REQUIRED COMMUNICATIONS

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities With Regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our engagement letter dated February 3, 2026 and the engagement letter addendum dated July 1, 2026. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated July 28, 2026 regarding the planned scope and timing of our audit and identified significant risks.

Accounting Policies and Practices

Preferability of Accounting Policies and Practices

Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice.

Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.

Significant Accounting Policies

We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Unusual Transactions

We did not identify any significant unusual transactions.

Management's Judgments and Accounting Estimates

Summary information about the process used by management in formulating particularly sensitive accounting estimates and about our conclusions regarding the reasonableness of those estimates is in the attached Summary of Significant Accounting Estimates.

REQUIRED COMMUNICATIONS, continued

Audit Adjustments and Uncorrected Misstatements

Audit adjustments, other than those that are clearly trivial, proposed by us and recorded by the Plan are shown in the attached list of Recorded Audit Adjustments.

Form 5500 Filing

GAAS requires that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements.

ERISA-Required Supplemental Schedules

We subjected the information included in the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedules, other than the certified investment information, are fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedules are presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedules. We did not identify inconsistencies with the audited financial statements or with the certified investment information.

Observations About the Audit Process

Disagreements With Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultations With Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed With Management

We discussed with management implications for late contribution remittances identified for 2021, 2022, 2023, 2024, and 2025, and the requirements for correcting the errors as soon as administratively feasible. See additional information in the Reportable Findings and Internal Control Matters sections below. No other significant issues arising from the audit were discussed with or the subject of correspondence with management.

Significant Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

Difficult or Contentious Matters That Required Consultation

We did not encounter any significant and difficult or contentious matters that required consultation outside the engagement team.

REQUIRED COMMUNICATIONS, continued

Reportable Findings

In planning and performing the audit, we considered plan provisions relevant to designing audit procedures for the purpose of expressing our opinion on the Plan's financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions. Our audit was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or other specified criteria that might be considered reportable findings.

A reportable finding is one or more of the following:

- A matter that is identified as an instance of noncompliance or suspected noncompliance with laws or regulations
- A finding arising from the audit that is significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process
- A deficiency in internal control identified during the audit that has not been communicated to management by other parties that is of sufficient importance to merit management's attention

We are required to communicate reportable findings from the audit procedures performed relating to the plan provisions to you, in writing. We have identified the following reportable findings:

- Absence of Formal Fiduciary Meeting Minutes: The Plan Sponsor has no formal meeting minutes documented to support the Plan Sponsor's discussions regarding investment policies, plan performance, or market conditions. It is the Plan Trustee's/Administrator's fiduciary responsibility to monitor the Plan's performance on behalf of the participants, and minutes should be retained as evidential support that the reviews have been performed.
- Significant Deficiency in Controls Over Monitoring of Plan Compliance Requirements:
  - Late remittances of participant contributions and loan payments totaling $550,265 for 2025, resulting in lost earnings to participants.
  - Repeated reportable findings identified during prior year plan audits:
    - Uncorrected late remittances of participant contributions and loan payments totaling $408,925 for 2024, $371,661 for 2023, $680,902 for 2022, and $247,470 for 2021 resulting in lost earnings to participants.
  - See also *Internal Control Matters* below.
- Failure to use forfeitures: Failure to use forfeitures available as of December 31, 2024 to fund Company contributions or plan administrative fees in 2025. In accordance with Internal Revenue Service requirements for defined contribution plans, forfeitures are required to be used no later than 12 months after the close of the plan year in which the forfeitures were incurred. As of December 31, 2024 and 2025, the Plan had forfeitures totaling $29,314 and $48,967, respectively. Plan management should work with the third-party administrator to ensure these funds are utilized during 2026.

Shared Responsibilities: AICPA Independence

The AICPA regularly emphasizes that auditor independence is a **joint responsibility** and is managed most effectively when management, audit committees (or their equivalents), and audit firms work together in considering compliance with American Institute of Certified Public Accountants (AICPA) independence rules. For Elliott Davis, LLC ("Elliott Davis") to fulfill its professional responsibility to maintain and monitor independence, management, the Plan trustee, and Elliott Davis each play an important role.

