INDEPENDENT AUDITORS' REPORT

To the Trustee of
403(b) Thrift Plan of Southwestern Community Services

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan of Southwestern Community Services, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan of Southwestern Community Services' financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in **Note 4** to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion over the financial statements of 403(b) Thrift Plan of Southwestern Community Services referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

403(b) Thrift Plan of Southwestern Community Services does not have sufficient accounting records and supporting documents relating to certain custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Southwestern Community Services's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Southwestern Community Services' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Southwestern Community Services' ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) and delinquent participant contributions as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2025 AND 2024

NOTE 1. DESCRIPTION OF PLAN

The following description of 403(b) Thrift Plan of Southwestern Community Services ("the Plan") provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan, which became effective January 1, 1989, is a defined contribution plan covering all eligible employees of Southwestern Community Services ("the Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustee oversees the governance of the Plan, the appropriateness of the Plan's investment offerings and monitors the Plan's investment performance.

Eligibility

The Plan covers all non-excluded employees of the Company. Non-excluded employees are eligible to participant in the Plan on their hire date. The entry date will be the date on which they satisfy the eligibility requirements as dictated in the Plan adoption agreement.

Contributions

Each year, eligible participants, as defined by the Plan, may contribute 100% of pretax or after-tax annual compensation up to the maximum annual limit provided by the Internal Revenue Service, as defined in the Plan. The Plan features an auto enrollment program equivalent to 2% of compensation, however, employees reserve the right to decline the auto enrollment. After completing the initial year in the plan, the employees' deferral will automatically increase by 1% annually up to a max of 5%. Participants still have the ability to opt out of the auto enrollment features. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan also provides a matching contribution equal to 200% of the first 5% of a participant's contribution. Contributions are subject to certain additional limitations. For 2025 and 2024, the Company made matching contributions of $418,939 and $367,338, respectively to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings (losses) and is charged with an allocation of administrative expenses, depending on the participant's choice of investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2025 AND 2024

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching contribution plus actual earnings thereon is based on years of continuous service as defined by the Plan. A participant vests 33% per year, which after three years of credited service, or upon death, or disability a participant is 100% vested.

Forfeited Accounts

At December 31, 2025, forfeited non-vested accounts totaled $713. At December 31, 2024 there were no forfeited non-vested accounts. These accounts may be used to reduce future employer contributions. For the years ended December 31, 2025 and 2024, $5,374 and $14,738, respectively, were used to reduce employer matching contributions.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in whole unit increments in a variety of mutual funds and an interest-bearing account. Participants may change their investment options and make transfers between investments at any time via an automated request to Mutual of America Life Insurance Company. All investments of the Plan are self-directed.

Plan Loans

The Plan allows for plan loans based on a participant's vested account balance. These loans are issued and held directly by Mutual of America Life Insurance Company (Mutual) and are collateralized by the Participant's account balance in the Plan. Generally, a participant's outstanding loans may not exceed 50% of a participant's account balance or $50,000 and are secured by the remaining balance in the participant's account.

Under the Plan agreement the loan requests processed by Mutual are directly paid to the participant, and the participant's funds equal to the amount of the loan are transferred into the accumulated interest account as security. Participant's pay interest at a rate of 5.85% for both of the years ended December 31, 2025 and 2024, respectively, on all outstanding loan balances to Mutual and earn the then prevailing rate on the Interest accumulated account, approximately 3% and 1.5%, respectively. For the year ended December 31, 2025 and 2024 the Plan loans totaled $212,996 and $199,255 respectively, with maturity dates ranging from January 2026 through August 2031. Participant's may only have two outstanding loans at any given time.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount, a direct transfer to another qualified retirement account, or a combination of the two, equal to the participant's vested interest in his or her account; or periodic installments over a designated period. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump sum distribution.

Benefit payments are recorded when paid.

Employees with a balance of $5,000 or greater have the right to keep their retirement account in the Plan or elect to have the benefits paid in a lump sum, through installment payments or by purchase of an annuity. Participants with a balance of less than $5,000 but greater than $1,000 have the option to transfer their funds to an IRA without penalty or receive a lump sum payment. All others with a balance of less than $1,000 receive a lump sum payment.

In-Service & Hardship Withdrawals

An employee is permitted to take a distribution while being an active participant in the Plan at the age of 59 ½. Such a distribution will not be subject to a 10% excise tax but may be subject to income taxes. Furthermore, participants may withdraw any amounts allocated to their employer contribution account, provided the participant has completed at least five years of participation in the Plan.

