INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Southeastern Rheumatology Alliance, LLC 401(k) Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Southeastern Rheumatology Alliance, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Southeastern Rheumatology Alliance, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Southeastern Rheumatology Alliance, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Southeastern Rheumatology Alliance, LLC 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southeastern Rheumatology Alliance, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Southeastern Rheumatology Alliance, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Southeastern Rheumatology Alliance, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2025

1. DESCRIPTION OF THE PLAN

The Southeastern Rheumatology Alliance, LLC 401(k) Plan (the "Plan") is a defined contribution plan sponsored by Southeastern Rheumatology Alliance, LLC (the "Company" or "Plan Sponsor"). The Plan was established effective January 1, 2025, operates on a calendar-year basis, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Complete information regarding the Plan is contained in the Plan document and signed Adoption Agreement. The following description provides only general information, and participants should refer to the Plan document for a more complete description of the Plan's provisions.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Company has until the end of the first Plan year beginning on or after January 1, 2026, to amend the Plan for the changes related to SECURE 2.0.

On November 11, 2025, as a result of separating from a 401(k) plan that was sponsored by a Professional Employer Organization (PEO), participant balances from CoAdvantage Corporation Retirement Savings Plan-Southeastern Rheumatology Alliance LLC (the "Prior Plan") were transferred into the Plan. Cash totaling $7,421,001 and participant loans totaling $65,888 were transferred into the Plan. All existing participant account balances of the Prior Plan are 100% vested.

Plan administration

The Company has designated the Retirement Plan Committee (the "Committee") as the administrator of the Plan, and as such, the Committee carries out the duties imposed by ERISA. The Committee has delegated certain responsibilities for the operation and administration of the Plan. Reliance Trust Company (the "Trustee") is responsible for the custody and management of the Plan's assets, and ADP Retirement Services is responsible for maintaining participant accounts and transactions related to the participant initiated activity.

Eligibility

The Plan generally covers eligible employees of the Company, excluding nonresident aliens. Eligible employees must attain age 21 and complete one year of service, defined as a 12-consecutive-month period. Participation begins on the first day of the month coinciding with or next following the date the applicable eligibility requirements are satisfied. Service with Articularis Healthcare is recognized for eligibility, vesting, and employer-contribution allocation purposes, as provided by the Plan.

1. DESCRIPTION OF THE PLAN (continued)

Participant contributions

Participants may elect to make pre-tax or Roth contributions to the Plan of up to 90% of eligible compensation, subject to limitations imposed by the Internal Revenue Code (IRC). Eligible participants may also make catch-up contributions. The Plan accepts qualifying rollover contributions.

The Plan includes an eligible automatic contribution arrangement. Unless a participant makes a timely affirmative election to contribute at a different rate or not to contribute, the participant is automatically enrolled at a pre-tax contribution rate equal to 3% of eligible compensation for each payroll period. The automatic contribution rate does not automatically increase in subsequent periods. A participant may request a permissible withdrawal of automatic contributions within 90 days after the date of the participant's first automatic contribution, in accordance with the Plan's provisions.

Employer contributions

The Employer provides a safe-harbor nonelective contribution equal to 3% of eligible compensation for eligible participants. The Company may also make discretionary matching contributions, not to exceed 4% of eligible compensation, and discretionary profit-sharing contributions, as determined by the Company. The Company did not make any discretionary matching or profit-sharing contributions during the year.

Participant accounts

Each participant's account is credited with the participant's contributions, an allocation of applicable Company contributions, and an allocation of investment earnings. Each account is charged with withdrawals, investment losses, and applicable administrative expenses. Allocations are made in accordance with the Plan document. Participants direct the investment of their account balances among the investment options made available under the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their pre-tax elective contributions, Roth elective contributions, rollover contributions, and the related earnings. Safe-harbor nonelective contributions and the related earnings are also fully vested.

1. DESCRIPTION OF THE PLAN (continued)

Vesting (continued)

The vesting schedule for the employer matching and profit-sharing contributions is as follows:

| Years of Service | Percentage |
|---|---|
| Less than 2 | 0 % |
| 2 | 20 % |
| 3 | 40 % |
| 4 | 60 % |
| 5 | 80 % |
| 6 or more | 100 % |

A participant becomes fully vested upon death or total and permanent disability. The Plan's normal retirement age is 65.

Forfeitures

Forfeitures of nonvested employer contributions occur at the earlier of the distribution of a former participant's entire vested account balance or the last day of the Plan year in which the former participant incurs five consecutive one-year breaks in service. Forfeitures may be used to pay Plan administrative expenses or otherwise applied in accordance with the Plan document.

Notes receivable from participants

The Plan permits participants to borrow from their accounts in accordance with the Plan's participant loan provisions. Notes receivable from participants are stated at their unpaid principal balances plus accrued but unpaid interest. Specific loan limits, interest rates, repayment periods, and other terms are established under the Plan's participant loan policy. Participant loans outstanding as of December 31, 2025, bear interest at a rate of 8.50% and mature at various dates through September 2030.

