Trustees
Cozen O'Connor Profit Sharing Plan B

Scope and nature of the ERISA Section 103(a)(3)(C) audit
We have performed audits of the financial statements of Cozen O'Connor Profit Sharing Plan B (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Grant Thornton LLP is a U.S. member firm of Grant Thornton International Ltd (GTIL). GTIL and each of its member firms are separate legal entities and are not a worldwide partnership.

Basis for opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s responsibilities for the audit of the financial statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter – supplemental schedule required by ERISA
The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Grant Thornton

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - PLAN DESCRIPTION

The following brief description of the Cozen O'Connor Profit Sharing Plan B (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, which was formed effective January 1, 2021, is a defined contribution profit sharing plan. All non-union domestic employees of Cozen O'Connor (the "Company" or "Employer") who have completed thirty (30) days of service and have a social security number ending in an odd digit are eligible to participate in the Plan except for employees who are classified as Associate Attorneys or Staff Attorneys of the Employer. Any Participant who is classified as a Shareholder, Senior Counsel, Managing Director, Chief Operating Officer, Chief Marketing Officer or Chief Operating Officer Ancillary Business Units/Chief Innovation Officer shall be eligible to participate in the non-elective contribution component of the Plan even if their social security number ends in an even number. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Employer Contributions

Participants who have completed one year of service (worked 1,000 hours) and are employed on the last day of the Plan year are eligible for non-elective Employer contributions. Employer contributions to the Plan are determined annually as follows:

Profit Sharing Contributions

The Employer may make a discretionary contribution to the Plan as determined by the Employer. Discretionary Employer profit sharing contributions are allocated to participants according to employee group classification as established by the Employer and set forth in the Plan document. Amounts contributed to each group are allocated to each group participant proportionately based upon compensation subject to annual compensation limitations ($23,500 for 2025) under the Internal Revenue Code (the "Code"). The Employer profit sharing contribution was $11,975,751 for the year ended December 31, 2025.

Investment Options

Participants may choose to invest their account balances among any of the Plan's investment options or through a self-directed brokerage account offered by the Plan. Investments in the self-directed brokerage account will be limited to marketable securities traded on active securities exchanges. Participants may redirect their future employer contributions or transfer their existing account balances among the investment options on a daily basis. As of December 31, 2025, these funds are all held within the Cozen O'Connor Profit Sharing Plan Master Trust (the "Master Trust") (Note D).

Participant Accounts

Individual accounts are maintained for each participant. Each participant's account is credited with allocations of the Employer's annual contributions and investment earnings, and is charged with withdrawals, administrative expenses and an allocation of investment losses, if any. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Vesting in the Employer profit sharing contribution portion of their accounts is based on years of continuous service. Participants vest 20% after two years of service and an additional 20% per year thereafter. Participants are 100% vested after six years of service. Additionally, participants are credited with specific service at previous law firms that precedes employment with the Employer.

Benefit Payments

Upon termination of service, death, disability, retirement or separation, participants or their beneficiaries may elect to receive, a lump-sum or if certain criteria are met, annuity payments, an amount equal to the value of the participant's vested interest in his or her account. If a participant's account balance is less than $5,000 but greater than $1,000 upon termination, a distribution of the participant's account may be made automatically into an individual retirement account. If a participant's account balance is less than $1,000 upon termination, a distribution of the participant's account will be made automatically in a single lump-sum cash distribution.

In-service withdrawals of all or a portion of a participant's vested account balance may be made by participants who have attained the age of 59½. Participants are also permitted to make hardship withdrawals from their deferral contribution in certain cases of immediate and heavy financial need. In-service withdrawals of all or a portion of a participant's rollover account balance may be taken at any time.

Forfeitures

A participant who terminates employment and is less than 100% vested forfeits the non-vested portion of their account. Forfeitures may be made available to reinstate previously forfeited account balances of former participants renewing employment with the Company, subject to certain conditions, or may be used to pay any administrative expenses of the Plan. The remaining forfeitures, if any, shall be used to reduce Employer contributions or for allocation to certain eligible participants. There were $72,869 and $121,189 of forfeited non-vested accounts as of December 31, 2025 and 2024, respectively. For the Plan year ended December 31, 2025, $72,869 of forfeitures were used to reduce employer contributions after year end.

Notes Receivable From Participants

Notes receivable from participants allow, under defined conditions and approval by the Plan Administrator, participants to borrow the lesser of 50% of the participant's vested account balance or $50,000, with a minimum loan amount of $1,000. The repayment period may not exceed five years, unless for the purchase of a primary residence, which extends the repayment period to 15 years. Participants may only have one outstanding loan at a time. The loans are collateralized by the participant's account balance and bear interest at a reasonable rate, determined by the Plan Administrator to be the prime rate published in the Wall Street Journal on the first business day of the month in which the loan is made, plus 1%. Interest rates ranged from 6.50% to 9.50% at both December 31, 2025 and 2024. Principal and interest are paid ratably through payroll deductions

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment Valuation and Income Recognition

Beginning in December 2025, all investments are maintained under a Master Trust Agreement. The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price). Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note E for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation or depreciation includes the gains and losses on investments bought and sold, as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses, such as audit, investment advisory and consulting fees, may be paid by the Plan or the Employer. The Plan incurred administrative expenses of $5,656 for the year ended December 31, 2025.

ERISA Account

The Plan has an ERISA account that captures excess income and fee credits collected by the trustee. The funds held in the account may be used to pay administrative expenses of the Plan or allocated to participants. The ERISA account balance was $0 at December 31, 2025 and $12 at December 31, 2024, and is included as assets of the Plan. During the year ended December 31, 2025, amounts totaling $3,719 were allocated to eligible participants.

