Cozen O'Connor Associates 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit
We have performed audits of the financial statements of Cozen O'Connor Associates 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Grant Thornton LLP is a U.S. member firm of Grant Thornton International Ltd (GTIL). GTIL and each of its member firms are separate legal entities and are not a worldwide partnership.

Basis for opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s responsibilities for the audit of the financial statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter – supplemental schedule required by ERISA
The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Grant Thornton

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF PLAN

The following brief description of the Cozen O'Connor Associates 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering full-time U.S. Associate and Staff Attorneys of Cozen O'Connor (the "Company" or "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Associate and Staff Attorneys may elect to contribute up to 75% of their pre-tax annual compensation to the Plan, subject to the Internal Revenue Code (the "Code") annual contribution limitations ($23,500 for 2025). Deferrals may be pre-tax or Roth Elective Deferrals (post-tax). Participants attaining age 50 before the end of the Plan year may elect to defer additional amounts (called "catch-up contributions") to the Plan, up to a maximum of $7,500 for 2025. The Company may make discretionary matching contributions. There were no discretionary matching contributions for the year ended December 31, 2025.

Eligibility and Vesting

Full-time U.S. Associate and Staff Attorneys are eligible to participant as of the date they are employed for 30 days. Eligible employees are automatically enrolled in the Plan at 5% of compensation, unless the employee opts out or elects a different deferral percentage.

The Plan provides for automatic annual escalation on April 1 of each year up to a maximum of 15% of compensation. This automatic increase provision does not apply to participants who had elected a deferral rate of a flat dollar amount and those who opt out of the automatic escalation program.

Participants are immediately vested in their contributions plus actual earnings thereon and, if applicable, are 20% vested in Company discretionary matching contributions after two years of credited service and 20% per year thereafter. Participants are 100% vested in Company discretionary matching contributions after six years of credited service. Any forfeited non-vested amounts will be used to reduce future employer contributions. The Company has never made discretionary contributions to the Plan; therefore, there are no forfeited non-vested accounts.

Participant Accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions, the Company's discretionary matching contributions, when applicable, and an allocation of investment earnings and is charged with withdrawals and an allocation of investment losses. Allocations are based on the participant's earnings or account balance, as defined. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of $1,000 and up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The repayment period may not exceed five years, except for the purchase of a primary residence, which extends the repayment period to 15 years. Participants may only have one loan outstanding at any given time. The loans are collateralized by the participant's account balance and bear interest at a reasonable rate, determined by the Plan Administrator to be the prime rate published in the Wall Street Journal on the first business day of the month in which the

loan is made, plus 1%. Interest rates ranged from 8% to 9.5% at both December 31, 2025 and 2024. Principal and interest are paid ratably through payroll deductions.

Investment Policy

All investments are participant-directed. Participants may choose to invest their contributions among any of the Plan's investment options. Participants may change their investment options at any time.

Payment of Benefits

Upon termination of service, death, disability, retirement or separation, participants or their beneficiaries may elect to receive, in either a lump-sum or in annuity payments, an amount equal to the value of the participant's vested interest in his or her account. If a participant's account balance is less than $5,000 but greater than $1,000 upon termination, a distribution of the participant's account may be made automatically into another individual retirement account. If a participant's account balance is less than $1,000 upon termination, a distribution of the participant's account will be made automatically in a single lump-sum cash distribution.

In-service withdrawals of all or a portion of a participant's vested account balance may be made by participants who have attained the age of 59½. Participants are also permitted to make hardship withdrawals from their deferral contribution in certain cases of immediate and heavy financial need. In-service withdrawals of all or a portion of a participant's rollover account balance may be taken at any time.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price). Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note D for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation or depreciation includes the gains and losses on investments bought and sold, as well as held during the year.

Benefit Payments

Benefit payments are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Administrative Expenses

Administrative expenses for investment management and Plan administration are charged directly to the various investment funds, and earnings are reported net of these expenses. Participants are charged an administrative fee to process distributions and loans from the Plan. Certain expenses are paid by the Plan from the Plan's ERISA Account. All other administrative expenses of the Plan are paid by the Company.

