Independent Auditor's Report

Plan Administrator
Albert Uster Imports, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Albert Uster Imports, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RSM US LLP is the U.S. member firm of RSM International, a global network of independent assurance, tax, and consulting firms.
Visit rsmus.com/aboutus for more information regarding RSM US LLP and RSM International.

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA
The supplemental schedules of Schedule H, line 4a—schedule of delinquent participant contributions for the year ended December 31, 2025 and Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Plan Description

The following description of Albert Uster Imports, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan sponsored by Albert Uster Imports, Inc. (the Plan Sponsor or Company) covering all full-time employees of the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan's trustee and custodian is Empower Trust Company, LLC (the Trustee). The third-party recordkeeper is J.P. Morgan Invest Holdings, LLC (J.P. Morgan). Certain recordkeeping and administrative services are provided on behalf of J.P. Morgan by Empower Retirement, LLC.

Eligibility: All employees are eligible to participate in the Plan, except for nonresident aliens, leased employees and part-time employees who work less than 1,000 hours of service. If a part-time employee completes more than 1,000 hours of service in an eligibility period, then they will no longer be excluded.

Contributions: The Plan has an automatic enrollment provision that consists of a pretax salary deferral starting at 6%. The provision goes into effect on the first day of the month after an employee meets the Plan's eligibility requirements. Participants have the right to elect not to have salary deferral contributions automatically made on their behalf or to elect to have such contributions made at a percentage that is different from the 6% designated.

The Company may elect to make a matching contribution equal to a discretionary percentage, to be determined by the employer, of the participants' elective deferrals. Matching contributions are made at a rate of 25% of the participants' first 6% of salary reduction contributions.

The Company may also elect to make a discretionary profit sharing contribution at year-end, the amount of which is determined by the Company's management. Participants are eligible for a share of the discretionary profit sharing contribution if they are an active participant on the date it is made and if they have more than 1,000 hours of service in the plan year. There were no discretionary profit sharing contributions during the year ended December 31, 2025.

Contributions to the Plan are subject to Internal Revenue Service (IRS) limits. The maximum amount participants were allowed to contribute for the year ended December 31, 2025, was $23,500. Employees who are age 50 or over may make a catch-up contribution of up to $7,500 in 2025. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Investment options: Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment allocation elections daily.

Participant accounts: Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings, and charged with an allocation of certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1. Plan Description (Continued)

Vesting: Participants are vested immediately in their salary reduction contributions, plus actual earnings thereon. Participants vest in the Company's contributions plus actual earnings thereon as follows:

Years of Credited Vesting Service	Vesting Percentage
Less than 1 year	0%
1 year	25%
2 years	50%
3 years	75%
4 years	100%

Upon the participant's death, disability or attainment of age 65, all amounts are immediately 100% vested.

Payment of benefits: Distribution of a participant's vested account balance is made in one lump-sum payment or installment payments to the participant, or the participant's beneficiary, upon termination of employment, permanent disability, death or attaining age 62. Participant accounts that are vested and less than or equal to $5,000 will be automatically distributed to the participant or the participant's beneficiary. Participant accounts in excess of $5,000 will not be distributed to participants before they attain age 65 without the written consent of the participant. Participants may apply for hardship withdrawals, subject to approval by the Plan Administrator. The contributions and earnings are taxable to the participants subject to certain exceptions upon withdrawal from the Plan.

Forfeited accounts: In accordance with the Plan document, any forfeitures remaining as of the close of the plan year are used to reduce Plan administrative expenses or Company contributions, as determined by the Company. At December 31, 2025 and 2024, forfeited nonvested accounts totaled approximately $15,000 and $10,000, respectively. During the year ended December 31, 2025, the Plan used approximately $19,000 of forfeitures to reduce Company contributions.

Notes receivable from participants: Participants who are actively employed may borrow from their fund accounts a minimum of $1,000, up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. All notes receivable from participants must be adequately secured, and participants must use up to 50% of their vested account balance in the Plan as collateral. A participant may only have up to two outstanding loans at any time. The Plan Administrator determines the terms, security interest and conditions under which the loans are made. The loans bear interest at a rate commensurate with local prevailing rates from commercial lending institutions. At December 31, 2025 and 2024, notes receivable from participants bore interest at rates ranging from 5.25% to 10.50%. Principal and interest are paid ratably through payroll deductions. Payment due dates and the length of the repayment period will be set out in the promissory note. Payments will be due at least quarterly. The repayment period won't be longer than five years unless the loan is used to buy a principal residence, in which case the loan repayment period will not be longer than the repayment period currently in effect for a commercial home loan. All outstanding loan balances will become due and payable in their entirety upon severance of employment unless directly rolled over (if otherwise permitted) to another employer's plan.

Note 2. Summary of Significant Accounting Policies

The Plan's significant accounting policies are as follows:

Basis of accounting: The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent notes receivable from participants are treated as distributions based on the terms of the Plan document.

Contributions: Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which participant compensation is earned.

Payment of benefits: Benefits are recorded when paid.