NOTE C - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, T. Rowe Price Trust Company, the trustee, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- The Plan's interest in the Cozen O'Connor Master Trust, investments, at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Investments, at fair value, held by the master trust fund as disclosed in Note D.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025.

NOTE D - INTEREST IN MASTER TRUST

The Master Trust Agreement for the Master Trust was established on December 15, 2025 for the investment of assets of this Plan and the Cozen O'Connor Profit Sharing Plan A. Each participating retirement plan has a specific divided interest in the Master Trust based on participant-directed investment activity, and all assets are separately allocated to participant-directed accounts. The assets of the Master Trust are held by the Trustee.

The value of the Plan's interest in the Master Trust is based on the beginning of year value of the Plan's interest in the Master Trust plus actual contributions and allocated investment income less actual distributions and allocated investment losses and administrative expenses. Investment management fees and other direct expenses relating to the Master Trust are allocated to the individual plans based on the average daily investment balances. Master Trust total investment income, including net appreciation in the fair value of investments and interest and dividend income, is allocated to the Plan in relation to its proportionate share of the Master Trust assets invested for participant-directed accounts.

The following is a summary of the Master Trust assets and the Plan's divided interest in the assets of the Master Trust as of December 31, 2025:

	December 31, 2025	
	Master Trust Assets	Plan's Interest in Master Trust
Investments, at fair value		
Registered investment companies	$ 382,928,653	$ 16,733,869
Collective trust funds	452,002,720	30,553,408
Self-directed brokerage accounts	29,627,179	332,017
Total Master Trust investments	864,558,552	47,619,294
Notes receivable from participants	4,200,638	122,787
Total assets in Master Trust	$ 868,759,190	$ 47,742,081

Refer to Note E for a description of the valuation methodologies used by the Master Trust.

NOTE E - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable pricing inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for Master Trust assets and investments measured at fair value:

Registered Investment Companies and Self-Directed Brokerage Accounts: Valued at net asset value ("NAV") of shares held by the Plan at year end based upon quoted market prices on nationally recognized exchanges (Level 1). Self-directed brokerage accounts hold investments in common and preferred stock, as well as mutual funds.

Collective Trust: Valued using the NAV as a practical expedient to fair value, provided by the administrator of the fund. The NAV is based on the value of the assets owned by the fund, less the liabilities at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies used by the Master Trust or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table present information about the Master Trust's investments measured at fair value on a recurring basis as of December 31, 2025, and indicates the fair value hierarchy of the valuation techniques utilized by the Plan to determine such value:

	Investments at Fair Value at December 31, 2025			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 382,928,653	$ -	$ -	$ 382,928,653
Self-directed brokerage accounts	29,627,179	-	-	29,627,179
	$ 412,555,832	$ -	$ -	412,555,832
Investments measured at NAV[(a)]				452,002,720
Total Master Trust investments at fair value				$ 864,558,552

(a) In accordance with ASC Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

In accordance with the fair value measurements and disclosures guidance, the following table presents the category, fair value, redemption frequency, and redemption notice period for Plan investments, the fair values of which are estimated using the NAV per share as a practical expedient as of December 31, 2025:

	2025 Fair Value	Redemption Frequency	Redemption Notice Period
T. Rowe Price Stable Value Common Trust Fund[(a)]	$ 20,247,038	Immediate	None
Allspring Core Plus Bnd Cit E1[(a)]	$ 11,057,343	Daily	None
T. Rowe Target Date Funds[(a)]	$ 403,327,025	Daily	None
Fed Hermes MDT Mid Cap[(a)]	$ 17,371,314	Daily	None

(b) Fund files as a direct filing entity. There are no unfunded commitments as of December 31, 2025.

The following tables present information about the Plan's investments measured at fair value on a recurring basis as of December 31, 2024, and indicate the fair value hierarchy of the valuation techniques to determine such value:

	Investments at Fair Value at December 31, 2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 8,936,718	$ -	$ -	$ 8,936,718
Self-directed brokerage accounts	159,882	-	-	159,882
	$ 9,096,600	$ -	$ -	9,096,600
Investments measured at NAV[(a)]				19,524,254
Total Master Trust investments at fair value				$ 28,620,854

(a) In accordance with ASC Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

In accordance with the fair value measurements and disclosures guidance, the following table presents the category, fair value, redemption frequency, and redemption notice period for Plan investments, the fair values of which are estimated using the NAV per share as a practical expedient as of December 31, 2024:

	2024 Fair Value	Redemption Frequency	Redemption Notice Period
T. Rowe Price Stable Value Common Trust Fund[(a)]	$ 462,272	Immediate	None
Allspring Core Plus Bond CIT E1[(a)]	$ 237,752	Daily	None
T. Rowe Target Date Funds[(a)]	$ 18,824,230	Daily	None

(a) Fund files as a direct filing entity. There are no unfunded commitments as of December 31, 2024 and 2024.

NOTE F - TAX STATUS

The Plan has applied for a determination letter from the Internal Revenue Service ("IRS") but has not yet received a letter. The Plan Administrator believes that the Plan, in form and operations, complies with the requirements of the Code, as currently in effect.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their accounts.

NOTE I - PARTY-IN-INTEREST TRANSACTIONS

The Plan includes investments in registered investment company funds and a collective trust fund managed by an affiliate of T. Rowe Price Trust Company, the trustee of the Plan. The Plan also allows notes receivable from participants. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

NOTE J - SUBSEQUENT EVENTS

The Plan evaluated its December 31, 2025 financial statements for subsequent events through October 15, 2026, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.
