INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Friar Tux Shop 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Friar Tux Shop 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024 and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Friar Tux Shop 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Friar Tux Shop 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Friar Tux Shop 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Friar Tux Shop 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Friar Tux Shop 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Friar Tux Shop 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement, as amended and restated, for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 1990, by its sponsor company, Friar Tux Shop ("Company"). The Plan is a single-employer defined contribution plan covering all employees of the Company, except unionized and nonresident employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Secure 2.0 Act of 2022 (the "Act") was enacted into law in December of 2022. The Act includes several required and optional provisions that will impact employee benefit plans that go into effect at various times through 2027. The Plan has adopted all required provisions through December 31, 2025.

Eligibility

Employees who have completed 500 hours of service within the six month period following their date of hire and who are at least 21 years of age are eligible to participate in the Plan. The Plan allows employees to begin participating on the first day of each month immediately following or coinciding with the date the eligibility requirements are met.

Contributions

The Plan permits eligible participants to contribute up to 100% of compensation, subject to certain Internal Revenue Code limitations ($23,500 and $23,000, respectively, for 2025 and 2024, $31,000 and $30,500, respectively, for employees over the age of 50 for 2025 and 2024). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a fixed default deferral rate set at 2% of eligible pretax compensation. Contributions are automatically invested in a designated balanced fund until changed by the participant. The automatic deferral percentage increases 1% per year, up to a maximum of 10% of compensation. The Plan provides for discretionary matching contributions and discretionary profit-sharing contributions by the Company. There were no such contributions for the year ended December 31, 2025.

NOTE 1 – DESCRIPTION OF PLAN, CONTINUED

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect each participant's contributions and any employer contributions, as well as the participant's share of their investment income or loss, less an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance for up to five years. A loan term greater than five years is available for the purchase of a principal residence. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.00% to 8.50%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Hardship Withdrawals

A withdrawal from a participant's account may be permitted if the participant has a financial hardship for reasons defined in the Plan document.

Payment of Benefits

On termination of service, death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of his or her vested account balance, to roll over the vested balance into another qualified plan, or to leave the vested balance in the Plan if greater than $5,000. Participants may also elect an in-service distribution after attaining age 59½.

Forfeited Accounts

Forfeited non-vested accounts may be used to pay administrative expenses of the Plan or to reduce future employer contributions. During the year ended December 31, 2025, no forfeitures were used to pay Plan expenses or allocated to eligible participants as discretionary employer contributions. As of December 31, 2025 and 2024, there were $14,751 and $14,540 respectively, of forfeitures that have not yet been applied to Plan expenses or allocated to eligible participants.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies. See Note 4 – Fair Value Measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Plan Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain transactional fees are charged directly to the participant's account. Investment-related expenses are included in net appreciation of fair value of investments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Date of Management's Review

Subsequent events have been evaluated through October 15, 2026, which is the date the financial statements were available to be issued.

NOTE 3 – UNAUDITED INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

The following information included in the accompanying financial statements was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC as of December 31:

	2025	2024
Investments, at fair value	$ 4,780,410	$ 4,029,173
Notes receivable from participants	74,382	68,758
Net appreciation in fair value of investments	450,071	
Interest income on notes receivable from participants	3,319	
Dividend income	184,435	
Interest income	1,530	

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value on a recurring basis in the statement of net assets available for benefits in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification 820 – "Fair Value Measurements and Disclosures." This pronouncement defines fair value, establishes a framework for measuring fair value, enhances fair value disclosure requirements and creates a three-level valuation hierarchy for disclosure of fair value measurement. This valuation hierarchy is based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. The three levels of the inputs to the valuation methodology are defined as follows:

- Level 1 – Observable, quoted market prices (unadjusted) in active markets for identical assets and liabilities that the reporting entity has the ability to access at the measurement date.

- Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data. This input level includes those financial instruments that are valued using models or other valuation methodologies where substantially all of the assumptions are observable in the marketplace, can be derived from observable market data or are supported by observable levels at which transactions are executed in the marketplace.

- Level 3 – Unobservable inputs that are not corroborated by market data. This level of input includes financial instruments whose fair value is estimated based on internally developed models or methodologies utilizing significant inputs that are generally less readily observable from observable sources.

NOTE 4 – FAIR VALUE MEASUREMENTS, CONTINUED

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Group annuity contract: Valued based on observable inputs through the review of existing contracts and readily available financial information of the issuer.

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes that the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

		Fair Value Measurements at the End of the Reporting Period Using Inputs Considered as:		
	Fair Value at December 31, 2025	Level 1	Level 2	Level 3
Mutual Funds	$ 4,727,867	$ 4,727,867	$ -	$ -
Group Annuity Contract	52,543	-	52,543	-
Total investments at fair value	$ 4,780,410	$ 4,727,867	$ 52,543	$ -

		Fair Value Measurements at the End of the Reporting Period Using Inputs Considered as:		
	Fair Value at December 31, 2024	Level 1	Level 2	Level 3
Mutual Funds	$ 3,887,440	$ 3,887,440	$ -	$ -
Group Annuity Contract	141,733	-	141,733	-
Total investments at fair value	$ 4,029,173	$ 3,887,440	$ 141,733	$ -

NOTE 5 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions are performed by officers or employees of the Plan sponsor and, therefore, these transactions qualify as party-in-interest transactions. No officer or employee of the Company receives compensation from the Plan. Certain Plan expenses are paid directly by the Plan sponsor.

Certain administrative functions are performed by the Plan's record-keeper and third-party administrator. Plan expenses include participant loan fees, distribution fees and fund (custodial) fees, which are paid by Plan participants. Fees paid to the record-keeper and third-party administrator were $14,639 for the year ended December 31, 2025 and are included in administrative expenses in the statement of changes in net assets available for benefits.

Certain administrative functions are performed by the investment brokers of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid directly to the investment advisors were $2,957 for the year ended December 31, 2025 and are included in administrative expenses in the statement of changes in net assets available for benefits. Commission fees totaling $17,024 for the year ended December 31, 2025 are included in the net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

NOTE 6 – TAX STATUS

The Company has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax years in progress.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, eligible participants will become 100% vested in their account balances.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets per Schedule H of Form 5500 at December 31:

	2025	2024
Net assets available for benefits per the financial statements	$ 4,854,792	$ 4,097,931
Less: deemed loan distributions	(15,556)	(14,776)
Net assets per Schedule H of Form 5500	$ 4,839,236	$ 4,083,155

The following is a reconciliation of net increase per the financial statements to net income per Schedule H of Form 5500 for the year ended December 31, 2025:

Net increase per the financial statements	$ 756,861
Less: deemed loan distributions at December 31, 2025	(15,556)
Add: deemed loan distributions at December 31, 2024	14,776
Net income per Schedule H of Form 5500	$ 756,081
