INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
YAI Network Affiliates 401 (a) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of YAI Network Affiliates 401 (a) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements (financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually

or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to

auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of the YAI Network Affiliates 401 (a) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a multiple employer defined contribution plan covering all eligible employees of Young Adult Institute, Inc. (the "Agency" and "Plan Sponsor") and agencies of the YAI Network who have adopted the Plan, as defined below. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective July 1, 2015, the Plan was restated as a multiple employer plan, changed its name from the YAI Discretionary Defined Contribution, Longevity, and Target Retirement Plan to the YAI Network Affiliates 401 (a) Plan, is currently adopted by the following members of the YAI Network: Premier Healthcare, Inc. ("PHC"), Manhattan STAR Academy ("MSA"), National Institute for People with Disabilities of New Jersey, Inc. ("NIPD-NJ").

The Plan covers all eligible employees of the adopting agencies who were hired before January 1, 2019, and either were a participant of a plan sponsored by their participating employer that was transferred into the Plan, or who have completed one year of service, as defined by the Plan.

Plan Freeze Amendment and 2025 Amendment for Employer Matching Contribution

On December 31, 2018, the Plan sponsor has amended to freeze the Plan effective July 1, 2019 ("Freeze Date"). Accordingly, no contributions shall be made under the Plan for any participant with respect to compensation paid on or after the Freeze Date, and employees hired on or after January 1, 2019, are not eligible to participate in the Plan.

Effective January 1, 2025, the Plan was amended to unfreeze the Plan solely for the 2025 Plan year so that an employer matching contribution could be made on behalf of specified participants who participate in the YAI Network Affiliates 403(b) Plan ("403(b) Plan"), an affiliated plan, and have an account balance in the Plan. The specified participants will have matching contributions based off their salary reductions to the 403(b) Plan made to the Plan. Aside from this contribution, no additional contributions shall be made to the Plan for any participant the 2025 Plan year.

Contributions

Rollover contributions are permitted in accordance with Plan provisions.

Prior to the Freeze Date, participant contributions to the plan were not permitted. However, the Plan does include 401(k) deferral subaccounts containing deferrals made to predecessor plans that were merged into the Plan.

Prior to the Freeze Date, contributions by each Agency were determined annually by each Agency's Board of Trustees in accordance with Internal Revenue Code ("IRC") guidelines. These amounts were funded annually, except for the prevailing wage contributions, which were required to be funded at least quarterly.

Prior to the Freeze Date, Plan participants were eligible for one or more of the various types of employer contributions permitted by the Plan. Participants were eligible to receive employer basic contributions, employer matching contributions, prevailing wage contributions, safe harbor contributions, qualified nonelective contributions, discretionary longevity contributions, and target employer contributions, as defined in the Plan document, at the discretion of the Board of Trustees.

2025 Plan Year Employer Matching Contribution

Effective January 1, 2025, solely for the 2025 Plan year, a matching contribution will be made by the Agency and adopting agencies of the YAI Network for certain participants equal to 50% percent of the participant's 2025 salary reduction contributions to the 403(b) Plan from compensation, as defined under the 403(b) Plan, not in excess of 6% for such Plan year, such that the maximum employer matching contribution that may be contributed on behalf of any participant is 3% of compensation. Provided, however, that the participant must complete 1,000 hours of service during the Plan year and be employed on the last day of the Plan year. During the year ended December 31, 2025, the Agencies made employer matching contributions of $427,786 to the Plan, net of forfeitures. Management determined that no allowance for credit losses for employer contributions receivable was required at December 31, 2025.

Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with an allocation of their employer's contribution, as defined by the Plan document, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their balances into various investment options offered by the Plan. If a participant does not make an election of investment options for his or her account, the participant's allocation of employer contributions are automatically invested in the Plan's Qualified Default Investment Alternative ("QDIA"). The Plan has elected the Vanguard Target Retirement Fund series as its QDIA.