Payment of benefits

Upon severance from employment, a participant may receive the participant's vested account balance as soon as administratively feasible. Benefits may be paid in a lump sum, substantially equal installments, or partial withdrawals. Annuities are not available under the Plan, and distributions are generally made in cash. A participant's consent is required before distribution when the participant's vested account balance exceeds $5,000. Rollover contributions are generally excluded when determining whether the participant's vested account balance exceeds the mandatory distribution threshold, in accordance with the Plan document.

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits (continued)

The Plan permits hardship withdrawals from eligible accounts in accordance with the Plan's hardship provisions. Hardship withdrawals are subject to a $500 minimum, and former employees are not eligible for hardship withdrawals. The Plan also permits in-service withdrawals after a participant attains age 59 1/2, subject to a $500 minimum. Amounts attributable to rollover contributions may be withdrawn at any time. All distributions are subject to the applicable provisions of the Plan document and the IRC.

Administrative expenses

Administrative expenses are generally paid by the Company, but may, at the discretion of the plan administrator, be paid by the Plan. Transaction fees for certain participant-initiated activity are charged to the specific account of the participant initiating any such transaction. The Plan is not required to reimburse the Company for expenses paid on its behalf.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Significant items subject to such estimates and assumptions include the fair value of investments.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risk in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. If a participant ceases to make loan repayments and the participant loan is determined to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Contributions and contributions receivable

Contributions from participants are recorded based on the date the contributions or repayments have been separated from a participant's pay by the Employer, which is the pay date. Employer contributions, if any, are recorded in the year they are earned and to coincide with the year in which the Company records the contribution in the general ledger. The Plan records receivables for contributions based upon contributions recorded in the Plan year but received by the Plan subsequent to year end.

Rollover contributions from participants are recorded based on the date the contributions are received by the Trustee.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Administrative expenses are recorded when incurred.

Subsequent events

The Plan has evaluated subsequent events through October 14, 2026, the date the financial statements were available to be issued. No other material events noted requiring disclosure in or adjustment to the financial statements, except the following:

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent events (continued)

Subsequent to year-end, the Plan was amended to incorporate certain provisions of the SECURE 2.0 Act. Effective January 1, 2026, the Plan was amended to require employees hired on or after the effective date to complete 1,000 hours of service during a 12-month period beginning on their employment commencement date before becoming eligible to participate in the Plan. In addition, effective July 14, 2026, the Plan was amended to permit participants to make in-plan Roth rollover transfers (in-plan Roth conversions) of eligible vested pre-tax account balances.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, the Trustee (Note 1), determined to be a qualified institution by the plan administrator, has certified the completeness and accuracy of the following information ("certified information"):

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2025;
- Net depreciation in fair value of investments and dividends, reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025;
- Investments and notes receivable from participants reflected on the supplemental schedule of assets (held at end of year) as of December 31, 2025 ("supplemental schedule").

Accordingly, as requested by the plan administrator, the Plan's independent auditor performed no audit procedures on the certified information other than to agree the certified information to the related information included in the financial statements and the supplemental schedule described above.

4. FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

The three levels of fair value hierarchy are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

4. FAIR VALUE MEASUREMENTS (continued)

Level 2: Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full-term of the assets or liabilities.

Level 3: Unobservable inputs for the assets or liabilities that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset's or the liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There were no changes in the valuation methodologies used during the year ended December 31, 2025.

*Mutual funds:* Valued at the daily closing price as reported on the open market. Mutual funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified within level 1 of the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

| | Level 1 | Level 2 | Level 3 | Fair Value |
|---|---|---|---|---|
| Mutual funds | $ 7,667,641 | $ - | $ - | $ 7,667,641 |

5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines a party-in-interest similarly to the definition of a related party under U.S. GAAP, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Management did not identify any related parties to the Plan that were not also considered to be parties-in-interest.

5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS (continued)

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50 percent or more of such an employer or employee association or relatives of such persons.

The Company pays certain fees and expenses on behalf of the Plan. These transactions qualify as party-in-interest transactions. The Plan is not required to repay expenses paid by the Company on its behalf. Such transactions are permitted under provisions of the Plan and are specifically exempt from prohibition of party-in-interest transactions under ERISA.

The Trustee retains as compensation for services provided to the Plan, any interest (or "float") on amounts earned, while certain transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the termination of the Plan, the individual accounts of all members shall become fully vested. After deducting all charges and expenses, the balances of all individual accounts will be adjusted, and the remaining assets distributed. The Plan Sponsor pays directly certain fees related to the Plan's operations.

7. TAX STATUS

The Plan adopted the ADP Non-Standardized Pre-Approved Profit Sharing Plan with CODA (the "pre-approved plan"). The Internal Revenue Service informed the issuer of the pre-approved plan by a letter dated October 6, 2020, that its pre-approved plan is designed in accordance with the applicable sections of the IRC and is appropriate for use by employers for the benefit of their employees. The plan administrator believes that the Plan, as adopted and amended, is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.
