INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Center for Human Development, Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Center for Human Development, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Center for Human Development, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Center for

Human Development, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Center for Human Development, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Center for Human Development, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Center for Human Development, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment

information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at year end is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT PLAN
Notes to Financial Statements
December 31, 2025

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Center for Human Development, Inc. ("Company") Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General The Plan is a defined contribution plan covering all full-time employees of the Company who have completed at least one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employee Contributions Each year, participants may contribute up to $23,500 of pretax annual compensation calendar year 2025. ($31,000 for participants aged 50) as defined in the Plan. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans.

Participant Accounts Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to options offered by the Plan. The Plan currently offers investment options through Principal Financial Group.

Company Contributions The Company made contributions to the Plan of $877,661 during the year ended December 31, 2025. The Company pays the accounting and legal fees incurred by the Plan, which totaled $15,619 for the year ended December 31, 2025.

Vesting Participants are immediately vested in their contributions plus actual earnings thereon. Participants are also immediately vested in qualified nonelective and matching employer contributions. Vesting in other employer contributions is based on years of continuous service. A participant is 25% vested after two years of service and receives an additional 25% of vesting in the Company's contributions for each year of service. Participants are 100% vested after five years of credited service.

Participant Loans The plan allows loans to participants through Principal Life Insurance, subject to certain limitations. Plan loans are issued directly from the Vested funds of the participant and loan proceeds are treated as a participant directed investment of their account so loan interest income is treated as income of the participant's account. The maximum loan amount is $50,000.

At December 31, 2025 participants had outstanding plan loan balances due to Principal of $209,750.

Payment of Benefits On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or an elective transfer to another qualified deferral plan.

Forfeited Accounts At December 31, 2025, forfeited non-vested accounts totaled $1,009. Forfeitures of non-vested accounts can be used to pay administrative expenses or reduce Employer contributions and allocated among remaining plan participants in the same manner as the Employer's contributions from which the forfeiture occurred.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The trust maintains its records in accordance with generally accepted accounting principles. Income is recognized when earned and expenses are recognized when incurred. Net unrealized gains and losses are recognized as defined below.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions which affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

Subsequent Events

Subsequent events have been evaluated through October 15, 2026, which is the date the financial statements were available to be issued.

Fair Value Measurements

Financial Accounting Standards Board ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025.

- *Common stocks, corporate bonds and U.S. government securities*: Valued at the closing price reported on the active market on which the individual securities are traded.

- *Mutual funds and Pooled Accounts:* Valued at the net asset value ("NAV") of shares held by the plan at year end using market quotations. Each fund determines its share price or net asset value (NAV) daily. See Note 3 for a further discussion of these accounts

- *Guaranteed investment contract*: See Note 7 for the valuation methodology of this account.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and December 31, 2024:

Assets at Fair Value as of December 31, 2025

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 749,648	$ -	$ -	$ 749,648
Pooled/Collective Trust	9,318,594	-	-	9,318,594

Guaranteed investment contract	-	-	26,938	26,938
Total assets at fair value	12,666,305	-	26,938	12,693,243

Level 3 Gains and Losses

The table below sets forth a summary of changes in fair value of the Plan's level 3 assets for the year ended December 31, 2025:

	Level 3 Assets Year Ended December 31, 2025	
	Guaranteed investment contract	Mutual funds
Balance, beginning of year	$ 26,938	$ -
Realized gains/(losses)	-	-
Unrealized gains/(losses) relating to instruments still held at reporting date	-	-
Interest credited	432	-
Purchases, sales, issuances, transfers and settlements - net	(1,212)	-
Balance, end of year	26,158	-

Credit Risk

The trust is exposed to a concentration of credit risk. All funds are presently invested and managed by The Principal Financial Group. Participants have the ability to choose from various funds. Investment funds available carry varying degrees of investment risk. In addition the Plan is dependent on the Company's ability to fund employer contributions.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – INVESTED ASSETS PREPARED AND CERTIFIED BY THE PRINCIPAL LIFE INSURANCE COMPANY

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified as complete and accurate by Principal Financial Group, the trustee of the plan.

These assets and related transactions were not subject to the auditing procedures performed on the remainder of the financial statements. These investments represent all of the Plan's net assets, other than contributions receivable. Plan Participants can direct where their individual accounts are invested among several investment options offered by Principal Financial Group.

Those investment options are listed in the supplemental information accompanying these financial statements. Investments representing 5% or more of the Plan assets are also listed on the supplemental information schedule.

	December 31, 2025
Investment in Mutual Funds	749,648
Investment in Common/Collective Trust	9,318,594
Investment in Pooled Separate Accounts	4,685,520
Investment in Guaranteed Interest Account	26,158

NOTE 4—RELATED PARTY TRANSACTIONS

The Plan has contracted with the Principal Financial Group to be the trustee of the plan assets. Principal Financial Group manages plan assets, receives participant and employer contributions, offers investment options to plan participants through Pooled Accounts, allocates plan earnings, accounts for each participant account, and disburses benefit payments or transfers plan assets. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Trust for the investment management services of Principal Financial Group amounted to $15,619 for the year ended December 31, 2025.

NOTE 5—PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6—TAX STATUS

The Internal Revenue Service has determined and informed the Company that the Plan and related trust were in accordance with applicable sections of the Internal Revenue Code (IRC) when originally established. In a letter dated March 31, 2014 the Internal

Revenue Service confirmed that the form of the Plan is acceptable under section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. Subsequent to the most recent IRS letter, amendments have been made effective November 20, 2018. Although a determination has not been made by the IRS following these most recent amendments, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 7—INVESTMENT CONTRACT WITH PRINCIPAL FINANCIAL GROUP

The Plan has entered into an investment contract with Principal Financial Group. Principal Financial Group maintains contributions in pooled accounts. The accounts are credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses charged by Principal Financial Group. The contract is included in the financial statements at fair value because it does not meet the criteria to be considered fully benefit-responsive. There are no reserves against contract value for credit risk of Principal Financial Group or otherwise. The fair value of the investment contract at December 31, 2025 was $26,158. The average yield and crediting interest rates are approximately 1.0%. The crediting interest rate is based on an agreed-upon formula with Principal Financial Group, but cannot be less than zero.

NOTE 8 -- RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 – RECONCILIATION TO FORM 5500, SCHEDULE H

There are no differences between net assets available for benefits per the financial statements and Schedule H of Form 5500.
