INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Fiduciary Committee of
The Retirement Contribution and 403(b) Matching Plan
of the University of Pennsylvania Health System

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed audits of the accompanying financial statements of The Retirement Contribution and 403(b) Matching Plan of the University of Pennsylvania Health System (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Retirement Contribution and 403(b) Matching Plan of the University of Pennsylvania Health System's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit Financial Statements section--

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Retirement Contribution and 403(b) Matching Plan of the University of Pennsylvania Health System and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Retirement Contribution and 403(b) Matching Plan of the University of Pennsylvania Health System's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Retirement Contribution and 403(b) Matching Plan of the University of Pennsylvania Health System's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - *Supplemental Schedule Required by ERISA*

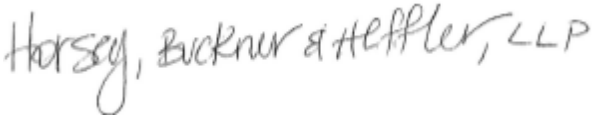

The supplemental Schedule H, Line 4(i)—Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**THE RETIREMENT CONTRIBUTION AND 403(b)
MATCHING PLAN OF THE UNIVERSITY OF
PENNSYLVANIA HEALTH SYSTEM
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 - DESCRIPTION OF PLAN

The following description of The Retirement Contribution and 403(b) Matching Plan of the University of Pennsylvania Health System (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions, including updates made commensurate with the plan amendments outlined below.

General

The Plan was originally established, effective January 1, 1994, by Clinical Care Associates of the University of Pennsylvania Health System (referred to as UPHS or the Plan Sponsor/Administrator) for the benefit of certain of its employees and their beneficiaries. The Plan subsequently was amended from time to time to address changes in laws and regulations, to provide for the merger of other plans into the Plan, and to reflect other changes in the Plan's design and operations. As part of an overall restructuring of the retirement programs of UPHS, the Plan was amended and restated, effective January 1, 2011, to: (i) transfer sponsorship of the Plan to the Trustees of the University of Pennsylvania from Clinical Care Associates of UPHS; (ii) extend eligibility under the Plan to certain employees of UPHS who made a one-time election to receive their employer benefits in this Plan rather than in a separate defined benefit plan sponsored by UPHS; (iii) make other changes in the Plan's design (including the addition of matching contributions); (iv) incorporate amendments adopted since the last amendment and restatement of the Plan; and (v) make other clarifying changes in the Plan.

The Plan is a defined contribution plan covering substantially all employees of Clinical Care Associates of the UPHS, Clinical Health Care Associates of New Jersey, P.C. (CHCANJ), Chester County Hospital and UPHS employees hired or rehired after July 1, 2010, who have attained age 21 and completed one year of service. The Plan also covers UPHS employees who elected to join this Plan during "Retirement Choice" in 2010. The Plan was previously amended and restated to provide for the merger of the Lancaster General Health Retirement Income Account 401(k) (LGH Plan) and The Princeton HealthCare System Retirement Plan (Princeton Plan) into the Plan in connection with LGH and PHCS joining the University of Pennsylvania Health System and the participation of eligible employees of LGH and Princeton in the Plan. The plan document includes four major employers – Chester County Hospital, UPHS, LGH and PHCS, in addition to other affiliated entities. These affiliates, while listed separately in the plan document, are owned and managed by the aforementioned four major employers. Certain employers have special provisions and terms that apply to contributions to the Plan on behalf of the eligible employees.

The Plan is subject to the provisions ERISA. The Plan Administrator and the Fiduciary Committee are responsible for the oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Eligibility

Each employee who has attained the age of 21 and completed one year of service is eligible for Plan participation on the first day of the calendar quarter following the date the Plan's eligibility requirements have been met. Certain employers have allowed their employees to participate in the plan immediately for deferrals in accordance with the universal availability rules. Please refer to the Plan document for more information by employer.

NOTE 1 - DESCRIPTION OF PLAN *(continued)*

Contributions

Employee deferral contributions are only permitted to be made by participants employed by CHCANJ, The Chester County Hospital and Health System and Affiliates (TCCHHS), LGH and PHCS. Bonuses are excluded from eligible compensation. Participants employed by other UPHS-sponsored organizations are not permitted to make deferral contributions to this Plan. Eligible participants are automatically enrolled in the Plan once the eligibility requirements have been met.

