INDEPENDENT AUDITORS' REPORT

To The Board of Directors and Participants of
TSG Ski and Golf, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Telluride Ski and Golf 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of TSG Ski and Golf, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TSG Ski and Golf, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant

ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TSG Ski and Golf, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TSG Ski and Golf, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TSG Ski and Golf, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TSG Ski and Golf 401(k) Plan
Notes to Financial Statements
Years Ended December 31, 2025 and 2024

1. Plan Description

General

The TSG Ski and Golf, LLC 401(k) Plan (the "Plan") is a defined contribution plan covering all qualified employees of Telluride Ski & Golf, LLC (the "Company"), as defined in the Plan agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is established to aid eligible employees in providing for a portion of their future security by the administration and distribution of contributions made by the Company and participants. The Plan is intended to qualify under Section 401(a) of the Internal Revenue Code ("IRC"). In addition, the Plan includes a "cash or deferred" salary reduction savings arrangement qualifying under Section 401(k) of the IRC.

Eligibility

To be eligible, employees must be 21 years of age or older, complete one rolling year of service, and work more than 1,000 hours in a rolling year. Upon hire, the employee sets their "seniority date", which establishes the start date of the rolling year for recordkeeping purposes. Eligible employees may enter the Plan immediately following the completion of the eligibility requirements. Upon becoming eligible to participate, the employee must be severed from employment for a full year to lose this eligibility, as defined in the Basic Plan Document.

Effective for Plan years beginning after December 31, 2020, any employee working at least 500 hours of service during each of three consecutive 12-month periods ("LTPT Employee") becomes a Participant eligible to make elective deferrals on the date specified in the Plan provided that they are an eligible employee and have attained the applicable age requirement, if any, on such date. No 12-month period beginning before January 1, 2021 is taken into account. Each 12-month period for which an LTPT Employee has at least 500 hours of service is treated as a year of service for vesting purposes.

Contributions

A participant who is an employee of the Company may elect the salary reduction option, under which up to 100% of the participant's eligible compensation (as defined in the Plan agreement), to a maximum of $23,500 per year in 2025 and $23,000 per year in 2024, will be withheld and credited to the participant's account ("Participant Contributions"). If the participant elects this option, the Company will contribute a matching amount equal to 100% of each participant's contribution in an amount not to exceed 4% of each participant's compensation ("matching contribution"). Matching contributions are credited to the participants' accounts. Matching contributions are made at the discretion of the Company. Participants may elect to transfer funds into the Plan from other qualified retirement plans.

The Company may also elect to make additional discretionary contributions, but in no event shall the aggregate contributions to the Plan or any other qualified plan offered by the Company exceed the maximum allowed under the IRC. There were no such contributions made to the Plan in 2025 or 2024.

1. Plan Description (continued)

Participant Accounts

Each participant's account is credited with their contributions (including matching and additional discretionary contributions) and for investment earnings. Each participant's account is charged with the amounts they withdraw from the Plan and for their share of investment expenses and losses. Accounts are credited and charged daily for transactions.

Investments

Each participant has the option to direct investment of the funds in their account into one or more of the available investment funds. The investment funds were administered by John Hancock Retirement Plan Services. During the year, participants could elect to invest their account balances among several investment funds designated by the Company (see complete listing in supplemental schedule to financial statements).

Income earned by each investment fund, including unrealized appreciation or depreciation, is allocated pro rata to the participants' accounts based on each participant's balance in the respective fund. Asset management fees are allocated by John Hancock Retirement Plan Services to each of the funds and then are allocated to the participants' accounts based on each participant's balance.

Vesting and Forfeiture

Participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Participants become vested in matching and additional discretionary contributions based on years of continuous service to the Company. Participants vest at the rate of 20% for each completed year of service to the Company, beginning with completion of the second year of service. After completing six years of service, a participant is 100% vested in Company matching contributions and earnings thereon.

Payment of Benefits

Additionally, if a participant terminates employment due to death, disability or retirement upon reaching normal retirement at age 65, that participant becomes 100% vested in all contributions plus actual earnings thereon which have been credited to their account. The Plan also allows for early retirement at age 55.

In the event a participant withdraws from the Plan before fully vesting, the unvested portion of matching and additional discretionary contributions, including earnings thereon, is forfeited. Forfeitures, which amounted to $23,544 in 2025 and $23,090 in 2024, may reduce the amount of future matching contributions or may be used to pay for administrative expenses of the Plan, at the discretion of the Company's board of directors. In 2025, the Company allocated $26,982 in forfeitures to offset employer matching contributions. As of December 31, 2025 and 2024 the Plan held $40,380 and $12,351, respectively, of forfeiture funds.

1. Plan Description (continued)

Distributions
Participants may elect to receive distributions in lump sum payments following the fiscal quarter in which the participant terminates employment with the Company. Participants may elect to receive installment distributions if termination is due to death, disability or occurs after attaining normal retirement age in certain instances the Plan's administrator may grant hardship distributions. Upon termination, a participant may elect to defer receiving their vested benefits.

