ACCOUNTANTS & CONSULTANTS

INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Stand for Children 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Stand for Children 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Stand for Children 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

121 SW Salmon Street Suite 1100 Portland, Oregon 97204
P: 503 227 0581 F: 503 274 7611
mail@mcdonaldjacobs.com mcdonaldjacobs.com

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards *generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's* Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Stand for Children 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Stand for Children 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Stand for Children 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Stand for Children 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA
The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

The following description of the Stand for Children 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General
The Plan was established effective January 2008, restated in March 2021, and amended effective January 1, 2025. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan sponsor is Stand for Children Leadership Center (the Organization). The custodian of the Plan is Empower Retirement, LLC (Empower). All participant account balances are participant directed and held by Empower.

Eligibility
The Plan is a defined contribution plan covering certain employees of the Organization, as defined by the Plan. All covered employees are eligible to make elective deferrals to the Plan, commencing on the first day of the month immediately following or coincident with their dates of hire. All covered employees who have completed 500 hours of service within six consecutive months following their dates of hire or, alternatively, completion of 1,000 hours of service within one year following their date of hire are eligible for the employer matching contributions on eligible elective deferrals and the employer profit sharing contribution portions of the Plan.

Participant Contributions
Participants may elect to contribute up to 100% of their annual compensation on a pre-tax and/or after-tax Roth basis, subject to the limits imposed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions as defined in the IRC. The Plan also allows participants to contribute amounts representing rollover distributions from other qualified plans.

Employer Contributions
The Organization may make discretionary additional matching, non-elective contributions or Safe Harbor matching contributions. Effective January 1, 2025, the Organization amended the Plan to provide an enhanced Safe Harbor matching contribution equal to 100% of each participant's elective deferrals, including catch-up contributions, not to exceed 6% of the participant's eligible compensation. For the year ended December 31, 2024, the Organization made Safe Harbor matching contributions equal to 100% of each participant's elective deferrals, including catch-up contributions, not to exceed 4% of eligible compensation. The Organization did not make any discretionary additional matching or non-elective contributions for the years ended December 31, 2025 and 2024.

1. DESCRIPTION OF THE PLAN, Continued

Participant Accounts
Each participant's account is credited with their contributions, allocations of the Organization's contributions, and the Plan's earnings or losses. Participants' accounts are charged with any distributions made to the participant. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

Investment Options
Upon enrollment in the Plan, participants are responsible for directing the investment of their contributions, the Organization's contributions, and any earnings thereon into various annuity contracts and custodial accounts offered by the Plan.

Vesting
Participants are vested immediately in their contributions and the Organization's contributions plus actual earnings thereon.

Notes Receivable from Participants
Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balances. The notes are secured by the vested balances in the participants' accounts. The notes accrue interest at a rate of 1% above the prime rate, as defined, with terms of 1 to 5 years. At December 31, 2025 and 2024, the interest rates on the existing loans ranged from 7.25% to 9.50%. Principal and interest are paid ratably through regular payroll deductions. Delinquent notes receivable are recorded as distributions based on the terms of the Plan document.

Payment of Benefits
Upon a distributable event, a participant may elect to receive the vested interest in the participant's account in a lump-sum payment. A participant who is subject to lifetime required minimum distributions may also elect nonrecurring partial payments or installment payments, as provided in the Plan document. Following seperation from employment, distributions may commence as soon as administratively feasible. If a terminated participant's vested account balance is $7,000 or less, the balance may be automatically distributed; amounts subject to the Plan's automatic-rollover provisions will be transferred to an individual retirement account unless the participant makes another election. The Plan also permits hardship distributions and other in-service distributions when the applicable requirements of the Plan document are met.

Plan Expenses
Investment management fees are deducted from investment earnings. Investment advisory fees and other administrative expenses, including recordkeeping, distribution and loan processing fees are deducted from participant accounts and included in administrative expenses. Expenses paid directly by the Organization are excluded from these financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of additions to and deduction from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
Other than the fully benefit-responsive investment contract, which is reported at contract value (see Note 9), the Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies using information provided by the Custodians. See Note 8 for discussion of fair value measurements.