REQUIRED COMMUNICATIONS, continued

Shared Responsibilities: AICPA Independence, continued

Our Responsibilities

- AICPA rules require independence both of mind and in appearance when providing audit and other attestation services. Elliott Davis is to ensure that the AICPA's General Requirements for performing non-attest services are adhered to and included in all letters of engagement.
- Maintain a system of quality management over compliance with independence rules and firm policies.

Your Responsibilities

- Timely inform Elliott Davis, before the effective date of transactions or other business changes, of the following:
  - New affiliates, directors or officers.
  - New beneficial owners of the Plan Sponsor's stock which have significant influence.
  - Change in corporate structure impacting affiliates such as add-on acquisitions or exits.
- Provide necessary affiliate information such as new or updated investment structure charts, as well as financial information required to perform materiality calculations needed for making affiliate determinations.
- Understand and conclude on the permissibility, prior to the Plan and its affiliates, including the Plan Sponsor, and the officers, directors or persons in a decision-making capacity, engaging in business relationships with Elliott Davis.
- Not entering into relationships resulting in close family members of Elliott Davis covered persons temporarily or permanently acting as an officer, director or person in an accounting or financial reporting oversight role at the Plan or Plan Sponsor.

Internal Control Matters

We have separately communicated a significant deficiency in internal control over financial reporting identified during our audit of the financial statements, and this communication is attached as **Exhibit A**.

Significant Written Communications Between Management and Our Firm

Copies of significant written communications between our firm and the management of the Plan, including the representation letter provided to us by management, are attached as **Exhibit B**.

Plan Trustee
Slipstream IT, LLC 401(k) Plan
Blue Bell, Pennsylvania

In planning and performing our audit of the financial statements of Slipstream IT, LLC 401(k) Plan (the "Company") as of December 31, 2025 and for the year then ended, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness Is a deficiency, or a combination of deficiencies, In Internal control, such that there Is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. We consider the following deficiencies in the Company's internal control to be significant deficiency:

Timely Remittance of Employee Contributions

During 2025, the Company failed to make deposits of $550,265 of participant deferrals and loan payments within the timeframe as required by the Department of Labor ("DOL"). The DOL considers late deposits, without regard to materiality, to be prohibited transactions. The general rule for deposits of 401(k) withholdings requires that the Company remit withheld employee 401(k) deferrals to the Plan as of the earliest date on which such amounts can reasonably be segregated from the Company's general assets, but in no event later than 15 business days after the end of the month in which the contributions were withheld. Management believes that assets can reasonably be segregated within 5 business days; therefore, any amount remitted

"Elliott Davis" is the brand name under which Elliott Davis, LLC (doing business in North Carolina and D.C. as Elliott Davis, PLLC) and Elliott Davis Advisory, LLC and its subsidiary entities provide professional services. Elliott Davis, LLC and Elliott Davis Advisory, LLC and its subsidiary entities practice as an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. Elliott Davis, LLC is a licensed independent CPA firm that provides attest services to its customers. Elliott Davis Advisory, LLC and its subsidiary entities provide tax and business consulting services to their customers. Elliott Davis Advisory, LLC and its subsidiary entities are not licensed CPA firms. The entities falling under the Elliott Davis brand are each individual firms that are separate legal and independently owned entities and are not responsible or liable for the services and/or products provided by any other entity providing services and/or products under the Elliott Davis brand. Our use of the terms "our firm" and "we" and "us" and terms of similar import, denote the alternative practice structure conducted by Elliott Davis, LLC and Elliott Davis Advisory, LLC.

after 5 business days is considered late. The Company made deposits ranging from 6 to 10 days after the date in which the contributions were withheld.

Additionally, during previous years' audits, we identified and reported late deposits of participant deferrals and loan payments of $408,925, $371,661, $680,902 and $247,470 for plan years 2024, 2023, 2022, and 2021, respectively. The Company had not funded the lost earnings on the late deposits to the participants' accounts or filed Form 5330 for excise taxes as of the date the 2025 financial statements were available to be issued.

