INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Those Charged with Governance
A Square Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of A Square Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined that it is permissible in the circumstances, has elected to have the audit performed in accordance with ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8. Our audit does not extend to statements or information related to assets held for investment that are prepared and certified as complete and accurate by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, to the extent the certification satisfies 29 CFR 2520.103-5.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

• The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

• The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities section. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to our audit.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to financial statements free from material misstatement, whether due to fraud or error. Management's election of an ERISA Section 103(a)(3)(C) audit does not affect its responsibility for the financial statements.

Management is responsible for maintaining the current plan instrument and amendments, administering the Plan, determining that transactions are in conformity with Plan provisions, and maintaining records sufficient to determine benefits due to participants. Management is also responsible for assessing the Plan's ability to continue as a going concern for the required period and for determining whether the conditions for the ERISA Section 103(a)(3)(C) election and certification are satisfied.

Auditor's Responsibilities for the Audit of the Financial Statements

Except for the certified investment information described above, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when one exists.

In performing an audit under GAAS, we exercise professional judgment and maintain professional skepticism; identify and assess risks of material misstatement; perform procedures responsive to those risks, including examining evidence on a test basis; obtain an understanding of relevant internal control to design appropriate procedures, but not to express an opinion on its effectiveness; evaluate accounting policies, significant estimates and overall presentation; and conclude whether substantial doubt exists about the Plan's ability to continue as a going concern for a reasonable period.

Our audit does not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with related information presented and disclosed in the financial statements, and reading disclosures related to the certified information to assess their conformity with U.S. GAAP. Accordingly, an ERISA Section 103(a)(3)(C) audit does not have as its objective an opinion that the financial statements as a whole are presented fairly in all material respects in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding the planned scope and timing of the audit, significant audit findings and certain internal control matters identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The accompanying Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The schedule is management's responsibility and was derived from underlying accounting and other records.

Information in the schedule other than information agreed to or derived from the certified investment information is subject to the audit procedures applied to the financial statements and additional procedures, including comparison and reconciliation to underlying records. Information agreed to or derived from the certification is compared with the related certified investment information.

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

1. Description of the Plan

General. The A Square Group 401(k) Plan (the Plan), EIN 26-3504429, Plan No. 001, is a defined contribution retirement plan sponsored by A Square Group. The 2024 issued financial statements identify the Plan as "A Square Group LLC 401K Profit Sharing Plan"; the 2025 Form 5500 identifies it as "A Square Group 401(k) Plan." The Plan is subject to ERISA.

Eligibility and enrollment. The 2024 audited financial statements describe the Plan as voluntary for eligible employees, with eligible employees automatically becoming participants unless they elect otherwise. The Plan document governs age, service and entry-date requirements.

Contributions. Participants may make pre-tax and Roth salary deferrals within applicable Internal Revenue Code limits. Effective January 1, 2024, the Plan changed from a 3% safe-harbor nonelective employer contribution to a safe-harbor matching arrangement. Under the matching arrangement, the Employer matches 100% of the first 1% of eligible employee deferrals and 50% of eligible employee deferrals from 2% through 6%, for a maximum employer matching contribution of 3.5% of eligible compensation. The Plan also provides for automatic escalation of employee deferral rates by 1% annually, up to a maximum deferral rate of 10%.

Participant accounts. Individual accounts are credited with participant contributions, employer contributions and allocated investment income, and charged with distributions, losses and allocable expenses. The benefits payable to participants are based on their vested interests.

Vesting. Participant deferrals and related earnings are fully vested. The 2024 issued financial statements report the following employer contribution vesting schedules. These are carried forward as historical descriptions for 2025:

Years of vesting service	Employer match	Safe-harbor nonelective	Safe-harbor match	Profit sharing
<1	0%	100%	0%	0%
1	25%	100%	0%	0%
2	50%	100%	100%	20%
3	75%	100%	100%	40%
4	100%	100%	100%	60%
5	100%	100%	100%	80%
6	100%	100%	100%	100%

Investments. The Plan is participant directed. The 2024 report identified Vanguard as recordkeeper; the 2025 Plan Administration and SOC materials also reference Ascensus entities.

Participant loans. The report describes loans generally limited to the lesser of 50% of the participant's vested balance or $50,000, subject to Plan rules; a minimum of $1,000; up to two outstanding loans; and repayment generally through payroll deduction.

Benefit payments and forfeitures. Benefits are paid according to the Plan document. Forfeitures arise from nonvested employer contributions and are used as permitted by the Plan document and applicable law.

2. Summary of Significant Accounting Policies

Basis of accounting. The financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment valuation. Registered investment companies are measured at fair value, generally based on published net asset values. The common/collective trust is measured using valuation information provided by the trust administrator.

Investment transactions and income. Purchases and sales of investments are recognized on a trade-date basis where applicable. Dividend income is recognized on the ex-dividend date and interest income as earned. Net appreciation or depreciation in fair value includes realized and unrealized changes, where applicable.

Notes receivable from participants. Participant loans are measured at unpaid principal plus accrued interest, subject to applicable accounting guidance. Participant loan interest is recorded as earned.

Payment of benefits. Benefits are recorded when paid. Administrative expenses are recorded in accordance with the Plan's accounting policies and the underlying agreements.

Use of estimates. The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions affecting reported amounts and disclosures. Actual results may differ from those estimates.
