INDEPENDENT AUDITOR'S REPORT

To the Plan Committee
Prairie State Legal Services, Inc. 403(b) Retirement Plan
Rockford, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Prairie State Legal Services, Inc. 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Prairie State Legal Services, Inc. 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note B to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Prairie State Legal Services, Inc. 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Prairie State Legal Services, Inc. 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Prairie State Legal Services, Inc. 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Prairie State Legal Services, Inc. 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A -- Description of plan and significant accounting policies

The following brief description of Prairie State Legal Services, Inc. 403(b) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. Prairie State Legal Services, Inc., (employer) has adopted, with subsequent amendments, the OneAmerica Financial Partners, Inc. 403(b) Volume Submitter Plan, under the name, Prairie State Legal Services, Inc. 403(b) Retirement Plan, with the most recent restatement effective June 1, 2019.

The original effective date of the Plan was January 1, 1998.

General

The Plan is a defined contribution profit sharing plan with elective deferral 403(b) features covering all employees with no service requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Committee oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The Plan's federal identification number is 37-1030764, and the Plan's number is 002.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, not to exceed the limits set by the Internal Revenue Code (IRC). The Plan allows for Roth deferrals in addition to pretax deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation.

The employer may make a matching contribution at a discretionary matching percentage. To qualify for the matching amounts, the participants must have one year of service, which is defined as completing 1,000 hours of service during the relevant eligibility computation period. In applying this matching percentage, only elective deferrals up to the discretionary amount of compensation per year will be considered. For 2025, the employer's matching contribution was 100% of participant's deferrals up to $2,000.

Additional amounts may be contributed at the discretion of the employer and are allocated based on annual compensation and years of service. The participant must complete 1,000 hours of service during the plan year and be employed by the organization on the last day of the plan year to be eligible for any additional discretionary contributions. The employer made additional discretionary contributions of $947,416 for the year ended December 31, 2025. Annual contributions from all sources are subject to certain limitations defined by the Internal Revenue Service (IRS).

NOTE A -- Description of plan and significant accounting policies (Continued)

Participant accounts and "rollovers"

Each participant's account is credited with the participant's contribution and allocations of (a) the employer's matching and nonelective contribution, (b) Plan earnings, (c) forfeitures of terminated participants' nonvested accounts in excess of reasonable plan expenses, and (d) charged with an allocation of administrative expenses. Allocations of Plan earnings are based on participant account balances, as defined, and allocations of employer contributions are based on participants' compensation, as provided in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan permits the transfer of funds from other qualified plans to a participant's rollover account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the employer's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after three years of credited service. Participants, who leave the Plan because of death or disability, as defined in the Plan, are considered 100% vested in all amounts.

Participant loans

Participants may not borrow from their fund accounts.

Benefits

On termination of service due to death, disability, retirement or termination of employment, a participant may elect a lump-sum payment in an amount equal to the value of the participant's vested interest in his or her account. The Plan permits hardship distributions if certain criteria are met. The Plan permits in-service distributions at age 59½. A participant with an account valued at $5,000 or less shall receive a lump sum distribution. For accounts exceeding $5,000 the participant may elect a lump sum distribution or may elect to defer such distribution to any valuation date subsequent to his/her termination but no later than the valuation date of his/her normal retirement date; or the participant may elect to rollover the distribution to another qualified plan.

Forfeited accounts

Forfeited nonvested accounts totaled $0 at December 31, 2025 and 2024. Forfeited nonvested accounts of a participant (forfeiture) are used to pay reasonable Plan expenses first and then allocated to participants in the same manner as employer's discretionary contributions. For the year ended December 31, 2025, $487 of forfeited nonvested accounts were used to pay Plan expenses and $36,556 was used to reduce employer contributions.

NOTE A -- Description of plan and significant accounting policies (Continued)

A summary of significant accounting policies follows:

Basis of accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) under the accrual method of accounting.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s administrator determines the Plan’s valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note C for discussion of fair value measurements.

