INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Westech International, Inc. 401(K) Profit Sharing Plan
Albuquerque, New Mexico

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Westech International, Inc. 401(K) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Westech International, Inc. 401(K) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024 for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements, referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Westech International, Inc. 401(K) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Westech International, Inc. 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Westech International, Inc. 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Westech International, Inc. 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental

schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Westech International, Inc. 401(K) Profit Sharing Plan (the Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement and summary plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General

The Plan is a defined contribution plan covering substantially all employees of Westech International, Inc. 401(K) Profit Sharing Plan (the Company). Employees are generally eligible to participate upon attaining age 21. Eligibility for discretionary profit sharing contributions requires completion of one year of service, as defined by the Plan, with entry dates of January 1 and July 1. Certain employee classifications, including temporary and co-op employees, are excluded from participation in accordance with the Plan document.

The Company serves as the Plan administrator and is responsible for the administration and operation of the Plan. Empower Annuity Insurance Company of America and Empower Trust Company, LLC provide insurance, custodial, and recordkeeping services to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Plan Contributions

Participants may elect to contribute up to 100% of eligible compensation, subject to the limitations of the Internal Revenue Code. Participants direct the investment of their contributions among the investment options offered by the Plan. Participants may also make rollover contributions from other eligible retirement plans.

The Company makes safe harbor matching contributions equal to 100% of the first 3% of eligible compensation deferred by participants, plus 50% of the next 2% deferred, resulting in a maximum matching contribution of 4% of eligible compensation. The Company may also make discretionary matching and profit sharing contributions in accordance with the Plan provisions. No discretionary employer contributions were made for the years ended December 31, 2025 and 2024.

Certain employees covered by collective bargaining agreements participate in the Plan and are subject to separate employer matching contribution provisions, as specified in the applicable collective bargaining agreements and Plan documents. Contributions are subject to applicable regulatory limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's contributions and allocations of plan earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined, or as an equal dollar amount based on the number of participants in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions, the Company's safe harbor matching contributions, plus actual earnings thereon. Vesting in a discretionary employer matching and profit sharing contributions is based on years of continuous service based on the following schedule:

Years of Service	
Less than 2	0%
2	25%
3	50%
4	75%
5 or more	100%

Forfeitures

Forfeitures represent the nonvested portion of employer contributions upon a participant's termination of employment. Forfeitures may be used to pay eligible Plan administrative expenses or reduce future employer contributions in accordance with the Plan provisions.

At December 31, 2025 and 2024, the Plan's forfeiture account balances were $715 and $38,702, respectively. During 2025, approximately $74,469 was transferred from the forfeiture account, primarily to correct participant balances that had been improperly forfeited due to vesting processing errors associated with the transition between recordkeepers.

Participant Loans

Participants may borrow from their fund accounts a maximum amount equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from one to five years or up to fifteen years if the loan is for the purchase of a principal residence. The loans are secured by the balance in the participant's account and bear interest at a fixed rate of 1% above the prime interest rate. Principal and interest are paid ratably through payroll deductions. If a participant terminates employment with the Company, the loan becomes due and payable in full immediately. If the loan is not repaid, it will automatically be treated as a distribution to the participant on the last day of the calendar quarter following the calendar quarter in which the participant missed the scheduled payment.

Payment of Benefits

Upon termination of employment due to retirement, disability, death, or other reasons, participants or their beneficiaries may receive distributions of their vested account balances in accordance with the Plan's provisions. Participants may elect to receive a lump-sum distribution, installment payments, or partial withdrawals, as applicable. Eligible distributions may also be rolled over to another qualified retirement plan or individual retirement account.

Upon termination of employment, vested account balances not exceeding $7,000 are subject to the Plan's automatic distribution procedures unless the participant makes an affirmative distribution election. Balances exceeding $1,000 and not exceeding $7,000 are generally rolled over to an individual retirement account if the participant does not make an election.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits (Continued)
Participants may also receive hardship withdrawals in accordance with the provisions of the Plan.

Plan Fees and Administrative Expenses
The Company pays certain administrative expenses of the Plan, including legal and audit fees. Other administrative expenses, including recordkeeping, investment advisory, and third-party administration fees, are generally charged to participant accounts. Certain Plan expenses are paid through an expense account funded by revenue-sharing credits and amounts charged to participant accounts.

Plan Termination
Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The accompanying financial statements have been prepared on the accrual basis of accounting.

Payment of Benefits
Benefits are recorded when paid. There were no amounts allocated to accounts of participants who have elected to withdraw from the Plan, but had not yet been paid at December 31, 2025 and 2024.

Notes Receivable from Participants
Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are charged to the participant and expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Use of Accounting Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedules. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measure for the portion of net assets available for benefits attributable to fully benefit-responsive investment contracts

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)
because it represents the amount participants normally would receive if they initiated permitted transactions under the terms of the Plan.

Net appreciation or depreciation in the fair value of investments includes realized gains and losses and changes in unrealized appreciation or depreciation. Dividends are recorded on the ex-dividend date. Interest income is recorded as earned. Purchases and sales of securities are recorded on a trade-date basis.

Certain investment management fees and operating expenses associated with registered investment company shares are deducted directly from investment income and are not separately reflected in the financial statements. Accordingly, these fees and expenses are reflected as a reduction of investment returns.

Subsequent Events
The Plan has evaluated subsequent events through October 15, 2026, which is the date the financial statements were available to be issued. None were noted.

