INDEPENDENT AUDITOR'S REPORT

To the Participants and Trustee of the
Citadel Servicing Corporation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Citadel Servicing Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for plan benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Citadel Servicing Corporation 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all

material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Citadel Servicing Corporation 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Citadel Servicing Corporation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Citadel Servicing Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Citadel Servicing Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets Held for Investment Purposes as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management

and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CITADEL SERVICING CORPORATION 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 1: DESCRIPTION OF THE PLAN

Effective June 15, 2019, Citadel Servicing Corporation (the "Company") adopted a 401(k) profit sharing plan known as the Citadel Servicing Corporation 401(k) Plan (the "Plan"). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering any employee who has completed 60 days of service and attained age 19. The Company and the Plan trustees administer the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Custodian and Recordkeeper

For the years ended December 31, 2025 and 2024, the assets of the Plan were held and invested by the Voya Institutional Trust Company ("VITC"), the custodian. Certain information included in the accompanying financial statements and ERISA-required supplemental schedules, including investments and participant loan balances held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by VITC. For the years ended December 31, 2025 and 2024, Voya Retirement Insurance and Annuity Company ("VRIAC") served as the recordkeeper of the Plan.

Contributions and Funding Policy

Each participant in the Plan may contribute pre-tax and Roth elective deferral contributions up to 100% of their compensation with a maximum of $23,500 and $23,000, respectively ($31,000 and $30,500 for participants age 50 and over, respectively) for the years ended December 31, 2025 and 2024, respectively. Effective October 1, 2025, the Plan was amended to permit participants to make voluntary after-tax contributions. After-tax contributions, together with employer contributions and other amounts allocated to a participant's account, are subject to the annual additions limitations under the Internal Revenue Code. The annual additions limit was $70,000 for 2025 and $69,000 for 2024 ($77,500 and $76,500, respectively, for participants age 50 and over, including catch-up contributions).

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds, collective investment trust and a guaranteed interest account. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

NOTE 1: DESCRIPTION OF THE PLAN (continued)

Contributions and Funding Policy (continued)

Effective January 1, 2023, the Plan adopted an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. The Plan also elected an employer qualified automatic contribution arrangement ("QACA") safe harbor contribution provision, to contribute an amount equal to the sum of the 100% of participant's elective deferrals that do not exceed 1% of the participant's compensation, plus 50% of the participants elective deferrals that exceed 1% but do not exceed 6% of the participant's compensation. For the years ended December 31, 2025 and 2024 the Company accrued $1,107,503 and $846,078, of QACA safe harbor contributions which is included in the accompanying statement of net assets available for plan benefits under the caption "Employer contributions receivable". For the year ended December 31, 2025, QACA safe harbor contributions of $1,080,864 is reported net of forfeitures and other contribution adjustments applied during the year under the caption "Contributions – Employer's" on the statement of changes in net assets available for plan benefits. For the year ended December 31, 2024, there were no forfeitures or adjustments applied during the year.

Notes Receivable from Participants

Effective January 1, 2024, participants may borrow a minimum of $1,000 and a maximum of $50,000 up to 50% of their employee deferral account balance. The notes are secured by the balance in the participant's account and the interest rate will be the prime rate. The maximum number of loans outstanding per participant is one. Loans will be repaid through payroll deductions over a period not to exceed five years, unless the loan is for the purchase of a personal residence. At December 31, 2025 there were 22 loans outstanding with an interest rate ranging from 7.00% to 8.50%. Participant loans in the amount of $126,631 and $96,097 at December 31, 2025 and 2024, respectively, are included in the accompanying financial statements under the caption "Notes receivable from participants".

Forfeitures

Forfeitures of non-vested contributions are used to either offset administrative expenses or reduce employer contributions. During the years ended December 31, 2025 and 2024 forfeitures amounted to $24,234 and $19,147, respectively. During the year ended December 31, 2025, the Plan applied forfeitures to reduce employer contributions and to pay Plan expenses in the amounts of $35,471 for 2024 accrued employer contributions and $850, respectively. The Plan did not use forfeitures during the year ended December 31, 2024. The remaining balances in forfeited nonvested accounts, including earnings, at December 31, 2025 and 2024 were $8,849 and $20,146, respectively.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Payment of Benefits

Upon termination of service before the normal retirement age, a participant may elect to defer distribution until normal retirement age or receive a lump sum payment equal to the vested share of the participant's account. Benefits are available based on the vested share of the participant's accounts. Benefits can also be accessed in the event of disability or death. Additionally, the Plan allows participants to make early withdrawals for certain financial hardships.

