INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Texas Pipe & Supply Co., Ltd. 401(k) Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Texas Pipe & Supply Co., Ltd. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Texas Pipe & Supply Co., Ltd. 401(k) Plan's (the Plan) financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General - The Texas Pipe & Supply Co., Ltd. 401(k) Plan (the Plan) was adopted effective January 1, 1971 to establish a savings and investment plan for the exclusive benefit of the employees of Texas Pipe & Supply Co., Ltd., Dodson Global Inc., SIMI, Alloy Piping Products, Energy Metals, Inc., and Industrial Valco, Inc. (the Company) and their beneficiaries. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan recordkeeper is Fidelity Workplace Services and the trustee is Fidelity Trust Management Company (FTMC).

Basis of Presentation - The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States (GAAP), which is acceptable under the Department of Labor Rules and Regulations. Interest and dividend income are recognized when earned. Purchases and sales of securities are recorded on a trade date basis.

Estimates - The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan provides for several investment options which are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and changes in net assets available for plan benefits.

Valuation of Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In accordance with the policy of stating investments at fair value, net investment gain or loss is included in the carrying value of related investments in the statements of net assets available for plan benefits and the changes in the net investment gain or loss are reflected in the statements of changes in net assets available for plan benefits.

Participant Loans Receivable - Loans to participants are reported as a receivable from participants at the unpaid principal balance plus any accrued but unpaid interest.

Subsequent Events - The Plan has evaluated subsequent events through October 15, 2026, the date the financial statements were available to be issued. No subsequent events occurred which would require disclosure or adjustment to the financial statements at December 31, 2025.

NOTE B PLAN DESCRIPTION

The following description of the Plan provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Participation - A resident non-union employee is eligible to become a participant in the Plan after being credited with 2 months of service and having attained the age of 21. Entry dates into the Plan are the first day of each month. An employee must complete 1,000 hours of service to be eligible to receive employer matching and safe harbor contributions.

Contributions - Participants may elect to make contributions to the Plan in an annual amount up to 50% of their eligible compensation, subject to the annual limitations prescribed by the Internal Revenue Code ("IRC"). Participants may elect to have any portion of their contributions designated Roth contributions, subject to the same restrictions and limitations under the Plan as pre-tax contributions.

The Company will contribute a safe harbor 401(k) matching contribution up to 4% of each eligible employee's compensation. Eligible employees were required to make a salary deferral contribution to receive the safe harbor contribution. For each Plan year, the Company may also make an additional discretionary matching contribution, in an amount determined solely by the Directors of the Company not to exceed 4% of each participant's eligible compensation. Such additional discretionary matching contributions, if any, are allocated pro rata based on compensation to all participants. There were no discretionary contributions during 2025 and 2024.

Excess Contributions - Excess deferral contributions are refunded to the participant. For the year ended December 31, 2024, a corrective distribution of $2,647 was made for one participant, returning the excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. There were no corrective distributions made during 2025.

Vesting - All participants are 100% vested in their contributions and company safe harbor contributions and related earnings. A participant is vested in any additional discretionary matching contributions and related earnings at 20% upon one year of service, 40% upon two years of service, 60% upon three years of service, 80% upon four years of service and 100% upon five years of service.

Forfeitures of account balances not fully vested will be applied to reduce matching contributions and administrative expenses. There were no forfeited balances applied to reduce employer matching contributions and administrative expenses during 2025 and 2024. The forfeiture balance amounted to $14,240 and $5,361 at December 31, 2025 and 2024, respectively.

Form of Benefits - Benefits are recorded when paid. Benefits may be payable as a lump sum distribution. Terminated participant accounts with less than $5,000 will be distributed as soon as administratively feasible, with accounts over $1,000 being transferred to an IRA account unless otherwise directed by the participant.

NOTE B PLAN DESCRIPTION (CONTINUED)

Participant Loans - Participants requesting a plan loan must have a minimum vested account balance of $2,000. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. A participant may have a maximum of two loans outstanding at any given time. Loan transactions are treated as a transfer between investment funds and participant loans receivable. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing rates. Interest rates on loans outstanding at December 31, 2025 and 2024 range from 4.25% to 9.75%.

Investments - Each participant directs the investment of their account into any of the investment options designated by the Plan Administrator.

Each participant account is credited with the participant's contributions, the Company's contributions and a pro rata share of the earnings and expenses of each fund in which the participant has invested.

