INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Garage Isla Verde, LLC Retirement Plan
Carolina, Puerto Rico

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Garage Isla Verde Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Garage Isla Verde Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025, and 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Garage Isla Verde Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Garage Isla Verde Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Garage Isla Verde Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Garage Isla Verde Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF THE PLAN

The following description of Garage Isla Verde, LLC Retirement Plan (hereinafter referred to as the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Garage Isla Verde, LLC (hereinafter referred to as the Sponsor) who have worked 1,000 hours in a calendar year following 12 months of service and are age twenty-one or older. Employees may enter the Plan the first day of the following quarter after they have met the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants can make pre-tax contributions up to the limitations prescribed under applicable law ($15,000 in 2025 and 2024), as defined in the Plan.

Each Plan year, the sponsor shall contribute (a) the amount of the total salary deduction of all participants, which amount shall be deemed as the employee deferral contribution and (b) a matching contribution made at the sole discretion of the employer of eligible compensation for each eligible participant, which amount shall be deemed as the employer match contribution. In addition, there may be a discretionary employer contribution based on Plan Sponsor's earnings determined each year by the employer, which amount shall be deemed as the employer profit sharing contribution.

Participants' accounts

A separate account is maintained for each participant in the Plan, reflecting contributions, investments, realized and unrealized investments gains and losses, loans and interest, withdrawals, rollovers, and investment fees. The net value of each participant account is established at the close of each business day through the valuation of each fund's assets at fair value.

Each participant's account is credited with the participant's contribution and an allocation of (a) the Sponsor's contribution, if eligible, (b) and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A - DESCRIPTION OF THE PLAN - CONTINUED

Vesting

Participants are vested according to the following schedule:

20%	after two years of service
40%	after three years of service
60%	after four years of service
80%	after five years of service
100%	after six years of service

Investment option

Upon enrollment in the Plan, a participant directs the investment of his or her contributions into Mutual Funds.

Participants my change their investment options at any time through accesing the accounts via internet.

Distribution of benefits

Distribution of benefits to participants shall be made in a single lump sum payment.

The Plan permits distributions attributable to Sponsor contributions only upon the occurrence of one of the following events:

a. retirement of the participant.
b. separation from service (for any reason, including death).
c. permanent disability of the employee.
d. termination of the Plan.
e. hardship distributions (if vested).

Distribution of a participant's vested interest upon termination of employment for any reason or upon attaining normal or early retirement age shall commence, unless the participant elects otherwise, be within a reasonable time, in which the latest of the following occurs:

a. the participant attains age of 60 (or normal retirement age, if earlier).
b. the fifth anniversary of the year in which the participant commenced participation in the Plan.
c. the participant terminates service with the Sponsor.

NOTE A - DESCRIPTION OF THE PLAN - CONTINUED

Plan termination

In the event the Plan terminates, the assets of the Plan will be allocated as prescribed by ERISA and its related regulations.

Forfeiture accounts

Participants who terminate employment before becoming fully vested in the employer contribution portion of their accounts forfeit the nonvested portion of their accounts in accordance with the provisions of the Plan document.

Forfeited nonvested accounts are maintained in a separate forfeiture account within the Plan and may be used in accordance with the provisions of the Plan document to reduce future employer contributions and/or pay eligible Plan administrative expenses, as applicable.

Forfeited amounts are included in net assets available for benefits but are not allocated to individual participant accounts as of the respective year-end dates.

During the years ended December 31, 2025 and 2024, forfeitures of $11,773 and $540, respectively, arose from the nonvested portions of terminated participants' accounts.

Participants' loans

Participants currently employed may borrow from their funds a minimum of $1,000 up to a maximum of $50,000 limited to 50% of their vested account balance. The terms of loans for general purpose generally range from 1 to 5 years and loans for purchase of primary residence is 30 years. The loans are secured by the balance in the participant's account. The loans bear interest at 1% over prime rate. Principal and interest are paid through payroll deductions. Participants may have only one loan outstanding at any time.