Each year, the Plan Sponsor contributes to the Plan certain amounts, as determined by the UPHS Retirement Committee, to participants who have made salary deferrals, to all employees who have made salary deferrals under the UPHS 403(b) Retirement Savings Plan and to all eligible employees of the Plan. Additionally, the Plan provides for a true up contribution (if deemed necessary) to be made by certain participating employers.

For the years ended December 31, 2025 and 2024, the Plan Sponsor's contribution amounts were: (1) 100% of the salary deferrals of the CHCANJ participants on the first 2.5% of compensation deferred; (2) 100% of the first 2.5% of eligible compensation deferred by participants in the separate 403(b) plan sponsored by UPHS; (3) 50% of LGH participant contributions not to exceed 6% of the participant's compensation, in addition to a basic employer contribution of 2% of participant compensation; (4) 100% of PHCS participant contributions not to exceed 1% of the participant's compensation, in addition to a basic employer contribution which provides for a compensation percentage amount in accordance with the eligibility service schedule noted in the plan document; and (5) an additional annual contribution of 4% of eligible compensation to all eligible Plan participants who worked 1,000 hours during the Plan year and are employed on the last day of the Plan year. Prior to July 1, 2015, Chester County Health System's contribution amounts were 50% of salary deferrals on the first 4% of compensation deferred. Effective July 1, 2015, Chester County Health System's contribution amounts increased to 50% of the salary deferrals on the first 6% of compensation deferred. Effective January 1, 2017, Chester County Health System made an additional annual contribution of 1% of eligible compensation to all eligible participants who worked 1,000 hours during the Plan year and were employed on the last day of the Plan year. Contributions are subject to certain annual limits established by the IRS.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Plan Sponsor's contributions (if applicable) and Plan investment earnings.

All contributions to the Plan are used to purchase tax-sheltered annuity contracts and custodial accounts that are invested in the funding vehicles offered by TIAA and Fidelity Management Trust Company.

NOTE 1 - DESCRIPTION OF PLAN *(continued)*

Participant Accounts (continued)

The assets held under the tax-sheltered annuity contracts and/or custodial accounts do not belong to the Plan, but are held by TIAA and CREF, and the Fidelity Management Trust Company for the exclusive benefit of the Plan participants and their beneficiaries. The individual account balance in the annuity contract and/or custodial account is the sum of the participants' contributions and basic employer contribution and matching contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions, plus actual earnings. Participants' vested interests in his/her Plan Sponsor contributions are based on years of continuous service, as noted in each participating employers vesting schedule in the plan document.

Forfeitures

Forfeited non-vested accounts as of December 31, 2025 and 2024 were $349 and $975, respectively. Forfeited balances of participant's non-vested accounts are used to reduce further Plan Sponsor contributions. Plan Sponsor contributions for 2025 and 2024 were reduced by the aforementioned forfeited non-vested account balances noted.

Payment of Benefits

On termination of service, due to death, disability, or retirement, a participant may elect to receive a distribution of his or her entire accumulated Plan balance, subject to the terms and certain limitations of the funding vehicles. Distribution options include lump-sum payments, partial payments, and installments. In addition, participants may elect in-service withdrawals after reaching age 59½. Hardship withdrawals are also permitted. Upon the death of a participant, the remaining portion of the benefit will be distributed to the beneficiary using the same payment methods noted herein.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to the lesser of 50% of the participant's vested account balance, or $50,000. A participant may have no more than two loans outstanding at any time. Loan terms may extend up to a period not to exceed five years, or for up to 15 years for the purchase of a primary residence. Certain grandfathered loans allow for 30-year repayment terms. The participant loans are collateralized up to 50% of the balance of the participant's account balance as of the date the loan was made. The loans bear interest of local prevailing rates as of the date of the loan. Principal and interest are paid ratably through periodic payroll deductions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Fiduciary Committee determines the Plan's valuation policies utilizing information provided by the trustee/custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

The mutual funds are generally valued using market quotations or prices obtained from independent pricing services.