Income, gains and losses from the assets in each account are credited or charged against that account without regard to other income, gains or losses of American United Life Insurance Company (AUL) or any other separate account. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

The earnings and losses of the Plan, including unrealized investment appreciation, are allocated daily on the basis of individual participant balances at the end of the previous day.

Contributions

Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

Contributions receivable are written off when they are determined to be uncollectible. The allowance for credit losses is estimated based on expected credit losses considering the Plan’s historical losses, existing economic conditions, and the financial stability of the employer.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

The Plan participants pay most of the administrative expenses of the Plan. The major administrative expenses are professional fees.

NOTE A -- Description of plan and significant accounting policies (Continued)

Subsequent events

These financial statements have not been updated for subsequent events occurring after October 15, 2026, which is the date these financial statements were available to be issued. The Plan has no responsibility to update these financial statements for events and circumstances occurring after that date.

NOTE B -- Information certified by asset custodian

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation, interest and other income for the year ended December 31, 2025, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by AUL**,** the asset custodian of the Plan.

NOTE C -- Fair value measurements

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- Stable value collective trust fund. A stable value fund composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

- Pooled separate accounts. The pooled separate accounts are invested in investments such as stocks, mutual funds, short-term investments, bonds, etc. AUL owns the underlying investments in the separate accounts. The underlying measurements for the separate key prices are for similar assets in active or non-active markets. While the underlying asset values are quoted prices, the net asset value of the separate account is not publicly quoted.

NOTE C -- Fair value measurements (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
AUL Stable Value Account [1]	$1,037,435	n/a	Daily	12 months
Pooled Separate Accounts	$ 26,086,553	n/a	Daily	n/a
December 31, 2024				
AUL Stable Value Account [1]	$1,001,205	n/a	Daily	12 months
Pooled Separate Accounts	$22,872,491	n/a	Daily	n/a

[1] This class includes an interest-earning investment option backed by AUL's general account assets. AUL Stable Value Account investments primarily consist of a well-diversified mix of high quality corporate and agency securities.

Gains and losses (realized and unrealized) included in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025, are reported in net appreciation in fair value of investments.

NOTE D -- Party-in-interest transactions

AUL is the asset custodian of the Plan as of and for the year ended December 31, 2025, and is therefore designated as a party-in-interest. Gallagher Benefit Services, Inc., and Kestra Advisory Services, LLC provide consulting and advisory services to the Plan. In addition, SVA Certified Public Accountants, S.C. provides accounting services to the Plan and employer. These party-in-interest transactions occur in the course of ordinary business and are exempt transactions.

AUL provides certain administrative and advisory services to the Plan pursuant to a Services Agreement between the employer and AUL, for which there is no explicit charge to the Plan. Instead, AUL receives revenue from mutual fund service providers for services provided to the funds.

NOTE E -- Tax status

The OneAmerica Financial Partners, Inc. 403(b) Volume Submitter Plan that the Plan has adopted effective June 1, 2019, obtained its latest opinion letter on November 22, 2017, in which the Internal Revenue Service stated that the prototype plan, as then designed, was acceptable under Section 403 of the Internal Revenue Code for use by employers for the benefit of their employees. The Plan has been amended since the date of the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

NOTE F -- Plan termination

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G -- Concentration of market risk

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

Note H -- Plan Amendments

Effective January 1, 2024, the Plan was amended to incorporate certain temporary relief provisions under the CARES Act in response to the COVID-19 pandemic. These included expanded distribution and loan options for eligible participants, as well as the waiver of required minimum distributions for the year. The provisions were implemented in accordance with applicable IRS guidance and were intended to provide financial flexibility during the crisis.

NOTE I -- Subsequent event

Effective January 1, 2025, Voya Financial (Voya) acquired the full-service retirement plan business of OneAmerica Financial, including OneAmerica Retirement Services LLC and OneAmerica Investment Advisory Services. During April 2026, the Plan migrated from the OneAmerica reporting platform to Voya's reporting platform.
