INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Wind River Hotel Casino 401(k) Plan and Trust
Riverton, Wyoming

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Wind River Hotel Casino 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section—

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of Wind River Hotel Casino 401(k) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wind River Hotel Casino 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore it is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wind River Hotel Casino 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wind River Hotel Casino 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2025 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

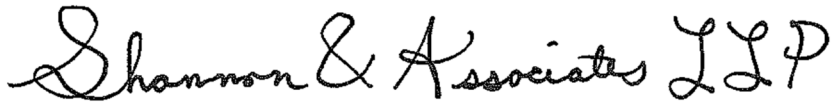

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditors' Report on the 2024 Financial Statement

The financial statements of Wind River Hotel Casino 401(k) Plan and Trust as of December 31, 2024 were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated January 30, 2026, indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and, (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedules, other than the information in the 2024 supplemental schedules that agree to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information is prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A.--DESCRIPTION OF PLAN

The following description of the Wind River Hotel Casino 401(k) Plan and Trust (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution 401(k) salary deferral and profit-sharing plan covering all eligible employees of the Northern Arapaho Enterprise 2 DBA Wind River Hotel Casino ("Casino" or "Plan Sponsor") effective October 1, 2014. The Plan was most recently amended effective January 1, 2025, August 29, 2025 and December 31, 2025 with changes to enrollment, contributions, trustees, and participating employers (see below). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). An eligible employee is any person employed by the Casino excluding collectively bargained and leased employees. An employee becomes eligible to participate in the Plan after completing 90 days of service. Eligible employees may participate in the Plan immediately upon satisfying the eligibility requirements. Effective January 1, 2025, the Plan implemented automatic enrollment. See below. Also, effective December 31, 2025, the Plan was amended to remove Arapaho First as a participating employer.

Contributions: The Plan is funded by eligible participant elective deferrals which may range from 1% to 100% of pre-tax annual compensation, as defined in the Plan. The Plan is also funded by employer safe harbor matching contributions equal to 100% of employee salary deferrals, up to 4% of eligible compensation deferred to the Plan. Effective January 1, 2025, newly eligible participants without an affirmative deferral election will be automatically enrolled with a 2% pre-tax deferral. Participants may also contribute amounts representing distributions from other qualified retirement plans.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. All participants who are eligible to make elective deferral contributions may elect to designate all of any portion of their future deferrals as Roth elective deferral contributions effective January 1, 2025. Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contribution, an allocation of the Casino's safe harbor contribution, an allocation of plan earnings (losses), and charged with an allocation of certain administrative expenses. Allocations are based on participant compensation, account balances, or specific participant transactions as applicable, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Vesting: Participants are immediately vested in their contributions, and the Casino's safe harbor contributions, plus actual earnings thereon.

Retirement: The normal retirement date is the date the participant turns 65. Early retirement is not permitted.

NOTE A.--DESCRIPTION OF PLAN (Continued)

Payment of Benefits: On termination of service due to death, disability, or retirement, a participant (or their beneficiary) may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or if such balance is greater than $5,000, a participant may elect to receive a lump-sum amount or installments. Upon death of a participant, if death benefit is less than $5,000, payments made to a beneficiary shall be payable in a lump sum.

If death benefit is more than $5,000, payments made to a beneficiary shall be payable in a lump sum or partial withdrawals or installments over a period of not more than the assumed life expectancy of the beneficiary. For terminated participants, if the balance of the vested accounts is $1,000 or less, payment may be made in a lump sum without the participant's consent. If such balance is greater than $1,000 but less than $5,000, without other election, the balance will be automatically rolled over into an IRA without participant consent. In-service distributions are allowed at age 59 ½.

Notes Receivable from Participants: Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are issued by the Plan and secured by the balances in the participant's account. Loan transactions are treated as a transfer to (from) the investment fund from (to) the loan fund. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case, the loan must be repaid within a reasonable period of time not to exceed 10 years. Under the terms of the Plan agreement, plan loans will bear a reasonable rate of interest. The number of loans outstanding for a participant at any time is one. Principal and interest are paid through payroll deductions.

Investment Options: Participants are allowed to direct their contributions and account balances in a variety of investment options including mutual funds and a fixed account offered under the Plan. The Plan Sponsor periodically reviews the investment options available to participants and changes them as warranted. Participants may change their investments at any time.

Forfeited Accounts: Forfeitures are the non-vested portion of a participant's account that are lost upon termination of employment. Forfeitures are retained in the Plan and shall be used to restore forfeitures, pay plan expenses or to offset employer contributions. No forfeitures were used during the year ended December 31, 2025. The balance of unused nonvested account balances forfeited into the Plan as of December 31, 2025 and 2024 were $233 and $244, respectively.

