The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

**Opinion on the 2025 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2025 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2025 financial statements.

**Responsibilities of Management for the 2025 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued, as applicable.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2025 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matters**

*2024 Financial Statement*

The accompanying statement of net assets available for benefits of the Plan as of December 31, 2024 was not audited, reviewed, or compiled by us and, accordingly, we do not express an opinion, conclusion, or any other form of assurance on it.

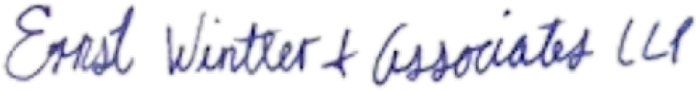

*2025 Supplemental Schedule Required by ERISA*

The supplemental schedule of Schedule H, Line 4i- Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Valley Medical Staffing Inc 401(k) Plan

## December 31, 2025 and 2024

### 1. Description of the Plan

The following description of the Valley Medical Staffing Inc 401(k) Plan, (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan that was established on January 1, 2004 by Valley Medical Staffing Inc. (the "Company") covering all eligible employees of the Company as defined in the Plan agreement. Certain classes of employees as defined in the Plan agreement are excluded from plan participation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The chief executive officer of the Company manages the operation and administration of the Plan, including the appropriateness of the Plan's investment offerings and investment performance. The Plan utilizes ADP Retirement Services LLC as record-keeper to process and maintain the records of participant data. ADP Retirement Trust Services LLC is the Plan trustee and custodian.

On April 22, 2026, the Plan adopted an amendment to implement the provisions of the SECURE 2.0 Act of 2022 and CARES. The amendment is effective retroactively as of the effective dates of the respective provisions, and the Plan has been operated in accordance with those provisions since their effective dates. Significant provisions applicable to the Plan include the following:

Mandatory automatic enrollment – Because the Plan was established before December 29, 2022, it is exempt from the SECURE 2.0 requirement that new 401(k) plans automatically enroll eligible employees. The Plan continues to maintain its existing automatic enrollment feature.

Catch-up contributions for participants ages 60 through 63 – Effective January 1, 2025, participants who attain age 60, 61, 62, or 63 during the calendar year may make catch-up contributions up to 150% of the regular catch-up limit, as adjusted for inflation.

Roth catch-up contributions – Effective January 1, 2026, catch-up contributions made by participants whose prior-year FICA wages from the Company exceeded $145,000 (as adjusted for inflation) must be made as Roth contributions. Such participants are deemed to have elected Roth treatment for their catch-up contributions and are given the opportunity to opt out of the deemed election with respect to future deferrals.

Involuntary cash-out limit – Effective for distributions made after December 31, 2023, the limit for distributing a vested account balance without participant consent was increased from $5,000 to $7,000.

Required minimum distributions – The age at which participants must begin receiving required minimum distributions is 73 for participants born between 1951 and 1959 and 75 for participants born in 1960 or later. Effective January 1, 2024, Roth accounts are not subject to required minimum distributions during the participant's lifetime.

The amendment did not have a material effect on the Plan's net assets available for benefits.

**Contributions**

Participants may reduce compensation by a specific percentage or dollar amount on a pre-tax and Roth basis as an elective deferral to the maximum amount by law. Employees are eligible to participate in elective deferrals after the attainment of age 18. Participants enter the plan on the first day of the month coinciding with or next following eligibility. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also make rollover contributions. The Plan includes an auto-enrollment feature whereby all newly eligible employees are automatically enrolled in the Plan at a pre-tax deferral of 1% which is deposited into the participant's account in the Plan's default fund.

The Plan also offers safe harbor contributions to eligible employees. Safe harbor contributions are set at 100% of employee elective salary deferrals that do not exceed 3% of compensation plus 50% of employee salary deferrals between 3% and 5% of compensation.

### 1. Description of the Plan (Continued)

**Contributions (continued)**
Discretionary matching contributions may be made to eligible employees equal to a percentage of salary deferrals. The discretionary matching contribution in any Plan year cannot exceed 4% of compensation. There were no discretionary matching contributions made during the year ended December 31, 2025.

Discretionary profit-sharing contributions may be made to eligible employees employed on the last day of the Plan year who have completed at least 1000 hours of service during the Plan year. There were no discretionary profit-sharing contributions for the year ended December 31, 2025.

**Participant Accounts**
Each participant's account is credited with the participant's contribution, the Company's safe harbor contributions, discretionary matching contribution (if any), an allocation of the discretionary profit-sharing contributions (if any), plan earnings and losses, and plan expenses as applicable to the Plan. Allocations of the discretionary profit-sharing contribution are based on participant compensation. Allocations of plan earnings and losses are based on individual participant investment choices. All contributions/investments are participant directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**
Participants are immediately vested in their elective deferrals, catch-up contributions, rollover contributions, safe harbor contributions, discretionary matching contributions, discretionary profit sharing contributions and actual earnings thereon.