Vesting

Participants' vesting in their matching contribution account, employer basic contribution account, discretionary longevity contribution account, and target employer contribution account is based on years of service as follows:

Years of Service	Amount Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

A participant will become 100% vested in the aforementioned accounts upon death, disability, or reaching their normal retirement date, which is the participant's 65th birthday. Participants are always 100% vested in their prevailing wage contribution account, participant's safe harbor contribution accounts, qualified nonelective contribution accounts, qualified matching contribution accounts, and rollover contribution accounts.

Participants who are determined to be eligible for the 2025 employer matching contribution shall be fully vested in this contribution if that participant is fully vested under the 403(b) Plan.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance, pursuant to the Plan's loan policy. Notes receivable from participants are secured by the balance in the participant's account. The loan interest rate, determined monthly, is set at 1% over the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

Effective July 1, 2017, Plan participants who were hired on or after January 1, 2017, may not request a loan from the portion of his or her Plan account balance attributable to employer contributions.

A participant is not eligible for a loan under the Plan unless the participant both:

- does not have a loan outstanding under either this Plan or the YAI Network Affiliates 403(b) Plan at the time the loan is requested; and
- has not had any loans outstanding under either this Plan or the 403(b) Plan during the calendar year in which the loan request is made.

To the extent that a participant has more than one loan outstanding under the Plan and/or the 403(b) Plan as of July 1, 2017, the participant's outstanding loan(s) as of July 1, 2017, shall be grandfathered. Notwithstanding the preceding, such a participant may not take another loan from the Plan or the 403(b) Plan until the first day of the calendar year beginning on or after the date as of which all loans outstanding as of July 1, 2017, under the Plan and the

403(b) Plan have been repaid.

Payment of Benefits

On termination of service due to death, disability, retirement, or other, a participant may elect to receive to receive a lump sum equal to the value of the participant's vested interest in his or her account. The Plan allows in-service withdrawals to participants who have (i) attained age 40, (ii) participated in the Plan for at least 10 years and have a total years of age and participation equal to at least 60, as defined in the Plan document. Additionally, Participants shall be entitled to receive in-service withdrawals upon attainment of age 59 ½ or as a hardship distribution, as defined in the Plan document.

Forfeitures

At December 31, 2025 and 2024 the forfeited account totaled $496,084 and $723,206, respectively. Forfeited accounts are used to directly pay administrative expenses of the Plan, reimburse the Agency for direct costs of administering the Plan that are paid by the Agency or to reduce employer contributions. During the year ended December 31, 2025, the Plan used approximately $72,400 of forfeitures to pay Plan expenses, no amounts were used to reimburse the Agency for direct costs of administering the Plan paid by the Agency and the Plan reinstated forfeitures of approximately $228,200. The Agency will use approximately $391,000 of forfeitures to reduce the 2025 employer matching contribution.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Agency. Expenses that are paid by the Agency are excluded from these financial statements. The Plan may reimburse the Agency for any direct expenses which are paid by the Agency from its general assets, provided the Agency submits the direct expenses to the Plan for reimbursement within 24 months of the date that the direct expenses were paid. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net change in fair value of investments.

3. CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments at fair value, investments at contract value, and notes receivable from participants held at December 31, 2025 and 2024, and net change in fair value of investments, interest and dividends, and interest income from notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Life & Annuity Company of New York and Empower Trust Company, LLC, (collectively, "Empower", qualified institutions) the trustee and insurance company of the Plan, respectively.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the investment methodologies used at December 31, 2025 and 2024.

Mutual Funds
Valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts
Pooled separate accounts are not publicly quoted and are priced at net asset value ("NAV"). ASC 820 allows NAV per share to serve as a practical expedient to estimate fair value.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024.