Plan Expenses: Expenses of maintaining the Plan may be paid by the Casino or the Plan. Certain expenses of maintaining the Plan are paid for directly by the Casino and are not included in these financial statements. Fees relating to administration of notes receivable from participants and for certain withdrawals are charged directly to the participant's account and are included in administrative expenses. Investment related expenses, as applicable, are deducted from each funds' earnings and included in net appreciation (depreciation) in fair value of investments.

NOTE B.--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the financial statements and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's committee determines the Plan's valuation utilizing information provided by investment advisors, custodian and trustee. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. Related fees are recorded as administrative expenses and are expensed as incurred.

Contributions: Contributions from Plan participants and the safe harbor matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation or participant compensation is earned, as applicable.

Payment of Benefits: Benefits are recorded when paid.

NOTE C.--CERTIFIED INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments and interest on fully-benefit responsive investment for the year ended December 31, 2025, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Voya Retirement Insurance and Annuity Company, the custodian of the Plan.

NOTE D.--FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures,* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE D.--FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at the price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 2,501,272	$ -	$ -	$2,501,272
Total investments at fair value	$ 2,501,272	$ -	$ -	$2,501,272

Assets at Fair Value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 2,161,046	$ -	$ -	$2,161,046
Total investments at fair value	$ 2,161,046	$ -	$ -	$2,161,046

NOTE E.--FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan invests in the Voya Retirement Insurance and Annuity Fixed Fund, which is a deposit administration contract with Voya Retirement Insurance and Annuity Company (Voya). This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

Contract value, as reported to the Plan by Voya, represents contributions made under each contract, plus interest credited, less participant withdrawals and administrative expenses. The guaranteed interest contract is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

NOTE E.--FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)

Contract value of the Plan's investment in the fund was $112,523 and $100,705 at December 31, 2025 and 2024, respectively.

The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan that is declared monthly. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The crediting rate is reviewed on a monthly basis for resetting. After five completed contract years, the insurance company may terminate the contract and pay the contract value upon 90 days' written notice, or with the Plan's consent, convert the contract to another contract.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic regulatory developments.

Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at Contract value with the participants.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

NOTE F.--RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments include shares of registered investment company funds managed by Voya Investment Management, LLC. Voya Retirement Insurance and Annuity Company is the custodian of the Plan and an affiliate of Voya Investment Management LLC and, therefore, transactions with these entities qualify as party-in-interest transactions. Certain administrative functions of the Plan are performed by officers or employees of the Organization. No such officer or employee receives compensation from the Plan.

NOTE G.--TAX STATUS

The Plan was amended and restated effective January 1, 2020 and adopted a non-standardized pre-approved profit sharing/money purchase with CODA plan, which received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code.

The Plan has been amended since the date of this determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H.--PLAN TERMINATION

Although it has not expressed any intent to do so, the Casino has the right to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, the respective accounts of the participants under the Plan, including employer contributions, shall become fully vested and non-forfeitable.

NOTE I.--RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as foreign currency exchange rate, interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonable that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE J.--RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024 to Form 5500:

	2025	2024
Net Assets available for benefits per the financial statements	$ 2,739,750	$ 2,310,724
Excess Contributions recorded on Form 5500	(134)	-
Net assets available for benefits per Form 5500	$ 2,739,616	$ 2,310,724

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to net income per Form 5500 for the year ended December 31, 2025:

Net increase in net assets per financial statements	$ 429,026
2025 excess contributions payable recorded on Form 5500	(134)
Net income per the Form 5500	$ 428,892

NOTE K.--NON-EXEMPT TRANSACTIONS

Late Remittances
As reported on the supplemental Schedule H, Line 4a – Schedule of Delinquent participant Contributions, certain Plan contributions of $304 for plan year ended December 31, 2025, were not remitted to the trust within the time frame specific by the Department of Labor's Regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and the Casino. The Casino will make contributions to the affected participants' accounts during 2026 to compensate for potential lost earnings resulting from the delay in contributions for the nonexempt transactions that occurred during the year ended December 31, 2025.

NOTE L.--OPERATIONAL ERRORS

During the year ended December 31, 2025, it was discovered that errors were made by Arapaho First related to missed deferrals due to a change in payroll providers. The error was discovered in 2026 and Plan management is actively calculating the corrective Qualified Nonelective Contributions (QNEC) to be made to the affected participants for employee missed deferral opportunities and related lost earnings in accordance with the prescribed IRS and DOL methods.

NOTE M.--SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 15, 2026, the date the financial statements were available to be issued.