Recommendation

The Plan Sponsor should work with the Plan's Third-Party Administrator (TPA) to file Form 5330 and pay applicable excise taxes from the Company's assets and not from the Plan, and to fund the participants' accounts with the amount of investment income which would have been earned had participant contributions been remitted on a timely basis. Additionally, procedures should be established to ensure participant contributions are remitted to the Plan as soon as administratively feasible each pay period.

This communication is intended solely for the information and use of the Plan Administrator, the Trustee, management, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

Significant Written Communications Between Management and Our Firm

Elliott Davis, LLC

Charleston, SC 29401

This representation letter is provided in connection with your audits of the financial statements of Slipstream IT, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA) sponsored by Slipstream IT, LLC (the "Plan Sponsor"). The Plan's financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024; the related statement of changes in net assets available for benefits for the year ended December 31, 2025; and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodically examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified investment information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm, to the best of our knowledge and belief, that as of the date this letter is signed:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated February 3, 2026 and our engagement letter addendum dated July 1, 2026 for the preparation and fair presentation of the financial statements referred to above in accordance with U.S. GAAP.

2. We acknowledge our responsibility for administering the plan and determining that the plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

4. We acknowledge our responsibility for the design, implementation, and maintenance of controls to prevent and detect fraud.

5. The methods, data, and significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement or disclosure that is reasonable in the context of U.S. GAAP, and reflect our judgment based on our knowledge and experience about past and current events, and our assumptions about conditions we expect to exist and courses of action we expect to take.

6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC Topic 820.

7. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.

8. Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed.

9. All events subsequent to the date of the financial statements, and for which U.S. GAAP requires adjustment or disclosure, have been adjusted or disclosed.

10. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.

11. We have no intention to terminate the Plan.

12. We have properly reported and disclosed amendments to the Plan instrument, if any.

13. We have no knowledge of any uncorrected misstatements in the financial statements.

14. In the audit engagement letter dated February 3, 2026, we requested that you draft the financial statements.

    With respect to this service:

    a. We have made all management decisions and performed all management functions;

    b. We assigned an appropriate individual to oversee the services who possesses suitable skills, knowledge and expertise;

    c. We evaluated the adequacy and results of the services performed, and made an informed judgment on the results of the services performed;

    d. We have accepted responsibility for the results of the services; and

    e. We have accepted responsibility for all significant judgments and decisions that were made.

15. We have requested an unsecured electronic copy of the auditor's report and financial statement and agree that the auditor's report and financial statements will not be modified in any manner.

Supplementary Information

16. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. In this regard:

    a. We believe such schedule, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

    b. The methods of measurement or presentation have not changed from those used in the prior period.

    c. There are no underlying significant assumptions or interpretations regarding the measurement or presentation of such information.

    d. We will only present the ERISA-required supplemental schedules together with the audited financial statements and auditor's report thereon and will not separate the ERISA-required supplemental schedules from the audited financial statements and auditor's report thereon in any document that contains such information.

Information Provided

17. We have provided you with:

    a. Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters;

    b. Additional information that you have requested from us for the purpose of the audit;

    c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence;

    d. The currently effective version of the Plan document, including the adoption agreement, the trust agreement or insurance contracts, and all related amendments. The Plan was most recently amended and effective as of January 1, 2023.

    e. A draft of the Form 5500 that is substantially complete;

    f. All correspondence, filings, reports and determinations with the Internal Revenue Service (IRS) and the DOL relating to the Plan's compliance with ERISA and the maintenance of its tax-exempt status;

    g. All Plan financial records and related data. In that regard, the payroll information we provided you covered all employees that were eligible to participate in the Plan; and

    h. All minutes of the meetings of the Plan's Investment Committee, or summaries of actions of recent meetings for which minutes have not yet been prepared.

18. All transactions have been recorded in the accounting records and are reflected in the financial statements.

19. We have disclosed to you the results of our assessment of risk that the financial statements may be materially misstated as a result of fraud.

20. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan involving:

    a. Management.

    b. Employees who have significant roles in internal control.

    c. Others where the fraud could have a material effect on the financial statements.

21. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators or others.

