Mission Neighborhood Centers, Inc. 403(b) Plan
San Francisco, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mission Neighborhood Centers, Inc. 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2025, is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with the modified cash basis of accounting. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MISSION NEIGHBORHOOD CENTERS, INC. 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

NOTE 1 - DESCRIPTION OF PLAN

The following description of Mission Neighborhood Centers, Inc. 403(b) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

A. General

The Company has established a retirement plan to supplement their employee's retirement income. The Plan is a defined contribution plan covering all employees who are employed in an eligible class. Contributions are made into Trust Funds, which pays benefits to the employees at retirement. The Plan was originally effective on November 01, 2009. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

B. Contributions

Participants may elect to make a contribution to the Plan on a pre-tax basis up to 100% of the compensation on a pre-tax basis. Moreover, the Plan allows Elective Deferral Contributions to be made as Roth Contributions or contributions made on an after-tax basis. The Company, in its discretion, may make matching and nonelective contribution to the Plan. Participants direct the investment into various investment options offered by the Plan. All contributions are invested through Charles Schwab Bank and Empower. Contributions are subject to certain limitations. The maximum contribution permitted by the Internal Revenue Code include:

	2025	2024
Elective Deferrals	$ 23,500	$ 23,000
Catch-up Contributions	$ 7,500 **	$ 7,500
Defined Contribution Limits	$ 70,000	$ 69,000
Annual Compensation	$ 350,000	$ 345,000

**Under a change made in SECURE 2.0, a higher catch-up contribution limit applies for employees aged 60, 61, 62 and 63 who participate in these plans. For 2025, this higher catch-up contribution limit is $11,250 (instead of $7,500)

C. Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the employer's contributions, and earnings thereon and is charged with an allocation of applicable administrative expenses. Allocations are based on participant earnings or account balances, as defined. Participants select the allocation of investment funds to be applied to contributions credited to their accounts.

D. Vesting Schedule

The 403(b) employee elective deferral contributions, rollover contributions, and qualified non-elective contributions are 100% vested and non-forfeitable at all times. Employee-derived contributions include elective deferrals, including catch-up contributions and rollover contributions. A participant becomes 100% vested at normal retirement, disability, or death. Employee's interest in their matching contribution account will vest based on their years of vesting service in accordance with the following schedule:

Years of Vesting Service	Vested percentage
One Year but less than Two Years	25%
Two Years but less than Three Years	50%
Three Years but less than Four Years	75%
Four or More Years	100%

NOTE 1 - DESCRIPTION OF PLAN - CONT'D

E. Forfeitures

Forfeitures are used to pay administrative expenses and to reduce employer contributions. Forfeitures are disposed of in the plan year in which they occur. Total forfeited non-vested accounts as of December 31, 2025, and 2024, were $3,209 and $3,115, respectively.

F. Payment of Benefits

Benefits under the Plan are distributable upon normal retirement at age 65 and termination of employment, disability, and death. A participant will receive a lump sum amount equal to the value of the participant's vested interest in their account.

G. Participant Loans

Participants may apply for a loan from their account if they are a "party in interest" (generally, any employee of an employer or certain individuals who have an ownership interest in an employer). Participant may receive a loan if: a) the amount of loan is greater than or equal to $1,000 and less than one half of the present value of the participant's vested account balance, and b) the applicant has only one outstanding Plan loan. Loans must be repaid over a period not extending beyond five years from the date of the loan unless it is used to purchase their principal residence. The loans are secured by the balance on the participant's account and bear interest at rates, which must be a reasonable rate similar to the rate charged for a loan made under similar circumstances by persons in the business of lending money. Principal and interest are paid ratably through monthly payroll deductions.

H. Use of Estimates

The preparation of financial statements requires plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosure of contingent assets and liabilities, and changes therein. Actual results could differ from those estimates.

I. Participant Investment Rollovers

Participants are allowed to transfer or rollover funds into the Plan from other qualified or 403(b) plans.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan have been prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles in the United States of America. Under this basis, contribution revenues are recognized when cash is transferred and deposited in the Plan, and benefit/distribution expenses are recognized when cash is disbursed, except for investments, which are measured and valued at fair value. Specifically, accounting and financial reporting standards applicable to employee defined contributions pension plan is under *FASB ASC 962, Plan Accounting - Defined Contributions Pensions Plans.*

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONT'D

A. Basis of Accounting - Cont'd

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits presents the contract value for the fully benefit-responsive investment contract.

B. Use of Estimates

The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect the reported amounts in the financial statements and disclosures. Accordingly, the actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

C. Investment Valuation and Income Recognition

On December 31, 2025, and 2024, the Plan's investments were held in various mutual funds and insurance company general accounts and are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 7 for discussion of fair value measurements. The net appreciation/depreciation in the fair value of investments includes realized and unrealized gains and losses on the fair value of investments held by the Plan. Purchases and sales of investments are recorded on a settlement date basis. Interest income is accrued as it is earned and dividends are recorded as of the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments are reflected as a reduction of net assets in the Statement of Changes in Net Assets Available for Benefits.

The change in net unrealized appreciation/depreciation of investments held from the beginning of the plan year to the end of the plan year is included with realized gains/losses as net investment income/loss reported in the accompanying Statement of Changes in Net Assets Available for Benefits.

