INDEPENDENT AUDITORS' REPORT

To the 401(k) Committee of
Crash Champions 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Crash Champions 401(k) Plan (formerly known as Service King 401(k) Plan) (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Plan management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Plan management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter — Plan Merger

As discussed in Note 6 to the financial statements, on January 1, 2024, another plan was merged into the Service King 401(k) Plan and name officially changed to Crash Champions 401(k) Plan. Our opinion is not modified with respect to that matter.

Responsibilities of Plan Management for the Financial Statements

Plan management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Plan management's election of the ERISA Section 103(a)(3)(C) audit does not affect plan management's responsibility for the financial statements.

In preparing the financial statements, plan management is required to evaluate whether there are conditions or events, considered in the aggregate, which raises substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Plan management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by plan management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of plan management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

CRASH CHAMPIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

1. DESCRIPTION OF PLAN

The following description of the Crash Champions 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Effective January 1, 2024, the Service King Plan officially changed names to Crash Champions 401(k) Plan, with Crash Champions as the Employer and Plan Sponsor. See Note 6 for further discussion.

General

The Plan is a defined contribution plan covering all employees of Crash Champions Collisions Repair Centers (the "Company") who have completed three months of credited service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The 401(k) Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute up to 90 percent of pretax annual compensation, as defined in the plan document. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes discretionary matching contributions of up to 50 percent of the first five percent of eligible wages that a participant contributes to the Plan. Additional non-elective contributions are also discretionary and determined annually by the Company's board of directors. For the year ended December 31, 2025, the Company did not make any additional non-elective contributions. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's discretionary matching contributions, as well as allocations of the Company's non-elective contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contribution portion of their accounts is based on years of continuous service. Participants vest 33 percent per year of service and are 100 percent vested after three years of credited services.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by plan management. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant (or named beneficiary in the event of death) whose vested balance is in excess of $5,000 may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments, or partial withdrawals. A participant whose vested balance is $5,000 or less is subject to mandatory cash out provisions as defined by the plan document.

Forfeited Accounts

As of December 31, 2025 and 2024, forfeited non-vested accounts total $95,863 and $995,835, respectively. Excess matching contributions in 2025 in the amount of $1,265 were identified and transferred to forfeitures from the affected participants' accounts on March 9, 2026. Forfeited non-vested accounts may be used to pay plan expenses or to reduce future employer contributions. For the year ended December 31, 2025, plan administrative expenses were reduced by $80,445 from forfeited non-vested accounts and employer contributions were reduced by $535,000 from forfeited non-vested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Committee determines the Plan's valuation policies utilizing information provided by investment advisors and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from plan participants and the matching contributions from the Partnership are recorded in the year in which the participant compensation is earned.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding decrease to participant contributions. The Plan distributed the 2025 excess contributions to the applicable participants during March of 2026.

Payments of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company on behalf of the Plan are excluded from these financial statements. Fees related to the administration of benefits paid to participants and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in both net appreciation in fair value of investments and in administrative expenses.

Concentrations

The following table presents investments that represent 10 percent or more of the Plan's net assets available for benefits as of December 31, 2025 and 2024:

	2025	2024
AF TRGT DATE 2035 R6	$ 40,821,468	$ 33,410,215
AF TRGT DATE 2040 R6	$ 40,750,966	$ 33,104,955
AF TRGT DATE 2045 R6	$ 39,250,000	$ 31,737,321
AF TRGT DATE 2050 R6	$ 30,880,582	**
AF TRGT DATE 2030 R6	**	$ 27,748,223

** Value does not represent 10 percent or more of the Plan's net assets available for benefits as of the respective date.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Plan management has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. The custodian certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of December 31, 2025 and 2024, and for the year ended December 31, 2025.

