Learfield Communications Group Benefit Trust, Inc.
Jefferson City, Missouri

Opinion

We have audited the financial statements of Learfield Communications Group Benefit Trust, Inc., which comprise the statements of net assets available for benefits and plan benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and plan benefit obligations for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of Learfield Communications Group Benefit Trust, Inc. as of December 31, 2025 and 2024, and the changes in its net assets available for plan benefits and plan benefit obligations for the years ended December 31, 2025 and 2024, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Learfield Communications Group Benefit Trust, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Correction of an Error

As discussed in Note 7 to the financial statements, the 2024 financial statements have been restated to correct a misstatement related to an unrecorded prescription drug settlement rebate receivable. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Learfield Communications Group Benefit Trust, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Wipfli LLP is a licensed independent CPA firm that provides attest services to its clients, and Wipfli Advisory LLC provides tax and business consulting services to its clients. Wipfli Advisory LLC and its subsidiary entities are not licensed CPA firms.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Learfield Communications Group Benefit Trust, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Learfield Communications Group Benefit Trust, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules on pages 14 and 15 are presented for additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. 1. Description of Plan

The following description of the Learfield Communications Group Benefit Trust, Inc. (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan provides welfare benefits to eligible employees of Learfield Communications, LLC, and companies affiliated through common ownership and management (the Company). The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan began operations on January 1, 2015, with its activity recorded in a Plan bank account. Effective April 1, 2015, the Plan's activity was recorded through a trust account set up for the Plan. Previously, benefits were provided directly by the Company through self-insured coverage.

Benefits

The Plan provides health benefits (major medical, dental, vision, and prescription medicines), life insurance, and disability insurance to eligible employees (those scheduled to work more than thirty hours per week and have been employed for more than thirty days of continuous employment) and to their covered dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA). There are no post-employment or post-retirement benefits provided by the Plan.

Dental, vision, life insurance, and disability benefits are fully insured through premium payments by the Plan to insurance carriers. The Plan provides health coverage under a partially self-insured welfare plan with a reinsurance policy to cover individual health claims over a set dollar limit ($275,000 for 2025 and 2024), subject to certain provisions. The Plan's reinsurance policy annual maximum balance was unlimited in 2025 and 2024. Claims are processed by a third party administrator, but responsibility for payment and providers is retained by the Plan.

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Participants pay the full cost of vision insurance and a portion of dental, life, and medical insurance based on the current group premium cost. The Company pays the full cost of long term disability and stop-loss insurance, and a portion of dental, life, and medical insurance.

1. Description of Plan (Continued)

Death Benefits

The Plan provides death benefits to the participant and the participant's covered dependents for any claims incurred through the end of the month in which the participant ceases to be eligible for the Plan due to death.

Contributions

The employees contribute a portion of the Plan's cost for employee and dependent coverage through a salary-reduction plan. These amounts are used to offset amounts contributed by the Company to fund the Plan's operations. These contributions are based on the amount necessary to provide the benefits outlined in the Plan and are determined annually by the Plan's Trustees.

The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Administrative Expenses

The Company administers the Plan through the Trustees, who have hired a third party administrator to process claims and other providers and consultants to provide additional services to the Plan. The Plan pays administrative expenses that consist primarily of administrative fees paid to the third party claims administrators. All other administrative expenses, such as professional fees not directly related to the Plan, are paid by the Company on behalf of the Plan. In addition, certain administrative functions are performed by employees of the Company. Currently, the Plan is not charged for these services.

Plan Termination

Although it has not taken any steps to do so, the Trust's management has the right to amend and terminate the Trust with a written instrument and by vote of at least two-thirds of the member companies, subject to the provisions set forth in ERISA. In the event of the termination of the Trust, any remaining funds shall be used for the benefit of the covered employees on the basis of objective and reasonable standards. In no event shall any of the Trust's funds revert to or be recoverable by the participating member companies.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Premiums paid by the Plan are recorded as insurance premium payments in the accompanying statements of changes in net assets available for benefits. Claim payments are recorded when paid by the third party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as a payable in the accompanying statements of net assets available for benefits.

Pharmacy Rebates

Rebates due from the third-party administrators are recorded when earned. Rebates due as of the financial statement date have been reported in other receivables, with the offset being netted against claims paid.

Stop-Loss

Premiums from stop-loss insurance are included in insurance premium expense while stop-loss reimbursements are netted with claims paid in the accompanying statements of changes in net assets available for benefits. The total amount of stop-loss recoveries is disclosed in Note 4 to the financial statements.

During the year ended December 31, 2024, the Plan received notification from the insurer regarding a premium adjustment totaling $701,275. This amount was determined to be receivable by the Plan as of December 31, 2024, and is included in other receivables within the statement of net assets available for benefits.

2. Summary of Significant Accounting Policies (Continued)

Concentration of Credit Risk Arising from Cash Deposits in Excess of Insured Limits

Cash and cash equivalents include cash on hand and investments with original maturities of three months or less. No such short-term investments were held at December 31, 2025 or 2024. The Plan maintains its cash balances at one financial institution which provides insurance through the Federal Deposit Insurance Corporation on the first $250,000 at December 31, 2025 and 2024. At various times throughout the years ended December 31, 2025 and 2024, the Plan had balances in excess of the federally insured limits. At December 31, 2025, the Plan's uninsured bank balance totaled approximately $1.96 million. Management believes the Plan is not exposed to any significant credit risks with this institution.

Claims Incurred but Not Reported

The Plan's actuaries calculate an estimate of health claims incurred but not reported (IBNR) in accordance with accepted actuarial principles based on historical claim information of the Plan, claims data provided by the Plan's third-party administrators, expected claim increases, and other factors. The amounts ultimately paid will likely differ from the amounts estimated.

Subsequent Events

Management has evaluated subsequent events through October 15, 2026, the date the financial statements were available to be issued.

3. Tax Status

The VEBA trust funding benefits of the Plan received an exemption letter from the Internal Revenue Service (IRS) dated June 6, 2016, and effective December 9, 2014, stating that Learfield Communications Group Benefit Trust, Inc. is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes were required to be recorded in 2025 or 2024 for unrelated business taxable income.

3. Tax Status (Continued)

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The plan administrator and the plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Health Claims, net

Health claims are shown net of rebates and reimbursements. The following is a reconciliation of health claims, net for the years ended December 31, 2025 and 2024:

	2025	2024

Health claims, net	$17,985,216	$16,577,370

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

During 2025, the Plan received a $219,093 prescription drug settlement rebate attributable to the 2024 plan year. The rebate was not accrued as of December 31, 2024. Accordingly, the 2024 financial statements have been restated to increase other receivables and net assets available for benefits and decrease health claims, net, by $219,093. The correction had no effect on the Plan's benefit obligations.