D. Loans to Participants

Loans to participants are measured at their unpaid principal balance. As of December 31, 2025, and 2024, the plan has outstanding loan receivables amounted to $98,179 and $117,563, respectively.

E. Contributions

Contributions from employees and the employer are recorded in the period in which the employer transfers the funds to the Plan. Total contributions for the years ended December 31, 2025, and 2024, are as follows:

	2025	2024
Employee pre-tax deferrals	$ 483,329	$ 463,512
Employee roth contributions	328,327	248,547
Employee rollover	29,191	53,089
Employer matching contributions	322,959	283,493
	$ 1,163,806	$ 1,048,641

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONT'D

F. Rollovers

Participants may elect to rollover amounts from other qualified plans or individual retirement accounts into the Plan, provided that certain conditions are met. As of December 31, 2025, and 2023 the Plan has participant rollovers amounting to $29,191 and $53,089, respectively.

G. Distributions

Distributions are recorded when paid.

H. Expenses

Certain Plan administrative expenses are paid by the employer. Management fees and other operating expenses charged to the Plan are reflected as a reduction of net assets in the Statement of Changes in Net Assets Available for Benefits. Total Plan expenses for the years ended December 31, 2025, and 2024 amounted to $53,235 and $47,756, respectively.

NOTE 3 - TAX STATUS

The Plan is a tax-sheltered annuity plan that meets the requirements of Internal Revenue Code Section 403(b). The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Company has taken an uncertain position that is more likely than not to be sustained upon examination by the federal and state taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEES

The Plan has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, Charles Schwab Bank and Empower, the trustees of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule for the year ended December 31, 2025, is complete and accurate:

- Investments and notes receivable from participants as reported on the Statements of Net Assets Available for Benefits as of December 31, 2025;
- Net investment gain, interest and dividends as shown on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025;
- Investment amounts included in the Notes to Financial Statements;

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEES - CONT'D

- All investment information included in the Supplemental Schedule of Assets (Held at End of Year) - As of December 31, 2025.

At the request of Mission Neighborhood Centers, Inc. 403(b) Plan, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, reading the disclosures relating to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP and whether the supplemental schedule is in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Charles Schwab Bank and Empower, which are also the trustees as defined by the Plan, and, therefore, these transactions qualify as exempt party-in-interest transactions.

NOTE 6 - INVESTMENTS

The Plan's investments were held and administered by Charles Schwab Bank and Empower. All investment information presented in the accompanying financial statements and supplemental schedule, including investments held and net appreciation/depreciation in fair value of investments and interest and dividends was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab Bank and Empower.

During the year, the Plan's investments held in registered investment companies (mutual funds), pooled separate accounts, and insurance company general accounts (including gains and losses on investments sold, as well as held during the year) appreciated in value by $982,452. For fiscal year 2024, these same investments appreciated in value by a total of $390,542.

Moreover, changes in investments during the year ended December 31, 2025, are as follows:

	Balance at January 01, 2025	Contributions	Distributions	Loans	Investment Gain/(Loss), Fees	Transfers and Additional Cash Invested	Balance at December 31, 2025
Charles Schwab:							
General account	$ 441,302	$ 71,553	$ (20,719)	$ 3,060	$ (10,755)	$ 65,183	$ 549,624

Loan	117,563	-	(7,596)	(20,119)	8,331	-	98,179
Empower:							
General account	38,149	-	-	-	1,063	-	39,212
Pooled separate account	87,468	-	-	-	16,437	-	103,905
Total	$6,209,677	$ 1,163,806	$ (352,393)	$ -	$ 938,691	$ -	$ 7,959,781

NOTE 7 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2025, and 2024.

Registered Investment Companies (Mutual Funds) valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These are required to publish their daily net asset value ("NAV") and to transact at that price. The funds held by the Plan are deemed to be actively traded.

As of December 31, 2025, and 2024, management determined that the underlying investments of the funds that pooled separate accounts invest in are presented at unit value calculated based on price of the underlying investment received from the fund manager and as such are classified as Level 2. Investments held in pooled separate accounts are stated at unit value, which represents fair value.

The Plan's group annuity contract held in the general account of Charles Schwab Bank and Empower is valued at contract value, which is equal to fair value and is considered to be cash equivalent. Contract value represents contributions made under the contract, plus interest at the credited rate, less funds used to purchase annuities and pay for withdrawals and administrative expenses charged.

NOTE 7 - FAIR VALUE MEASUREMENTS - CONT'D

The following table sets forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2025 and 2024:

	Fair value of investments at December 31, 2025

Total investments at fair value	$ 6,004,647	$ 87,468	$ -	$ 6,092,115

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan for any reason, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts (including any investment gains or losses on them) and distribution of their accounts will be made as permitted under federal law.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10 - REFUNDABLE CONTRIBUTIONS

The Plan completes annual non-discrimination testing, including the Actual Additions (415) test, as required by IRS regulations. For the years ended December 31, 2025, and 2024, the Plan passed the non-discrimination test.

NOTE 11 - SUBSEQUENT EVENTS

The management has evaluated all subsequent events through October 15, 2026, the date on which the financial statements were available to be issued and has been determined that no adjustments are necessary to the amounts reported in the accompanying financial statements, nor have any subsequent events occurred, the nature of which would require disclosure.