Subsequent events: The Plan Administrator has evaluated subsequent events for potential recognition and disclosure through October 15, 2026, the date the financial statements were available to be issued.

Note 3. Information Certified by the Trustee

The following is a summary of the Plan's asset information as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included throughout the Plan's financial statements and supplemental schedules, that was prepared by, or derived from, information provided by the Trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that the information provided to the Plan Administrator by the Trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information, which appears throughout the financial statements and supplemental schedules related to the following assets at December 31:

	2025	2024
Investments:		
Mutual funds at fair value	$ 12,506,805	$ 10,877,751
Collective investment trusts at fair value	258,617	196,691
Total investments	$ 12,765,422	11,074,442
Notes receivable from participants	$ 186,370	$ 155,878

The Trustee also certified the completeness and accuracy of net appreciation in fair value of investments of $1,108,224, dividends of $642,269 and interest income on notes receivable from participants of $14,041 for the year ended December 31, 2025.

Note 4. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). FASB ASC 820 also provides that fair value may be measured at the net asset value (NAV) provided by the issuer for certain entities that calculate NAV per share. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Note 4. Fair Value Measurements (Continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methodologies used for assets measured at fair value at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price, as reported by the fund. Shares of mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trusts: Valued based on the NAV of units of the collective trusts. The NAV, as provided by the Trustees, is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments comprising the trust, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 12,506,805	$ -	$ -	$ 12,506,805
Total assets in fair value hierarchy	$ 12,506,805	$ -	$ -	12,506,805
Investments measured at NAV (a)				258,617
Total investments at fair value				$ 12,765,422

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 10,877,751	$ -	$ -	$ 10,877,751
Total assets in fair value hierarchy	$ 10,877,751	$ -	$ -	10,877,751
Investments measured at NAV (a)				196,691
Total investments at fair value				$ 11,074,442

Note 4. Fair Value Measurements (Continued)

(a) In accordance with the Fair Value Measurements topic, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to line items presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2025 and 2024:

Investment	2025 Fair Value	2024 Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective investment trusts:					
J.P. Morgan Chase Bank Stable Asset Income Fund (a)	$ 14,750	$ 10,357	$ -	Daily	(a)
Great Gray Collective Investments Trust Flexpath Funds (b):					
International Growth Fund II Class R1	26,818	19,093	-	Daily	(b)
Large Cap Growth Fund III R1	79,373	61,044	-	Daily	(b)
Large Cap Value Fund R1	75,920	55,906	-	Daily	(b)
Mid Cap Growth Fund II R1	49,206	39,793	-	Daily	(b)
Small Cap Growth Fund II R1	12,550	10,498	-	Daily	(b)
Total investments measured at NAV	$ 258,617	$ 196,691	$ -		

(a) The investment in the J.P. Morgan Chase Bank Stable Asset Income Fund, a collective trust fund, seeks to provide capital preservation, liquidity and current income at levels that are typically higher than those provided by money market funds. The fund invests in a highly diversified fixed income strategy by investing in other collective trust funds, separate accounts and fixed income securities, which may include U.S. treasury and agency securities, mortgage-backed securities, asset-backed securities, commercial mortgage-backed securities, private mortgages, corporate debt and short-term investments. The fund also enters into investment contracts to provide benefit-responsive wraps. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

(b) The collective investment accounts are direct filing entities that are valued on a daily basis. Withdrawal from the collective investment trusts are based on the collective investment trust's unit value on that day.

Note 5. Exempt Party-in-Interest Transactions

Certain Plan investments are units of a collective trust managed by J.P. Morgan Chase Bank, N.A. and mutual funds managed by J.P. Morgan Chase Investment Services Corporation (affiliates of J.P. Morgan Invest Holdings, LLC). J.P. Morgan Invest Holdings, LLC is the third-party recordkeeper, as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Additionally, certain Plan expenses were paid by the Company during the year ended December 31, 2025.

Note 6. Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 7. Tax Status

Through August 29, 2024, the Plan operated under a prototype plan of Principal Life Insurance Company. Principal Life Insurance Company's prototype plan had a favorable opinion in place from the IRS dated June 30, 2020, related to the acceptability of the prototype plan under Section 401 of the IRC. Effective August 30, 2024, the Plan adopted a pre-approved plan of Empower Retirement, LLC. Empower Retirement, LLC's pre-approved plan had a favorable opinion letter in place from the IRS dated November 14, 2022, related to the acceptability of the pre-approved plan under Section 401 of the IRC. Plan management has operated the Plan and trust in a manner that did not jeopardize this tax status.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the local, state and federal taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Prohibited Transactions

During 2025, the Plan Sponsor inadvertently failed to deposit $58,888 of participant contributions within the required timeframe as stated by the United States Department of Labor regulations. The Plan Sponsor intends to deposit the lost earnings to correct the 2025 failure in 2026. The correction will be made from the Plan Sponsor's assets.

During 2024, the Plan Sponsor inadvertently failed to deposit $932 of participant contributions within the required timeframe as stated by the United States Department of Labor regulations. The Plan Sponsor deposited the lost earnings to correct the 2024 failure in 2025.
