INDEPENDENT AUDITOR'S REPORT

The Trustee of the
Ultra Pro International, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Ultra Pro International, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Pease Bell CPAs, LLC is a licensed independent CPA firm that provides attest services to its clients. Pease Bell CPAs, LLC operates under the "Pease Bell" brand alongside Pease Bell Advisory, LLC, which provides tax and business consulting services. These entities practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations, and professional standards. Pease Bell Advisory, LLC and its subsidiary entities are not licensed CPA firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ultra Pro International, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ultra Pro International, LLC 401(k) Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ultra Pro International, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ultra Pro International, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

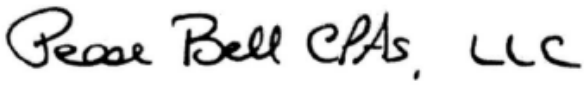

The supplemental schedules of Delinquent Participant Contributions and Assets (Held at End of Year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ULTRA PRO INTERNATIONAL, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Ultra Pro International, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Ultra Pro International, LLC (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On November 5, 2024, the Plan amended and restated its plan document and adopted certain provisions of SECURE 2.0 Act of 2022, effective January 1, 2025

Eligibility: To be eligible to participate in the Plan, an employee, including part-time, temporary, and seasonal employees, must be at least 18 years of age and have completed three months of service. Residents of Puerto Rico, independent contractors, employees whose employment is covered by a collective bargaining agreement, leased employees and certain nonresident aliens with no earned income from sources within the United States are not eligible to participate in the Plan. Employees may enter the plan on the first payroll date feasible but not later than the later of two pay periods or two weeks after the employee completes the eligibility requirements.

Contributions: Participants may make voluntary pre-tax or after-tax (Roth) contributions, by means of a salary deferral agreement of up to 100% of their compensation, subject to IRS limitations for the Plan year. The Plan provides for automatic enrollment upon eligibility and, accordingly, employees are treated as having elected 6% of their compensation as a pre-tax 401(k) contribution unless an election is made for a different amount or an election is made not to participate. Beginning January 1, 2025, automatic 1% contribution increases are provided at the beginning of each plan year, up to 10%, unless otherwise elected or changed by the participant. Additionally, beginning January 1, 2025, plan participants over the age of 50, and 64 and older are also permitted to make additional pre-tax and Roth catch-up contributions up to a maximum of $7,500 in 2025. For participants between the ages of 60 and 63, the catch-up contribution limit increases to $11,250. The Plan also permits rollover contributions from other qualified pre-tax retirement plans. Participants direct the investment of contributions into various investment options offered by the Plan. The Company makes safe harbor matching contributions equal to 100% of the first 1% of contributions plus 50% of contributions exceeding 1% not to exceed 6% of compensation. The Company may also make discretionary matching, discretionary profit-sharing and qualified non-elective contributions which are determined annually and announced in advance of each Plan year. No discretionary matching, discretionary profit-sharing or qualified non-elective contributions were made in 2025.

Participant accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contributions, if any, and (b) plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Vesting in the Company's safe harbor matching, discretionary matching, discretionary profit-sharing and qualified non-elective contributions, if any, is based on years of service with the Company, based on a two-year cliff-vesting schedule. Participants will become fully vested upon death or total and permanent disability.

Notes receivable from participants: The Plan allows participants to obtain loans from the Plan. These loans are subject to the following general provisions: the maximum amount of loans outstanding is equal to the lesser of $50,000 or 50% of the participant's account balance with a minimum of $1,000. The term of any loan may not exceed five years unless the purpose of the loan is to purchase the participant's primary residence, in which case the term of the loan may not exceed ten years. The loans are secured by the participant's account balance and bear interest at a rate equal to the prime rate (6.75% and 7.50% at December 31, 2025 and 2024, respectively) on the loan issuance date, plus 1.00%. Principal and interest is paid ratably through payroll deductions.

If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of benefits: Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or, in the case of required minimum distributions, payment in annual installments not to extend past the lives or life expectancies of the participant and spouse. In case of hardship, a participant may apply for a distribution, minimum of $1,000, described in the Plan agreement. Lump-sum distributions are required if the vested balance is $5,000 or less. Actively employed participants may begin receiving distributions at age 59½.

Forfeited accounts: Forfeitures of non-vested accounts are to be used to reduce future employer matching contributions or for payments of plan administrative expenses. There were no forfeited nonvested accounts at December 31, 2025 and 2024. During 2025, amounts forfeited from accounts totaled $11,439, all of which was used to reduce Company matching contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting: The financial statements are prepared on the accrual basis of accounting.

Use of estimates: The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain amounts reported in the financial statements and accompanying notes. Accordingly, actual results could differ from those estimates.

Contributions receivable: The Plan records employer and employee contributions receivable when compensation is paid and deferrals are withheld. Amounts due for Company contributions are stated at the amount that management expects to collect from outstanding balances less an allowance for expected credit losses. The expected credit losses amount reflects management's best estimate of amounts that will not be collected. This assessment considers historical experience, current conditions and, when appropriate, reasonable and supportable forecasts. In accordance with ASC 326, *Financial Instruments – Credit Losses*, no allowance for credit losses has been recorded at December 31, 2025 and 2024, as employer and employee contributions receivable have never historically incurred losses and current conditions and supportable forecasts show zero risk of nonpayment.

Notes receivable from participants: Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are written off when deemed uncollectible.

