Independent Auditor's Report

Retirement Plans Administrative Committee of Prisma Health and Affiliate Organizations
Prisma Health 401(a) Plan
Greenville, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Prisma Health 401(a) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions, as defined in Note 1, as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"Elliott Davis" is the brand name under which Elliott Davis, LLC (doing business in North Carolina and D.C. as Elliott Davis, PLLC) and Elliott Davis Advisory, LLC and its subsidiary entities provide professional services. Elliott Davis, LLC and Elliott Davis Advisory, LLC and its subsidiary entities practice as an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. Elliott Davis, LLC is a licensed independent CPA firm that provides attest services to its customers. Elliott Davis Advisory, LLC and its subsidiary entities provide tax and business consulting services to their customers. Elliott Davis Advisory, LLC and its subsidiary entities are not licensed CPA firms. The entities falling under the Elliott Davis brand are each individual firms that are separate legal and independently owned entities and are not responsible or liable for the services and/or products provided by any other entity providing services and/or products under the Elliott Davis brand. Our use of the terms "our firm" and "we" and "us" and terms of similar import, denote the alternative practice structure conducted by Elliott Davis, LLC and Elliott Davis Advisory, LLC.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements, Continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matters - Supplemental Schedule Required by ERISA, Continued

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of the Plan

The following description of the Prisma Health 401(a) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a 401(a) defined contribution plan covering substantially all employees of Prisma Health - Upstate (the "Employer") who are not considered independent contractors and are not employed by Greenville Health Authority or Richland Memorial Hospital. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan administrator has obtained certifications from Empower Retirement, LLC (the "trustee"), as well as Empower Annuity Insurance Company of America (EAICA) and The Variable Annuity Life Insurance Company (VALIC) (collectively, the "custodians"). The trustee and custodians meet the definition of qualified institutions as defined in 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA.

Plan amendment:

The Plan was amended effective January 1, 2025 for the following changes: exclude PRN employees whose regularly schedule service is less than 1,000 hours of service in the relevant eligibility computation period for nonelective contributions; require 1 year of service (defined as 1,000 hours of service) to be eligible to receive nonelective contributions; change the entry date for eligibility to receive nonelective contribution from immediate to semi-annually; and modify nonelective contribution allocation conditions from annually to each payroll period.

Contributions:

Effective January 1, 2025, eligible participants receive a nonelective contribution from the Employer each payroll period. Participants direct the investment of these contributions into various investment options offered by the Plan. The nonelective Employer contribution is calculated as a percentage of a participant's eligible compensation, set at 3 percent for participants regardless of their age and years of service. During the year ended December 31, 2025, the Employer made $77,918,083 in contributions to the Plan. The Employer may elect to make matching contributions to the Plan based on participants' contributions to a 403(b) Plan sponsored by the Employer. During the year ended December 31, 2025, the Employer did not elect to make any matching contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant accounts:

Each participant's account is credited with the Employer's nonelective and matching contributions and Plan earnings. Fees are charged on a per account basis, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Vesting in the Employer's nonelective contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested in their nonelective contributions after 3 years of credited service. A participant is 100 percent vested in their matching contributions immediately if they participate in the 403(b) Plan mentioned above.

Note 1. Description of the Plan, Continued

Notes receivable from participants:

The Plan was amended October 1, 2010, to no longer allow participants to apply for loans from their account. Any plan loan as of October 1, 2010 shall remain outstanding and repayable in accordance with its promissory note. The Plan was amended again, effective January 1, 2019, stating that any plan loan as of February 1, 2019 that originated from the Baptist Easley Hospital Matching Savings 401(k) Plan (the "Baptist Easley 401(k) Plan") and Greenville Health System 401(k) Savings Plan (the "Greenville Health 401(k) Plan") shall remain outstanding and repayable in accordance with its promissory note, except that upon termination of service on or after February 1, 2019 for former Baptist Easley 401(k) Plan participants and March 1, 2019 for former Greenville Health 401(k) Plan participants, the Employer can continue to accept loan repayments via coupon payments.

Payment of benefits:

On termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or the installment options as provided by the Plan. All fully vested balances are available for distribution after the participant reaches the age of 59½.

Forfeited accounts:

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $321,800 and $1,354,139, respectively. These accounts will be used to reduce future Employer contributions or to reduce administrative expenses. During 2025, Employer contributions were reduced by $1,145,270 from forfeited nonvested accounts.

Note 2. Summary of Significant Accounting Policies

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates.

Contributions:

Contributions from the Employer are recorded in the year in which they are earned.

Note 2. Summary of Significant Accounting Policies, Continued

Investment valuation and income recognition:

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plans Administrative Committee of Prisma Health and Affiliate Organizations determines the Plan's valuation policies utilizing information provided by the investment advisors. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Revenue sharing:

Revenue sharing provides a way to use a portion of a plan's investment fees to pay for plan services, such as recordkeeping or administrative costs. The revenue sharing amounts have been recorded in the statement of changes in net assets available for benefits as other income.