NOTE 3 - INVESTMENTS

All investment information presented in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year), including investments held and notes receivable from participants as of December 31, 2025 and 2024, as well as net appreciation (depreciation) in fair value of investments, dividends, and interest income on notes receivable from participants for the years then ended, was obtained from information provided to the Plan Administrator and certified as complete and accurate by:

- Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the custodian of the Plan and issuer of a guaranteed investment contract, for the year ended December 31, 2025, and for the period from January 10, 2024, through December 31, 2024; and
- Matrix Trust Company, the former custodian of the Plan, for the period from January 1, 2024, through January 9, 2024.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

- Level 1 - Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

- Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are inactive; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

- Level 3 - Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is determined based the lowest level input that is significant to the fair value measure in its entirety.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

Registered investment company shares – Shares held in registered investment companies (mutual funds) are valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

The following presents by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2025.

	Assets at Fair Value as of December 31, 2025	
	Level 1	Total
Mutual funds	$5,908,411	$5,908,411

The following presents by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2024.

	Assets at Fair Value as of December 31, 2024	
	Level 1	Total
Mutual funds	$5,088,916	$5,088,916

NOTE 5 - GUARANTEED INVESTMENT CONTRACT

The Plan holds a fully benefit-responsive general account guaranteed investment contract with Empower Annuity Insurance Company of America (Empower), known as the EI Fixed Account – Series Class I. The contract is held within Empower's general account and is backed by its general account assets, subject to its claims-paying ability. Amounts invested in the account earn interest at a rate determined by Empower, with interest compounded daily.

NOTE 5 - GUARANTEED INVESTMENT CONTRACT (CONTINUED)

The contract is designed to provide a stable rate of return and preserve principal while allowing participant-initiated transactions at contract value. Contract value represents contributions made under the contract, plus credited interest, less participant withdrawals and other charges.

As the contract is fully benefit-responsive, it is reported at contract value in the accompanying financial statements.

The interest crediting rate is based on the earnings of Empower's underlying medium- to long-term investment portfolio, subject to a minimum rate specified in the contract. The rate is reset quarterly. The average yield earned by the Plan on the contract for the years ended December 31, 2025 and 2024 was 1.45% and 1.41%, respectively.

Certain events may limit the Plan's ability to transact at contract value with Empower. These events include, but are not limited to, the Plan's disqualification under the Internal Revenue Code, termination or merger of the Plan, significant withdrawals initiated by the Plan sponsor, or changes to the Plan's investment options that violate the contract terms. As of December 31, 2025 and 2024, no such events were considered probable.

If the Plan sponsor terminates the contract for reasons other than a full Plan termination, the contract provides for settlement at contract value over a specified period, payment in installments, or a lump-sum payment subject to a potential market value adjustment. Certain Plan sponsor-initiated events may also result in delayed settlement or a market value adjustment.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan’s exposure to investments concentrations risk is limited by the diversification of investments across all participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments. As of December 31, 2025, approximately 16%, 12% and 10% of the plan’s net assets were invested in American Funds 2025 Target Date Retirement Fund, American Funds 2020 Target Date Retirement Fund, and American Funds 2035 Target Date Retirement Fund, respectively. As of December 31, 2024, approximately 23% and 15% of the plan’s net assets were invested in American Funds 2020 Target Date Retirement Fund and American Funds 2025 Target Date Retirement Fund, respectively

NOTE 7 - TAX STATUS

The Plan was amended and restated effective January 1, 2022, to comply with legislative and regulatory changes (Cycle 3 Restatement). The Plan utilizes a preapproved plan document which received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020. The Plan has been amended since its restatement. The Plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and concluded that, as of December 31, 2025 and 2024, there are no uncertain tax positions requiring recognition in the financial statements. The Plan has not recognized any interest or penalties related to uncertain tax positions. The Plan is subject to routine examinations by taxing authorities; however, there are currently no examinations in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

NOTE 8 - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan engages in transactions with parties-in-interest, including the Plan sponsor and service providers. Empower and Randall & Hurley, Inc. provide administrative services to the Plan. Empower also serves as custodian of the Plan's investments in mutual funds. Morgan Stanley provides investment advisory services to the Plan.

The Plan issues loans to participants, which are secured by the participants' account balances. These transactions qualify as party-in-interest transactions but are exempt from the prohibited transaction provisions of ERISA, provided the applicable exemption requirements are satisfied.

NOTE 9 - PROHIBITED TRANSACTIONS - DELINQUENT CONTRIBUTIONS

During the year ended December 31, 2025, all employee contributions were remitted to the Plan on a timely basis.

During prior years, certain employee contributions were not remitted to the Plan on a timely basis. During 2025, the Plan deposited lost earnings associated with previously corrected delinquent contributions from 2022, 2023, and 2024. Certain delinquent contributions from 2022 totaling $12,792 remained uncorrected as of December 31, 2025.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Income, expenses, net assets, and changes in net assets per Schedule H of Form 5500 for 2025 and 2024 agree to the 2025 and 2024 audited financial statements of the Plan.

NOTE 11 - FIDELITY BONDING REQUIREMENT

The Plan's fidelity bond coverage was increased from $250,000 to $500,000 effective October 9, 2025. Prior to this increase, the Plan's coverage was below the amount required under ERISA. The increased coverage satisfies the applicable bonding amount requirement as of December 31, 2025.
