INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Isles, Inc 401(k) Plan
10 Wood Street, Trenton, NJ, 08618

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Isles, Inc 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section:

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditors' Responsibilities for the Audit of the 2025 Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule, Form 5500, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule, Form 5500, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled December 31, 2024, Financial Statement

Plan management is responsible for the accompanying financial statement of the Plan, which comprises the statement of net assets available for benefits as of December 31, 2024. We have performed a compilation engagement in accordance with Statements of Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statements of the Plan as of December 31, 2024.

A. DESCRIPTION OF PLAN

The following description of the Isles, Inc 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed, defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is sponsored by Isles, Inc (the "Plan Sponsor"). The Plan's Sponsor appointed Ascensus Trust Company (the "Trustee") as trustee of the Plan's assets. Under the terms of the agreement between the Trustee and the Plan, the Trustee has the primary duty and responsibility to administer, manage and control the assets of the Plan. The record keeping function of the Plan is the responsibility of the Vanguard Group, Inc.

The Plan was most recently amended effective January 18, 2025.

Eligibility and Membership

The Plan provides retirement benefits to eligible employees of Isles, Inc. Employees become eligible to participate upon attaining age 18 and completing two consecutive months of service. Eligible employees enter the Plan on the first day of the month following satisfaction of the eligibility requirements.

Contributions

Each year participants may elect to defer a portion of their eligible compensation, as defined in the Plan, subject to certain limitations under the Internal Revenue Code ("IRC"). Contributions can be made as pre-tax contributions or as Roth contributions. Catch-up contributions and rollover contributions are also permitted. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes a discretionary matching contribution equal to 100% of the first 3% of participant deferrals. The Company, at its discretion, may also make a discretionary profit-sharing contribution. There was no discretionary profit sharing contribution for the year ended December 31, 2025.

Participant Accounts

Each participant's account is credited with the participant's contributions, applicable employer contributions and allocations of Plan earnings (losses), and is charged with an allocation of investment expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

A. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are always 100% vested in their elective deferrals and rollover contributions, plus related earnings. Matching contributions vest based on years of vesting service as follows:

Years of Service	Vested Percentage
Less than 1	0%
1	50%
2	100%

Profit sharing contributions are immediately vested. Participants become fully vested upon death, disability, normal retirement age, or Plan termination.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are treated as distributions based upon the terms of the Plan document. Participants may borrow from their account a minimum of $1,000 and up to a maximum amount equal to the lesser of 50% of their vested account balance, or $50,000. The notes receivable are secured by the vested balance in the participants' accounts and bear interest at the Wall Street Journal prime rate plus 1%. Principal and interest are paid over a period of up to five years, with equal installments on a semi-monthly basis. Participants are permitted to have a maximum of two outstanding notes receivable at any time. The interest rates on notes receivable from participants ranges from 4.25% - 9.50% as of December 31, 2025 and 2024.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments, as elected by the participant. If the participant does not make an election prior to the designated time period, payment of any benefits provided shall be made in the form of a single sum payment to the participant. Participants with vested account balances of $5,000 or less upon termination of employment may be subject to mandatory cash-out provisions in accordance with the Plan document.

Plan Expenses

Expenses incurred in the administration and operation of the Plan shall be paid by the Plan unless the Sponsor, at its discretion, elects to pay them through the use of forfeitures.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the stable value fund, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Committee determines the Plan's valuation policies utilizing information provided by the Trustee. See Note D for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

In accordance with the policy of stating investments at fair market value, net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Forfeitures

Forfeitures may be used to pay Plan administrative expenses or reduce future employer matching contributions. At December 31, 2025 and 2024, the Plan's forfeiture account balance was $0. During the year ended December 31, 2025, $353 of forfeitures were used to pay Plan administrative expenses and $29,461 of forfeitures were used to offset employer contributions.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

Management has evaluated subsequent events for potential recognition and disclosure through October 14, 2026, the date the financial statements were available to be issued. No items were determined by management to require disclosure.

C. INFORMATION CERTIFIED AND PROVIDED BY THE TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus, LLC, an authorized representative of Ascensus Trust Company, a qualified institution, has certified that the following investment information in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Total investment return and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Investment information and notes receivable included in the schedule of assets (held at end of year) as of December 31, 2025, as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

D. FAIR VALUE MEASUREMENTS

Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures to Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in less active markets; • Inputs other than quoted prices that are observable for the asset or liability; and • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

D. FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the net asset value of shares held by the Plan based on quoted prices in active markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024.

	Investments at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,493,403	$ -	$ -	$ 3,493,403
Total investments at fair value	$ 3,493,403	$ -	$ -	$ 3,493,403

	Investments at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 4,410,404	$ -	$ -	$ 4,410,404
Total investments at fair value	$ 4,410,404	$ -	$ -	$ 4,410,404

Changes in Fair Value and Related Gains and Losses

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

E. INVESTMENTS AT CONTRACT VALUE

The Plan has an investment contract (Stable Value Fund) with Reliance Trust, referred to as MetLife Stable Value Fund 25053. The funds are maintained by the insurance companies in a common collective unit trust. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The stable value fund is included in the financial statements at the contract value reported by the insurance companies. The stable value fund issuer is contractually obligated to repay the principal and a specified interest rate that is guarantees to the Plan. At December 31, 2025 and 2024, the contract value was $343,405 and $40,857, respectively.

F. PLAN TERMINATION

The Plan Sponsor may terminate, amend, modify or suspend the Plan in whole or in part at any time. No such change is currently being contemplated; however, in any such event, the participants' rights to their accrued benefits are non-forfeitable.

G. TAX STATUS

The Plan has adopted a pre-approved retirement plan document sponsored by Ascensus. The Plan administrator believes the Plan is designed and operated in compliance with the applicable provisions of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

H. CONCENTRATION OF RISK

The Plan invests in various investment instruments. Investment securities are exposed to various risks, such as those involving interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

I. RELATED PARTY-IN-INTEREST TRANSACTIONS

The Vanguard Group Inc. serves as the Plan’s recordkeeper. Accordingly, transactions between the Plan and the Vanguard Group Inc. qualify as party-in-interest transactions. During the year ended December 31, 2025, $5,408 of administrative expenses were paid to the Trustee.

J. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500
