Independent Auditor's Report

To the Plan Administrator
Boys & Girls Club of Delaware, Inc. Group Medical Plan

Opinion

We have audited the accompanying financial statements of Boys & Girls Club of Delaware, Inc. Group Medical Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and plan benefit obligations as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits and changes in plan benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of Boys & Girls Club of Delaware, Inc. Group Medical Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and changes in plan benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Boys & Girls Club of Delaware, Inc. Group Medical Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Member of the American Institute of Certified Public Accountants • An Independent Member Firm of Prime Global

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boys & Girls Club of Delaware, Inc. Group Medical Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boys & Girls Club of Delaware, Inc. Group Medical Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boys & Girls Club of Delaware, Inc. Group Medical Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal-control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

BOYS & GIRLS CLUB OF DELAWARE, INC. GROUP MEDICAL PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

NOTE 1: DESCRIPTION OF PLAN

The following description of the Boys & Girls Club of Delaware, Inc. Group Medical Plan (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan was established on June 1, 2008 by Boys & Girls Club of Delaware (Employer and Plan Administrator) for the exclusive benefit of its employees and their spouses and dependents for health and other benefits. As of January 1, 2023, the Plan was restated to establish a trust. The Plan and Trust are subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan Administrator is charged with governance of the Plan.

Consortium - The Plan is a member of a Consortium, which is designed to provide cost-effective employee benefit programs for members and is a self-funded group purchasing consortium that offers medical and prescription drug coverage for its members. Coverage programs are developed specific to each member's healthcare needs and the related premiums for coverage are determined through the application of uniform underwriting criteria. Variable plan options are available to members. These plans vary primarily by deductibles, coinsurance levels, office visit co-pays, and out-of-pocket maximums.

The Consortium is a self-insured program with stop-loss and aggregate reimbursement arrangements in place to limit the liability of its members. The premium charged and collected from each of the members is fully funded.

The members pay fees that are based on the number of employees enrolled. These fees are charged to cover professional fees and other administrative expenses.

Members sign an agreement, which provides that each member agrees to pay all funding rates associated with the coverage it selects; therefore, funding rates are set and billed to the members by various carriers, and premiums are billed and paid on a monthly basis. The assigned funding rates consist of administrative fees, stop-loss and aggregate premium expense, expected claim costs, and reserves.

The Consortium has an agreement with Benecon Group, Inc. to provide agent management, underwriting, claims management, risk management, accounting, consulting services, and system support services.

Consortium members have an obligation to reimburse for all paid claims (less than the specific stop loss) up to the cumulative maximum liability limit (aggregate). The obligation to reimburse for any excess over the cumulative maximum liability limit is only to the extent that in any month there is a positive difference (monthly surplus) between cumulative paid claims and the cumulative maximum liability limit (aggregate).

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Consortium - Continued

There is no obligation to pay any excess to the aggregate (cumulative monthly liability limit) other than through this funding arrangement. Monthly timing of paid claims may be such that a consortium member may need to advance a payment that exceeds cumulative claims funds deposited to date until an aggregate claim reimbursement is received.

Benefits - The Plan provides health and other benefits (medical and prescription drugs) to full-time employees and their spouses and dependents. Coverage will begin on the first day of the month following the first day that all eligibility requirements are met. Coverage terminates on the last day of employment or the date that the employee is no longer eligible. Former employees may elect coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) provisions.

Self-Insured Benefits - The medical benefits are self-insured by the Employer. The claims for these self-insured benefits are processed by the Plan's third-party administrator under an administrative service only (ASO) arrangement. The third-party administrator pays claims directly to or on behalf of participants and is then reimbursed by the Plan's trust, which is funded by the general assets of the Employer. Despite the Plan's utilization of a third-party administrator for claims processing, the ultimate responsibility for payments to providers and participants is retained by the Plan.

Stop-Loss Coverage - The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits, for both individual participant claims over a specific dollar amount as well as aggregate claims. The premiums for the policy are being paid from the assets of the trust and are recorded in the accompanying statement of changes in net assets available for benefits.

COBRA - The Plan offers continuation of benefits for a specified period to qualified employees and their dependents who would not otherwise be eligible for continued coverage because of a particular qualifying event, as required by law. Each qualifying individual pays a premium directly to the third-party administrator, and the related claims and other expenses are paid by the third-party administrators. There were no such participants during the current plan year.

