Independent Auditor's Report

To the Plan Administrator of
The Sterling Group Employee Benefit Trust

Opinion
We have audited the accompanying financial statements of The Sterling Group Employee Benefit Trust (the "Plan"), an Indiana employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (cash basis) as of December 31, 2025 and December 31, 2024, and the related statements of changes in net assets available for benefits (cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits (cash basis) of The Sterling Group Employee Benefit Trust as of December 31, 2025 and December 31, 2024**,** and the changes in its net assets available for benefits (cash basis) for the years then ended in accordance with the cash basis of accounting described in Note 2.

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Sterling Group Employee Benefit Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting
We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Emphasis of Matter Regarding Plan Termination
As discussed in Notes 6 and 7 to the financial statements, the Plan terminated effective December 31, 2025. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 2, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Sterling Group Employee Benefit Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Sterling Group Employee Benefit Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1: PLAN DESCRIPTION

General - The Sterling Group Employee Benefit Trust (the "Plan") became effective January 1, 1996 and constitutes an employee welfare benefit plan under Section 3(1) of the Employee Retirement Income Security Act of 1974 (ERISA). The trust was established to hold all assets of the Plan, which provides health benefits for the exclusive benefit of Plan participants, for the payment of claims for benefits, administrative expenses, including legal and audit fees, and insurance premiums. The Plan is subject to the provisions of ERISA. All employees regularly scheduled to work an average of at least 30 hours per week and at least six months per calendar year in the service of Sterling Management, Ltd. (the "Company") shall be considered full-time employees and shall be eligible to enroll in the Plan. Coverage begins upon the completion of 60 calendar days of regular employment in a covered position. The Company's management is responsible for oversight of the Plan.

Contributions - The Plan is contributory, funded by both participant and employer contributions. The Company has committed to make payments to the Plan as needed to pay benefits and expenses related to the Plan. Participant contributions include active employees and separated participants. Separated participants are COBRA participants. Active employees contribute through a cafeteria plan, as defined under Section 125 of the Internal Revenue Code (IRC). Employer contributions are determined annually, at a minimum, by the management of the Company in an amount sufficient to pay expected Plan benefits and related expenses allowed under the Plan. All contributions to the Plan are placed in the trust fund. The trust fund is used primarily as an "in and out" conduit for the payment of health claims and benefits, administrative expenses, including legal and audit fees, and insurance premiums. Interest income is earned only to the extent that cash, in excess of current disbursement requirements, is available.

Administration - The Plan is administered by the Company. Auxiant, a third-party administrator, served as the Plan Supervisor, providing full-service administration and claims processing for the years ended December 31, 2025 and December 31, 2024. Donley Benefits Consulting, Inc. administered the Plan's fund accounting and reporting for the year ending December 31, 2024.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Significant accounting policies followed by the Plan are as follows:

Basis of Accounting

The accompanying financial statements are presented using the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Under this method, additions to net assets are recorded when received rather than when earned, and deductions from net assets are recorded when paid rather than when an obligation is incurred.

Use of Estimates

The cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Administrative Expenses

Administrative expenses are recorded when paid.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Plan Benefit Obligations

Because the Plan is on a cash basis, claims reported but unpaid and incurred but not reported are not presented on the face of the financial statements. Plan obligations for health claims incurred by active participants but not reported are estimated by the Plan's actuary in accordance with accepted actuarial principles. The estimated amounts at present value are:

	At December 31,	
	2025	2024
Estimated claims reported but unpaid	$ 366,503	$ 177,421
Estimated loss expenses	47,880	15,300
	$ 414,383	$ 192,721

The changes in benefit obligations for the year ended December 31, 2025 and December 31, 2024 are as follows:

	Year Ended December 31,	
	2025	2024
Amounts currently payable:		
Balance at beginning of year	$ 192,721	$ 1,120,842
Claims reported and approved for payment	2,344,106	2,543,860
Change in claims incurred but not reported	97,569	(956,164)
Claims paid, net	(2,220,013)	(2,515,817)
	$ 414,383	$ 192,721

The assumed trend rates used were 9.2% and 8.5% for the Plan years ended December 31, 2025 and December 31, 2024, respectively. Actual results may differ from those estimates presented above.

Risks and Uncertainties

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

Credit Risks

The Plan maintains cash balances with financial institutions which may exceed the Federal Deposit Insurance Corporation limit of $250,000.

Note 3: CONTRACTS WITH INSURANCE COMPANIES

The Plan maintains a group medical excess loss policy, commonly referred to as stop-loss insurance, from HCC Life Insurance Company as of December 31, 2025 and December 31, 2024. The purpose of the stop-loss insurance is to reimburse the Plan for claims incurred and paid in excess of a specific excess loss amount per participant during the Plan year. The policy also reimburses the Plan for total claims incurred and paid in excess of the maximum annual aggregate amount during the Plan year.

The following summarizes the financial information related to the group medical excess loss policy:

	Year Ended December 31,	
	2025	2024
Specific excess loss amount	$ 60,000	$ 60,000
Separate individual participant loss amount	$ 105,000	$ 105,000
Maximum annual aggregate amount	$ 2,432,410	$ 2,281,337

There were no stop-loss reimbursements received or receivable as of and for the years ended December 31, 2025 and December 31, 2024, respectively.

Note 4: RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Fees incurred by the Plan for administrative services are included in administration fee on the statements of changes in net assets available for benefits (cash basis). These transactions are party-in-interest transactions under ERISA, and were based on contractual and reasonable rates for their services.

Note 5: INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Plan by a letter dated March 11, 1997, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is subject to income tax examinations by the taxing authorities for a period of three years from the date the tax returns are filed.

Notes to Financial Statements

December 31, 2025 and December 31, 2024

Note 6: PLAN TERMINATION

The Company terminated the plan as of December 31, 2025. All outstanding claim liabilities were absorbed by Sterling Management LTD., Inc. Group Insurance Plan. Under accounting principles accepted in the United States of America, the Plan would have adopted the liquidation basis of accounting when its termination was approved in January 2025, but the accompanying financial statements are prepared on the cash basis of accounting described in Note 2 and do not reflect the liquidation basis.

Note 7: TERMINATION OF TRUST AND CHANGE IN FUNDING

Until January 2025, the assets of the Plan were held in The Sterling Group Employee Benefit Trust (the Trust), from which Plan benefits and administrative expenses were paid. In January 2025, the Company terminated the Trust and closed the Trust's bank account.

When the account was closed, the remaining balance was transferred to an account of the Company. In February 2025, the Company used the entire amount to pay Plan administrative expenses. These payments are included in administration fees in the accompanying statement of changes in net assets available for benefits (cash basis). The Company did not retain any portion of the amount transferred.

For the remainder of 2025, Plan benefits were paid from the general assets of the Company, and the Company paid the Plan's administrative expenses. Because these payments were not made from Plan assets, they are not included in the accompanying statement of changes in net assets available for benefits (cash basis), and the Plan had no net assets available for benefits at December 31, 2025.

The closing of the Trust did not change the benefits provided under the Plan. The Plan was terminated effective December 31, 2025, as described in Note 6. Information about the Plan's benefit obligations is presented in Note 2.

Note 8: SUBSEQUENT EVENTS

The Plan administrator has evaluated subsequent events through the date of the Independent Auditor’s Report; the date the financial statements were available to be issued, and has determined that no material events occurred that would require disclosure in the financial statements.