Participant Loans
A participant employed by the Company may borrow from the Plan the lesser of $50,000 or 50% of the value of their vested account balance. The minimum loan amount is $1,000. Loans are repaid in installments not to exceed 60 months (120 months for principal residence loans). The maximum number of loans a participant may have outstanding was limited to two (2) loans per participant, and was further limited to one (1) loan per participant effective September 24, 2024, with any participants who had two loans outstanding at the time of policy update allowed to continue to hold two loans until their original loan was paid in full. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis.

Termination of the Plan
The Company has the right under the Plan agreement to suspend or discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, all participants will become 100% vested in their accounts, without regard to the number of years of service.

Administrative Expenses
The Company pays for certain direct Plan administrative and other expenses, but this is discretionary, and such expenses are excluded from these financial statements. Additionally, Company employees provide certain administrative duties at no charge to the Plan. Participants are charged directly for loan and distribution fees.

Certain fees are also paid through revenue sharing from plan investments to John Hancock. Administrative fees of $83,835 for the year ended December 31, 2025 were paid by the Plan.

2. Significant Accounting Policies

Basis of Presentation
The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting and in accordance with generally accepted accounting principles. The financial statements present the net assets available for benefits and changes in net assets available for benefits.

Federal Income Taxes
The Internal Revenue Service ("IRS") issued a determination letter on June 30, 2020 indicating the standardized prototype plan document used by the Plan qualifies under Section 401(a) of the IRC.

2. Significant Accounting Policies (continued)

The Plan's administrator and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision is made for Federal income tax in the Plan's financial statements. Tax years that remain subject to examination are 2021 through 2024.

Valuation of Investment Income Recognition
The Plan records its investments at fair value as reported by the trustee. Fair value is based on quoted market prices of the securities underlying mutual funds at December 31, 2025 and 2024. Realized gain or loss on the sale of an investment is the difference between the proceeds received and the cost of the investment sold. The change during a period in the fair value of investments plus realized gains or losses and actual interest and dividends paid are recorded in the Statements of Changes in Net Assets Available for Benefits as "Net appreciation in fair value of investments".

Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties
The Plan provides participants with various investment fund options. Participants may choose to invest their funds in any combination of these investment options. The underlying securities owned by these investment funds are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

Contributions Receivable
The Company records receivables for amounts owed to the Plan when payroll dates occur before year end, but the Plan is funded subsequent to year end.

Excess Contributions Payable
Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. As of the report date, 2024 excess contributions have not been distributed.

Recent Accounting Pronouncements
The Plan early adopted ASU 2025-05, Financial Instruments - Credit Losses (Topic 326), for the year ended December 31, 2025. This update amends existing CECL guidance under ASC Topic 326 by introducing a practical expedient for certain short-term receivables and permitting nonpublic entities to consider subsequent cash collections when estimating expected credit losses. Adoption of ASU 2025-05 did not have a material impact on the Plan's financial statements.

3. Information Certified by the Custodian

Plan management has elected the method of compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following investment information was certified by the Trustees and was not subjected to any auditing procedures performed by the independent public accountants:

- Investments, cash and cash equivalents
- Net appreciation in fair value of investments, and other investment income
- Interest income on notes receivable from participants
- Information presented in the accompanying supplemental schedule

4. Fair Value Measurements

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024.

Pooled separate accounts – Separate accounts are valued at their "accumulation unit value" which is the net asset value of the underlying funds, the fund's dividends, and the separate account charges and is determined daily. As these investments are not traded on active markets, this investment class is classified as Level 2.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

2025	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -	$ 19,176,500	$ -	$ 19,176,500
Total assets at fair value	$ -	$ 19,716,500	$ -	$ 19,716,500
2024	**Level 1**	**Level 2**	**Level 3**	**Total**
Pooled separate accounts	$ -	$ 15,751,649	$ -	$ 15,751,649
Total assets at fair value	$ -	$ 15,751,649	$ -	$ 15,751,649

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

7. Transactions with Parties in Interest

Certain Plan investments are managed by John Hancock, and Plan records are managed by Qualified Pension Services. John Hancock generally acts as the Plan custodian and Qualified Pension Services is the recordkeeper for the Plan. Therefore, these transactions qualify as party in interest transactions.

John Hancock, Qualified Pension Services, and affiliates thereof can receive 12(b)(1) fees or similar fees from Plan investments for plan advisory services.

8. Subsequent Events

Management has conducted a review of subsequent events for possible disclosure in or correction of these financial statements through October 15, 2026, the date the financial statements were available to be issued.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of Statements of Net Assets Available for Plan Benefits per the financial statements at December 31, 2024, to the Form 5500:

	2024
Net assets available for benefits per the financial statements	$ 15,906,934
Less: Current year deemed distributions	(8,337)
Net assets available for benefits per Form 5500	$ 15,898,597

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for the year ended December 31, 2025, to the Form 5500:

	2025
Net increase in assets available for benefits per the financial statements	$ 3,429,373
Plus: Prior year deemed distributed loans	8,337
Net increase in assets available for benefits per the Form 5500	$ 3,437,710