	2025	2024
Investments at fair value	$ 292,142,204	$ 244,406,411
Notes receivable from participants	$ 9,067,530	$ 7,299,021
Net appreciation in fair value of investments	$ 29,634,064	
Dividends	$ 15,099,923	
Interest income on notes receivable from participants	$ 673,002	

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standard Board ('FASB") Accounting Standard Update ("ASU") 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Registered investment companies: Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-ended funds that are registered with U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Stable value fund ("SVF"): Valued at the NAV of units of a bank collective trust. The NAV is based on market value of the underlying assets held by the fund less its liabilities. The NAV is used as a practical expedient to estimate fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024 with the exception of the SVF measured at fair value using the NAV practical expedient. The fair value of the SVF is provided below to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits:

	Investments at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 283,853,536	$ -	$ -	$ 283,853,536
Total investments in the fair value hierarchy	$ 283,853,536	$ -	$ -	283,853,536
Investments measured at NAV				8,288,668
Total				$ 292,142,204

	Investments at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 233,648,622	$ -	$ -	$ 233,648,622
Total investments in the fair value hierarchy	$ 233,648,622	$ -	$ -	233,648,622
Investments measured at NAV				10,757,789
Total				$ 244,406,411

The following table summarizes investments for which fair value is measured using the NAV per share as a practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value as of December 31, 2025	Fair Value as of December 31, 2024	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
SVF	$ 8,288,668	$ 10,757,789	$ -	Daily	Daily

5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are held and managed by Fidelity Management Trust Company ("Fidelity"). Fidelity is the custodian and recordkeeper as defined by the plan document and, therefore, these transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. Fees incurred by the Plan for investment management fees are included in net appreciation in fair value of investments. Fees incurred by the Plan for recordkeeping and administrating services are included in both administrative expenses and net appreciation in fair value of investments.

Fidelity receives revenue from the Plan's fund service providers for services Fidelity provides to the funds under a Revenue Credit Program ("RCP"). This revenue is used to offset certain amounts owed to Fidelity for broker and investment advisory fees. If the revenue received by Fidelity from such fund service providers exceed the amount owed under the RCP, Fidelity remits the excess to the Plan on a quarterly basis. Such amounts may be applied to pay future Plan administrative expenses or allocated to the accounts of the participants. As of December 31, 2025 and 2024, the Plan held excess amounts of $11,405 and $32,674, respectively. For the year ended December 31, 2025, plan administrative expenses were reduced by $22,359 from the RCP account. The Plan may make a payment to Fidelity for administrative expenses not covered by revenue sharing.

Investment related services are provided by Lockton Retirement Services, an Offering of Creative Planning ("Lockton") and Strategic Advisors, Inc. ("Strategic Advisors"). Lockton and Strategic Advisors are Plan's investment advisors and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for these services are included in administrative expenses.

The Plan is subject to an annual audit in order to remain in compliance with ERISA Regulations. HM&M Group, LLC is the auditor of the Plan and, therefore, this transaction qualifies as a party-in-interest transaction which is exempt from the prohibited transaction rules. Fees paid by the Plan for the audit are included in administrative expenses.

6. PLAN MERGER

On January 1, 2024, another plan was merged into the Service King 401(k) Plan and the name of the Plan changed to Crash Champions 401(k) Plan. Prior to the merger, the plans covered eligible employees of the respective companies. The participant balances of the merged company were transferred into the Crash Champions 401(k) Plan as of January 1, 2024.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

8. TAX STATUS

Plan management adopted a prototype plan offered by FMR LLC ("FMR"). The IRS has determined and informed FMR by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since FMR received the determination

letter, plan management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan, disclose within the footnotes to the financial statements any potential impact to the Plan, and recognize a tax liability at the Company level if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing jurisdictions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonable that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the total net assets per the Form 5500 as of December 31, 2025 and 2024, and the increase in net assets per the financial statements to the net income per the Form 5500 for the year ended December 31, 2025:

	2025	2024
Net assets available for benefits per the financial statements	$ 302,730,572	$ 253,689,044
Deemed distributed loans	(279,390)	(280,999)
Total net assets available for benefits per Form 5500	$ 302,451,182	$ 253,408,045

Increase in net assets per the financial statements	$ 49,041,528
Deemed distributed loans - current year	(279,390)
Deemed distributed loans - prior year	280,999
Net income per Form 5500	$ 49,043,137

11. OPERATIONAL ERROR

During the 2025 audit, an operational error caused incorrect inputs to be used in the employer match calculations. Plan management believes it meets the eligibility requirements for self-correction under the IRS Employee Plan Compliance Resolution System's Self-Correction Program ("SCP"). As of the date of issuance of these financial statements, plan management has yet to determine the corrective action needed for the 2025 errors; however, management plans to have them executed by December 31, 2026.

12. SUBSEQUENT EVENT

Plan Management has evaluated subsequent events through October 15, 2026, the date the financial statements were available to be issued and determined there were no items to disclose.

