INDEPENDENT AUDITOR'S REPORT

Participants and Trustees
UST Global Inc 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of UST Global Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for plan benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of UST Global Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects,

the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of UST Global Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about UST Global Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UST Global Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about UST Global Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets Held for Investment Purposes as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1: DESCRIPTION OF THE PLAN

Effective January 1, 2004, UST Global Inc (the "Company") adopted a 401(k) plan known as the US Technology Resources, LLC 401(k) Plan (the "Plan"). As of January 1, 2008, the plan name was changed to UST Global Inc 401(k) Plan. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, covering all employees on the first day of the month on or following one month of service and attaining the age of 18. All eligible employees are automatically enrolled to contribute 4% to the Plan unless they affirmatively elect not to participate. The Company and Plan trustee administer the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Custodian and Recordkeeper

Principal Trust Company ("Principal") is the custodian and recordkeeper of the Plan. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends for the years then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal.

Contributions

Each employee who actively participates in the Plan may elect to contribute up to 100% of his/her salary up to the maximum contribution amount permitted under the Plan. The maximum participant elective contribution for the years ended December 31, 2025 and 2024 was $23,500 and $23,000, respectively ($31,000 and $30,500 for participants age 50 and over, respectively). The Company offers employer matching up to 50% of the first 4% of employee contributions. The Company may, though not required to do so, make a discretionary matching contribution to all eligible participants. Employer discretionary contributions were not made to the Plan for the periods ending December 31, 2025 and 2024. Contributions from the Company are accrued by the Plan in the period when such contributions become an obligation of the Company. The Plan currently offers mutual funds and collective investment trusts.

NOTE 1: DESCRIPTION OF THE PLAN (continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of a) the Company's matching contribution and, b) Plan earnings, and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants

Participants may borrow a minimum of $1,000 and a maximum of $50,000 up to 50% of their employee deferral account balance. The loans are secured by the vested balance in the participant's account and the interest rate will be based on the rates available for similar loans from commercial lending institutions. The maximum number of loans outstanding for each participant as of December 31, 2025 is three. Loans will be repaid through payroll deductions over a period not to exceed five years, unless the loan is for the purchase of a personal residence. At December 31, 2025 there were 218 loans outstanding with an interest rate ranging from 4.25% to 9.25%. Participant loans in the amount of $2,687,591 at December 31, 2025 and $2,638,324 at December 31, 2024 are included in the accompanying financial statements under the caption "Notes receivable from participants".

Forfeitures

Forfeitures of non-vested contributions are used to either offset administrative expenses or reduce employer contributions. For the years ended December 31, 2025 and 2024, forfeitures amounted to $722,803 and $1,047,347, respectively. During 2025 the Plan applied forfeitures to reduce company contributions and plan administrative costs in the amounts of $1,306,007 and $207, respectively. During 2024 the Plan applied forfeitures to reduce company contributions and plan administrative costs in the amounts of $535,811 and $3,455, respectively. The remaining balance in forfeited nonvested accounts, including earnings, at December 31, 2025 and 2024 was $11,268 and $527,969, respectively.

NOTE 1: DESCRIPTION OF THE PLAN (continued)

Payment of Benefits

Upon termination of service before the normal retirement age, a participant may elect to defer distribution until normal retirement age or receive a lump sum payment equal to the vested share of the participant's account. Benefits are available based on the vested share of the participant's accounts. Benefits can also be accessed in the event of disability or death. Additionally, the Plan allows participants to make early withdrawals for certain financial hardships.

Vesting

Participants are vested immediately in their own contributions plus active earnings thereon. Vesting in the Company's discretionary contributions, when applicable, is based on years of service. A year of service is defined as twelve months of service.

The following schedule describes the vesting percentages for participants as of December 31, 2025.

Years of Service	Vested Benefit Percentage
Less than 1	0 %
1	25 %
2	50 %
3 or more	100 %

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are presented on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded for the years ended December 31, 2025 and 2024. If participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Administrative and other expenses are recorded as incurred.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of Benefits

Benefits are reported when paid.

Subsequent Events

Subsequent events were evaluated through October 13, 2026, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 – Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

Collective Investment Trusts: Collective investment trust is a pooled investment vehicle maintained exclusively for the collective investment of money from several accounts administered by a bank or trust company that are not reported on exchanges or other public means with a fair value measured at net asset value ("NAV"). Accounting Standards Codification ("ASC") 820 allows NAV per share to serve as the practical expedient to estimate the fair value as long as certain requirements are met, which these investments meet.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lower level of any input that is significant to the fair value measurement.

	Assets at Fair Value 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 61,761,389	$ -	$ -	$ 61,761,389
Investments measured at NAV (a) – Collective investment trusts	-	-	-	114,888,874
Total investments at fair value	$ 61,761,389	$ -	$ -	$ 176,650,263

	Assets at Fair Value 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 61,567,668	$ -	$ -	$ 61,567,668
Investments measured at NAV (a) – Collective investment trusts	-	-	-	105,395,537
Total investments at fair value	$ 61,567,668	$ -	$ -	$ 166,963,205

(a) In accordance with *Subtopic 820-10, Fair Value Measurement, Overall,* certain investments that were measured at NAV per share, using the practical expedient, have not been classified in the fair value hierarchy. The fair value amounts, presented in this table are to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

Investments Measured Using the Net Asset per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Collective investment trusts	$ 114,888,874	n/a	Daily	n/a

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Collective investment trusts	$ 105,395,537	n/a	Daily	n/a

NOTE 4: PLAN TERMINATION

Although the Company has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event of termination, participants remain fully vested in their accounts.

NOTE 5: TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

NOTE 6: PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Principal, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to $405,428 and $530,959 for the years ended December 31, 2025 and 2024, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8: PLAN MERGERS

Effective June 1, 2024, the Paychex Pooled Employer 401(k) Plan pertaining to Contineo Health ("Contineo Health 401k Plan") was merged into the Plan. As a result of the merger, all assets and liabilities of the Contineo Health 401k Plan were transferred to and became part of the Plan. Participants of the Contineo Health 401k Plan became participants of the Plan and their account balances were transferred at fair value as of the merger date in the amount of $439,101.

Effective July 1, 2024, the Round Feather, Inc. 401(k) Plan and Trust ("Round Feather 401k Plan") was merged into the Plan. As a result of the merger, all assets and liabilities of the Round Feather 401k Plan were transferred to and became part of the Plan. Participants of the Round Feather 401k Plan became participants of the Plan and their account balances were transferred at fair value as of the merger date in the amount of $766,676.

NOTE 9: TRANSFER OUT

During the year ended December 31, 2025, a subsidiary of the Company was sold and the respective participant account balances, including loans, were transferred to a new 401(k) plan that is no longer affiliated with the Plan. The total assets transferred out of the Plan during the year ended December 31, 2025 totaled $50,619,801.
