Independent Auditor's Report

To the Participants and Plan Administrator of the
Expanse Electrical Company, LLC Profit Sharing 401(k) Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Expanse Electrical Company, LLC Profit Sharing 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 (in Liquidation) and 2024 (Ongoing), and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 (in Liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 (in Liquidation) and 2024 (Ongoing), and for the year ended December 31, 2025 (in Liquidation), stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of this report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the company approved the termination of the Plan on December 31, 2025 and concluded that liquidation of the Plan was imminent as of that date. As a result, the Plan changed its basis of accounting from the ongoing basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not absolute assurance, and therefore it is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Information Required by ERISA

The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2025, are presented for purposes of additional analysis.

This information is not a required part of the financial statements, but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of the Expanse Electrical Company, LLC Profit Sharing 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan's provisions.

Plan Termination

On December 31, 2025, management of Expanse Electrical Company, LLC (the "Company" or "Employer") approved the termination of the Plan, contingent upon the closing of the sale of the Company. Management determined that termination and liquidation of the Plan were imminent as of December 31, 2025. As a result, the Plan changed its basis of accounting from the ongoing plan basis to the liquidation basis of accounting as of December 31, 2025. The Plan termination became effective immediately prior to the closing of the sale transaction on January 5, 2026.

General

The Plan is a qualified defined contribution plan that provides retirement savings benefits to eligible employees of the Company. The Plan commenced effective January 1, 1966, and was amended and restated effective July 1, 2022, to comply with the latest rules and regulations, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code (“IRC”). The Company is the Plan Sponsor and Plan Administrator. Certain administrative functions areperformed by employees of the Company, who receive no compensation from the Plan.

Plan Custodian and Trustee

Empower Trust Company, LLC (“Custodian” or “Trustee”) is the Plan's Custodian and Trustee maintaining custody of all investments held by the Plan, maintaining the Plan’s participant account balances, and providing recordkeeping services to the Plan. Among other duties, the Custodian receives contributions, holds and invests fund assets in accordance with the directions of participants, and makes distributions as directed by the Employer.

Eligibility and Plan Entrance Date

Certain employees are not eligible to participate in the Plan, including those under collective bargaining agreements and nonresident aliens who receive no United States source income. All other employees become eligible to participate in the Plan upon completion of three months of service. Eligible employees may enter the Plan on the first day of each month.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, and the deferral rate automatically increases by 1% each year until reaching a maximum of 6% of eligible compensation. This increase occurs each year on the first day of the Plan year, beginning with the first Plan year following the date deferrals were first automatically withheld from the participant’s pay.

1. Description of Plan (continued)

Contributions

Eligible participants may elect to contribute, on a before-tax or Roth basis, up to 90% of annual pretax compensation, as defined in the Plan Document, up to the maximum limit permitted under the IRC. Participants who have attained age 50 before the end of the Plan year were eligible to make catch-up contributions.

Participants were able to contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollovers").

The Plan provides for Safe Harbor Employer matching contributions. During 2025, the Company made Safe Harbor Employer matching contributions to the Plan on behalf of participants in an amount equal to 100% of the first 2% and 50% of the next 4% of participants' eligible compensation contributed to the Plan as employee contributions.

All contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, Safe Harbor Employer matching contributions, an allocation of Plan earnings, and is charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant-Directed Investments

All assets of the Plan are participant-directed investments. The Plan has selected various investment options, as more fully described in the Plan Document. Participants may direct the allocation of their account balances to one or more of these options, which vary in types of investments, rates of return, and investment risk.

Vesting

Participants are vested immediately in their contributions and the qualified non-elective contribution portion of their accounts, plus actual earnings thereon.

Service with the following predecessor employers will be included to determine the number of years of service for vesting purposes: K&S Electric, Inc.; Patriot Automation and Controls, LLC; Monahans Electric, Inc.; L&K Electric, Inc.; Epic Integrated Services, LLC; Strong Electric, Inc.; Mac Supply, Inc.; and Wellkeeper. Prior discretionary profit-sharing contributions merging from the L&K Electric 401(k) Plan and Trust and the Epic Integrated Services, LLC Plan, plus any income or loss thereon, are 100% vested.

Safe Harbor Employer matching contributions and any earnings thereon are subject to vesting based on years of service. Prior to the Termination Date, Participants became 100% vested after completing two years of service. Participants who terminate service before becoming fully vested forfeit the unvested portion of their account.

1. Description of Plan (continued)

Notes Receivable from Participants

Participants were permitted to borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined monthly, is set at 1% above Prime, as defined. Principal and interest are paid ratably through payroll deductions at least quarterly.

Payment of Benefits

Participants are entitled to receive benefits upon retirement, death, disability, or termination of employment. Benefits are generally distributed in a lump-sum amount equal to the vested balance of the participant's account.

Terminated participants with vested account balances of less than $1,000 are subject to an automatic lump-sum cash distribution, with or without the participant's consent, in accordance with the provisions of the Plan. Terminated participants with vested account balances greater than $1,000 but less than $5,000 are subject to an automatic direct rollover to an individual retirement account ("IRA") designated by the Plan Administrator unless the participant elects an alternative form of distribution permitted under the Plan.

The Plan also permits withdrawals of all or a portion of a participant's account balance in the event of a financial hardship, as defined by the Plan. In addition, participants who have attained age 59½ may elect to take in-service withdrawals in accordance with Plan provisions.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $61,280 and $50,830, respectively. During 2025, Plan administrative expenses were reduced by $43,411 from forfeited nonvested accounts in accordance with Plan provisions.

