**Independent Auditors' Report**

To the Board of Trustees
Trail Blazers Savings and Retirement Plan
Portland, Oregon

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements**

We have performed an audit of the accompanying financial statements of Trail Blazers Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2025, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Trail Blazers Savings and Retirement Plan's 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion on the 2025 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section:

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2025 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of Trail Blazers Savings and Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2025 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Trail Blazers Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the 2025 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Trail Blazers Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Trail Blazers Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Other Matters

### 2025 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

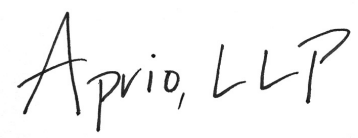

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Independent Auditors' Report (continued)**

**Auditors' Report on the 2024 Financial Statements**

The financial statements of Trail Blazers Savings and Retirement Plan as of December 31, 2024, were audited by Delap LLP, who merged with Aprio, LLP as of January 1, 2026. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 13, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**1. Description of the Plan**

The following description of the Trail Blazers Savings and Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan covering substantially all employees of Trail Blazers Inc. and Rip City Management, LLC (the "Employer") who are at least 21 years old, except for union employees or non-resident aliens, not listed on the roster of the Portland Trail Blazers National Basketball Association professional basketball team, and who are not eligible to participate in the National Basketball Association Savings and Retirement Plan for Coaches, Assistant Coaches, and Trainers. In addition, part-time employees must complete one year of service and attain at least 1,000 service hours in their initial anniversary year or in any calendar year thereafter in order to participate in the Plan. Long-term, part-time employees who complete at least 500 hours of service in each of three consecutive 12-month periods are also eligible to make elective deferrals but are not eligible for matching, non-elective, or top-heavy contributions. For Plan years beginning after December 31, 2024, this service requirement is reduced to two consecutive 12-month periods. Employees may enter the Plan on the first day of the month subsequent to satisfying the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

**Contributions:** Each year, participants may contribute between 2 and 50 percent of their eligible compensation, as defined in the Plan. Roth contributions are also permitted. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The Plan allows for discretionary matching contributions. During the year ended December 31, 2025, the Employer matched 50% of each participant's contributions up to 8% of the participant's eligible compensation on a per-pay period basis. In addition, profit sharing amounts may be contributed at the discretion of the Employer. There were no such contributions for the Plan year ended December 31, 2025. Participants direct the investment of their contributions and Employer contributions into various investment options offered by the Plan. Contributions are subject to certain limitations.

**Participant accounts:** Each participant's account is credited with the participant's contributions, the Employer's discretionary matching contributions, if any, as well as allocations of the Employer's discretionary profit sharing contribution, if any, and Plan earnings. Participant accounts may also be charged with an allocation of certain administrative expenses. Investment earnings and losses are allocated based upon the investment performance of each investment in the participant's account. Allocations of the Employer's discretionary profit sharing contributions, if any, are based on the ratio of the participant's compensation to total compensation for the Plan year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Notes receivable from participants:** Participants may borrow from their fund accounts a minimum of $500 up to a maximum of the lesser of $50,000 or 50% of their vested account balance reduced by the highest outstanding participant note receivable balance in the preceding one-year period. Loan terms range from one to five years. The loans are secured by the balance in the participant's account and bear interest at the prime rate, adjusted quarterly, plus one percent. Principal and interest are paid through payroll deductions.

**Vesting:** Participants are vested immediately in their contributions, rollover contributions, plus actual earnings thereon. Vesting in discretionary Employer matching and profit sharing contributions is based on years of continuous service. A participant is 20 percent vested after two years of service is completed, and vests an additional 20 percent per year until full vesting after six years.

**Payment of benefits:** Benefits are payable upon retirement at age 65, or early retirement at age 55 with six years of service. Hardship withdrawals and in-service withdrawals at age 59 1/2 are also permitted, subject to provisions described in the Plan document. Withdrawals from rollover contributions are permitted at any time. Benefits are payable in lump sum, installment, or partial payments.

**Forfeited accounts:** As of December 31, 2025 and 2024, forfeited nonvested accounts were insignificant to the Plan. These accounts will be used to reduce future Employer contributions or to pay Plan expenses. During the year ended December 31, 2025, Employer contributions were reduced by forfeitures by approximately $156,000. During the year ended December 31, 2025, no forfeited nonvested accounts were used to pay Plan expenses.

**Administrative expenses:** Certain expenses of maintaining the Plan are paid by the Employer. Transaction expenses, such as loan and distribution administration fees, are charged directly to the participant's account and are included in administrative expenses. Investment consulting fees are also charged to participants based on account balances.

**2. Significant accounting policies**

**Basis of accounting:** The financial statements of the Plan are prepared under the accrual method of accounting.

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 4 for a discussion of fair value measurements.

Investment contracts held by a defined contribution plan, either directly or as an underlying asset of a common collective trust, are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent loans are reclassified as distributions based upon the terms of the Plan document.

**Contributions**: Participant contributions and the related Employer discretionary matching, if any, and Employer non-elective profit-sharing contributions, if any, are recognized in the period the participant contribution is withheld from compensation.

**Payment of benefits:** Benefits are recorded when paid.

**Use of estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Subsequent events:** The Plan has evaluated subsequent events for disclosure in these financial statements through October 13, 2026, which is the date the financial statements were available to be issued.

**3. Certified information**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividend income, and interest income from notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, "Empower"), the trustee and insurance company, respectively, of the Plan.

**4. Fair value measurements**

The Plan reports its assets at fair value based on a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Mutual funds - The fair value of the shares of mutual funds owned by the Plan is based on quoted net asset values on the last business day of the Plan year.

The fair value of assets is as follows:

| | Assets at Fair Value as of December 31, 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 39,815,546 | $ - | $ - | $ 39,815,546 |

| | Assets at Fair Value as of December 31, 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 33,609,497 | $ - | $ - | $ 33,609,497 |

**5. Fully benefit-responsive investment contract**

The Plan participates in a traditional benefit-responsive investment contract with Empower via an investment in a Guaranteed Income Fund ("GIF"). Empower commingles the assets of the GIF with other assets in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Empower is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct withdrawals or transfer all or a portion of their investment at contract value. The contract has no maturity date and there is no market value adjustment upon discontinuance.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. There are no events that could limit the ability of the Plan to transact at contract value with Empower when paid within 90 days or in rare circumstances, contract value paid over time. There are no events that allow Empower to terminate the contract and settle at amounts different than contract value paid either within 90 days or over time.

**6. Risks and uncertainties**

The Plan provides for investments in various securities that are exposed to risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in future statements of net assets available for benefits.

**7. Plan termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

**8. Tax status**

The Plan is a prototype plan of Empower Retirement which received an opinion letter on September 16, 2022, in which the Internal Revenue Service (“IRS”) stated that the form of the plan document was acceptable under the applicable requirements of the Internal Revenue Code ("IRC"). The Board of Trustees believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**9. Party-in-interest transactions**

Certain Plan investments are managed by affiliates of the trustee. Empower is the trustee and recordkeeper as defined by the Plan. In addition, members of the Board of Trustees are participants in the Plan. The Plan pays certain expenses related to Plan operations and investment activity to various service providers. These transactions qualify as exempt party-in-interest transactions.

**10. Reconciliation to Form 5500**

The following is a reconciliation of amounts in the financial statements to Form 5500 as of December 31, 2025 and 2024 and for the year ended December 31, 2025:

| | **2025** | 2024 |
