INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Murfin, Inc., Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the accompanying financial statements of the Murfin, Inc., Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be

independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA
The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of the Murfin, Inc., Retirement Plan (Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions. The investment committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Eligibility - The Plan is a defined contribution plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), covering all employees other than those classified as a member of a collective bargaining unit, leased, or temporary employee of Murfin, Inc. (Company) and its subsidiaries Kansas Tractor Parts Co., Inc.; Lift Truck Center, Inc.; Murfin Drilling Company, Inc.; Hurricane Services, Inc.; WKDC, LLC; Antimo LLC; Murphy Tractor & Equipment Co., Inc.; Murfin Media LLC; My Town Media; and Murfin Aviation. Employees become participants in the Plan upon employment and when they have attained the age of 18. Employees are treated as participants on the first day following the date on which eligibility requirements are met.

Contributions - Under a qualified automatic contribution arrangement (QACA), participants may contribute on a pre-tax basis, after-tax Roth basis, or a combination thereof to the Plan, between 1% and 100% of their compensation up to a maximum of $23,500 in 2025. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions ($7,500 for 2025). The Company's QACA matching contribution is 100% of the first 1% of employee contributions and a 50% match on deferrals between 1% and 6% (3.5% maximum). Participants direct the investment of all contributions into various investment options offered by the Plan.

The Plan utilizes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their QACA deferral rate set at 6% of eligible compensation and their contribution invested in a designated balanced fund until changed by the participant.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and plan earnings, and charged with an allocation of administrative expenses, if any. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants - Participants may borrow against their individual accounts, except for Roth deferrals, a minimum of $500 up to a maximum of the lesser of $50,000 or 50% of the participant's vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate as of the date of the note. Principal and interest is paid ratably through regular payroll deductions. Notes receivable may not exceed five years unless the note is for the purpose of purchasing a personal residence, in which case the term may be up to 30 years.

1. DESCRIPTION OF PLAN (CONTINUED)

Forfeitures - Forfeitures are used to reduce the Company's contributions and pay Plan expenses. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $179,224 and $529,013, respectively. In 2025, $756,864 of forfeitures were used to reduce employer contributions.

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of participants' accounts is based on years of continuous service. A participant is fully vested after two years of credited service.

Payment of Benefits - Payment of the participant's account at retirement, death, disability or termination is in the form of either a lump-sum payment or periodic installments for required minimum distribution only. Distributions to participants whose vested accounts do not exceed $5,000 shall be made upon termination of services in a lump-sum payment.

Normal Retirement - Normal retirement age is 65.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates - The accompanying financial statements of the Plan are prepared on the accrual basis of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect: (1) the reported amounts of assets and liabilities, (2) disclosures such as contingencies, and (3) the reported amounts of revenues and expenses included in such financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition - Investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change includes the Plan's gains and losses on investment purchases and sold as well as held during the year.

Contributions - Contributions from plan participants and the Company matching contributions from the employer are recorded in the year in which the participant contributions are withheld from compensation.

Contributions Receivable - Contributions receivable are recorded for amounts due from employers and participants in accordance with the terms of the Plan. These receivables are reported net of an allowance for credit losses, which is based on historical collection experience, current conditions, and other relevant factors. Management has elected an accounting policy to consider subsequent collection activity when estimating expected credit losses. Accordingly, the

allowance for credit loss is zero for outstanding balances that were collected prior to the date these financial statements were available to be issued.

Payment of Benefits - Benefits are recorded when paid.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance has been recorded as of December 31, 2025 and 2024 for these notes receivable. Delinquent loans are treated as distributions in the quarter following the calendar quarter in which the participant missed the scheduled payment based upon the terms of the plan document.

Administrative Expenses - Certain expenses of the Plan may be paid directly by the Company and are therefore excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Some investment related expenses may be included in net change in fair value of investments.

Subsequent Events - These financial statements considered subsequent events through October 15, 2026 the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY ASCENSUS LLC (UNAUDITED)

The following is a summary of the investment information as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included throughout the Plan's financial statements and supplemental schedules that were prepared by or derived from information provided by Ascensus LLC (Ascensus), a qualified institution, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Ascensus that information provided to the Plan Administrator related to the following is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information below, the fair values in Note 4, and the values in the supplemental schedules related to the following assets:

	2025	2024
Investments at fair value:		
Mutual funds	$ 139,939,491	$ 118,325,263
Money market fund	4,040,811	5,227,237
	$ 143,980,302	$ 123,552,500
Notes receivable from participants	$ 388,796	$ 499,982

3. INFORMATION CERTIFIED BY ASCENSUS LLC (UNAUDITED) (CONTINUED)

Ascensus also certified to the completeness and accuracy of $17,042,767 of net change in fair value of investments, and dividends and interest income of $3,177,443 related to the aforementioned assets for the year ended December 31, 2025.

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The following describes three levels of inputs that may be used to measure fair value:

Level 1 - Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 - Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds and Money Market Fund - These investments are valued using a quoted price in an active market.

The fair value at December 31, 2025 and 2024, of the Plan's financial instruments that are valued on a recurring basis are as follows (there are no Level 2 or 3 investments):

	Fair Value as of December 31, 2025	
	Level 1	(Unaudited) Total
Investments:		
Mutual funds	$ 139,939,491	$ 139,939,491
Money market fund	4,040,811	4,040,811
Total investments	$ 143,980,302	$ 143,980,302

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

	Fair Value as of December 31, 2024	
	Level 1	(Unaudited) Total
Investments:		
Mutual funds	$ 118,325,263	$ 118,325,263
Money market fund	5,227,2 37	5,227,237
Total investments	$ 123,552,500	$ 123,552,500

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets are managed by The Vanguard Group, Inc. in connection with Ascensus (parties-in-interest), and therefore, these transactions qualify as party-in-interest transactions. The various funds' operating expense ratios ranged from 0.06% to 0.37% as of December 31, 2025. The Plan paid $62,475 for administrative expenses for the year ended December 31, 2025.

6. PLAN TERMINATION

Although it has not expressed an intention to do so, the Company reserves the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of termination of the Plan, the interests of the participants in the Plan shall be fully vested at the time of termination, and Ascensus shall liquidate all assets of the trust and continue to administer the trust in accordance with its provisions until all obligations have been satisfied.

7. TAX STATUS

The Plan has adopted the Ascensus LLC Non-Standardized Pre-Approved Profit-Sharing Plan. The Internal Revenue Service (IRS), in a letter dated June 30, 2020, has determined that this non-standardized pre-approved profit-sharing plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The non-standardized pre-approved profit-sharing plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management evaluated the Plan's tax positions and concluded that it had taken no uncertain tax positions that require recognition or disclosure in the financial statements. No provision or liability for income taxes has been included in the financial statements.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. PROHIBITED TRANSACTIONS

For the period ended December 31, 2025, contributions of $226,139 were not deposited within the required timeframe, as stated and interpreted by the United States Department of Labor (DOL). The Plan did not have the necessary controls in place to timely deposit these funds. The Plan intends to self-correct the delinquent participant contributions and the applicable lost earnings in 2026.
