INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Standard Enterprises, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Standard Enterprises 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or

is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

STANDARD ENTERPRISES, INC. 401 (k) PLAN
Notes to the Financial Statements
December 31, 2025

Note 1 - Description of Plan

The following description of the Standard Enterprises, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution Plan covering all full-time employees of Standard Enterprises, Inc. and related companies (the Company) who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year participants may contribute up to the maximum allowed by law of their pretax annual compensation as defined in the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants also may make rollover contributions from other qualified Plans. The Company may discretionarily match up to 4% of the participant's annual compensation as safe-harbor contributions. The Company may also make additional profit sharing contributions at the option of the Board of Directors. Participants direct the investments of their contribution and any matching contribution into various investment options offered by the Plan. The Plan currently offers pooled separate accounts and common and collective trusts with various underlying mutual funds as investment options.

Participant Accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, if any, and (b) Plan earnings, and charged with an allocation of administrative expenses generally on a per-transaction basis. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their contribution and any employer safe-harbor contribution accounts plus the earnings thereon. Generally, the Company's retirement contributions plus actual earnings thereon are vested at the rate of 20% per year of continuous service and are fully vested after six years of service, with accelerated vesting in certain circumstances.

Payment of Benefits

For termination of services due to reasons other than death, a participant may receive the value of the vested interest in his or her account as a lump-sum payment or in periodic installments of substantially equal amounts over a period between 5 and 20

years. In the event of a participant's death, the beneficiary may receive the value of the vested interest in the participant's account in a lump-sum payment or in periodic installments of substantially equal amounts over a period elected by the beneficiary, not to exceed the beneficiary's life expectancy.

In-Service Withdrawals
Subject to certain limitations, a participant may withdraw all or part of their deferral contributions accounts and rollover accounts prior to meeting normal distribution requirements. A participant who is an employee and attained age 59½ may make withdrawals from his or her vested accounts prior to meeting normal distribution requirements. Certain qualifying hardship withdrawals may be made from the elective deferral portion of their account and vested matching and retirement contributions in accordance with the provisions of the Plan.

Forfeitures
Forfeitures can be used to pay Plan expenses and/or to reduce the employer's matching contributions. There were no forfeitures applied during the Plan year.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates
The preparation of financial statements in conformity with GAAP generally requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at estimated fair value using the Net Asset Value Practical Expedient. See Note 4 for further information regarding fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits
Benefits are recorded when paid.

Note 3 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the

Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the balance of each participant's account would become 100% vested.

Note 4 - Investments

The Plan's investments are held in a trust account by Empower Retirement LLC and consist of units of interest in common/collective trust funds and pooled separate accounts with Registered Investment Companies as underlyings. The following table presents investment information that was certified as complete and accurate by the Plan custodian.

		December 31, 2025
Mutual Funds:		
Large Blend	$	10,626,729
Large Growth		158,640
Mid Cap Blend		437,135
Small Cap Blend		259,644
Bond		40,520
Total Assets at Fair Value	$	11,552,678

		December 31, 2024
Mutual Funds:		
Large Blend	$	9,021,897
Large Growth		133,445
Mid Cap Blend		417,544
Small Cap Blend		426,669
Bond		66,202
Total Assets at Fair Value	$	10,065,757

During 2025, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) increased in value by $1,452,035.

All of the Plan's investment assets are measured using the net asset value practical expedient. Participant transactions (purchases and sales) may occur daily. The mutual funds have no unfunded commitments and are generally redeemable daily. If the Plan initiates a full redemption of the Pooled Separate Accounts, the issuer reserves the right to require twelve months notification in order to ensure the underlying securities are liquidated in an orderly business manner.

Pooled Separate Accounts: Unregistered pooled separate accounts managed by Empower Retirement LLC are divided into investment divisions called "Sub-Accounts'. Each Sub-Account invests in shares of an underlying publicly traded mutual fund; such mutual funds are deemed to be actively traded. Sub-Account values are measured in terms of 'Accumulation Units'. The Accumulation Units of a Sub-Account are assigned a unit value on a daily basis, at the end of each day the New York Stock Exchange (NYSE) is open for trading and is valued using the underlying fund's net asset value (NAV) as adjusted for any daily mortality and expense risk and administrative charges as applicable.

Common/Collective Trust Accounts: Common/Collective Trust accounts are valued based on the Plan's interest, represented by investment units, in the underlying investments held within the trust that are traded in an active market by the Trustee.

Note 5 - Tax Status

On December 31, 2018, the Internal Revenue Service (IRS) stated that the prototype adopted by the Plan, as then designed, qualifies under Internal Revenue Code (IRC) Section 401(a). The prototype Plan has been restated since receiving the determination letter, and the Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon by examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the Plan's financial statements. The Plan is subject to certain routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

Note 6 - Disclosures Regarding Concentrations

A certain amount of the Plan's mutual fund assets are invested in pooled separate accounts managed by Empower Retirement LLC (Empower). Due to the nature of the investment in mutual funds, there is no guaranty or insured portion of the investment. All of the investment would be considered at risk. However, by diversification of the investment portfolio, the Plan Administrator has attempted to minimize the risk of loss the Plan would suffer due to market volatility.

Note 7 - Party-in-Interest and Prohibited Transactions

Certain Plan investments are shares of mutual funds managed by Empower. Empower is the Custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the Custodian amounted to $36,553 for the year ended December 31, 2025.

Note 8 – Subsequent Events

Management of the Plan has evaluated subsequent events through October 15, 2026, which is the date the financial statements were available to be issued.
