INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
HPFFA Medical Trust 341

Opinion

We have audited the financial statements of HPFFA Medical Trust 341, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of HPFFA Medical Trust 341 as of December 31, 2025 and 2024, and the changes in its benefit obligations and net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HPFFA Medical Trust 341 and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HPFFA Medical Trust 341's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

6002 Rogerdale, Ste. 200 Houston, Texas 77072 Tel 281-759-1120 Fax 281-759-5500

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HPFFA Medical Trust 341's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HPFFA Medical Trust 341's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule H, line 4j – Schedule of Reportable Transactions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HPFFA MEDICAL TRUST 341
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the HPFFA Medical Trust 341 (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan and the related trust is a contributory defined benefit health and welfare plan, which was formed for the benefit of the active and retired members of the International Association of Fire Fighters Local No. 341 (the "Plan Administrator"), their dependents, or designated beneficiaries. The Plan and the trust, through which the benefits are provided, qualify as a voluntary employee beneficiary association under Section 501(c)(9) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan has committed $10,000,000 in net assets to the development of a health and wellness center.

Eligibility

All active members of the Plan Administrator are eligible to participate in the Plan, along with dependents as defined in the Plan agreement. In addition, any retired member of the Plan Administrator is eligible to participate if he or she was enrolled in the Plan prior to retirement. Coverage is effective on the first day of the month following the member's enrollment date.

Benefits

The Plan provides supplemental health reimbursement benefits to members and their eligible dependents. Claims are processed by the claims administrator, but responsibility for payments is retained by the Plan. Benefits are available only as specifically described in the Plan agreement, up to the maximum amounts stated. Proof of loss in proper form (for certain benefits) is to be furnished to the Plan Administrator within or not later than one year following the date of service rendered or first day of disability for which the claim is made.

The Plan pays premiums to Humana CompBenefits Insurance Company for dental and vision benefits coverage and to Standard Insurance Company for accidental death and dismemberment benefits coverage. Disability income protection (short-term disability) benefits are also provided for active members only.

Contributions

The participant contributions into the Plan vary depending on the coverage elections and contribution amounts defined in the Plan agreement. Participant contribution amounts are deducted from the participant's paycheck and remitted to the Plan Administrator either by the City of Houston (the "City") or the Houston Firefighter's Relief and Retirement Fund. The City's contribution is $50 per month for each firefighter enrolled in the Plan through a collective bargaining agreement that was entered into in July 2024 and that expires in June 2029.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Funding Policy

Contributions to the Plan are invested by the Plan Administrator in marketable securities held in trust to enable the Plan to meet its obligations.

Termination of the Plan

Although it has not expressed any intention to do so, the Plan Administrator has the right under the Plan agreement to terminate the Plan, at any time, subject to the provisions of ERISA. Upon termination, no benefits shall be paid for any expense incurred or disability that begins after the date of termination.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator's Board of Directors determines the Plan's valuation policies and procedures. See Note 3 for discussion of fair value measurements. The sale or purchase of securities is recorded on the trade date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Receivables

Contributions and other receivables are presented in the statements of benefit obligations and net assets available for benefits net of any applicable allowance for credit losses. The allowance for credit losses is determined by analyzing the collectibility of contributions from the participants and the City. Receivables are written off against the allowance for credit losses when they are determined to be uncollectible. Based on review, plan management believes that no allowance for credit losses was necessary at December 31, 2025 or 2024.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

The Plan pays administrative expenses that consist primarily of fees paid to third-party claims administrators, accountants, and investment advisors. These expenses are reported in the statement of changes in benefit obligations and net assets available for benefits as administrative expenses.

Concentrations of Credit Risk

Financial instruments that potentially subject the Plan to a concentration of credit risk consist primarily of cash deposits held by one financial institution. The Plan's exposure to loss is the amount of cash deposits in excess of the federally insured limits.

Claims Incurred But Not Reported

Claims incurred but not reported (IBNR) represent the estimate of claims incurred by participants, but not yet reported by the participants. Such amount is based on historical claims rates and amounts paid subsequent to year-end.

NOTE 3 - FAIR VALUE MEASUREMENTS

Various inputs are used in determining the fair value of the Plan's investments. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy, including the types of Plan investments that fall under each category and the valuation methodologies used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Exchange Traded Funds: Valued based on quoted prices in an active market.

Cash Equivalents: Valued based on amounts on deposit at the financial institution.

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices that are in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable inputs (i.e., projections, estimates, interpretations, etc.) that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used at December 31, 2025 or 2024.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	2025			
Description	Level 1	Level 2	Level 3	Total
Exchange Traded Funds	$ 2,639,395			$ 2,639,395
Cash Equivalents	1,063			1,063
Mutual Funds	15,378,514			15,378,514
Total investments at fair value	$18,018,972			$18,018,972

	2024			
Description	Level 1	Level 2	Level 3	Total
Exchange Traded Funds	$ 121,524			$ 121,524
Cash Equivalents	2,811			2,811
Mutual Funds	16,394,733			16,394,733
Total investments at fair value	$16,519,068			$16,519,068

NOTE 4 - RELATED-PARTY TRANSACTIONS

The Plan reimburses the Plan Administrator for management and office services. Fees paid for these services amounted to $3,875 for the year ended December 31, 2025. The amount due to the Plan Administrator at December 31, 2025 and 2024 was $9,022 and $21,576, respectively.

NOTE 5 - INCOME TAX STATUS

The trust established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(c)(9) of the IRC and, accordingly, the trust's net investment income is exempt from income taxes. The Plan Administrator obtained a favorable determination letter dated April 13, 1988 in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan Administrator believes that the Plan and trust, as amended, continue to qualify and operate as designed. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

NOTE 5 - INCOME TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan to determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan uses various investment products. In general, such investments are exposed to various risks, such as significant world events, interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of benefit obligations and net assets available for benefits.

NOTE 7 - RECONCILIATION OF THE FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$18,071,886	$17,083,304
Claims IBNR	(308,037)	(315,364)
Net assets available for benefits per the Form 5500	$17,763,849	$16,767,940

The following is a reconciliation of benefits paid to participants per the financial statements to the Form 5500 for the year ended December 31, 2025:

Benefits paid to participants per the financial statements	$ 867,037
Claims IBNR at December 31, 2025	308,037
Claims IBNR at December 31, 2024	(315,364)
Benefits paid to participants per the Form 5500	$ 859,710

Amounts currently IBNR are reported as benefits payable on the Plan's Form 5500.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 15, 2026, the date the financial statements were available to be issued.