**Forfeited Accounts**
At December 31, 2025 and 2024 there were no forfeited nonvested accounts. Forfeited accounts are used to reduce Plan expense and future employer contributions.

**Payment of Benefits**
Upon the satisfaction of certain distributable events, participants or their beneficiaries may elect to receive their vested account balance and are paid in accordance with plan provisions. If a participant's vested account balance does not exceed $7,000, the balance may be distributed only in a single lump-sum payment. In-service distributions are permitted upon attaining the age of 59 ½.

The Plan permits hardship withdrawals in the event of an immediate and heavy financial need, as defined in the Plan and the Internal Revenue Code (IRC). As permitted by SECURE 2.0, the Plan administrator relies on a participant's written certification that the participant has a qualifying need and that the amount requested does not exceed that need.

**Participant Loans**
The Plan did not permit participant loans during the year ended December 31, 2025. As described in Note 8, the Plan was amended effective September 1, 2026 to permit participant loans.

### 2. Significant Accounting Policies

**Basis of Accounting**
The accompanying financial statements of the Plan have been prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("US GAAP") as applied to employee benefit plans.

**2. Significant Accounting Policies (Continued)**

**Use of Estimates**
The preparation of financial statements in accordance with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Certified Investments**
Certain information related to investments disclosed in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year), including investments held at December 31, 2025, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2025, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by ADP Retirement Trust Services LLC.

**Investment Valuation and Income Recognition**
Investments are reported at fair value or net asset value ("NAV"). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements and NAV are described in Note 3. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits**
Benefits are recorded when paid.

**Administrative Expenses**
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of benefits payments to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments. Forfeitures can be used to reduce plan expenses or matching contributions.

**3. Fair Value Measurements**

The Fair Value Measurements Topic of the FASB Accounting Standards Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

| | |
|---|---|
| Level 1 | Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date. |
| Level 2 | Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. |
| Level 3 | Unobservable inputs for the asset or liability. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**3. Fair Value Measurements (Continued)**

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are SEC registered. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The collective investment trust is valued at NAV per share practical expedient and is obtained from the trustee and investment manager. These investments are redeemable at NAV and are subject to a 12-month irrevocable written notice requirement for redemption. The NAV is calculated in a manner consistent with the measurement principles of fair value. Investments measured using the NAV per share practical expedient are not categorized within the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The 2025 information was obtained from data that has been prepared and certified as complete and accurate by ADP Retirement Trust Services LLC. The 2024 information is unaudited. The table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2025 and 2024:

**December 31, 2025**

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Assets at fair value: | | | | |
| Mutual funds | $ 3,597,648 | $ - | $ - | $ 3,597,648 |
| Collective investment trust* | - | - | - | 16,472 |
| Total | $ 3,597,648 | $ - | $ - | $ 3,614,120 |

**December 31, 2024**

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Assets at fair value: | | | | |
| Mutual funds | $ 2,305,944 | $ - | $ - | $ 2,305,944 |
| Collective investment trust* | - | - | - | 12,841 |
| Total | $ 2,305,944 | $ - | $ - | $ 2,318,785 |

*** Collective Investment Trust Measured at Net Asset Value**

The Plan invests in Invesco Stable Asset - ADPZ, a collective investment trust comprised of units that are not publicly traded. The collective investment trust is measured at net asset value ("NAV") per share, or its equivalent, as a practical expedient for fair value. Accordingly, the investment is not categorized within the fair value hierarchy.

The objective of the ADPZ Invesco Stable Asset - ADPZ is to preserve the value of the investment, generate interest income, and maintain sufficient liquidity to meet participant needs. The fund seeks to achieve this objective through a conservative, diversified mix of high-quality fixed-income securities and cash equivalents.

As of December 31, 2025 and 2024, the Plan's investment in the collective investment trust was $16,472 and $12,841, respectively. The Plan has no unfunded commitments related to this investment as of December 31, 2025. The Plan can initiate transactions and redeem units on any business day but is required to give 12-month irrevocable written notice of intent to redeem all or a portion of its participation.

**4. Plan Termination**

Although the Company intends to maintain the Plan indefinitely, the Company reserves the right to terminate the Plan at any time. Upon termination of the Plan, no further contributions will be made to the Plan and all amounts credited to participant accounts will become fully vested. The Company will direct the distributions of participant accounts in a manner permitted by the Plan as soon as practicable.

**5. Tax Status**

The IRS has determined and informed the Company by a letter dated October 6, 2020, that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and tax exempt.

US GAAP requires the Plan to evaluate tax provisions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Company has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**6. Parties-in-Interest**

All transactions that may be considered parties-in-interest transactions relate to normal plan management, recordkeeping and administrative services and the payment of fees.

**7. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**8. Subsequent Events**

Subsequent events have been evaluated through October 9, 2026, which is the date the financial statements were available to be issued. As described in Note 1, on April 22, 2026, the Plan was amended to implement certain provisions of the SECURE 2.0 Act. On July 16, 2026, the Plan was amended to allow loans to participants effective September 1, 2026.