22. We have:

    a. Provided you with all information we are aware of with respect to current and potential affiliates, including ownership percentage and materiality assessments.

    b. Notified you of all planned transactions involving (i) changes in control of the Plan Sponsor or an investor obtaining a 20% or greater ownership in the Plan Sponsor or representation on the Plan Sponsor's Board of Directors, or (ii) investments of 20% or greater in or acquisitions of other entities by the Plan Sponsor, sufficiently in advance of their effective dates to enable the Plan Sponsor and Elliott Davis, LLC ("Elliott Davis") to identify and eliminate potential impermissible services and relationships between Elliott Davis or its associated entities and those potential subsidiaries or equity-method investees, prior to the effective dates.

    c. Made you aware, to the best of our knowledge and belief, of any nonaudit services that the Plan Sponsor or any of our affiliates has engaged Elliott Davis, LLC ("Elliott Davis") or any of its associated entities to perform.

23. We are not aware of any pending or threatened litigation, claims or assessments; unasserted claims or assessments that our lawyer has advised us are probable of assertion and must be disclosed in accordance with FASB ASC Topic 450, *Contingencies*; violations or possible violations of laws and regulations; or other matters, including gain or loss contingencies, whose effects should be considered when preparing the financial statements. Neither we nor the Plan Sponsor or others acting on behalf of the Plan have consulted a lawyer concerning litigation, claims, assessments or other matters affecting the Plan.

24. We have disclosed to you the identity of all of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.

25. We have informed you of all deficiencies in internal control over financial reporting, including significant deficiencies or material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize and report financial data.

26. We have no plans or intentions that may materially affect the carrying value or classification of assets or liabilities.

27. The Plan or trust has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances or security interests have been properly disclosed.

28. We have answered your questions about the Plan's tax compliance to the best of our knowledge and belief.

29. There have been no communications, whether written or oral, from regulatory agencies concerning noncompliance with, or deficiencies in the operation of the Plan.

30. We have complied with (a) all aspects of contractual agreements, including provisions of the Plan, that would have a material effect on the financial statements in the event of noncompliance, (b) the fidelity bonding requirements of ERISA, (c) all participant eligibility and coverage requirements of the Plan, ERISA and the Internal Revenue Code (IRC), and (d) the filing requirements of appropriate agencies

31. We have disclosed non-exempt (prohibited) party-in-interest transactions related to late deposits of employee deferrals and loan repayments totaling $2,259,223 for plan years 2021 through 2025. We are aware of DOL Regulation 29 CFR Section 2510.3-102, which states that contributions and loan repayments withheld from participant wages should be contributed to the Plan as of the earliest date on which such withholdings can be reasonably segregated from the employer's general assets, but in no event later than the 15th business day of the month following the month in which they are withheld. We believe our procedures for segregating and depositing contributions and loan repayments withheld from participant wages were in compliance with this regulation during the period covered by your audit, except as noted on Schedule H, Line 4a. Specifically, we believe that depositing participants' contributions and loan repayments within 5 business days was in compliance with DOL regulations given our systems and procedures. Notwithstanding this, we have modified our accounting system and procedures so that all participant contributions are deposited to the Plan more consistently. We understand that others, including the IRS or DOL, may view our circumstances differently and arrive at another conclusion. We plan to correct our late remittance of participant contributions outside of the Department of Labor's Voluntary Fiduciary Correction Program (but using the Department's online calculator to compute lost earnings). We acknowledge that the Department may open an investigation of the plan which could result in the Department deciding that our correction was incomplete because we did not base our computation on the plan's actual earnings. Lost earnings on the deposits will be calculated and deposited to the trust by the Plan Sponsor in 2027. Form 5330 will also be filed to remit the applicable excise tax to the IRS. The correction and any excise taxes, if applicable, will be paid out of the Plan Sponsor's, and not the Plan's, assets.

32. We have no knowledge of noncompliance or suspected noncompliance with laws and regulations.

33. The Plan is qualified under the appropriate section of the Internal Revenue Code (IRC) and intends to continue as a qualified Plan. We have operated the Plan in a manner that did not jeopardize this tax status.

34. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for John Hancock Retirement Plan Services LLC and John Hancock Trust Company's dated December 11, 2025 for the period ended October 31, 2025, and bridge letter through December 31, 2025, and we believe all applicable controls are properly designed and implemented and operating effectively.

35. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for Rippling Platform Services dated November 7, 2025 for the period ended October 31, 2025, and bridge letter through December 31, 2025, and we believe all applicable controls are properly designed and implemented and operating effectively.

36. There are no:

    a. Non-exempt (prohibited) party-in-interest transactions.

    b. Notes receivable from participants or other receivables or investments in default or considered to be uncollectible that were not disclosed in the financial statements or supplemental schedules.

    c. Reportable transactions that were not disclosed in the supplemental schedules.

    d. Guarantees, whether written or oral, under which the plan is contingently liable to a bank or another lending institution.

37. During the course of your audits, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.

Independent Auditor's Report

Plan Trustee
Slipstream IT, LLC 401(k) Plan
Blue Bell, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Slipstream IT, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from John Hancock Life Insurance Company (U.S.A.) ("John Hancock") as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by John Hancock agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"Elliott Davis" is the brand name under which Elliott Davis, LLC (doing business in North Carolina and D.C. as Elliott Davis, PLLC) and Elliott Davis Advisory, LLC and its subsidiary entities provide professional services. Elliott Davis, LLC and Elliott Davis Advisory, LLC and its subsidiary entities practice as an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. Elliott Davis, LLC is a licensed independent CPA firm that provides attest services to its customers. Elliott Davis Advisory, LLC and its subsidiary entities provide tax and business consulting services to their customers. Elliott Davis Advisory, LLC and its subsidiary entities are not licensed CPA firms. The entities falling under the Elliott Davis brand are each individual firms that are separate legal and independently owned entities and are not responsible or liable for the services and/or products provided by any other entity providing services and/or products under the Elliott Davis brand. Our use of the terms "our firm" and "we" and "us" and terms of similar import, denote the alternative practice structure conducted by Elliott Davis, LLC and Elliott Davis Advisory, LLC.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

Auditor's Responsibilities for the Audit of the Financial Statements, Continued

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – Supplemental Schedules Required by ERISA, Continued

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by John Hancock agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of the Plan

The following description of the Slipstream IT, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering substantially all employees of Slipstream IT, LLC and Emergent Partners, LLC (collectively, the "Company") who have completed at least ninety days of eligible service, and are twenty one years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The custodian of the plan is John Hancock Life Insurance Company (U.S.A.) (the "custodian"). The custodian is a qualified institution as defined in 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA.

Contributions:

Each year, participants may contribute eligible compensation up to the maximum amount allowed by law as pre-tax or Roth contributions, as defined in the Plan. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes a discretionary matching contribution of up to 6 percent of eligible compensation, calculated on a pay period basis. For the year ended December 31, 2025, the discretionary matching contribution was 50 percent of the first 6 percent of eligible compensation that a participant contributed to the Plan. Additional discretionary profit sharing contributions may be made at the option of the Company's management. During the year ended December 31, 2025, the Company made $458,472 of discretionary matching contributions and no discretionary profit sharing contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant accounts:

Each participant's account is credited with the participant's contributions, Company contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are vested immediately in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after 5 years of credited service for the discretionary matching contributions and after 6 years of credited service for the discretionary profit sharing contributions.

Notes receivable from participants:

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is 1.5 percent above prime rate, as defined by the Plan. Principal and interest are paid ratably through payroll deductions.

Note 1. Description of the Plan, Continued

Payment of benefits:

On termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or the installment options as provided by the Plan. Hardship distributions are permitted upon demonstration of financial hardship. All fully vested balances are available for distribution after the participant reaches the age of 59½.

Forfeited accounts:

As of December 31, 2025 and 2024, forfeited nonvested accounts totaled $48,967 and $29,314, respectively. These accounts will be used to reduce future Company contributions or to reduce administrative expenses. During the year ended December 31, 2025, Company contributions were reduced by $4,439 from forfeited nonvested accounts.

Note 2. Summary of Significant Accounting Policies

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates.