Rollover contributions

The Plan's Trustee shall be authorized to receive rollover contributions only if the employee has met the participation requirement of the Plan as of the date of the contribution. Rollover contributions can be withdrawn from the Plan only upon termination of employment.

NOTE B - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES

Organization

The Plan was organized and became effective on January 1, 1993. The Plan sponsor and Plan administrator is Garage Isla Verde, LLC. The trustee of the Plan is Carlos M. Quiñones. Empower Retirement is the trust and recordkeeper of the Plan.

Basis of presentation

The financial statements of the Plan are presented in the accrual basis of accounting.

Accounting policies:

Investments valuation and income recognition

The Plan's investments are participant-directed and are stated at fair value. See Note D for discussion of fair value measurement.

Purchases and sales of investments are recorded on a trade-date basis. Interest income, including interest on loans to participants, is recorded on an accrual basis. Dividends are recorded on the dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

Fair value measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement accounting literature (ASC 820) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value and describes inputs as either observable or unobservable. Observable inputs reflect market data obtained from independent sources while unobservable inputs reflect the Plan's view of market assumptions in the absence of observable market information. ASC 820 requires that the observable inputs be used wherever possible, resulting in the classification of the hierarchy.

The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. In determining fair value, the Plan uses various methods including market, income, and cost approaches.

NOTE B - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES - CONTINUED

Fair value measurements – continued

The Plan categorizes its fair value measurements into a three-level hierarchy based on the priority of the inputs to the valuation technique. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure fair value fall within different levels of the hierarchy, the category level is based on the lowest priority level input that is significant to the fair value measurement of the instrument in its entirety.

The Plan categorizes assets and liabilities carried at fair value in the accompanying statement of assets available for benefits as follows:

- Level 1 - Unadjusted quoted prices accessible in active markets for identical assets or liabilities at the measurement date and mutual funds where the value per share (unit) is determined and published daily and is the basis for current transactions. Level 1 inputs are considered "observable" inputs.

- Level 2 - Unadjusted quoted prices for similar assets or liabilities in active markets or inputs (other than quoted prices) that are observable or that are derived principally from or corroborated by observable market data through correlation or other means. Primary inputs to this valuation technique may include comparative trades, bid/asks, interest rate movements, U.S. Treasury rates, Secured Overnight Financing Rate ("SOFR"), prime rates, cash flows, maturity dates, call ability, estimated prepayments, and/or underlying collateral values.

- Level 3 - Prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. Inputs reflect management's best estimate about the assumptions market participants would use at the measurement date in pricing the asset or liability. Consideration is given to the risk inherent in both the method of valuation and the valuation inputs. Primary inputs to this valuation technique include broker quotes and comparative trades.

Changes in observability of significant valuation inputs identified during these reviews may trigger reclassifications. Reclassifications are reported as transfers at the beginning of the period in which the change occurs.

NOTE B - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES - CONTINUED

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of benefits

Benefits are recorded when paid.

Administration expenses

The expenses for maintaining the Plan are accounted for as they are incurred and paid by the Plan. Administrative expenses for the years ended December 31, 2025 and 2024, amounted to approximately $68,000 and $59,000, respectively.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN-UNAUDITED (NOTES C, D, E)

The following information included in the accompanying financial statements and supplemental schedule as of December 31, 2025 and 2024, was obtained from data that has been prepared and certified as complete and accurate by the custodian:

	2025	2024
Investments	$ 10,276,041	$ 8,284,902
Notes receivable from participants	$ 403,918	$ 251,889
Net appreciation in fair value or NAV	$ 837,248	$ 391,774
Realized gain on sale of investments	$ 28,038	$ 236,898
Interest and dividend income	$ 517,648	$ 339,295

NOTE C - INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN-UNAUDITED (NOTES C, D, E) - CONTINUED

The following presents the net appreciation in fair value or NAV by investment type for the years ended December 31, 2025 and 2024:

	2025	2024
Mutual Funds	$ 700,052	$ 263,796
Collective Trust Funds	137,196	127,978
	$ 837,248	$ 391,774

The Plan's investments are reported at fair value/net asset value in the accompanying statements of net assets available for benefits.