Common collective trusts are generally valued at the net asset value (NAV) per unit as determined and published by the trustee daily and used as the basis for current transactions. Participant transactions (purchases and redemptions) occur daily at the published NAV, and there are no significant restrictions on redemption. The trusts are therefore classified within Level 1 of the fair value hierarchy.

The Empower Guaranteed Income Fund (formerly the Prudential Guaranteed Income Fund) is a stable value general account product of Empower Annuity Insurance Company, with principal and interest fully guaranteed. The fund invests in a diversified fixed-income portfolio (public bonds, commercial mortgages, private placement bonds) and credits interest based on the portfolio's performance. Valuation is based on the underlying portfolio's market values (e.g., bond prices, mortgage-backed securities) which are observable in markets, and the guarantee is contractual. This fund is classified within Level 2 of the fair value hierarchy.

The TIAA Traditional Annuity Account is another investment of the Plan. The TIAA Traditional Annuity is reported at contract value and segregated into non-benefit and fully benefit-responsive categories. The contract value of the TIAA Traditional Annuity equals the accumulated cash contributions, interest credited to the Plan's contracts, and transfers in (if any) less any withdrawals and transfers out (if any). Fair value approximates contract value for the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued)*

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participants' account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments. Expenses that are paid by the Plan Sponsor are excluded from these financial statements.

Payment of Benefits

A participant's benefits will normally be distributed to the participant or the participant's beneficiary upon termination of service, retirement, disability or death by transfer to another qualified plan or an individual retirement account through a lump-sum distribution, partial or installment payments. In-service withdrawals of all or a portion of a participant's vested account balance may be made by participants who have attained the age of 59½. Hardship withdrawals are permitted when the criteria are met. In-service withdrawals of all or a portion of a participant's rollover account balance may be withdrawn at any time. Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Contributions

Contributions from plan participants are recorded in the year in which the participant compensation is earned and withheld from compensation.

NOTE 3 - INVESTMENTS AND INFORMATION CERTIFIED BY THE TRUSTEE/CUSTODIAN (UNAUDITED)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, and Teachers Insurance and Annuity Association of America ("TIAA") and College Retirement Equity Fund ("CREF"), the custodian of the Plan as of and for the year ended December 31, 2025, have certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

Certain information related to Investments, at fair value and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedules, include investments and notes receivable from participants held at December 31, 2025 and 2024 and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by TIAA and CREF and Fidelity Management Trust Company, custodian and trustee of the Plan (qualified institutions), respectively.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability

NOTE 4 - FAIR VALUE MEASUREMENTS *(continued)*

- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The preceding methods described may produce a fair value calculation that may not indicate net realizable value or reflect future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual funds/CCT	$ 1,431,650,746	$ -	$ -	$ 1,431,650,746
Self-directed brokerage accounts	6,059,132	-	-	6,059,132
CREF account	1,725	-	-	1,725
Empower Guaranteed Income Fund	-	1,389,522	-	1,389,522
TIAA Traditional Annuity	-	-	30,049	30,049
Total	$ 1,437,711,603	$ 1,389,522	$ 30,049	$ 1,439,131,174

	2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,095,531,552	$ -	$ -	$ 1,095,531,552
Self-directed brokerage accounts	4,251,994	-	-	4,251,994
CREF accounts	1,193		-	1,193
Prudential Guaranteed Income Fund	-	1,128,711	-	1,128,711
TIAA Traditional Annuity	-	-	387,870	387,870
Total	$ 1,099,784,739	$ 1,128,711	$ 387,870	$ 1,101,301,320

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net appreciation/depreciation in fair value of investments in the statement of changes in net assets available for benefits.

NOTE 4 - FAIR VALUE MEASUREMENTS *(continued)*

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2025 and 2024 there were no transfers in or out of Levels 1, 2 or 3.

