Independent Auditor's Report

Plan Administrator
Palmetto Goodwill Services Health and Welfare Plan
North Charleston, South Carolina

Opinion

We have audited the accompanying financial statements of the Palmetto Goodwill Services Health and Welfare Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (collectively, the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

"Elliott Davis" is the brand name under which Elliott Davis, LLC (doing business in North Carolina and D.C. as Elliott Davis, PLLC) and Elliott Davis Advisory, LLC and its subsidiary entities provide professional services. Elliott Davis, LLC and Elliott Davis Advisory, LLC and its subsidiary entities practice as an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. Elliott Davis, LLC is a licensed independent CPA firm that provides attest services to its customers. Elliott Davis Advisory, LLC and its subsidiary entities provide tax and business consulting services to their customers. Elliott Davis Advisory, LLC and its subsidiary entities are not licensed CPA firms. The entities falling under the Elliott Davis brand are each individual firms that are separate legal and independently owned entities and are not responsible or liable for the services and/or products provided by any other entity providing services and/or products under the Elliott Davis brand. Our use of the terms "our firm" and "we" and "us" and terms of similar import, denote the alternative practice structure conducted by Elliott Davis, LLC and Elliott Davis Advisory, LLC.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

Other Matter – Supplemental Schedule Required by ERISA, Continued

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA

Note 1. Description of the Plan

The following brief description of the Palmetto Goodwill Services Health and Welfare Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a health and welfare plan covering substantially all employees of Palmetto Goodwill and Palmetto Goodwill Services (the "Plan Sponsor" or "Company") who meet the eligibility requirements described below. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is established to provide health and other benefits to eligible employees of the Plan Sponsor. The Plan is administered through the Palmetto Goodwill Services Health and Welfare Plan Trust ("Trust"). The Trust is established to receive and hold funds contributed by the Plan Sponsor and participants. All of the Trust's assets are available for the payment of Plan benefits and are to be used for the sole and exclusive benefit of the Plan's participants. The Trust is intended to constitute a Voluntary Employee Beneficiary Association ("VEBA") within the meaning of Section 501(c)(9) of the Internal Revenue Code (the "Code"). Oversight of the Plan's activities is provided by the Company's Plan Administrator. The Company has contracted with Bank of America to serve as trustee (the "trustee") of the VEBA. The plan has contracted with GSA National ("GSA") to provide administrative services to the VEBA.

Eligibility:

All full-time employees working 30 hours or more per week on average and part-time employees that are not subject to a prevailing wage contract are eligible for health and other benefits in the Plan on the first day of the month following 60 days of continuous employment. Participants will receive coverage for any month in which they remain eligible for the Plan and for which the Plan's sponsor makes contributions to the Plan on their behalf. The participant's coverage will end at midnight on the last day of the month in which eligibility ceases.

Benefits:

The Plan provides health benefits (medical, dental, vision, prescription drug coverage), disability benefits, employee assistance benefits, life and accidental death, and dismemberment insurance for eligible employees and their eligible dependents. The Plan also provides for continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA"). As of January 1, 2024, all benefits are fully insured.

Health reimbursement arrangement and Flexible Spending Account:

The Plan has an FSA for employees, and an HRA for employees covered under the Service Contract Act ("SCA"), which allow eligible participants to be reimbursed tax free for qualified medical expenses subject to a specified ceiling set by the Company annually subject to Internal Revenue Code limits. Participants are eligible to contribute through payroll deduction on behalf of dependents to be enrolled in the Plan.

Note 1. Description of the Plan, Continued

Contributions:

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. For participants covered under the SCA, the Company contributes an amount based on hourly fringe rates set by the Department of Labor, multiplied by hours worked by Plan participants. Premiums for participation are withheld from the participant's paychecks. The Plan Sponsor directs the payment of contributions to the Trust to fund claims and expenses in excess of participant's contributions. Any deficiency of the Plan's net assets over benefit obligations is funded through Plan Sponsor contributions on a pay-as-you-go basis.

Trust:

The Plan Sponsor established the Palmetto Goodwill Services Trust for participants covered under the SCA. All activity related to these participants are covered in the trust account.

