INDEPENDENT AUDITOR'S REPORT

To the Pension Plan Committee,
EC Waste Puerto Rico Retirement Plan
Cataño, Puerto Rico

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of EC Waste Puerto Rico Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of EC Waste Puerto Rico Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit Financial Statements section

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

P.O. Box 363247, San Juan, PR 00936-3247 | 1738 Calle Amarillo Edificio Summit Suite 400, San Juan, PR 00926

Opinion (Cont'd)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of EC Waste Puerto Rico Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about EC Waste Puerto Rico Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of EC Waste Puerto Rico Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about EC Waste Puerto Rico Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (Cont'd)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions as of December 31, 2025 and Schedules of assets held at end of years as of December 31, 2025 and 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedules Required by ERISA (Cont'd)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF THE PLAN

The following description of EC Waste Puerto Rico Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of E.C. Waste, LLC (a Wholly-Owned Subsidiary of PR Wasted Holdings, LLC) (the "Company"). The Plan was organized effective January 1, 1998 and is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974.

In June 2025, the Company, together with certain related parties, acquired the solid waste hauling operations and selected assets of a solid waste entity. In July 2025, the employees of the acquired entity became employees of the Company, of whom 114 became participants in the plan and made contributions to the plan.

As of December 31, 2025 and 2024, there were 465 and 351 active participants with account balances in the Plan, respectively.

Contributions

Participants may contribute up to the maximum amount in accordance with the provisions of the Puerto Rico Income Tax Code ($15,000 for years ended December 31, 2025 and 2024) up to 10% of pretax annual compensation, as defined in the Plan. Participants age 50 years or older are allowed to make additional pre-tax catch-up contributions over any other regulatory limit in amounts up to $1,500. Such pre-tax catch-up contributions are not eligible for employer matching. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans and may make voluntary contributions up to 10% of their compensation. The Plan Sponsor contributions are allocated to each employee based on a 100% matching contribution for each Participant's pre-tax contribution up to three percent (3%) of compensation plus fifty percent (50%) matching contribution for each Participant's pre-tax contribution in excess of three percent (3%) of compensation up to six percent (6%) of the Participant's contribution.

Eligibility

To become a participant, an employee has to complete three months of service. No minimum age is required.

NOTE A - DESCRIPTION OF THE PLAN (CONT'D)

Participants' accounts and forfeitures

Each participant's account is credited with Sponsor's contributions, allocation of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on account balances. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account. Forfeitures are not applicable since the Plan provides for immediate vesting on profit sharing and/or matching contributions

Vesting period

Participants' vesting in the Company's discretionary contributions to their accounts plus actual earnings thereon, is based on years of continuous service. A participant's vesting percentage in the employer discretionary contribution for the year 2025 is as follows:

Years of service	Vested Percentage
Less than 1 year	0%
1	25%
2	50%
3	75%
4	100%

Payment of benefits

On termination of services due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in monthly, quarterly, semiannual or annual installments over a period normally not exceeding ten years. Upon termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to 50% of their vested balance not to exceed $50,000. The loans are secured by the balance in the participant's account and bear interest equivalent to the prime rate of the first day of the month in which the loan is requested plus one percent. Principal and interest are paid ratably through monthly payroll deductions.

Administrative expenses

Some administrative expenses of Plan administration are being absorbed by the Sponsor.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest rate on loans outstanding as of December 31, 2025 and 2024 fluctuates from 9.00% to 9.50%. The term of the loans may not be less than one (1) year, nor more than five (5) years, unless the loan is for the purpose of acquiring a principal residence. In such case, the period will be determined by reference to the Plan's loan provisions. Loans outstanding from participants at December 31, 2025 and 2024 amounted to $1,113,003 and $952,528, respectively.

Estimates

The preparation of financial statements in conformity with U.S.A. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

The Plan’s investments consist mainly of "units of participation's" maintained in various investment funds held by the Trustee. Such investments are stated at fair value. Quoted market price are used to value investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Participant's loans are valued at the outstanding loan balances.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gain and losses on investments bought and sold as well as held during the year.

Payment of benefits

On termination of services due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period normally not exceeding five years. Upon termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTE C - INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

For the years ended December 31, 2025 and 2024, the Plan's mutual fund investments (including gain and losses on investments bought and sold, as well as held during the years) appreciated in value by $2,067,076 and $1,440,073, respectively.

NOTE D - FAIR VALUE MEASUREMENT

FASB ASC 820-10, "Fair Value Measurements and Disclosures," establishes a fair value hierarchy that priorities the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Basis of fair value measurement:

Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3 Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

The investment fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for investment measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Security and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE D - FAIR VALUE MEASUREMENT (CONT'D)

Fixed income: Valued at the closing price reported in the active market in which the individual security is traded.

Money market: Valued at the amount of money market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets fair value measurement as of December 31, 2025 and 2024:

	Level 1	Level 2	Level 3	Total
December 31, 2025:				
Mutual funds	$ 15,044,701	$ -	$ -	$ 15,044,701

December 31, 2024:				
Mutual funds	$ 11,406,710	$ -	$ -	$ 11,406,710
Fixed income	-	1,610,320	-	1,610,320

Total	$ 12,707,865	$ 1,610,320	$ -	$ 14,318,185

NOTE E - PLAN TERMINATION

Although any intent to do so has not been expressed, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE F - TAX STATUS

The Plan is qualified under Section 1081.01(d) of Internal Revenue Code for a New Puerto Rico of 2011, and therefore, the trust is exempt from taxation. In the normal course of business, the Plan is potentially subject to income tax audits in the Commonwealth of Puerto Rico for its taxable years 2021 to 2025, until the applicable statute of limitations expire. Tax audits by their nature are often complex and can require several years to complete.

NOTE F - TAX STATUS (CONT'D)

In general, contributions to a qualified plan are deductible by the Company when made, earnings of the trust are tax exempt, and participants are not taxed on their benefits until withdrawn from the Plan.

Management has evaluated the Plan's tax positions and concluded that the Plan has maintained its tax exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements.

Management is unaware of any variations in the operation of the Plan from the terms of the Plan documents.

NOTE G - RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it's at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H - PARTY-IN-INTEREST INVESTMENTS AND PROHIBITED TRANSACTIONS

Banco Popular de Puerto Rico is the recordkeeper and custodian for the Plan and, therefore, these transactions qualify as party in interest transactions.

The trustee and the investment manager receive an administrative fee for the services performed under the Plan Agreement associated with Plan record keeping, accounting, consulting and trustee services. Total Plan administrative fees during the years ended December 31, 2025 and 2024 totaled $45,199 and $57,981, respectively. There were no prohibited transactions for the years ended December 31, 2025 and 2024.

For the years ended December 31, 2025 and 2024, the Company remitted several participant contributions totaling $537,653 and $507,160, respectively, to the trustee later than required by Department of Labor ("DOL") Regulation 2510.3-102. Participant accounts will be credited with earnings in accordance with DOL guidelines. The Plan also has accrued late remittances for prior years in the amount of $2,229,038. Therefore, the total late remittances pending correction amount to $1,721,878 for plan years 2021 through 2023.

NOTE I - SUBSEQUENT EVENTS

The date to which events occurring after December 31, 2025 have been evaluated is October 14, 2026, which is the date the financial statements were available to be issued.
