# INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Nongshim 401(k) Retirement Plan

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the accompanying financial statements of Nongshim 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Nongshim 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Nongshim 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Nongshim 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Nongshim 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Nongshim 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedule Required by ERISA***

The Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTE A – DESCRIPTION OF PLAN

The following description of the Nongshim 401(k) Retirement Plan (the "Plan"), formerly known as Nongshim America Inc. 401(k) Plan, amended effective January 1, 2025, provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

The Plan Sponsor's name was changed to "Nongshim USA, Inc. & Nongshim Holdings America, Inc." (the "Company," "Employer," "Plan Sponsor"), effective January 1, 2025.

*General*

The Plan is a defined contribution plan covering all full-time & part-time employees of Nongshim USA, Inc. & Nongshim Holdings America, Inc. who have at least three months of service and are at age 18 or older. Temporary and seasonal employees are generally excluded from participation in the Plan. However, such employees become eligible to participate upon completion of one Year of Service, as defined in the Plan document, provided they satisfy the other applicable eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The trustee of the Plan is ADP Retirement Trust Services, LLC. ADP acts as the administrator of the Plan, and Morgan Stanley acts as the Plan's advisor.

*Contributions*

Each year, participants may contribute up to the lesser of 80% of pre-tax annual compensation as defined in the Plan or up to the Internal Revenue Code (IRC) maximum limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The maximum allowable elective deferral contribution, as determined by the Internal Revenue Service (IRS), was $23,500 for 2025.

Participants who attained age 50 or older by the end of the year were eligible to make an additional catch-up contribution of up to $7,500, and participants who attained age 60 through 63 during the year were eligible for a higher catch-up contribution of up to $11,250, as provided under the SECURE 2.0 Act. If an annual dollar limit is exceeded, the excess, together with allocable earnings, will be returned to the participant in order to avoid adverse tax consequences.

Contributions from plan participants and the matching and safe harbor contributions from the Plan Sponsor are recorded in the year in which the participant contributions are withheld from amounts paid. All participant and employer contributions are participant-directed. The safe harbor matching contribution is 100% vested and is equal to 100% of participants' salary deferrals that do not exceed 4% of the compensation.

*Eligibility*

Each employee is eligible to join the Plan as of the first pay period following completion of three months of service and the attainment of age 18. If an employee does not complete three consecutive months of employment from the first date of employment, the employee is subject to the One Year of Service requirement as stated in the Plan.

**NOTE A – DESCRIPTION OF PLAN (continued)**

*Participant Account*

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and other forms of investment options for participants.

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) the Plan's earnings, and charged with an allocation of administrative expenses, if any. Allocations are based on participants' earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

*Vesting*

Participants are immediately vested in their contributions and the Plan Sponsor's safe harbor matching contributions. Since the Plan elected safe harbor contributions in 2016, all contributions from the Plan Sponsor were vested. The amount in 2025 was $985,352.

*Notes Receivable from Participants*

Participants may borrow from their fund accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through monthly payroll deductions. Loans are to be paid in no later than five years, except for a loan that qualifies as a home loan. A "home loan" is a loan used to acquire a dwelling unit which, within a reasonable time, the participant will use as a principal residence. The repayment term for a "home loan" may not be greater than 30 years.

*Plan Termination*

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the amounts credited to the accounts of participants will be distributed to the participants after payment of expenses for distribution and liquidation.

*Benefit Payments*

Upon termination of service due to death, disability, or retirement, a participant may receive a lump-sum amount equal to the vested benefits in his or her account. Under certain circumstances, including financial hardship, participants may withdraw their contributions prior to the occurrence of these events. The Plan administrator makes determinations related to hardship withdrawals.

*Uncashed Distribution Checks*

During 2025, an uncashed distribution check of $1,495 issued in a prior year was voided and reinstated to the participant’s account, and is included in other income. At December 31, 2025, $19,135 attributable to an uncashed distribution check was held in a separate account within the Plan. The Plan Sponsor is in the process of restoring this amount to the respective participant’s account.

**NOTE A – DESCRIPTION OF PLAN (continued)**

*Forfeitures*

The Plan became a safe harbor plan in 2016. Forfeitures incurred in 2025 relate to employer contributions made prior to the Plan's safe harbor election. Forfeitures of the non-vested portion of terminated participants' accounts are used to reduce future employer contributions, as provided in the Plan document. During 2025, additions to the forfeiture accounts totaled $10,420 and forfeitures of $10,185 were used to reduce employer contributions. At December 31, 2025 and 2024, unallocated forfeitures totaled $7,748 and $7,513, respectively.

Included in the unallocated forfeitures at December 31, 2025 is $7,718 held under a terminated company code, which was not used within the period required by the Plan document. The Plan Sponsor intends to transfer these forfeitures to an active forfeiture account and use them in accordance with the Plan document.

*Recent Legislation*

In December 2022, SECURE Act 2.0 ("SECURE 2.0") was enacted. SECURE 2.0 contains numerous significant changes for retirement plans, plan sponsors, and retirement plan providers. For example, SECURE 2.0 contains provisions related to, among many other things, increasing the required minimum distribution age, reducing required minimum distribution penalties, and removing required minimum distribution barriers for annuities. Many of the provisions in SECURE 2.0 went effective in 2023, but SECURE 2.0 will not be completely implemented until 2027. The Internal Revenue Service ("IRS") has issued additional guidance addressing specific issues arising from the implementation of the provisions of SECURE 2.0.

