Independent Auditor's Report

To the Plan Administrator and Plan Participants
Dickman Supply Company 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Dickman Supply Company 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Dickman Supply Company 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note #3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dickman Supply Company 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dickman Supply Company 401(k) Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dickman Supply Company 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dickman Supply Company 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters **- Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H Line 4i - Schedule of Assets (Held at End of Year as of December 31, 2025), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional

procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"EXHIBIT B"

DICKMAN SUPPLY COMPANY
401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

Note #1 – Significant Accounting Policies

Basis of Accounting:

The accounting records of the Plan are maintained on the accrual basis.

Investment Valuation and Income Recognition:

The Plan's investments are reported at fair value. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Realized/unrealized gains and losses include the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates:

Management used estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported additions and deductions of net assets. Actual results could vary from those estimates that were used.

Payment of Benefits:

Benefits are recorded when paid.

Excess Contributions Refundable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability.

Note #2 – Description of the Plan

The Plan was established effective January 1, 1995. The Plan is a defined contribution plan covering substantially all employees of Dickman Supply Company (the Company). The Company pays certain administrative expenses of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Eligibility Requirements – Each employee of Dickman Supply Company shall become a participant on the entry date (January 1, April 1, July 1 or October 1) coincident with or next following age 18 and the completion of one year of service (defined as 1,000 hours).

Contributions – The Plan provides for voluntary participant contributions up to 100% of annual compensation, as defined in the Plan. Participants age 50 or older may make additional "catch-up" deferrals. Participants can opt to designate all or a portion of participant contributions as ROTH. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Employer matching contributions and Qualified Matching Contributions (QMAC) to the Plan are discretionary and determined on a pay period basis. QMAC contributions are made only to non-highly compensated employees. Employee pre-tax deferral and ROTH contributions are eligible for employer matching; employee catch-up contributions are excluded from employer matching. The employer made a matching contribution equal to 50% of the first 5% of deferral in 2025 and 2024. No employer QMAC matching contribution was made for 2025 and 2024.

DICKMAN SUPPLY COMPANY
401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

Note #2 – Description of the Plan (Continued)

The Plan also allows for an employer discretionary non-elective contribution and Qualified non-elective contribution (QNEC), which would be determined on an annual basis and allocated to participants based on compensation. QNEC contributions are only allocated to non-highly compensated employees. To be eligible to receive any of these employer contributions, the participant must be employed at year end or have separated from service with at least 500 hours of service. There was no employer non-elective contribution or QNEC contribution in 2025 or 2024. Contributions are subject to certain regulatory limitations.

Participant Accounts – Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings. Plan earnings are allocated using daily valuation accounting to each participant's account in the proportion that each participant's account balances, as defined, bears to the total account balances of all participants. Participants direct their investment contributions into investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Benefit Payments – Participants have a fully vested and non-forfeitable interest in the value of their account derived from participant contributions, QMAC, and QNEC contributions. Vesting in the employer matching and employer non-elective contributions is based on years of service. A year of service is a 12 month-period, the same as the employment year, during which the participant is credited with 1,000 hours of service. Participants are 20% vested after two years of service with an additional 20% vesting each year. After six years of service, the participant is fully vested. Upon normal retirement at age 65, death, or disability, participants are 100% vested. Upon termination of employment, a participant may receive the amount of his or her vested account balance. Participants may elect to take the entire or partial vested account balance. Payments are made in the form of a lump-sum payment in cash or a rollover to an IRA or another qualified plan. If a terminated participant's account balance is less than $5,000 a direct rollover can be made into an IRA without participant consent. Hardship distributions are permitted from the participant's vested account balances, excluding QNEC and QMAC accounts. In-service distributions are permitted upon reaching the age 59½ from the participant's vested account balances. Required distributions begin upon reaching age 70½, even if you are still employed.