INDEPENDENT AUDITORS' REPORT

To the 401(k) Committee of
Crash Champions 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Crash Champions 401(k) Plan (formerly known as Service King 401(k) Plan) (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Plan management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Plan management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter — Plan Merger

As discussed in Note 6 to the financial statements, on January 1, 2024, another plan was merged into the Service King 401(k) Plan and name officially changed to Crash Champions 401(k) Plan. Our opinion is not modified with respect to that matter.

Responsibilities of Plan Management for the Financial Statements

Plan management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Plan management's election of the ERISA Section 103(a)(3)(C) audit does not affect plan management's responsibility for the financial statements.

In preparing the financial statements, plan management is required to evaluate whether there are conditions or events, considered in the aggregate, which raises substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Plan management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by plan management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of plan management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

CRASH CHAMPIONS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

1. DESCRIPTION OF PLAN

The following description of the Crash Champions 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Effective January 1, 2024, the Service King Plan officially changed names to Crash Champions 401(k) Plan, with Crash Champions as the Employer and Plan Sponsor. See Note 6 for further discussion.

General

The Plan is a defined contribution plan covering all employees of Crash Champions Collisions Repair Centers (the "Company") who have completed three months of credited service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The 401(k) Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute up to 90 percent of pretax annual compensation, as defined in the plan document. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes discretionary matching contributions of up to 50 percent of the first five percent of eligible wages that a participant contributes to the Plan. Additional non-elective contributions are also discretionary and determined annually by the Company's board of directors. For the year ended December 31, 2025, the Company did not make any additional non-elective contributions. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's discretionary matching contributions, as well as allocations of the Company's non-elective contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contribution portion of their accounts is based on years of continuous service. Participants vest 33 percent per year of service and are 100 percent vested after three years of credited services.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by plan management. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant (or named beneficiary in the event of death) whose vested balance is in excess of $5,000 may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments, or partial withdrawals. A participant whose vested balance is $5,000 or less is subject to mandatory cash out provisions as defined by the plan document.

Forfeited Accounts

As of December 31, 2025 and 2024, forfeited non-vested accounts total $95,863 and $995,835, respectively. Excess matching contributions in 2025 in the amount of $1,265 were identified and transferred to forfeitures from the affected participants' accounts on March 9, 2026. Forfeited non-vested accounts may be used to pay plan expenses or to reduce future employer contributions. For the year ended December 31, 2025, plan administrative expenses were reduced by $80,445 from forfeited non-vested accounts and employer contributions were reduced by $535,000 from forfeited non-vested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Committee determines the Plan's valuation policies utilizing information provided by investment advisors and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from plan participants and the matching contributions from the Partnership are recorded in the year in which the participant compensation is earned.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding decrease to participant contributions. The Plan distributed the 2025 excess contributions to the applicable participants during March of 2026.

Payments of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company on behalf of the Plan are excluded from these financial statements. Fees related to the administration of benefits paid to participants and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in both net appreciation in fair value of investments and in administrative expenses.

Concentrations

The following table presents investments that represent 10 percent or more of the Plan's net assets available for benefits as of December 31, 2025 and 2024:

	2025	2024
AF TRGT DATE 2035 R6	$ 40,821,468	$ 33,410,215
AF TRGT DATE 2040 R6	$ 40,750,966	$ 33,104,955
AF TRGT DATE 2045 R6	$ 39,250,000	$ 31,737,321
AF TRGT DATE 2050 R6	$ 30,880,582	**
AF TRGT DATE 2030 R6	**	$ 27,748,223

** Value does not represent 10 percent or more of the Plan's net assets available for benefits as of the respective date.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Plan management has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. The custodian certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of December 31, 2025 and 2024, and for the year ended December 31, 2025.