ERISA Account

The Plan is a party to an administrative revenue sharing agreement under which the Plan receives excess income collected by the recordkeeper. The income may be used to pay certain plan expenses. The Plan's administrative account balance was $0 and $3,133 at December 31, 2025 and 2024, respectively. During the year ended December 31, 2025, $2,252 in fee credits were allocated to eligible participant accounts.

NOTE C - INVESTMENTS AND INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, T. Rowe Price Trust Company, the trustee, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Net investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025.

NOTE D - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable pricing inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Companies and Self-Directed Brokerage Accounts: Valued at the net asset value ("NAV") of shares held by the Plan at year end based upon quoted market prices on nationally recognized exchanges (Level 1). Self-directed brokerage accounts hold investments in common and preferred stock, as well as mutual funds.

Collective Trust: Valued using the NAV as a practical expedient to fair value, provided by the administrator of the fund. The NAV is based on the value of the assets owned by the fund, less the liabilities at year end. While the underlying assets are actively traded on an active exchange, the fund is not.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present information about the Plan's investments measured at fair value on a recurring basis as of December 31, 2025 and 2024, and indicate the fair value hierarchy of the valuation techniques utilized by the Plan to determine such value:

	Investments at Fair Value at December 31, 2025			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 9,478,168	$ -	$ -	$ 9,478,168
Self-directed brokerage accounts	107,317	-	-	107,317
	$ 9,585,485	$ -	$ -	9,585,485
Investments measured at NAV[(a)]				25,806,760
Total investments at fair value				$ 35,392,245

	Investments at Fair Value at December 31, 2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 8,182,553	$ -	$ -	$ 8,182,553
Self-directed brokerage accounts	75,277	-	-	75,277
	$ 8,257,830	$ -	$ -	8,257,830
Investment measured at NAV[(a)]				19,573,704
Total investments at fair value				$ 27,831,534

[(a)] In accordance with ASC Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

In accordance with the fair value measurements and disclosures guidance, the following table presents the category, fair value, redemption frequency, and redemption notice period for Plan investments, the fair values of which are estimated using the NAV per share as a practical expedient as of December 31, 2025 and 2024:

	2025 Fair Value	2024 Fair Value	Redemption Frequency	Redemption Notice Period
Stable Value Fund[(a)]	$ 205,018	$ 191,682	Immediate	None
Allspring Core Plus Bond CIT E1[(a)]	$ 273,560	$ 113,729	Daily	None
Fed Hermes MDT Mid Cap[(a)]	$ 502,406	$ -	Daily	None
T. Rowe Targeted Date Funds[(a)]	$ 24,825,776	$ 19,268,293	Daily	None

[(a)] Fund files as a direct filing entity. There are no unfunded commitments as of December 31, 2025 and 2024.

NOTE E - TAX STATUS

The Plan obtained its latest determination letter from the Internal Revenue Service ("IRS") dated May 2, 2017, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has been amended since receiving the determination letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Administrator believes that the Plan, in form and operations, complies with the requirements of the Code, as currently in effect.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their accounts.

NOTE H - RELATED PARTY TRANSACTIONS

The Plan includes investments in registered investment company funds and a collective trust fund managed by an affiliate of T. Rowe Price Trust Company, the trustee of the Plan. The Plan also allows notes receivable from participants. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

NOTE I - TRANSFERS TO AND FROM PROFIT SHARING PLAN

Upon promotion to Member Attorney status, a participant is no longer eligible to participate in the Cozen O'Connor Associates 401(k) Plan. However, he or she is eligible to participate in the Cozen O'Connor Profit Sharing Plan and, accordingly, transfer his or her entire Cozen O'Connor Associates 401(k) Plan balance to that plan. Upon change in position to U.S. Associate or Staff Attorney, a participant is no longer eligible to participate in the Cozen O'Connor Profit Sharing Plan. However, he or she is eligible to participate in the Cozen O'Connor Associates 401(k) Plan and, accordingly, transfer his or her entire Cozen O'Connor Profit Sharing Plan balance to this Plan.

NOTE J - SUBSEQUENT EVENTS

The Plan evaluated its December 31, 2025 financial statements for subsequent events through October 15, 2026, the date the financial statements were available to be issued. The Plan is not aware of additional subsequent events which would require recognition or disclosure in the financial statements.