Investment valuation and income recognition: Investments are reported at fair value using methodologies described in Note 3. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

Purchases and sales of investments, including gains or losses, are recorded on a trade-date basis. Interest income is recorded when earned, dividends are recorded on the ex-dividend date and capital gain distributions are included in dividend income. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit payments: Benefit payments to participants are recorded when paid.

Administrative expenses: Substantially all administrative expenses of the Plan are paid by the Company, unless otherwise paid for by the Plan, and are included in the statement of changes in net assets available for benefits.

Subsequent events: In preparing the financial statements, management has evaluated events and transactions for potential recognition or disclosure through October 8, 2026, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – inputs to the valuation methodology include:

a) Quoted prices for similar assets or liabilities in active markets;
b) Quoted prices for identical or similar assets or liabilities in inactive markets;
c) Inputs other than quoted prices that are observable for the asset or liability;
d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value.

1. *Mutual funds (registered investment companies)*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively-traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 2,401,289	$ -	$ -	$ 2,401,289
Investments at fair value	$ 2,401,289	$ -	$ -	$ 2,401,289

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,229,501	$ -	$ -	$ 1,229,501
Investments at fair value	$ 1,229,501	$ -	$ -	$ 1,229,501

There were no transfers between levels of the fair value hierarchy during 2025.

NOTE 4 – INCOME TAX STATUS

The trust established under the Plan, which holds the Plan's assets, is qualified pursuant to the appropriate section of the Internal Revenue Code, and accordingly, the trust's net investment income is exempt from income taxes. The Plan, as adopted, is a pre-approved plan, which does not require an application for a determination letter from the Internal Revenue Service ("IRS"). The pre-approved plan has received a favorable opinion letter from the IRS dated June 30, 2020. The Plan has not individually sought its own determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for the income taxes has been included in the Plan's financial statements.

NOTE 5 – INFORMATION CERTIFIED BY CUSTODIAN

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator has elected to restrict the scope of the auditor's examination with regards to statements or information prepared and certified by Benefit Trust Company. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Benefit Trust Company, the custodian:

	2025	2024
Net assets available for benefits:		
Non-interest bearing cash	$ 1,407	$ 33,540
Investments, at fair value	2,401,289	1,229,501
Notes receivable from participants	19,373	7,697
	$ 2,422,069	$ 1,270,738
Additions to net assets:		
Interest and dividends	$ 48,405	
Net appreciation in fair value of investments	240,512	
Interest income on notes receivable from participants	888	

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

A certain employee of the Company is the trustee of the Plan, as defined in the agreement. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

NOTE 7 – OPERATIONAL ERROR

During 2024, the Company identified that an improper compensation base had been used in calculating certain deferrals and employer matching contributions, resulting in a missed deferral opportunity for affected participants. As disclosed in the Company's 2024 financial statements, a corrective contribution of $35,150, plus earnings, was determined to be necessary to correct this operational error.

During 2025, the Company remitted the corrective contribution, including earnings, to the Plan, and the amount was credited to the affected participants' accounts.

NOTE 8 – PROHIBITED TRANSACTIONS

During 2025, the Company failed to remit certain participant contributions and loan repayments to the plan on a timely basis, as defined by the Department of Labor's Rules and Regulations under ERISA. Such contributions totaled $68,423 and are included in the supplemental Schedule of Delinquent Participant Contributions. The Company remitted the delinquent contributions and loan repayments in 2025. The Company is currently calculating the lost earnings for the late participant contributions and loan repayments, which will be remitted in 2026.

NOTE 9 – RISKS AND UNCERTAINTIES

The participants direct the Plan to invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 10 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully-vested in their employer contributions.

NOTE 11 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$ 2,422,069	$ 1,305,888
Participant contribution receivable	-	-
Employer contribution receivable	-	(35,150)
Net assets available for benefits per Schedule H of Form 5500	$ 2,422,069	$ 1,270,738

The following is a reconciliation of net change in net assets available for benefits per the financial statements for 2025 to Form 5500:

Net change in net assets available for benefits per financial statements	$ 1,116,181
Change in participant contribution receivable	-
Change in employer contribution receivable	35,150
Net change in net assets available for benefits per Schedule H of Form 5500	$ 1,151,331

The Plan prepares its Form 5500 on the modified cash basis and, accordingly, does not record receivables for contributions.

SCHEDULE H, LINE 4a - SCHEDULE OF DELINQUENT PARTICIPANT CONTRIBUTIONS

DECEMBER 31, 2025

Plan Year Affected	Participant Contributions Transferred Late to Plan	Totals That Constitute Nonexempt Prohibited Transactions			Total Fully Corrected Under Voluntary Fiduciary Correction Program (VFCP) and Prohibited Transaction Exemption 2002-51
	Check Here if Late Participant Loan Repayments are included: ☒	Contributions Not Corrected	Contributions Corrected Outside of VFCP	Contributions Pending Correction in VFCP	
2025	$ 68,423	$ 68,423	$ -	$ -	$ -
	$ 68,423	$ 68,423	$ -	$ -	$ -

The late contributions listed on Schedule H, Line 4a represent the total participant contributions that were not remitted as soon as administratively possible, as required by the Department of Labor ("DOL").

The Plan sponsor remitted the late participant contributions and loan repayments noted above during the respective Plan year ended December 31, 2025. The Company is currently calculating lost earnings for the late contributions and loan repayments, which will be remitted to the plan in 2026. The DOL views "full correction" as the payment of late contributions and reimbursement to the Plan for lost earnings or profits.