	2025	2024
Investments at fair value	$ 292,142,204	$ 244,406,411
Notes receivable from participants	$ 9,067,530	$ 7,299,021
Net appreciation in fair value of investments	$ 29,634,064	
Dividends	$ 15,099,923	
Interest income on notes receivable from participants	$ 673,002	

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standard Board ('FASB") Accounting Standard Update ("ASU") 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Registered investment companies: Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-ended funds that are registered with U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Stable value fund ("SVF"): Valued at the NAV of units of a bank collective trust. The NAV is based on market value of the underlying assets held by the fund less its liabilities. The NAV is used as a practical expedient to estimate fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024 with the exception of the SVF measured at fair value using the NAV practical expedient. The fair value of the SVF is provided below to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits:

	Investments at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 283,853,536	$ -	$ -	$ 283,853,536
Total investments in the fair value hierarchy	$ 283,853,536	$ -	$ -	283,853,536
Investments measured at NAV				8,288,668
Total				$ 292,142,204

	Investments at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 233,648,622	$ -	$ -	$ 233,648,622
Total investments in the fair value hierarchy	$ 233,648,622	$ -	$ -	233,648,622
Investments measured at NAV				10,757,789
Total				$ 244,406,411

The following table summarizes investments for which fair value is measured using the NAV per share as a practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value as of December 31, 2025	Fair Value as of December 31, 2024	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
SVF	$ 8,288,668	$ 10,757,789	$ -	Daily	Daily

5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are held and managed by Fidelity Management Trust Company ("Fidelity"). Fidelity is the custodian and recordkeeper as defined by the plan document and, therefore, these transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. Fees incurred by the Plan for investment management fees are included in net appreciation in fair value of investments. Fees incurred by the Plan for recordkeeping and administrating services are included in both administrative expenses and net appreciation in fair value of investments.

Fidelity receives revenue from the Plan's fund service providers for services Fidelity provides to the funds under a Revenue Credit Program ("RCP"). This revenue is used to offset certain amounts owed to Fidelity for broker and investment advisory fees. If the revenue received by Fidelity from such fund service providers exceed the amount owed under the RCP, Fidelity remits the excess to the Plan on a quarterly basis. Such amounts may be applied to pay future Plan administrative expenses or allocated to the accounts of the participants. As of December 31, 2025 and 2024, the Plan held excess amounts of $11,405 and $32,674, respectively. For the year ended December 31, 2025, plan administrative expenses were reduced by $22,359 from the RCP account. The Plan may make a payment to Fidelity for administrative expenses not covered by revenue sharing.

Investment related services are provided by Lockton Retirement Services, an Offering of Creative Planning ("Lockton") and Strategic Advisors, Inc. ("Strategic Advisors"). Lockton and Strategic Advisors are Plan's investment advisors and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for these services are included in administrative expenses.

The Plan is subject to an annual audit in order to remain in compliance with ERISA Regulations. HM&M Group, LLC is the auditor of the Plan and, therefore, this transaction qualifies as a party-in-interest transaction which is exempt from the prohibited transaction rules. Fees paid by the Plan for the audit are included in administrative expenses.

6. PLAN MERGER

On January 1, 2024, another plan was merged into the Service King 401(k) Plan and the name of the Plan changed to Crash Champions 401(k) Plan. Prior to the merger, the plans covered eligible employees of the respective companies. The participant balances of the merged company were transferred into the Crash Champions 401(k) Plan as of January 1, 2024.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

8. TAX STATUS

Plan management adopted a prototype plan offered by FMR LLC ("FMR"). The IRS has determined and informed FMR by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since FMR received the determination

letter, plan management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan, disclose within the footnotes to the financial statements any potential impact to the Plan, and recognize a tax liability at the Company level if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing jurisdictions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonable that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the total net assets per the Form 5500 as of December 31, 2025 and 2024, and the increase in net assets per the financial statements to the net income per the Form 5500 for the year ended December 31, 2025:

	2025	2024
Net assets available for benefits per the financial statements	$ 302,730,572	$ 253,689,044
Deemed distributed loans	(279,390)	(280,999)
Total net assets available for benefits per Form 5500	$ 302,451,182	$ 253,408,045

Increase in net assets per the financial statements	$ 49,041,528
Deemed distributed loans - current year	(279,390)
Deemed distributed loans - prior year	280,999
Net income per Form 5500	$ 49,043,137

11. OPERATIONAL ERROR

During the 2025 audit, an operational error caused incorrect inputs to be used in the employer match calculations. Plan management believes it meets the eligibility requirements for self-correction under the IRS Employee Plan Compliance Resolution System's Self-Correction Program ("SCP"). As of the date of issuance of these financial statements, plan management has yet to determine the corrective action needed for the 2025 errors; however, management plans to have them executed by December 31, 2026.

12. SUBSEQUENT EVENT

Plan Management has evaluated subsequent events through October 15, 2026, the date the financial statements were available to be issued and determined there were no items to disclose.
