealized appreciation (depreciation) of investments held at year-end.

Risks and Uncertainties

The Trust invests in various investments. Investments, in general, are exposed to various risks, such as interest rate, credit, liquidity, and overall market volatility. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Notes to Financial Statements

Funding and Expenses

The Plan is funded with contributions from participating employees through payroll deductions. Contribution levels are determined annually by Mondelez Global, as Plan sponsor, in conjunction with the insurance provider. All expenses of the Plan are paid from the Trust's assets.

Premiums

Insurance premium expenses are recorded when paid.

Claims Administration

Hartford was the long-term disability claims administrator until Mondelēz entered into a reserve buy-out agreement with them effective April 1, 2024, whereby the obligations of the self-insured benefits of the Plan transferred to Hartford as of that date. Hartford continued to administer claims through March 31, 2024 for any employees that were participating in the Plan and became disabled before January 1, 2017. The Plan no longer retains any obligations for self-insured LTD benefits.

Prior to the buy-out agreement, the Plan paid all service fees to the claims administrator each month. The plan fully insured the benefits under an agreement with the insurance provider for all active participants starting January 1, 2017. Contributions from the participants were contributed to the Plan which the Plan then used to fund the premiums.

Duplicate Insurance Premium Payment

In November 2025, a duplicate payment of $125,397 for long-term disability premiums was issued to our benefits administrator, Businessolver. This duplicate funding was discovered in January 2026, and this was corrected in March 2026 with the overfunding being applied to later payments. Businessolver, acting strictly as our benefits administrator, held the overfunded balance during this period; the insurance carrier, The Hartford, never received the duplicate funds, therefore this is not considered a nonexempt transaction.

Other Income

In 2024, there was an overpayment of audit fees to Crowe from the Plan of $4,400 which was corrected in October 2025. Interest of $372 was paid to the Plan related to this transaction.

3. Investments (Certified Information)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2025 and 2024, and net appreciation(depreciation) in fair value of investments, interest and dividends, for the year ended December 31, 2025 , was obtained by management and agreed to or derived from information certified as complete and accurate by JPMorgan Chase Bank, N.A. (the trustee of the Plan).

4. Tax Status

The Plan administrator believes that the Trust is designed to be, and to the best of their knowledge, is currently operated in compliance with the applicable requirements of Section 501(c)(9) of the Code. Accordingly, no provision for income taxes has been reflected in the accompanying financial statements. The Plan received a favorable determination letter from the Internal Revenue Service dated July 21, 2014, stating that the Trust is tax-exempt under the provisions of 501(c)(9) of the IRC.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

5. Transactions with Parties-in-Interest

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, or certain others. At December 31, 2025 and 2024, the Plan held party-in-interest investments consisting of shares of a registered investment company issued by JPMorgan Asset Management, an affiliate of JPMorgan Chase Bank, N.A., the Trustee of the Plan. In addition, fees were paid by the Plan to parties-in-interest for various plan administrative services. Investment management fees charged to the Plan by parties in interest pertaining to its mutual fund investments are deducted from fund returns on a daily basis and are not separately reflected in the statement of changes in net assets available for benefits. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. These transactions are exempt from the party-in-interest transaction prohibitions of ERISA.

6. Termination of Plan

Mondelēz Global intends to continue the Plan; however, the Plan, or any of the programs under the Plan, may be terminated by Mondelēz Global at any time. If Mondelēz Global terminates the Plan, all of the assets of the Plan (except as permitted by law) will be used to provide benefits for the Plan's participants in accordance with the provisions of the Plan, the Trust and ERISA.

7. Subsequent Events

Plan management has evaluated subsequent events for recognition and disclosure through October 15, 2026 which is the date the financial statements were available to be issued.

Crowe	Auditor	Refund of overpayment of audit fees from the Plan	$ —	$ —	$ —	$ —	$ 4,400	$ 4,762	$ 362

** Description of Transaction: Hartford serves as a claim administrator for the long-term disability benefits and in 2024, Hartford served as both the fully insured provider and self-insured claims administrator. Mondelēz entered into an annuity contract with the Hartford effective April 1, 2024, whereby the obligations of the self-insured benefits of the Plan transferred to Hartford as of that date. However, Hartford continued to pay claims directly from the Plan's trust for three months instead of directing that claims be paid by Hartford as the insurer in line with the contract. The Plan sponsor determined that these incorrect payments were considered a prohibited transaction. Hartford reimbursed the Plan's trust on September 10, 2024. Actions to correct the prohibited transaction, including filing a Voluntary Fiduciary Correction Program application, payment of related interest to the Plan and associated penalties to the IRS, were completed in October 2025.