Contract value is the relevant measure for the Plan's investments in the fully benefit-responsive investment contract, because contract value is the amount Plan participant generally receive when executing transactions under the terms of the contract and Plan provisions See Note 9 for discussion of fully-benefit responsive investment contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. The net increase or decrease in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits Paid to Participants
Benefits paid to participants are recorded when paid. At December 31, 2025 and 2024, there were no benefits processed and approved for payment, but not paid.

Subsequent Events
Management has evaluated subsequent events through October 12, 2026, the date the financial statements were available to be issued.

3. TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments, including a fully benefit-responsive investment contract, are managed by Empower Annuity Insurance Company of America, Empower Retirement, LLC, and their affiliates. Empower Retirement, LLC also serves as the Plan's custodian and recordkeeper. Purchases and sales of these investments and related fees paid to Empower and its affiliates qualify as party-in-interest transactions. Certain investment-management fees are paid through revenue-sharing arrangements and are reflected in the net investment return of the related investments, while other such fees charged directly to participant accounts are included in administrative expenses.

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to ERISA provisions. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

5. INCOME TAX STATUS

The Plan is intended to satisfy the requirements of Section 401(5) of the Internal Revenue Code. The Plan is required to be maintained and operated in accordance with its written terms and the applicable requirements of the Internal Revenue Code. Plan management believes the Plan's governing documents have been timely amended and that the Plan has been operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. INVESTMENT RISK AND CONCENTRATIONS

The Plan invests in mutual funds and a fully benefit-responsive investment contract. These investments are exposed to various risks such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible changes in the values of investment securities will occur in the near-term, and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

As of December 31, 2025 and 2024, the Plan had approximately 47% and 55% of investments, respectively, that were concentrated in three mutual funds as follows:

Mutual Fund:	2025	2024
Fidelity 500 Index Fund	$ 3,138,896	$ 2,162,066
JP Morgan Large Cap Growth R6	-	1,360,538
Nuveen Lifecycle Index 2040 Premier	1,515,601	1,236,932
Nuveen Lifecycle Index 2045 Premier	1,956,109	1,903,857

7. CERTIFIED INVESTMENTS (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments, interests and dividends, and interest income on notes receivable from participants for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified by Empower Annuity Insurance Company of America and Empower Trust Company, LLC as complete and accurate. That information includes:

Investments as shown in the accompanying statements of net assets available for benefits at December 31, 2025 and 2024, of $14,112,151 and $12,099,836, respectively.

Net investment income (loss) in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024 of $1,524,278 and $1,445,445, respectively. Interest and dividend income in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024 of $496,666 and $313,533, respectively.

Notes receivable from participants as shown in the accompanying statements of net assets available for benefits at December 31, 2025 and 2024 of $99,590 and $103,015, respectively. Interest income on the notes for the years ended December 31, 2025 and 2024 was $8,534 and $10,726, respectively.

8. FAIR VALUE MEASUREMENTS

Assets, including investments, are recorded at fair value in the statements of net assets available for benefits and are categorized based upon the level of judgment associated with the inputs used to measure their fair value. Level inputs are defined as follows:

Level 1: Unadjusted quoted prices in active markets for identical assets.

Level 2: Observable inputs other than those included in Level 1, such as quoted market prices for similar assets or liabilities in active markets, or quoted market prices for identical assets in inactive markets.

Level 3: Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset. Level 3 assets include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair values requires significant management judgment or estimation.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds are valued at their daily closing net asset values as reported by the investment managers. These funds are open-end investment companies registered with the Securities and Exchange Commission and are required to publish daily net asset values and transact at those values. Accordingly, they are considered actively traded and are classified within Level 1 of the fair value hierarchy.

9. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan invests in the Key Guaranteed Portfolio Fund, a general account group annuity contract issued by Empower Annuity Insurance Company of America. The contract is fully benefit-responsive and is reported at contract value, which represents contributions plus credited interest, less participant withdrawals and administrative expenses. Interest is credited daily, and the crediting rate may be reset quarterly. The crediting rates were 1.45% and 1.41% at December 31, 2025 and 2024, respectively.

Participant-initiated withdrawals and transfers are generally made at contract value. If the group annuity contract is terminated, settlement may be made at book value, subject to a deferral of up to 12 months, or in a lump sum subject to a market value adjustment, depending on the applicable contract provisions and the option selected by the Plan sponsor. Management believes that events requiring settlement at an amount less than contract value are not probable.