Contributions:

Contributions from Plan participants and all contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Note 2. Summary of Significant Accounting Policies, Continued

Excess contributions payable:

Amount payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events:

The Plan has evaluated subsequent events through October 13, 2026, the date the financial statements were available to be issued.

Recently issued accounting pronouncements:

Accounting standards that have been issued or proposed by the Financial Accounting Standards Board (FASB) or other standards-setting bodies are not expected to have a material impact on the Plan's financial statements.

Note 3. Custodian Certifications

The following is a summary of the Plan's asset information as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included throughout the Plan's financial statements and supplemental schedules, that was prepared by or derived from information provided by the custodian and furnished to the plan administrator. The plan administrator has obtained certifications from the custodian that the information provided to the plan administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets:

	2025	2024
Investments at fair value:		
Pooled separate accounts	$ 11,232,567	$ 7,938,076
Notes receivable from participants	155,975	97,538
Cash, non-interest bearing	48,967	29,314
	$ 11,437,509	$ 8,064,928

Note 3. Custodian Certifications, Continued

The custodian also certified to the completeness and accuracy of $1,730,082 of net appreciation in the fair value of investments and $8,708 of interest income on notes receivable from participants for the year ended December 31, 2025.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Pooled separate accounts: Valued at net asset value ("NAV") of units held. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled separate accounts, the investment advisor reserves the right to temporarily delay withdrawal from the accounts in order to ensure that securities liquidations will be carried out in an orderly business manner.

Note 4. Fair Value Measurements, Continued

The following table sets forth a summary of the Plan's investments reported at NAV as a practical expedient to estimate fair value:

(a) Seeks to provide long-term total return, mainly through capital appreciation.
(b) Seeks high, long-term total return.
(c) Seeks to achieve long-term growth of capital.
(d) Seeks to preserve capital and provide stability of principal while earning current income that exceeds money market rates over the long term.
(e) Seeks to provide capital appreciation and current income consistent with its current asset allocation.
(f) Seeks to achieve long-term capital appreciation.

Note 5. Related-Party and Party in Interest Transactions

Certain Plan investments are managed by the custodian as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to the third party service providers totaling $84,864 which were not covered by revenue sharing. The Company pays directly any other fees related to the Plan's operations.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Company contributions.

Note 7. Tax Status

The Company has adopted a pre-approved plan document that has received an opinion letter from the IRS dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2025 statement of net assets available for benefits.

Note 9. Prohibited Transactions

During 2025, the Company inadvertently failed to make deposits of participant deferrals totaling $550,265 within the timeframe as required by the DOL. The DOL considers late deposits, without regard to materiality, to be prohibited transactions. The general rule for deposits of 401(k) withholdings requires that the Company remit withheld employee 401(k) deferrals to the Plan as of the earliest date on which such amounts can reasonably be segregated from the Company's general assets, but in no event later than 15 business days after the end of the month in which the contributions were withheld. Management believes that assets can reasonably be segregated within 5 business days; therefore, any amount remitted after 5 days is considered late. The Company made deposits ranging from 6 to 10 days after the date in which the contributions were withheld.

During 2024, the Company inadvertently failed to make deposits of participant deferrals totaling $408,925 within the timeframe as required by the DOL. The Company made deposits ranging from 7 to 21 days after the date in which the contributions were withheld.

During 2023, the Company inadvertently failed to make deposits of participant deferrals totaling $371,661 within the timeframe as required by the DOL. The Company made deposits ranging from 6 to 17 days after the date in which the contributions were withheld.

Note 9. Prohibited Transactions, Continued

During 2022, the Company inadvertently failed to make deposits of participant deferrals totaling $680,902 within the timeframe as required by the DOL. The Company made deposits ranging from 6 to 30 days after the date in which the contributions were withheld.

During 2021, the Company inadvertently failed to make deposits of participant deferrals totaling $247,470 within the timeframe as required by the DOL. The Company made deposits ranging from 7 to 41 days after the date in which the contributions were withheld.

For each year with reported delinquent participant contributions, as noted above, the Company plans to file Form 5330 and pay applicable excise taxes from the Company's assets and not from the assets of the Plan. In addition, the Company will credit participant accounts with the amount of investment income which would have been earned had participant contributions been remitted on a timely basis.
