## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the InterDent Service Corporation 401(k) Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Plan Description

The following description of the InterDent Service Corporation 401(k) Plan and Trust (the "Plan") is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the Plan document.

### A. General

Headquartered in El Segundo, California, InterDent Service Corporation (InterDent or the Company) through its subsidiaries is a leading provider of dental practice management services to multi-specialty dental professional corporations and associations in the United States. The Plan is a defined contribution plan, which is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Employees of InterDent are eligible to participate in the Plan upon completion of 60 days of service and attainment of age 20½, and eligible for profit sharing contributions upon completion of 60 days of service.

### B. Contributions

Participants may contribute 90% of their compensation as defined in the Plan, subject to Internal Revenue Code (the "Code") limitations. Participants may also rollover amounts representing distributions from other qualified plans. Participants may contribute a maximum of $23,500 to the Plan for 2025. Catch-up contributions are also allowed. Effective July 1, 2024, eligible participants will be automatically enrolled into the Plan at a contribution rate of 5% and the Plan will automatically increase pre-tax election by 1%, not to exceed 6% of compensation.

The Company, at its discretion, may make matching contributions. The Company elected to make matching contributions to the Plan for 2025 in the amount of $1,183,540.

### C. Vesting

Participants are immediately vested as to their contributions, rollover contributions, and actual earnings thereon. Vesting in the Company's contributions plus actual earnings thereon is based on years of continuous service according to the following schedule:

| Years of Service | Vested Interest (%) |
|---|---|
| 1 | 20 |
| 2 | 40 |
| 3 | 60 |
| 4 | 80 |
| 5 | 100 |

A participant also becomes fully vested in Company contributions, if any, upon death or permanent disability while an employee of the Company, upon attaining normal retirement age, or upon termination of the Plan. QNECs are always 100% vested.

Any portion of a participant's account that is not vested shall be forfeited upon distribution of the vested portion. First, forfeitures shall be used to reduce future Company contributions; second, any remaining forfeitures shall be used to offset the Plan's administrative costs and third, any remaining forfeitures shall be allocated to participants. Forfeitures totaled $110,979 in 2025; $102,558 used to offset Company contributions and $316 was used to offset plan expenses. Forfeitures totaling $162,222 and $94,853 were included in net assets as of December 31, 2025 and 2024, respectively.

## NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### D. Payment of Benefits

Benefit distributions under the Plan may be made in the form of a single lump-sum payment or installment payments, and are recorded when paid. Normal retirement age is 65; early retirement is allowed at age 55 for participants who have completed three years of service. Benefits may also be paid upon death, disability, termination of employment or termination of the Plan.

### E. Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, an allocation of the Company's contributions, if any, and Plan earnings. Allocations are based on participant earnings or account balances.

### F. Notes Receivable from Participants

A participant may secure a loan from his or her account in an amount greater than $1,000, not to exceed the lesser of 50% of the vested account balance or $50,000, reduced by the highest outstanding loan balance during the previous 12 months. Repayments are applied to the borrower's account. Loans bear interest at a reasonable rate, commensurate with rates charged by commercial lenders under similar circumstances. At December 31, 2025, interest rates on loans ranged from 4.25% to 9.50% with maturities through 2040.

### G. Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

### H. Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

### I. Administrative Expenses

Most administrative expenses are paid by the Company.

### J. Investment Valuation and Income Recognition

Investments held by an employee benefit plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value represents contributions made under a contract, plus earnings, less participant withdrawals and administrative expenses.

## NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### J. Investment Valuation and Income Recognition (Continued)

Net appreciation includes gains and losses on investments bought and sold as well as held during the year. Mutual fund capital gains distributions are included in dividends and interest income.

### K. Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in active markets.

Level 2 – Inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments based on the inputs used to value them:

| | December 31, 2025 | | | |
|---|---|---|---|---|
| Description | Level 1 | Level 2 | Level 3 | Total |
| Mutual Funds | $ 16,868,484 | $ - | $ - | $ 16,868,484 |
| Investments Measured at Net Asset Value[A] | | | | 90,898,363 |
| | | | | $ 107,766,847 |

| | December 31, 2024 | | | |
|---|---|---|---|---|
| Description | Level 1 | Level 2 | Level 3 | Total |
| Mutual Funds | $ 15,275,999 | $ - | $ - | $ 15,275,999 |
| Investments Measured at Net Asset Value[A] | | | | 80,598,075 |
| | | | | $ 95,874,074 |

[A] In accordance with ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Mutual funds are valued at fair value based on closing market prices. Purchases and sales of investments are recorded on the trade date basis. Interest and dividends are recorded on the accrual basis. Dividend income is recorded on the ex-dividend date Pooled separate accounts and common/collective trusts are direct filing entities.

The following table summarizes investments for which fair value is measured using net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments:

### L. Risks and Uncertainties

The Plan provides for various investment options in any combination of investments offered by the Plan. Investments are exposed to various risks, such as interest rate, market and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the financial statements. The Plan's exposure to the credit loss in the event of nonperformance of investments is limited to the carrying value of such investments.

## NOTE 2 - FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIANS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2025 and 2024 and investment income for the year ended December 31, 2025 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal Trust Company and Principal Life Insurance Company, the custodians of the Plan.

## NOTE 3 - INCOME TAX STATUS

The Plan is a volume submitter plan that has received a favorable opinion letter from the Internal Revenue Service. The Company believes the Plan qualifies under and is operated in accordance with applicable requirements of the Code and related state statutes and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## NOTE 4 - FIXED INCOME GUARANTEED OPTION

The Plan maintains a fully benefit-responsive group annuity contract with Principal Financial Group through the Fixed Income Guaranteed Option ("Guaranteed Interest Account"). Contributions to the Guaranteed Interest Account are maintained in a Principal Financial Group general account and credited for interest and charged for participant withdrawals and administrative expenses. Principal Financial Group is contractually obligated to repay principal and a specified rate of interest that is guaranteed to the Plan. The Guaranteed Interest Account meets fully benefit-responsive investment contract criteria and is reported at contract value.

**NOTE 4 - FIXED INCOME GUARANTEED OPTION (Continued)**

The crediting rate is based on a formula established by Principal Financial Group but may not be less than 0.15% percent or greater than 3%. The crediting rate is reviewed semiannually for resetting. The 2025 crediting rate was 2.15% through December 2025.

The Plan's ability to receive amounts due is dependent on Principal's ability to meet its financial obligations. There are no reserves against contract value for credit loss. Certain events might limit the ability of the Plan to transact at contract value including premature termination of Plan investments in the Guaranteed Interest Account. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

**NOTE 5 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate or amend the Plan subject to the provisions of ERISA. If the Plan is terminated, all participants will be 100% vested in their account balances.

**NOTE 6 - PARTIES-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by the custodians or affiliates. Any purchases and sales of these investments are performed in the open market at fair value. Such transactions, while considered party in interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibitions of party in interest transactions under ERISA.

**NOTE 7 - PLAN AMENDMENT**

Effective July 1, 2024, the Plan was adopted to automatically enroll eligible participants into the Plan at a contribution rate of 5% and the Plan will automatically increase pre-tax election by 1%, not to exceed 6% of compensation.

**NOTE 8 - SUBSEQUENT EVENTS**

The Plan was amended effective January 1, 2026 to increase the maximum automatic escalation percentage under the Plan's automatic enrollment feature from 6% to 7% of compensation.

Management has evaluated subsequent events through October 15, 2026, the date the financial statements were available to be issued. There were no other material subsequent events that required recognition or additional disclosures in these financial statements.