NOTE D - FAIR VALUE MEASUREMENTS

Mutual Funds

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Mutual funds are measures at fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The market approach is used to measure fair value. Share Prices/Net Asset Values (NAV's) reported on the Plan Summary Reports for NAV mutual funds are generally obtained from a file feed from the National Securities Clearing Corporation, and/or directly from the fund house, or a secondary pricing source.

Fixed annuities

The Plan measures fair value using Level 2 inputs because the reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

NOTE D - FAIR VALUE MEASUREMENTS - CONTINUED

Collective Trust Funds

Collective trust funds are measured at net asset value. The net asset value is used as a practical expedient, as defined in ASC 820. This practical expedient is not applied when it is determined to be probable that this fund will sell the investment for an amount different to the reported net asset value. These investments are valued daily based on share prices/NAVs reported which are generally obtained directly from the fund house or the investment provider. The internal pricing analyst and management will review the overall movement of market indices and will apply judgement in determining whether any further research with investment providers will be pursued for share price variances from the prior day.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31, 2025 and 2024:

		2025
Mutual funds (fair value Level 1)	$	8,377,113
Fixed Annuities (fair value Level 2)		1,000,802
	$	9,377,915

		2024
Mutual funds (fair value Level 1)	$	5,952,549
Fixed Annuities (fair value Level 2)		1,801,311
	$	7,753,860

NOTE D - FAIR VALUE MEASUREMENTS - CONTINUED

Collective Trust Funds - continued

The following table presents the Plan's assets measured at net asset value per share practical expedient on a recurring basis as of December 31, 2025 and 2024:

	2025
Investment measured at net asset value:	
Collective Trust Funds	$ 898,126

	2024
Investment measured at net asset value:	
Collective Trust Funds	$ 531,042

NOTE E - INVESTMENTS CONTRACT WITH INSURANCE COMPANY

The Plan has a group annuity investments contract with Empower Retirement (Empower). Empower maintains the contributions in allocated contract assets. The accounts are credited with earnings on the underlying investments and charged for plan withdrawals and administrative expenses made by Empower. The contract is included in the statement of net assets available for benefits as fixed annuities at fair value, which represent contributions made under the contract, plus appreciation in value and earnings, less plan withdrawals and administrative expenses. The fair value of the investments contract at December 31, 2025 and 2024 was $1,000,802 and $1,801,311, respectively.

NOTE F - TRANSACTIONS WITH PARTIES-IN-INTEREST

The trustee, recordkeeping, contract administrator and the auditor of the Plan are considered parties-in-interest to the Plan. The Plan's administration and audit fees are paid by the Sponsor. Fees paid to parties-in-interest amounted to approximately $57,000 in 2025 and $54,000 in 2024. Fees paid to the trustee and auditor fees appear to be reasonable for the years ended December 31, 2025 and 2024.

NOTE G - INCOME TAX STATUS

The Department of the Treasury of the Commonwealth of Puerto Rico has ruled that the Plan qualifies under Section 1081.01 (e) of the Income Tax Act of 2011 (the Act), and is, therefore, not subject to income tax under the present income tax law. The Plan is required to operate in conformity with the Act to maintain its qualification. The Plan's Retirement Committee is not aware of any course of action or series of events that have occurred that might affect the Plan's qualified status.

The Plan obtained its latest determination letter on April 30, 2018, in which the Puerto Rico Treasury Department stated that the Plan, as then designed, was in compliance with the applicable requirements of the Puerto Rico Treasury Department. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Puerto Rico Treasury Department and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE H - FINANCIAL INSTRUMENTS, RISK, UNCERTAINTIES AND CONCENTRATION

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of assets available for benefits.

NOTE I - DATE OF MANAGEMENT'S REVIEW

The Plan Sponsor has evaluated events subsequent to December 31, 2025, to assess the need for potential recognition or disclosure in the accompanying financial statements. Subsequent events were evaluated through October 13, 2026, which is the date the financial statements were available to be issued.