Note 2. Summary of Significant Accounting Policies

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, benefit obligations and changes therein, incurred but not reported eligibility credits, claims payable and disclosure of contingent assets, and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment provider. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Contributions receivable:

Plan sponsor and participant contributions due and not paid prior to year-end are recorded as contributions receivable.

Note 2. Summary of Significant Accounting Policies, Continued

Prepaid insurance premiums:

Some non-trust administrative expenses are paid prior to the year-end and are recorded as prepaid expenses. Prepaid administrative expenses totaled approximately $267,000 and $288,000 as of December 31, 2025 and 2024, respectively.

Payable to Palmetto Goodwill 401(k) Plan:

Any excess funds are maintained on a per participant basis in a premium reserve account and are used to pay future benefit costs. Excess funds that are deemed to not be required to pay future benefit costs are remitted to the participant's 401(k) retirement plan. Payables to Palmetto Goodwill 401(k) Plan totaled approximately $205,000 and $171,000 as of December 31, 2025 and 2024, respectively.

Payment of benefits:

Claim payments were recorded when paid by the third-party claims processor and were reported in the statement of changes in net assets available for benefits. Amounts due to claims processors that have yet to be reimbursed by the Plan, if any, were recorded as payable to claims administrators in the accompanying statements of net assets available for benefits.

Administrative expenses:

The Plan pays administrative expenses that consist of premium fees paid to third-party claims administrators and the trustee. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Plan Sponsor on behalf of the Plan.

Subsequent events:

The Plan has evaluated subsequent events through October 15, 2026, the date the financial statements were available to be issued.

Recently issued accounting pronouncements:

Accounting standards that have been issued or proposed by the Financial Accounting Standards Board (FASB) or other standards-setting bodies are not expected to have a material impact on the Plan's financial statements.

Note 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Money market fund: The money market fund is invested in the Blackrock Liquidity Fund. The Plan invests in the money market fund to provide daily liquidity. Fair value is based on the NAV that can be validated with a sufficient level of observable activity (i.e., purchases and sales at NAV).

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31, 2025 and 2024:

	December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Money market fund	$ 1,189,323	$ -	$ -	$ 1,189,323
Investments at fair value	$ 1,189,323	$ -	$ -	$ 1,189,323

Note 3. Fair Value Measurements, Continued

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Money market fund	$ 893,363	$ -	$ -	$ 893,363
Investments at fair value	$ 893,363	$ -	$ -	$ 893,363

Note 4. Related Party and Party-in-Interest Transactions

Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to several insurance companies and various service providers for claims administration and processing totaling approximately $161,000 and $129,000 for the years ended December 31, 2025 and 2024, respectively, which were not covered by revenue sharing. The Company pays directly any other fees related to the Plan's operations.

Note 5. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, and can discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. If such termination occurs, all balances in the Plan shall be maintained by the Plan Sponsor until such time as the assets of the Plan have been distributed in accordance with the principal purpose of the Plan.

Note 6. Tax Status

The Plan and the Trust are required to operate in conformity with the Code to maintain tax-exempt status of the Trust. The Trust obtained an exemption letter dated April 20, 2020, from the Internal Revenue Service ("IRS"), and the Plan Sponsor believes that the Trust, as amended, qualifies and operates in accordance with the applicable requirements of the Code. However, as a result of the Plan's funding policy, from time to time the Trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 and 2024 for unrelated business taxable income, and Plan management believes no liability for unrelated business taxable income has been incurred.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the 2025 statement of net assets available for benefits.

Note 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 1,362,357	$ 1,265,162
Prepaid insurance premiums	(267,311)	(287,775)
Net assets available for benefits per Form 5500	$ 1,095,046	$ 977,387

The following is a reconciliation of net increase per the financial statements to net income per Form 5500:

Net increase per the financial statements	$ 97,195
Prepaid insurance premiums as of December 31, 2025	(267,311)
Prepaid insurance premiums as of December 31, 2024	287,775
Net income per Form 5500	$ 117,659

Note 9. Subsequent Event

Effective January 1, 2026, the Plan Sponsor amended the Plan to extend the HRA benefit described in Note 1 to non-SCA employees.