Contributions - The Employer periodically contributes amounts necessary for timely payment of all claims and administrative expenses of the Plan. Any deficiency of the Plan's net assets over benefit obligations is funded by the Employer on a pay-as-you-go basis. Employees contribute to the Plan based upon their elected coverage at rates specified by the Employer.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements are prepared on the accrual basis of accounting.

Cash - Cash held in non-interest-bearing accounts with maturities of 90 days or less is classified as cash, while cash held in interest-bearing accounts is considered to be an investment. Accordingly, the Plan's interest-bearing commercial checking account has been classified as an investment.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received for the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income is recorded on the accrual basis.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Payment of Benefits - Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as a payable to claims administrators in the accompanying statement of plan benefit obligations.

Stop Loss - Premiums for stop-loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. Stop-loss refunds totaling $855,905 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits.

Plan Benefit Obligations - Plan obligations as of December 31, 2025, for claims incurred but not reported, are estimated by the Plan's actuary using a reserve factor method, a provision for adverse deviations, and a nondiscounted approach in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment. Due to the short nature of this reserve liability, time value of money was not used to discount future payments.

Administrative Expenses - Administrative fees paid by the Employer are recorded in the accompanying statement of changes in net assets available for benefits and consist primarily of fees paid to third-party administrators.

Subsequent Events - The Plan's policy is to evaluate events and transactions subsequent to its year end for potential recognition in the financial statements or disclosure in the notes to the financial statements. The Plan Administrator has evaluated events and transactions through the date of the independent auditor's report, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board's Accounting Standards Codification (FASB) (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

Interest-Bearing Cash - An insured interest-bearing cash account, which is valued at its closing cash balance.

NOTE 3: FAIR VALUE MEASUREMENTS - CONTINUED

Interest-Bearing Cash - Continued

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2025			
	Level 1	Level 2	Level 3	Total
Interest-Bearing Cash	$ 252,310	$ -	$ -	$ 252,310
Total Investments, at Fair Value	$ 252,310	$ -	$ -	$ 252,310

	2024			
	Level 1	Level 2	Level 3	Total
Interest-Bearing Cash	$ 212,925	$ -	$ -	$ 212,925
Total Investments, at Fair Value	$ 212,925	$ -	$ -	$ 212,925

NOTE 4: PARTY-IN-INTEREST AND RELATED-PARTY TRANSACTIONS

For purposes of this note, the Plan has not considered employer contributions or benefits accrued or paid to participants as party-in-interest transactions that require additional disclosure. Fees paid during the year for other professional services rendered by parties in interest qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 5: COMMITMENTS AND CONTINGENCIES

In the normal course of business, there may be various commitments and contingencies outstanding which are not reflected in these financial statements. In the opinion of the plan administrator, the outcome of such events, if any, would not have a material effect on the Plan's financial position or operations.

NOTE 6: TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, the Employer has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Employer or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 7: TAX STATUS

A trust was established under the Plan to hold the Plan's assets and may be subject to income taxes. Form 1041 was filed for the plan year. No federal or state income taxes have been recorded for the plan year.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that, more likely than not, would be sustained upon examination by the IRS. The Plan is subject to routine audits by government agencies; however, there are currently no audits for any tax periods in progress. The Plan's federal Form 5500 is subject to examination by the IRS and DOL, generally for the three years after it was filed.

NOTE 8: RISKS AND UNCERTAINTIES

The Employer's estimate of benefit obligations is subject to certain assumptions that are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

NOTE 9: CONCENTRATIONS OF CREDIT RISK

The Plan's investments are held entirely in an insured checking account at UMB Bank. Investments in the interest-bearing cash account are insured by the Federal Deposit Insurance Corporation (FDIC) up to the maximum allowed by law at FDIC-insured banks. As of December 31, 2025, $2,310 of the Plan's cash was not insured. Concentrations of credit risk is mitigated by the fact that the account's sole purpose is to serve as the Plan's conduit for payments of claims and expenses with no intent of carrying cash for interest building as it is non-interest bearing. Cash flows in and out of the account to address the Plan's needs.