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the year ended December 31, 2025:

`

	TIAA Traditional Annuity
Balance, beginning of year	$ 387,870
Interest income included in changes in net assets	91,310
Purchases, issuances, sales, and settlements	
Contributions, rollovers, and transfers in	-
Withdrawals, distributions, settlements and transfers out	(449,131)
Total purchases, issuances, sales and settlements, net	(449,131)
Balance, December 31, 2025	$ 30,049

The following table represents the Plan's Level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments, and the significant unobservable inputs and the ranges of values for those inputs as of December 31, 2025 and 2024:

	2025 Fair Value	2024 Fair Value	Principal Valuation Technique	Significant Unobservable Inputs	Range*
TIAA Traditional Annuity	$ 30,049	$ 387,870	Discounted cash flow Theoretical transfer (exit value)	Risk-adjusted discount rate applied	RC 3.55%–6.50%

* See Note 5 for a definition of the RC contract type.

Significant increases or decreases in the above unobservable inputs in isolation would result in a significantly lower or higher fair value measurement for such assets.

NOTE 5 - TIAA TRADITIONAL ANNUITY

The TIAA Traditional Annuity is a guaranteed fixed annuity contract available as an investment option to Plan participants. Each contract is fully and unconditionally guaranteed by TIAA. The Traditional Annuity is offered through a variety of contract types, including the Retirement Choice (RC) contract type held by the Plan. The type of contract through which a participant invests in the TIAA Traditional Annuity determines the applicability of certain account features, such as the guaranteed minimum interest rate, additional interest declarations, the degree of liquidity of the participant's account, and the options for receiving income upon retirement.

When participants choose to allocate a portion of their retirement savings to the TIAA Traditional Annuity during the accumulation phase of the contract, their contributions purchase a specific amount of lifetime income based on the contractual rate schedule in effect at the time the premium is paid. For RC contracts, a guaranteed interest rate is set each calendar year for amounts remitted in that calendar year. The floating guaranteed rate will be between 1.00%-3.00%, inclusive, based on the 5-year Constant Maturity Treasury Rate less 125 basis points. The guaranteed rate for each calendar year remittance will be maintained for at least 10 years. The current guaranteed rate is 1.00% for amounts remitted, effective January 1, 2011. The account also offers the opportunity for additional amounts in excess of the guaranteed rate. When declared, additional amounts remain in effect for the 12-month period that begins each March 1. The crediting interest rate was 4.31% and 5.31% as of December 31, 2025 and 2024, respectively.Participant withdrawals and transfers from the RC contracts must be taken in 84-monthly installments, except that a lump-sum distribution is available, if permitted under the Plan, in the 120-day period following termination of employment subject to a 2.5% surrender charge. Therefore, the RC contracts are non-benefit responsive. The RC balance at contract value, which approximates fair value, was $30,049 and $387,870 at December 31, 2025 and 2024, respectively.

NOTE 6 - RELATED-PARTY TRANSACTIONS

The Plan investments are managed and issued by TIAA and CREF and Fidelity Management Trust Company. TIAA and Fidelity Management Trust Company are the custodian and trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Fees paid by the Plan to the custodian are reflected as a reduction in investments earnings.

Certain administrative functions of the Plan are performed by employees of the Plan Sponsor. No such employee receives compensation from the Plan. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules.

NOTE 7 - TAX STATUS

The Plan intends to comply with the applicable requirements of Section 403(b) of the Internal Revenue Code (IRC). The Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and operating in accordance with the applicable requirements of Regulation 1.403(b)-3 of the Code. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under the Section 403(b). The Plan has elected to utilize the employee benefit plan provisions which allow certain changes to distribution and loan rules as prescribed by the SECURE Act and the CARES Act. The IRS, the primary oversight body of the Plan, generally has the ability to examine income tax returns for up to three prior years.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any periods.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any such intention, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would remain 100% vested in their accounts and the balance of the individual accounts of each participant would be distributed in a lump sum or by delivery of a fully paid annuity contract, as defined by the Plan.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to several risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term. The changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 15, 2026, which is the date the financial statements were available to be issued.

Effective December 31, 2025, the Doylestown Hospital 403(b) Plan merged into the Plan and the Doylestown Hospital Employees began participation in the Plan effective January 1, 2026.

The Plan Sponsor also decided as of January 1, 2026 that retirement plan eligibility and employer contributions across all UPHS entities would be standardized.