Subsequent events:

The Plan has evaluated subsequent events through October 14, 2026, the date the financial statements were available to be issued.

Recently issued accounting pronouncements:

Accounting standards that have been issued or proposed by the Financial Accounting Standards Board (FASB) or other standards-setting bodies are not expected to have a material impact on the Plan's financial statements.

Note 3. Certifications

The following is a summary of the Plan's asset information as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the trustee and custodians and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee and custodians that the information provided to the plan administrator by the trustee and custodians related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	2025	2024
Investments at fair value:		
Mutual funds	$ 744,398,266	$592,067,935
Pooled separate account	1,862,360	1,573,871
Collective trust funds	299,994,550	233,871,776
Self-directed brokerage account	104,150	-
	1,046,359,326	827,513,582
Investments at contract value:		
Guaranteed interest accounts	121,696,048	110,441,286
Notes receivable from participants	595,035	629,950
	$1,168,650,409	$938,584,818

The trustee and custodians also certified to the completeness and accuracy of $129,581,375 of net appreciation in the fair value of investments and $23,217,431 of interest and dividends, as well as $33,368 of interest on notes receivable from participants for the year ended December 31, 2025.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Note 4. Fair Value Measurements, Continued

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds and pooled separate account: Valued at NAV. The NAV, as provided by the investment managers, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a fund, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidation will be carried out in an orderly business manner.

Self-directed brokerage account: Accounts primarily consist of mutual funds that are valued on the basis of readily determinable market prices.

	December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Self-directed brokerage account	$ 104,150	$ -	$ -	$ 104,150
Mutual funds	744,398,266	-	-	744,398,266
Total assets in the fair value hierarchy	$ 744,502,416	$ -	$ -	744,502,416
Investments measured at NAV (a)				301,856,910
Total investments, at fair value				$1,046,359,326

Note 4. Fair Value Measurements, Continued

	December 31, 2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$ 592,067,935	$ -	$ -	$ 592,067,935
Investments measured at NAV (a)				235,445,647
Total investments, at fair value				$ 827,513,582

(a) Certain investments that were measured at NAV per share or its equivalent have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth a summary of the Plan's investments reported at NAV as a practical expedient to estimate fair value:

	December 31, 2025			
	Fair Value	**Unfunded Commitment**	**Redemption Frequency**	**Redemption Notice Period**
Pooled separate account:				
International bond fund	$ 1,862,360	$ -	Daily	None
Collective trust funds	299,994,550	-	Daily	(a)
Total	$301,856,910	$ -		

	December 31, 2024			
	Fair Value	**Unfunded Commitment**	**Redemption Frequency**	**Redemption Notice Period**
Pooled separate account:				
International bond fund	$ 1,573,871	$ -	Daily	None
Collective trust funds	233,871,776	-	Daily	(a)
Total	$235,445,647	$ -		

(a) The ClearBridge Large Cap Growth Fund Class R1, Putnam Large Cap Value Fund Class R1, and Columbia Overseas Value CIT Class R Fund require plan sponsors to provide written notice of five business days for plan directed withdrawals which will exceed $1 million. The State Street Target Retirement funds do not require a redemption notice period.

Note 5. Fully Benefit-Responsive Investment Contracts

The Plan invests in the Prisma Stable Value Fund and group annuity contracts, which are types of guaranteed investment contracts, with EAICA of $121,683,791 and $110,430,830 at December 31, 2025 and 2024, respectively, and with VALIC of $12,257 and $10,456 at December 31, 2025 and 2024, respectively. EAICA and VALIC maintain the contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rates are based on a formula established by the contract issuers but may not be less than one percent. The crediting rates are reviewed on a semi-annual basis for resetting at EAICA and reviewed on a quarterly basis for resetting at VALIC. The guaranteed investment contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity dates.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by EAICA and VALIC, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents including complete or partial plan termination or merger with another plan, (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Such events include the following: (a) an uncured violation of the Plan's investment guidelines, (b) a breach of material obligation under the contract, (c) a material misinterpretation, or (d) a material amendment to the agreements without the consent of the issuer.

Note 6. Related-Party and Party in Interest Transactions

Certain Plan investments are managed by EAICA and VALIC, the custodians as defined by the Plan, and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to the third-party administrator totaling $355,489, which were not covered by revenue sharing. The Employer pays directly any other fees related to the Plan's operations.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Employer nonelective and matching contributions.

Note 8. Tax Status

The Employer has adopted a pre-approved plan document that has received an opinion letter from the IRS dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2025 statement of net assets available for benefits.

Note 10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$1,168,650,409	$1,008,242,403
Employer contributions receivable not recorded on Form 5500	-	(69,657,585)