Administration - The Company, as the Plan Administrator, may, at its discretion, pay the Plan's administrative expenses. Any Plan expenses not paid by the Company will be paid by the Plan. Substantially all Plan administrative expenses were paid by the Company for 2025 and 2024.

NOTE C INCOME TAX STATUS

The Company adopted a Non-Standardized Pre-Approved Profit Sharing Plan (the Profit Sharing Plan) with CODA. The Profit Sharing Plan received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, which stated that the Profit Sharing Plan and related trust are designed in accordance with Section 401(a) of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, the Plan Administrator believes the Plan was qualified and the related trust was tax-exempt as of December 31, 2025 and 2024.

The Plan believes that all significant tax positions utilized by the Plan will more likely than not be sustained upon examination. As of December 31, 2025, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations are from the year 2022 forward (with limited exceptions). Tax penalties and interest, if any, would be accrued as incurred and would be classified as tax expense in the statement of changes in net assets available for plan benefits.

NOTE D INVESTMENTS AND CERTIFIED INFORMATION

Investments at December 31, 2025 and 2024 are recorded at fair value as certified by FTMC are as follows:

	2025	2024
Registered investment companies	$ 70,948,268	$ 58,597,969
Money market	25,064	16,935
Common/collective trust	4,422,515	4,179,890
	$ 75,395,847	$ 62,794,794

Income as certified by FTMC for the years ended December 31, 2025 and 2024, respectively, is as follows:

	2025	2024
Net investment gain from registered investment companies	$ 6,064,178	$ 3,976,795
Net investment gain from common/collective trust	$ 131,677	$ 111,582
Interest and dividend income	$ 3,598,720	$ 2,442,589
Interest income from participant loans	$ 160,683	$ 113,415

FTMC has also certified participant loans receivable balances and the information contained in the supplemental schedule of assets (held at end of year).

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE E FAIR VALUE DISCLOSURES

GAAP provides a framework for measuring fair value using a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value based upon whether the inputs to those valuation techniques are observable or unobservable. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical financial instruments and the lowest priority to unobservable inputs. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The financial instrument's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. These inputs are summarized in the three broad levels listed below:

Level 1 - Unadjusted quoted prices for identical financial instruments in active markets that the Plan has the ability to access.

NOTE E FAIR VALUE DISCLOSURES (CONTINUED)

Level 2 - Other significant observable inputs (including quoted prices in active or inactive markets for similar financial instruments), or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the financial instruments.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the financial instruments. The fair value of Level 3 financial instruments is determined using pricing models, or similar techniques for which the determination of fair value requires significant management judgment or estimation.

Following is a description of the valuation techniques used for investments measured at fair value. There have been no changes in the techniques used during 2025 and 2024.

Registered investment companies and money market investments are valued at the market value of shares held by the Plan at year end.

The common/collective trust is valued at net asset value which is calculated at the market value of the underlying investments less operating expenses of the trust on a per share basis.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Common collective trusts that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The Plan uses the Net Asset Value (NAV) to determine the fair value of all the underlying investments which: (a) do not have a readily determinable fair value and (b) prepare their financial statements consistent with the measurement principles of an investment company or have the attributes of an investment company.

The fair values of investments are categorized as follows at December 31, 2025 and 2024:

	2025			
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	$ 70,948,268	$ -	$ -	$ 70,948,268
Money Market	25,064	-	-	25,064
Common/Collective Trust Measured at net asset value	-	-	-	4,422,515
	$ 70,973,332	$ -	$ -	$ 75,395,847

NOTE E FAIR VALUE DISCLOSURES (CONTINUED)

	2024			
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	$ 58,597,969	$ -	$ -	$ 58,597,969
Money Market	16,935	-	-	16,935
Common/Collective Trust Measured at net asset value	-	-	-	4,179,890
Total Investments	$ 58,614,904	$ -	$ -	$ 62,794,794

There were no significant transfers in and/or out of the fair value categories during 2025 and 2024.

The following table provides additional information for the common/collective trust which is measured using net asset value:

Investment Class	2025	2024	Unfunded Commitments	Redemption Frequency	Reduction Notice Period
Fixed Income	$ 4,422,515	$ 4,179,890	None	Daily	None

NOTE F PARTY-IN-INTEREST

The Plan invests in various funds offered by FTMC for the years ended December 31, 2025 and 2024, respectively. These investments are considered party-in-interest transactions because FTMC acted as the trustee of the Plan at December 31, 2025 and 2024. The Plan Administrator has approved of these investment options.

NOTE G PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contributions.

NOTE H RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500
