INDEPENDENT AUDITORS' REPORT

The Administrative Committee
Humpal Physical Therapy PC 401(k) Plan
Corpus Christi, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Humpal Physical Therapy PC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (an ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section—

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of Humpal Physical Therapy PC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Humpal Physical Therapy PC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Humpal Physical Therapy PC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Humpal Physical Therapy PC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2025 Supplemental Schedule Required by ERISA

The supplemental schedule (Schedule H, Part IV, Line 4i as of December 31, 2025), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

The financial statements of Humpal Physical Therapy PC 401(k) Plan as of December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 11, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agrees to or is derived from the certified investment information, was presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. DESCRIPTION OF PLAN

The Humpal Physical Therapy PC 401(k) Plan (the “Plan”) is a defined contribution plan established on January 1, 2022. The Plan is sponsored by Humpal Physical Therapy PC (the "Company") to allow eligible employees to adopt a regular program of savings for retirement. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the provisions of the Internal Revenue Code (“IRC”). Significant elements of the Plan are summarized below. Participants should refer to the Plan document for a complete description of the Plan's provisions.

Eligibility

Employees who attain the age 21 and have completed 60 days of service with the Company are generally eligible to participate in the Plan and may enroll in the Plan on the first day of the month coincident with or next following the date on which they meet the eligibility requirements. The following employees are not eligible to participate in the Plan: employees covered by a collective bargaining agreement and non-resident aliens.

To be eligible for employer safe harbor matching contributions, discretionary employer matching contributions, and employer non-elective (profit-sharing) contributions, employees must attain age 21 and complete one year of service, defined as 1,000 hours of service in a plan year. To share in the discretionary non-elective contributions, the participant must also be employed as of the last day of the Plan year.

Participant Contributions

Participants may elect to contribute up to 100% of eligible pre-tax or post-tax compensation, as defined by the Plan, and may designate their contributions as either pre-tax or Roth amounts. In addition, employees who are age 50 or older can elect to defer additional amounts (called “catch-up contributions”) to the Plan. Participant contributions are subject to limitations imposed by Internal Revenue Service (“IRS”) regulations. Employees may also contribute amounts representing rollover distributions from other qualified sources.

The Plan includes an automatic enrollment feature such that all eligible participants (except those who affirmatively elect to not participate or who elect a different contribution percentage) will be automatically enrolled in the Plan with an initial pre-tax deferral percentage of 3%, with increases, generally annually, of 1% up to a maximum of 8% of compensation, as defined in the Plan. Effective November 7, 2025, the maximum automatic deferral rate lowered to 5% of compensation, as defined in the Plan. During the 90 days after automatic enrollment contributions are first deferred from a participant’s compensation, participants can withdraw their contributions by submitting a refund form to the Plan administrator and electing to not contribute. Such participants can later opt to contribute at their discretion.

Employer Contributions

The Company shall make safe harbor matching contributions on an annual basis equal to 100% of participant contributions up to 3% of eligible plan compensation, plus 50% of the participant contributions that exceed 3%, but that do not exceed 5% of eligible plan compensation. For the year ended December 31, 2025, the Company made a safe harbor matching contribution in the amount of $244,448, reduced by $2,077 of forfeitures available, resulting in employer safe harbor matching contributions receivable of $242,371 as of December 31, 2025, which was contributed to the Plan in August 2026.

The Plan also includes provisions for discretionary employer matching contributions as well as discretionary non-elective contributions. The Company made no discretionary employer matching contributions or non-elective contributions to the Plan for the year ended December 31, 2025.

NOTE 1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants (Participant Loans)

Participants may borrow from their accounts a minimum of $1,000 up to a maximum generally equal to the lesser of $50,000 or 50% of their vested account balance. Loans bear interest at a reasonable rate as determined by the Plan administrator at the time of application (generally, prime plus 1%), and are secured by the participant's vested account balance. Participants are permitted to have only one loan outstanding at any time. Principal and interest are paid ratably through payroll deductions over a term not to exceed five years unless the loan is used toward the acquisition of the participant's principal residence, in which case the loan term may be up to 15 years. As of December 31, 2025, the interest rates on outstanding loans ranged from 7.75% to 9.50%.

Vesting

Participants are vested immediately in the portion of their accounts related to their contributions and safe harbor matching contributions (including earnings or losses thereon). Participants vested in the portion of their accounts related to discretionary matching employer contributions and nonelective employer contributions (including earnings thereon) based on years of service as follows:

Years of Service	Vested Interest
Less than 2 years	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

In addition, upon reaching normal retirement age (65), or in the event of death or disability (as defined), employed participants become 100% vested in their accounts.

Payment of Benefits

Participants are entitled to a distribution of their vested benefits upon attaining age 59½, or in the event of death, disability, retirement, termination of employment, or termination of the Plan, proven financial hardship of a participant, or a federally declared disaster where resulting legislation authorizes such a distribution.

Upon termination of employment, if a participant's vested account balance is less than $7,000 but greater than $1,000, the Plan administrator may roll the balance into a personal retirement account selected by the Plan administrator provided that the participant has not elected to receive a cash distribution or have the balance rolled into an individual retirement account of the participant's choosing. Also, at its discretion, the Plan sponsor may elect to distribute separated participants' vested account balances of less than $7,000. If a terminated participant's vested account exceeds $7,000, a participant may elect to receive distributions in a lump-sum or may defer receipt of payments according to Plan provisions.