Forfeited Accounts - At December 31, 2025 and 2024, forfeited non-vested accounts totaled approximately $4,106 and $9,629, respectively. Forfeitures can be used at the employer's discretion to pay for Plan expenses, allocated as additional employer contributions, or to fund employer contributions; $7,683 and $3,540 were used in 2025 and 2024, respectively.

Note #3 – Certifications

All of the Plan's investments and investment transactions were recorded by Empower Trust Company, the asset custodian. The accompanying financial statements have been prepared from the information supplied and certified by the custodian, including investment assets, transactions, and income.

Note #4 – Income Tax Status

The Plan is an adoption of a prototype plan, which obtained its latest favorable opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the plan prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan and prototype have since been amended, however, the plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Note #5 – Plan Termination

Although it has not expressed any intent to do so, the employer has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated funds of the trust shall be allocated and all participants will become fully vested and non-forfeitable.

Note #6 – Investments

The Plan maintained its pooled separate accounts through a group annuity contract with MassMutual Insurance Company. Pooled separate accounts are accounts maintained by an insurance company that are used for the collective investment of plan funds from more than one employee benefit plan. These accounts are credited with the income, gains, or losses resulting from the assets allocated to the specific separate accounts. The value of a separate account increases or decreases based on the value of the assets held in the separate account, which are single mutual funds, multiple securities, or other separate accounts.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. Fair value measurements are as follows as of December 31, 2025 and 2024:

	2025	
	Fair Value	Significant Other Observable Inputs (Level 2)
Pooled Separate Accounts	$ 18,264,127	$ 18,264,127

	2024	
	Fair Value	Significant Other Observable Inputs (Level 2)
Pooled Separate Accounts	$ 15,366,305	$ 15,366,305

DICKMAN SUPPLY COMPANY
401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

Note #6 – Investments – (Continued)

FASB ASC 820-10, *Fair Value Measurements,* establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 1 fair value measurements are based on unadjusted quoted prices in active markets for identical assets. The Plan's mutual funds' values are based on the net asset value (NAV) available in an observable market.

Note #7 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note #8 – Subsequent Events

Plan management has evaluated subsequent events through the date of the report of these financial statements, which is the date on which the financial statements were available for issue.

To the Plan Administrator and Plan Participants
Dickman Supply Company 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Dickman Supply Company 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Dickman Supply Company 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note #3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dickman Supply Company 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dickman Supply Company 401(k) Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dickman Supply Company 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dickman Supply Company 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters **- Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H Line 4i - Schedule of Assets (Held at End of Year as of December 31, 2025), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional

procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DICKMAN SUPPLY COMPANY
401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

Note #1 – Significant Accounting Policies

Basis of Accounting:

The accounting records of the Plan are maintained on the accrual basis.

Investment Valuation and Income Recognition:

The Plan's investments are reported at fair value. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Realized/unrealized gains and losses include the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates:

Management used estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported additions and deductions of net assets. Actual results could vary from those estimates that were used.

Payment of Benefits:

Benefits are recorded when paid.

Excess Contributions Refundable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability.

Note #2 – Description of the Plan

The Plan was established effective January 1, 1995. The Plan is a defined contribution plan covering substantially all employees of Dickman Supply Company (the Company). The Company pays certain administrative expenses of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Eligibility Requirements – Each employee of Dickman Supply Company shall become a participant on the entry date (January 1, April 1, July 1 or October 1) coincident with or next following age 18 and the completion of one year of service (defined as 1,000 hours).

Contributions – The Plan provides for voluntary participant contributions up to 100% of annual compensation, as defined in the Plan. Participants age 50 or older may make additional "catch-up" deferrals. Participants can opt to designate all or a portion of participant contributions as ROTH. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Employer matching contributions and Qualified Matching Contributions (QMAC) to the Plan are discretionary and determined on a pay period basis. QMAC contributions are made only to non-highly compensated employees. Employee pre-tax deferral and ROTH contributions are eligible for employer matching; employee catch-up contributions are excluded from employer matching. The employer made a matching contribution equal to 50% of the first 5% of deferral in 2025 and 2024. No employer QMAC matching contribution was made for 2025 and 2024.

