## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of McCreary, Veselka, Bragg & Allen, P.C. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of McCreary, Veselka, Bragg & Allen, P.C. 401(k) Profit Sharing Plan & Trust's (the Plan) 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

## Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit for the 2025 Financial Statements section:

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2025 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2025 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2025 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matters**

***2025 Supplemental Schedules Required by ERISA***

The supplemental schedule of assets held for investment purposes and schedule of reportable transactions as of and for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditor's Report on the 2024 Financial Statements***

The financial statements of McCreary, Veselka, Bragg & Allen, P.C. 401(k) Profit Sharing Plan & Trust as of December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 15, 2025, indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedules, other than the information in the 2024 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**

## 1. Description of Plan

The following description of the McCreary, Veselka, Bragg & Allen, P.C. 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan covers employees of McCreary, Veselka, Bragg & Allen, P.C., referred to as "the Employer". The Plan was originally established and effective beginning April 1, 1984.

Eligibility – All non-excluded employees are eligible for participation in the Plan after completing 30 days of service and attainment of age 18. Eligible employees become participants of the Plan on the first day of the month following the satisfaction of the eligibility requirements.

Contributions – Participants may elect to defer up to 100% of their eligible compensation into the Plan as a pre-tax, after-tax, or Roth 401(k) contribution, not to exceed the dollar limit set by law. Participants may elect to start, increase, or reduce elections to contribute to the Plan effective as of each pay period. Participants may suspend their elections at any time.

The Employer may make an Employer profit sharing and/or a discretionary matching contribution to the Plan on behalf of each participant in an amount equal to a percentage of eligible contributions made by each participant during the contribution period. For 2025 and 2024, the Employer made discretionary contributions equal to 25% of each participant's contributions, subject to the eligibility requirements noted above.

Participants can roll over part or all of an eligible rollover distribution they receive from an eligible retirement plan into this Plan.

Forfeitures – There are no forfeitures. All contributions are fully vested.

Vesting – Participants are always fully vested in their contributions and in the Employer matching contributions upon entering the Plan.

Participant Accounts – Each participant has one account that will consist of sub-accounts designated for participant contributions and Employer match contributions. Participant contribution accounts are credited with the participant's contributions and the earnings of the specific investment vehicles selected. Participants may self-direct their contributions to investment options available under the Plan.

The Employer match contribution accounts are credited with the Employer's matching contribution. Participants may also self-direct the Employer account to investment options available under the Plan.

## NOTES TO FINANCIAL STATEMENTS

Payment of Benefits – Participants may receive a distribution of the vested portion of some or all of the accounts in the Plan if they request one due to their disability, retirement, or termination of employment from the Employer. If a participant's vested account balance does not exceed $1,000, the participant's account balance will be distributed in a lump sum. If a participant's vested account balance exceeds $1,000, but is less than $5,000, participants may either elect to receive the distribution in cash or to roll over the distribution to an IRA or other qualified plan of a new employer. If a participant's vested account balance exceeds $5,000, the participant must consent to any distribution.

Participants who have attained age 59½ may receive an in-service distribution from their vested accounts. Hardship distributions may also be made to satisfy certain immediate and heavy financial needs that a participant may have.

### 2. Summary of Accounting Policies

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Benefits are recorded when paid.

Investments are reported at fair. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the period. Actual results could differ from those estimates.

### 3. Administration of Plan Assets

Certain expenses for maintaining the Plan are paid directly by the Employer and are not included in these financial statements. Fees for recordkeeping and for administering notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net change in fair value of investments.

## 4. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum amount equal to the lesser of one-half of their vested account balance or $50,000, reduced by the highest outstanding loan balance in their account during the prior 12-month period. Loans are secured by the balance in a participant's account. All loans bear a reasonable rate of interest. Interest rates range from 3.50% to 10.50%. Principal and interest are paid ratably through after-tax payroll deductions from each regular paycheck over a five-year period, unless it is for the purchase of a participant's principal residence in which case the loan repayment period may not exceed 15 years from the date of the loan. Participants may not have more than two outstanding notes at one time.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make note repayments and the Plan administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded. At December 31, 2025 and 2024, notes receivable from participants were $178,381 and $221,414, respectively.

## 5. Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental information was obtained from data that has been prepared and certified to as complete and accurate by Charles Schwab Trust Bank, the Trustee. The following table represents cash, investments, and notes receivable from participants at December 31, 2025 and 2024.