Beginning in 2023, the SECURE 2.0 Act of 2022 (the "SECURE 2.0 Act") (Note 10), the age a participant must begin taking distributions was raised to 73. If a participant reached the age of 72 during 2023, the participant may defer receiving distributions until April 1, 2025, the latest date that a required minimum distribution may be taken for 2024.

The Plan also permits hardship distributions from a participant's vested account balance, in accordance with Plan and IRC provisions regarding qualifying expenses.

NOTE 1. DESCRIPTION OF PLAN (Continued)

Forfeitures

Forfeitures of terminated participants' accounts are held in an unallocated asset account. These amounts may be used to pay Plan administrative expenses or reduce employer contributions. During 2025, $4,247 was used toward Plan expenses. No amounts were used toward employer contributions. As of December 31, 2025 and 2024, the forfeitures account balance was $2,077 and $6,324, respectively.

Participant Accounts and Investment Options

Each participant's account is credited with the participant's contributions, any safe harbor matching contributions, and any discretionary employer matching contributions. Partcipant accounts are also credited or charged, as applicable with allocations of (i) any discretionary employer non-elective contributions, (ii) Plan earnings or losses, and (iii) any administrative expenses. Allocations are based on participant contributions, earnings, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Upon enrollment in the Plan, a participant may direct employee and employer contributions to any of the Plan's investment options. Subsequently, participants may change their allocations and transfer account balances between investment options in accordance with Plan provisions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States ("U.S. GAAP").

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants (Participant Loans)

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

The Plan's administrative expenses, such as custodian/trustee, accounting, and legal expenses, are generally paid by the Company, except for certain distribution and loan fee expenses, which are paid by the transacting participants.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

Plan management has evaluated subsequent events through the date of the independent auditors' report, which is the date these financial statements were available to be issued.

NOTE 3. INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and the ERISA-required supplemental schedule (Schedule H, Part IV, Line 4i), including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation or depreciation in fair value of investments, dividends, and interest income for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by AdvisorTrust, Inc., the custodian of the Plan.

NOTE 4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the accompanying financial statements.

NOTE 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company pays certain administrative costs of the Plan, and provides administrative services for the Plan at no cost to the Plan. These transactions qualify as exempt party-in-interest transactions.

NOTE 7. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement for the asset or liability at the measurement date. These inputs reflect Plan management’s best estimate of what market participants would use in pricing the asset or liability at the measurement date. Consideration is given to the risk inherent in the valuation technique and in the inputs to the model.

The asset’s or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2025 and 2024. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds (including Money Market Fund): Valued at the daily closing price as reported by the fund. Mutual funds, including money market funds, held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds, including money market account	$ 5,292,856	$ -	$ -	$ 5,292,856
Total investments at fair value	$ 5,292,856	$ -	$ -	$ 5,292,856

NOTE 7. FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds, including money market account	$ 4,415,561	$ -	$ -	$ 4,415,561
Total investments at fair value	$ 4,415,561	$ -	$ -	$ 4,415,561

NOTE 8. TAX STATUS

The Company has adopted a non-standardized pre-approved profit sharing plan and relies upon the opinion letter from the Internal Revenue Service ("IRS") dated September 6, 2023 which stated that, in its opinion, the pre-approved plan and related trust are designed in accordance with applicable sections of the IRC. The Company has not applied for a determination letter from the IRS specific to the Plan. Although the Plan has been subsequently amended, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the accompanying financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. As the effective date of the Plan was January 1, 2022, all years remain subject to income tax examination.

NOTE 9. OPERATIONAL FAILURE

During 2025, the Company identified an operational failure relating to incorrect reporting of hours of service to the Plan for certain affected employees, which resulted in incorrect safe harbor employer matching contributions for 2025. The Company and the Plan administrator believe this will not be material to the Plan and are in the process of determining the participants affected and intend on taking corrective action as necessary under the IRS Employee Plans Compliance Resolution System's Self-Correction Program.

Based on the actions intended to be taken, the Plan administrator and the Company believe the aforementioned operational failure will not cause the Plan to be disqualified by the IRS and that the self-corrective actions will allow the Plan to be in compliance with the Plan documents and ERISA. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

NOTE 10. SECURE 2.0 ACT

On December 29, 2022, the SECURE 2.0 Act became law. The purpose of the legislation is to expand access to retirement plans and to help working Americans increase their retirement savings. In addition to the changes to distributions described in Note 1, the SECURE 2.0 Act includes various required and optional provisions that become effective through 2033, certain of which are described below:

- Beginning January 1, 2025, a participant from the ages of 60 to 63 can elect catch-up contributions up to the limit of the greater of $10,000 or 150% of the catch-up contribution limit imposed by the IRS.
- Beginning January 1, 2025, long-term part-time workers (defined as employees who have worked for two consecutive 12 month periods during each of which they have at least 500 hours of service) will become eligible to enroll in their employer's retirement plan after two years.
- Beginning January 1, 2026, catch-up contributions will be made on a Roth basis, unless the participant earns $150,000 or less.

Plan management has incorporated certain other optional provisions of the SECURE 2.0 Act. Plan management expects to formally amend the Plan by December 31, 2026.