An employee may take a distribution from the Plan if a heavy financial burden can be demonstrated to the Plan Trustee. The Trustee shall grant a hardship withdrawal only if it is determined the withdrawal is necessary to meet an immediate and heavy financial need of the participant, as defined by the Plan. Hardship withdrawals may only be taken from fully vested pre-tax accounts and may be subject to income tax and a 10% excise tax.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting. In accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2025 AND 2024

Plan Records

The Plan may have excluded from the accompanying statements of net assets available for benefits certain annuity and custodial accounts issued to former and current employees prior to 2009. As permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements 403(b) Plans, the investment income, and distributions related to such accounts may also be excluded from the accompanying statements of changes in net assets available for benefits.

Under accounting principles generally accepted in the United States of America, these accounts and related income and distributions should be included in the accompanying financial statements. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan Trustee to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of increases and deductions to net assets during the reporting period. Actual results could differ from those estimates. See **Note 3** for discussion of fair value measurements.

Cash and Cash Equivalents

Cash and cash equivalents are comprised entirely of Mutual of America's Interest Accumulated Account. This investment does not carry front end or back-end charges, nor is the interest dependent on a certain holding period. Withdrawals may be made at any time by the participants.

Investment Valuation and Income Recognition

Investments are reported at fair value except the Interest Accumulated Account. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See **Note 3** for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan invests in a variety of investment securities. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Financial Instruments – Credit Losses

Accounting Standards Update (ASU) 2016-13 Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments, requires organizations to measure all expected credit losses for financial instruments held at the reporting date. Employee benefit plans are not excluded from the scope of FASB ASC 326. However, FASB ASC 326-20-15-3c provides a scope exception for loans made to participants by defined contribution employee benefit plans, as each loan is 100% collateralized by the participant's account balance and, if not repaid, the account balance is simply reduced by the unpaid amount of the loan, resulting in no loss to the plan.

NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements), and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and,
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no material change in the methodology used at December 31, 2025 and 2024.

Mutual Funds (Level 1): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.

Mutual Funds (Level 2): Valued at the closing price as reported by the fund. The level 2 mutual funds are internally managed by the asset custodian Mutual of America Life Insurance Company and are valued based on the NAV of the underlying assets, which are generally traded in active markets.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

2025

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 421,327	$ 8,345,415	$ -	$ 8,766,742
Total investments at fair value	$ 421,327	$ 8,345,415	$ -	$ 8,766,742

2024

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 531,164	$ 9,134,877	$ -	$ 9,666,041
Total investments at fair value	$ 531,164	$ 9,134,877	$ -	$ 9,666,041

NOTE 4. INFORMATION CERTIFIED BY THE PLAN'S ASSET CUSTODIANS

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the asset custodian, Mutual of America Life Insurance Company, has certified that the following data included in the accompanying financial statements and supplemental schedule of assets (held at end of year) is complete and accurate:

- Investments, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Investment activity, as included in the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024.
- The schedule of assets (held at end of year) as of December 31, 2025.

The Plan's independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

NOTE 5. ADMINISTRATIVE EXPENSES

The Company provides certain administrative and accounting services to the Plan at no cost. Certain administrative expenses paid directly by the Plan sponsor include audit and consulting fees. For the years ended December 31, 2025 and 2024 administrative expenses in the statements of changes in net assets available for benefits consist of loan and withdrawal fees and other investment expenses charged by the asset custodian. All other investment fees are included in the net appreciation in fair value of investments.

NOTE 6. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is also the third-party administrator and asset custodian, as defined by the Plan and; therefore, these transactions qualify as party in interest transactions in accordance with Section 3(14) of ERISA. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA. The Trustee of the Plan is also a participant in the Plan.

NOTE 7. TAX STATUS

403(b) plans currently are not required to submit plan documents to the Internal Revenue Service for determination. The Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a significant uncertain position that more likely than not would not be sustained on examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA, and the Internal Revenue Code governing termination of employee benefit plans and with a 60-day written notification to the Plan Trustee. In the event of a plan termination, participants will become 100% vested in their accounts.

NOTE 9. PROHIBITED TRANSACTIONS – PARTICIPANT CONTRIBUTIONS

Several times during 2023 the Organization failed to remit a total of $26,168 of participant contributions to the Plan within the time limit required by the Department of Labor, representing a nonexempt loan of funds to the Organization from the Plan. During July 2025 the Plan sponsor corrected this matter outside of the Voluntary Compliance Program whereby remitting all lost earnings to the Plan.

NOTE 10. SUBSEQUENT EVENTS

The plan has evaluated subsequent events through September 30, 2026, the date the financial statements were available to be issued.