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting*

The accompanying financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

*Investment Options*

The Plan's assets are invested in various investment options offered by the trustee as directed by participants. Participants may change their investment options at will.

*Use of Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

*Investment Valuation and Income Recognition*

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis as earned. In the Statement of Changes in Net Assets Available for Benefits, the Plan presents the net appreciation or depreciation in the fair value of its investments, which consists of realized gains or losses and unrealized gains or losses on investments.

*Notes Receivable from Participants*

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized over the terms of the notes at the rate specified in the loan documents, ranging from 4.25 to 9.5%. Fees related to notes receivable from participants are recorded as administrative expenses when incurred. For the year ended December 31, 2025, interest income on notes receivable from the participants amounted to $58,405. If a participant defaults, the carrying amount of the note receivable from the participant is eliminated, and a benefit payment is recorded at the time the participant has a distributable event. Notes receivable from participants are considered delinquent when payments are not made in accordance with the terms of the note and evaluated to determine if they are in default.

*Administrative Expenses*

Certain expenses for maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments. Advisory fees are allocated to the accounts of participants proportionally based on the value of the account balance.

*Payment of Benefits*

Benefits are recorded when paid by the Plan.

**NOTE C - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. These investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of the investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

**NOTE D – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, ADP Retirement Trust Services, LLC, the trustee and/or custodian of the Plan as of December 31, 2025, has certified to the completeness and accuracy of all investments reflected on the accompanying statement of net assets available for benefits as of December 31, 2025, the supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025. Reliance Trust Company, the trustee and/or custodian of the Plan as of December 31, 2024, has certified to the completeness and accuracy of all investments reflected on the accompanying statement of net assets available for benefits as of December 31, 2024.

**NOTE E - TAX STATUS**

The Plan Sponsor adopted a pre-approved plan which obtained its latest opinion letter dated October 6, 2020 in which the IRS stated that the form of the Plan was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities for tax years for which the applicable statutes of limitations have not expired. To the Plan administrator's knowledge, there are currently no audits for any tax periods in progress.

**NOTE F – FAIR VALUE MEASUREMENTS**

Financial Accounting Standard Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;

**NOTE F – FAIR VALUE MEASUREMENTS (continued)**

- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques are used to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

*Registered investment companies*: Valued at the daily closing price as reported by the fund. Registered investment companies (mutual funds) held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.

*Common collective Trusts*: The fair value of participation units in the collective investment trust funds and common collective trust funds, from here on termed collective trust funds, are valued using net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. There are no future commitments on any of the collective trust funds.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

**NOTE F – FAIR VALUE MEASUREMENTS (continued)**

| | Fair Value Measurements as of December 31, 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Registered investment companies | $ 29,034,841 | $ - | $ - | $ 29,034,841 |
| **Total Assets in the Fair Value Hierarchy** | $ 29,034,841 | $ - | $ - | $ 29,034,841 |
| Investment measured at NAV[(a)] | | | | $ 1,922,521 |
| **Total Investments at Fair Value** | | | | $ 30,957,362 |

| | Fair Value Measurements as of December 31, 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Registered investment companies | $ 24,706,472 | $ - | $ - | $ 24,706,472 |
| **Total Assets in the Fair Value Hierarchy** | $ 24,706,472 | $ - | $ - | $ 24,706,472 |
| Investment measured at NAV[(a)] | | | | $ 2,278,452 |
| **Total Investments at Fair Value** | | | | $ 26,984,924 |

(a) Certain Investments that were measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share (or its equivalent), as of December 31:

| | 2025 Fair Value | 2024 Fair Value | Redemption Frequency | Redemption Notice Period |
|---|---|---|---|---|
| Common/Collective Trusts | $ 1,922,521 | $ 2,278,452 | Daily | None |

**NOTE G – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2025 and 2024 to Schedule H of Form 5500:

**NOTE G – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500 (continued)**

| Description | 2025 | 2024 |
|---|---|---|
| Net assets available for benefits per financial statements | $ 31,647,603 | $ 27,747,880 |
| Less: outstanding deemed distributed loans (principal plus accumulated interest) among participant loans at the end of reporting period or earlier | (24,746) | (23,463) |
| Net assets available for benefits per the Schedule H of Form 5500 | $ 31,622,857 | $ 27,724,417 |

The following is a reconciliation of changes in net assets available for benefits per the financial statements as of December 31, 2025 to Schedule H of Form 5500:

| | December 31, 2025 |
|---|---|
| Net Increase in net assets | $ 3,899,723 |
| Add: disbursement of deemed distribution among participant loans during the reporting period | 4,150 |
| Less: deemed distribution during the reporting period | (5,433) |
| Net Income - Line 2k, Part II , Form 5500 | $ 3,898,440 |

A Deemed Distributed Loan (DDL) occurs when a participant misses a loan payment (other than leave of absence) and fails to make it up by a specified date, or the term for repaying a loan expires without full payment. According to IRS instructions, the Plan must continue to treat the DDLs as outstanding loans, while the Plan's Form 5500 Schedule H must exclude DDLs from the assets reported. Therefore, a DDL is considered as distribution for Form 5500 reporting purpose when it occurs while a DDL is treated as distribution for the financial statements when a participant who has a DDL terminates employment and is paid out from the Plan.

**NOTE H – PARTY-IN-INTEREST TRANSACTIONS**

Certain plan investments are managed by ADP Retirement Trust Services, LLC. ADP Retirement Trust Services, LLC is the trustee, as defined by the Plan, and therefore, these investments qualify as party-in-interest transactions. Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan.