Note #2 – Description of the Plan (Continued)

The Plan also allows for an employer discretionary non-elective contribution and Qualified non-elective contribution (QNEC), which would be determined on an annual basis and allocated to participants based on compensation. QNEC contributions are only allocated to non-highly compensated employees. To be eligible to receive any of these employer contributions, the participant must be employed at year end or have separated from service with at least 500 hours of service. There was no employer non-elective contribution or QNEC contribution in 2025 or 2024. Contributions are subject to certain regulatory limitations.

Participant Accounts – Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings. Plan earnings are allocated using daily valuation accounting to each participant's account in the proportion that each participant's account balances, as defined, bears to the total account balances of all participants. Participants direct their investment contributions into investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Benefit Payments – Participants have a fully vested and non-forfeitable interest in the value of their account derived from participant contributions, QMAC, and QNEC contributions. Vesting in the employer matching and employer non-elective contributions is based on years of service. A year of service is a 12 month-period, the same as the employment year, during which the participant is credited with 1,000 hours of service. Participants are 20% vested after two years of service with an additional 20% vesting each year. After six years of service, the participant is fully vested. Upon normal retirement at age 65, death, or disability, participants are 100% vested. Upon termination of employment, a participant may receive the amount of his or her vested account balance. Participants may elect to take the entire or partial vested account balance. Payments are made in the form of a lump-sum payment in cash or a rollover to an IRA or another qualified plan. If a terminated participant's account balance is less than $5,000 a direct rollover can be made into an IRA without participant consent. Hardship distributions are permitted from the participant's vested account balances, excluding QNEC and QMAC accounts. In-service distributions are permitted upon reaching the age 59½ from the participant's vested account balances. Required distributions begin upon reaching age 70½, even if you are still employed.

Forfeited Accounts - At December 31, 2025 and 2024, forfeited non-vested accounts totaled approximately $4,106 and $9,629, respectively. Forfeitures can be used at the employer's discretion to pay for Plan expenses, allocated as additional employer contributions, or to fund employer contributions; $7,683 and $3,540 were used in 2025 and 2024, respectively.

Note #3 – Certifications

All of the Plan's investments and investment transactions were recorded by Empower Trust Company, the asset custodian. The accompanying financial statements have been prepared from the information supplied and certified by the custodian, including investment assets, transactions, and income.

Note #4 – Income Tax Status

The Plan is an adoption of a prototype plan, which obtained its latest favorable opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the plan prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan and prototype have since been amended, however, the plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Note #5 – Plan Termination

Although it has not expressed any intent to do so, the employer has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated funds of the trust shall be allocated and all participants will become fully vested and non-forfeitable.

Note #6 – Investments

The Plan maintained its pooled separate accounts through a group annuity contract with MassMutual Insurance Company. Pooled separate accounts are accounts maintained by an insurance company that are used for the collective investment of plan funds from more than one employee benefit plan. These accounts are credited with the income, gains, or losses resulting from the assets allocated to the specific separate accounts. The value of a separate account increases or decreases based on the value of the assets held in the separate account, which are single mutual funds, multiple securities, or other separate accounts.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. Fair value measurements are as follows as of December 31, 2025 and 2024:

	2025	
	Fair Value	Significant Other Observable Inputs (Level 2)
Pooled Separate Accounts	$ 18,264,127	$ 18,264,127

	2024	
	Fair Value	Significant Other Observable Inputs (Level 2)
Pooled Separate Accounts	$ 15,366,305	$ 15,366,305

Note #6 – Investments – (Continued)

FASB ASC 820-10, *Fair Value Measurements,* establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 1 fair value measurements are based on unadjusted quoted prices in active markets for identical assets. The Plan's mutual funds' values are based on the net asset value (NAV) available in an observable market.

Note #7 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note #8 – Subsequent Events

Plan management has evaluated subsequent events through the date of the report of these financial statements, which is the date on which the financial statements were available for issue.