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Qualified nonelective contributions paid by the Company are immediately vested plus earnings thereon. Vesting in QACA safe harbor contributions is based on years of service, which is 0% vested for the first two years and 100% vested after two years. A year of service is defined as 1,000 hours worked during the plan year.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of a) the Company's matching contribution and, b) Plan earnings, and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded for the years ended December 31, 2025. If participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Administrative and other expenses are recorded as incurred.

Payment of Benefits

Benefits are reported when paid.

Subsequent Events

Subsequent events were evaluated through October 15, 2026, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 – Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts: Common collective trust is a pooled investment vehicle maintained exclusively for the collective investment of money from several accounts administered by a bank or trust company that are not reported on exchanges or other public means with a fair value measured at net asset value (“NAV”). Accounting Standards Codification (“ASC”) 820 allows NAV per share to serve as the practical expedient to estimate the fair value as long as certain requirements are met, which these investments meet.

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lower level of any input that is significant to the fair value measurement.

	Assets at Fair Value 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,452,901	$ -	$ -	$ 3,452,901
Investments measured at NAV (a) – Common collective trusts	-	-	-	7,122,610
Total investments at fair value	$ 3,452,901	$ -	$ -	$ 10,575,511

	Assets at Fair Value 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 2,513,999	$ -	$ -	$ 2,513,999
Investments measured at NAV (a) – Common collective trusts	-	-	-	3,708,482
Total investments at fair value	$ 2,513,999	$ -	$ -	$ 6,222,481

(a) In accordance with *Subtopic 820-10, Fair Value Measurement, Overall,* certain investments that were measured at NAV per share, using the practical expedient, have not been classified in the fair value hierarchy. The fair value amounts, presented in this table are to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Common collective trusts	$ 7,122,610	n/a	Daily	n/a

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

Investments Measured Using the Net Asset per Share Practical Expedient (continued)

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Common collective trusts	$ 3,708,482	n/a	Daily	n/a

NOTE 4: GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2023, the Plan invested in an investment contract with VRIAC. For the years ended December 31, 2025 and 2024, the balance of the guaranteed investment contracts were $101,544 and $71,393, respectively. VITC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The guaranteed minimum interest rate is 1.00%. The crediting rate is based on a formula established by the contract issuer and is reviewed on a quarterly basis for resetting.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 4: GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (continued)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE 5: PLAN TERMINATION

Although the Company has not expressed an intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6: TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

NOTE 7: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The guaranteed interest account is managed by VITC. VITC is the custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to $56,951 and $28,983 for the years ended December 31, 2025 and 2024, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9: RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits reported on the financial statements to Schedule H of Form 5500 for the years ended December 31, 2025 and 2024:

Less: excess contributions pending distribution in 2026 – Note 10		(140,175)

NOTE 10: CORRECTIVE DISTRIBUTIONS AND EXCESS CONTRIBUTIONS

During the year, the Plan identified excess contributions through Actual Contribution Percentage ("ACP") nondiscrimination testing. The Plan is in the process of making corrective distributions totaling approximately $133,493 to address the excess contributions identified.

In addition, testing of the Internal Revenue Code Section 415 limits identified excess annual contributions totaling $6,682 for certain participants. These excess annual contributions primarily resulted from voluntary after-tax Roth contributions in excess of the applicable limits, as described in Note 1. The Plan is in the process of making corrective distributions to address the excess contributions identified.

Stephens, Reidinger & Beller LLP
1301 Dove Street, Suite 890
Newport Beach, CA 92660

This representation letter is provided in connection with your audit of the financial statements of Citadel Servicing Corporation 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (collectively, the "financial statements").

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United Statement of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 15, 2026, the following representations made to you during your audit.