## 6. Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the SEC that are required to publish their daily NAV and to transact at that price.

*Common Stocks:* Valued at the closing price reported in the active market in which the individual securities are traded.

## NOTES TO FINANCIAL STATEMENTS

*Common Collective Trust*: The Plan's interest in the Stable Value Fund, a common collective trust, is valued at the net asset value (NAV) per unit reported by the Trustee, as a practical expedient for fair value. The NAV is based on the value of the underlying investments, which consist primarily of fully benefit-responsive investment contracts and fixed income securities. Investments measured at NAV as a practical expedient have not been classified in the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

| | Assets at Fair Value as of December 31, 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Totals |
| Investments in Mutual Funds | $ 25,269,264 | $ | $ | $ 25,269,264 |
| Investments in Common Stock | 128,960 | | | 128,960 |
| Investments Measured at NAV (a) | | | | 1,595,320 |
| Total Investments at Fair Value | $ 25,398,224 | $ 0 | $ 0 | $ 26,993,544 |

| | Assets at Fair Value as of December 31, 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Totals |
| Investments in Mutual Funds | $ 23,323,564 | $ | $ | $ 23,323,564 |
| Investments in Common Stock | 97,525 | | | 97,525 |
| Investments Measured at NAV (a) | | | | 2,034,536 |
| Total Investments at Fair Value | $ 23,421,089 | $ 0 | $ 0 | $ 25,455,625 |

(a) In accordance with FASB ASC 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts in the Statements of Net Assets Available for Benefits.

Concentrations of credit risk exist if a number of investments are engaged in similar activities and have similar economic characteristics that could cause their ability to meet contractual obligations to be similarly affected by changes in economic or other conditions. The Plan has invested in a variety of financial instruments and investments involving diverse industries and geographic areas to mitigate exposure to credit risk.

Gains and losses (realized and unrealized) included in changes in net assets for the periods above are reported in net appreciation (depreciation) in fair value of investments in the Statements of Changes in Net Assets Available for Benefits.

## NOTES TO FINANCIAL STATEMENTS

### 7. Net Asset Value (NAV) Per Share

Entities are permitted, as a practical expedient, to estimate the fair value of investments within their scope using the NAV per share of the investment as of the reporting entity's measurement date.

The following table sets forth a summary of the Plan's investments with fair values that have been estimated using NAV per share as of December 31, 2025 and 2024:

| | Fair Value as of December 31, 2025 | Fair Value as of December 31, 2024 | Unfunded Commitment | Redemption Frequency | Other Redemption Restrictions | Redemption Notice Period |
|---|---|---|---|---|---|---|
| Common Collective Trust Stable Value Fund | $ 1,595,320 | $ 2,034,536 | None | Daily | (a) | None (b) |

(a) Participant transactions (purchases and sales) may occur daily. Certain events, such as amendments to the Plan document, complete or partial termination of the Plan, or Employer-initiated events such as layoffs or early retirement programs, may limit the Plan's ability to transact at the fund's NAV.

(b) If the Plan initiates a full redemption of the fund, the Trustee reserves the right to temporarily delay the withdrawal to ensure that securities liquidations will be carried out in an orderly manner.

### 8. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

### 10. Tax Status

The Plan is operating under a non-standardized pre-approved profit sharing plan through FIS Business Systems LLC dated June 30, 2020. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan adopted the "uncertain tax positions" provisions of accounting principles generally accepted in the United States of America. The primary tax position of the Plan is its filing status as a tax-exempt entity. The Plan determined that it is more likely than not that its tax positions would be sustained upon examination by the Internal Revenue Service (IRS), or other state taxing authorities. There were no penalties or interest recognized during the years ended December 31, 2025 and 2024. The Plan is no longer subject to U.S. federal income tax examinations by federal taxing authorities for years before 2022.

## 11. Related Party Transactions

Certain Plan investments are stable value funds that are maintained by Charles Schwab Trust Bank. Charles Schwab Trust Bank is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. For the years ended December 31, 2025 and 2024, fees paid by the Plan for recordkeeping and administrative services amounted to $7,956 and $7,366, respectively.

## 12. Reconciliation of Financial Statements to Schedule H of Form 5500

The accompanying financial statements show different amounts for contributions than what is represented in Schedule H of the Form 5500 because those amounts that are employee receivables at year end are not reflected on the Form 5500.

The following is a reconciliation of employee contributions per the accompanying 2025 and 2024 financial statements to the Schedule H of Form 5500:

| | December 31, | |