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 36,522,201	$ -	$ -	$ 36,522,201
Total assets in the fair value hierarchy	$ 36,522,201	$ -	$ -	$ 36,522,201
Investments measured at NAV[(a)]				2,311,470
Investments, at fair value				$ 38,833,671

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 34,019,750	$ -	$ -	$ 34,019,750
Total assets in the fair value hierarchy	$ 34,019,750	$ -	$ -	$ 34,019,750
Investments measured at NAV[(a)]				2,203,120
Investments, at fair value				$ 36,222,870

[(a)] In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Gains and losses included in the statement of changes in net assets available for benefits for the year ended December 31, 2025 are reported in net change in fair value of investments.

For the year ended December 31, 2025, there were no significant transfers between Level 1 and 2 and no transfers into or out of Level 3.

Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024.

	Fair Value at 12/31/25	Unfunded Commitments	Redemptions Frequency (if currently eligible)	Redemption Notice Period
Pooled Separate Accounts	$2,311,470	N/A	Daily	1 day

	Fair Value at 12/31/24	Unfunded Commitments	Redemptions Frequency (if currently eligible)	Redemption Notice Period
Pooled Separate Accounts	$2,203,120	N/A	Daily	1 day

5. INVESTMENT CONTRACT WITH EMPOWER LIFE & ANNUITY INSURANCE COMPANY OF NEW YORK

In February 2022, the Plan entered into a fully benefit-responsive guaranteed investment contract with Empower Life & Annuity Insurance Company of New York ("ELAINY"). The contract value of the investment contract at December 31, 2025 and 2024, were $10,084,874 and $10,200,608 respectively.

ELAINY maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by ELAINY, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the Plan's ability to transact at contract value with ELAINY. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (e) premature termination of the contract. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

Either ELAINY or the Plan Sponsor may terminate this Contract with advance written notice to the other party. The contract termination date shall be the seventy-fifth day after the date written notice is received.

6. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Empower is the recordkeeper, insurance company, and trustee of the Plan's investments and therefore certain transactions with Empower qualify as exempt party-in-interest transactions. Administrative fees of approximately $115,000 were paid to Empower from the Plan during the year ended December 31, 2025.

Alliant Retirement Consulting ("ARC") is the investment advisor of the Plan and therefore certain transactions qualify as exempt party-in-interest transactions. Advisory fees of approximately $24,000 were paid to ARC from the Plan during the year ended December 31, 2025.

Lilling & Company LLP ("Lilling") is the auditor of the Plan and audit fees of approximately $22,000 were paid to Lilling from the Plan during the year ended December 31, 2025. These transactions qualify as an exempt party-in-interest transaction.

Smith & Downey PA ("SDPA") is the ERISA counsel of the Plan and therefore certain transactions qualify as exempt party-in-interest transactions. Legal fees of approximately $11,000 were paid to SDPA from the Plan during the year ended December 31, 2025.

Pension Benefit Information LLC ("PBI") provides administrative services to the Plan and therefore certain transactions qualify as exempt party-in-interest transactions. Administrative fees of approximately $15,000 were paid to PBI from the Plan during the year ended December 31, 2025.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Agency has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Agency by a letter dated November 30, 2015, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following schedule is a reconciliation of the financial statements at December 31, 2025 and 2024, and to Schedule H of Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 49,874,737	$ 46,881,224
Less: Employer contributions receivable	(427,786)	-
Less: Deemed distributions of participant loans	(29,166)	(28,090)
Net assets available for benefit per Form 5500	$ 49,417,785	$ 46,853,134

The following schedule is reconciliation of net change in net assets available for benefits per the financial statements for the year ended December 31, 2025 to Schedule H of Form 5500:

Net change in net assets available for benefits per the financial statements	$ 2,993,513
Less: Employer contributions	(427,786)
Less: Deemed distributed loan activity during the year	(1,076)
Net income per Form 5500	$ 2,564,651

On the Form 5500, contributions are recorded when received. Form 5500 does not include defaulted loans and related activity from participants who have not incurred distributable event. On the financial statements, these amounts are reported as Plan assets until a distributable event occurs.

11. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 7, 2026, the date the financial statements were available to be issued.
