Report of Independent Auditor

To the Board of Trustees
ReviveHealth, Inc. Benefit Plan
Ponte Vedra Beach, Florida

Opinion

We have audited the accompanying financial statements of ReviveHealth, Inc. Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2025, is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The accompanying notes to the financial statements are an integral part of these statements.

Note 1—Description of Plan

The following brief description of ReviveHealth, Inc. Benefit Plan (the "Plan") provides only general information about the Plan's provisions. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions. Plan participating employers are ReviveHealth, Inc., Manifest, Ridgeway Pharmacy, Rivers Edge Pharmacy, Janus Associates, Inc. and DBA BHS (collectively, the "Company").

General – The Plan is a defined benefit health and welfare benefit plan established January 1, 2025, to provide specified healthcare, dental, vision, and prescription drug benefits to eligible employees of the Company and their spouses and/or covered dependent(s). Employees are eligible for this program if they are classified as full-time, meaning regularly scheduled for 30-hours per week. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Administration of the Plan – For self-insured claims incurred, the Plan is administered by Meritain Health, who has responsibility for determining the qualification of claims submitted and the validity of continued benefit payments. Fully insured claims are administered by the insurance companies providing the coverage. The Plan's assets are held in a trust account at United Missouri Bank, established by the Company and administered by United Missouri Bank.

Benefits – The Plan provides health benefits (medical, vision, dental, disability, and prescription drugs). The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA"). Medical and prescription drug Plan benefits are self-insured, and dental and other healthcare benefits are fully insured. Medical, prescription drug, vision, and dental claims of active participants, terminated employees participating under COBRA, and participating dependents are processed by the Plan's third party claims processor, under an administrative services only arrangement. The claims processor pays claims directly to or on behalf of participants and are then reimbursed by either the Plan or the general assets of the Company. Despite the Plan's utilization of a third party claims processor, ultimate responsibility for the payments to providers and participants is retained by the Company. Fully insured benefits and claims are administered by the insurance companies providing the coverage.

Contributions – Participants contribute specific amounts based on their type of coverage and their status with the Company. These amounts are determined by the Company. The Company makes contributions to the Plan to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company.

Stop Loss Coverage – The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Note 2—Summary of significant accounting policies

Basis of Accounting – The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") under the accrual method of accounting.

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Concentrations of Credit Risk – The Plan maintains amounts in a health benefit trust checking account that is subject to the Federal Deposit Insurance Corporation insurance coverage. The Plan believes no significant risk of loss exists with respect to those balances.

Note 2—Summary of significant accounting policies (continued)

Contributions – Contributions are recorded when the amounts are due from participants and the Plan Sponsor. Claim amounts recoverable under the stop-loss coverage are accrued as claims are processed for reimbursements.

Interest Income – Interest income on amounts maintained in the Plan's health benefit trust checking account are recorded on the accrual basis.

Payment of Benefits – Claim payments are recorded when paid to the third party claims processor. Amounts due to claims processor that have yet to be reimbursed by the Plan are recorded as benefit claims payable, if applicable, in the accompanying statement of net assets available for benefits.

Stop-Loss Coverage – The Plan entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits for individual participant claims over $75,000. For the year ended December 31, 2025, stop loss refunds totaling $608,217 have been netted with claims paid in the accompanying statement of changes in net assets.

Rebates – For the year ended December 31, 2025, pharmacy rebates totaling $40,315 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits.

Insurance Premiums – Premiums for stop-loss insurance are included in insurance premiums paid for health benefits and stop-loss refunds are netted against claims in the accompanying statement of changes in net assets available for benefits. Amounts recoverable under stop-loss coverage are used to reduce health claims payable included in the benefit obligations.

Administrative Costs – The Plan pays administrative expenses that consist primarily of administrative fees paid to third party claims administrators and the trustee. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as Plan audit fees, are paid by the Company on behalf of the Plan and will not be reimbursed by the Plan.

Benefit Obligations – The Plan's obligations at December 31, 2025 for health claims incurred by participants but not reported at that date and future health claims payable are estimated by the Plan Sponsor based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment. Such estimates are included in the disclosure of benefit obligations as presented in Note 7.

Note 3—Tax status of the Plan

The trust funding certain benefits of the Plan is considered tax-exempt under the Company's tax-exempt status. In addition, the Plan and the trust are required to operate in conformity with the Internal Revenue Code ("IRC") to maintain the tax-exempt status of the trust. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and believes the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4—Termination of the Plan

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants, and to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 5—Parties-in-interest transactions

The Plan uses various providers to administer the Plan and those providers are deemed parties-in-interest. Payments to those providers for premiums and administrative expenses totaled $158,730 for the year ended December 31, 2025.

Certain administrative functions of the Plan may be performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Note 6—Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Claims incurred but not reported is reported based on certain assumptions by Plan management based on claims data provided by the Plan’s third-party claims administrators which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note 7—Benefit obligations

At December 31, 2025, the Plan’s benefit obligations were as follows:

Amounts currently payable:		
Claims payable	$	2,123
Claims incurred but not reported		174,528
Plan's total benefit obligations	$	176,651

For the year ended December 31, 2025, the changes in the Plan’s benefit obligations were as follows:

Amounts currently payable:		
Balance, beginning of year	$	-
Claims reported and approved for payment		1,539,390
Claims paid, net		(1,362,739)
Plan's total benefit obligations, end of year	$	176,651

Note 8—Subsequent events

The Plan evaluated subsequent events through October 15, 2026, when these financial statements were available to be issued.