2. Summary of Significant Accounting Policies

Basis of Accounting

Effective December 31, 2025, the company approved the termination of the Plan. As a result, the 2024 financial statements have been prepared on the ongoing basis, and the 2025 financial statements have been prepared on the liquidation basis of accounting in conformity with the accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Management evaluated the estimated net realizable value of investments under the liquidation basis of accounting and determined that fair value approximates the amount expected to be realized upon liquidation because the investments consist primarily of readily marketable mutual funds and a common collective trust that are expected to be redeemed in connection with the distribution of participant account balances.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as those held during the year.

Management evaluated the estimated amounts expected to be realized from the Plan's investments upon liquidation and concluded that fair value approximates the amounts expected to be realized because the Plan's investments consist primarily of readily marketable mutual funds and a common collective trust that are expected to be redeemed in connection with the distribution of participant account balances. Accordingly, no material adjustment to the carrying value of investments was required upon adoption of the liquidation basis of accounting.

Contributions Receivable

The amount of participant and Employer contributions due and payable, but not yet deposited with the Plan as of year-end is reflected as participant and Employer contributions receivable in the Plan’s financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Management evaluated notes receivable from participants in connection with the Plan's liquidation and concluded that the recorded amount approximates the estimated amount expected to be collected or realized through repayment or settlement upon distribution of participant account balances. Accordingly, no material adjustment to notes receivable from participants was required upon adoption of the liquidation basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

2. Summary of Significant Accounting Policies (continued)

Administrative Expenses (continued)

The Plan receives revenue sharing credits from certain mutual fund service providers based on invested balances. This revenue is used to offset certain amounts owed to the Custodian for its administrative services to the Plan. If the revenue received by the Plan from such mutual fund service providers exceeds the amount owed under the agreement, the Custodian remits the excess to the Plan's trust on a monthly basis. During 2025, the Plan received $50,256 which was used by offsetting the recordkeeping fees with generated revenue from the funds.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

- **Level 1** - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- **Level 2** - Inputs to the valuation technique include: (i) quoted prices for similar assets or liabilities in active markets; (ii) quoted prices for identical or similar assets or liabilities in inactive markets; (iii) inputs other than quoted prices that are observable for the asset or liability; (iv) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- **Level 3** - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

- **Mutual funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

3. Fair Value Measurements (continued)

- **Common collective trust**: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that liquidations of securities will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

December 31, 2025	Level 1	Level 2	Level 3	Total
Mutual funds	$ 27,096,656	$ -	$ -	$ 27,096,656
Total assets in the fair value hierarchy	27,096,656	-	-	27,096,656
Investments measured at NAV (a)	-	-	-	270,466
Investments at fair value	$ 27,096,656	$ -	$ -	$ 27,367,122

December 31, 2024	Level 1	Level 2	Level 3	Total
Mutual funds	$ 22,657,879	$ -	$ -	$ 22,657,879
Total assets in the fair value hierarchy	22,657,879	-	-	22,657,879
Investments measured at NAV (a)	-	-	-	226,533
Investments at fair value	$ 22,657,879	$ -	$ -	$ 22,884,412

(a) In accordance with FASB ASC 820, certain investments (common collective trust) that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. Information Certified by the Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following data in the Plan's financial statements and supplemental schedules was agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC, the Plan's Custodian and a qualified institution:

- Investments at fair value and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.

4. Information Certified by the Custodian (continued)

- Net appreciation (depreciation) in fair value of investments, interest and dividend income from investments, and interest income on notes receivable as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025.

The Plan's independent auditor did not perform auditing procedures with respect to this information except for comparing such information with the related information included in the financial statements and supplemental schedules.

5. Tax Status

The Company has adopted a pre-approved plan document offered by Great-West Trust Company, LLC that has received an IRS Determination Letter dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the IRC. The Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Related Party and Party-in-Interest Transactions

Certain Plan investments are managed by the Trustee, and these transactions qualify as party-in-interest transactions.

Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$ 28,336,302	$ 23,672,347
Less: participant contributions receivable	(14,893)	(14,893)
Less: employer contributions receivable	(33,460)	(33,460)
Net assets available for benefits per Form 5500	$ 28,287,949	$ 23,623,994

9. Delinquent Participant Contributions

The Company failed to remit to the Plan's Trustee certain participant contributions and loan repayments in the aggregate amount of $21,219 within the period prescribed by DOL Rules and Regulations. Delays in remitting contributions to the Trustee were due to unintentional administrative errors. The Company is in the process of correcting the remaining contributions to the affected participants' accounts to compensate those participants for potential lost earnings due to the delays.

10. Subsequent Events

Subsequent events were evaluated through October 13, 2026, the date the financial statements were available to be issued.

The sale of the Company closed on January 5, 2026, and the termination of the Plan became effective immediately prior to the closing. Effective upon termination, the Plan ceased accepting participant and employer contributions and ceased permitting new participant loans. In accordance with the Plan provisions, all affected participant account balances became fully vested as of the termination date. Participants may elect to receive distributions of their vested account balances in a lump-sum distribution or as a direct rollover to another qualified retirement plan or individual retirement account ("IRA"), in accordance with the terms of the Plan.

Subsequent to the Plan's termination, substantially all participant account balances were distributed and substantially all Plan assets were liquidated.
