INDEPENDENT AUDITORS' REPORT

The Board of Trustees of
Southern Newspapers, Inc.
Media Employees' Medical Plan Trust:

Opinion

We have audited the accompanying financial statements of Southern Newspapers, Inc. Media Employees' Medical Plan Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Southern Newspapers, Inc. Media Employees' Medical Plan Trust as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Southern Newspapers, Inc. Media Employees' Medical Plan Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Southern Newspapers, Inc. Media Employees' Medical Plan Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or

the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southern Newspapers, Inc. Media Employees' Medical Plan Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Southern Newspapers, Inc. Media Employees' Medical Plan Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Assets Held for Investment are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A -- DESCRIPTION OF PLAN

The following description of the Southern Newspapers, Inc. Media Employees' Medical Plan Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan provides health, disability and death benefits covering all eligible employees of Southern Newspapers, Inc. and affiliated companies (Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits - The Plan provides health benefits (including medical, hospital, surgical, emergency, mental and dental), disability benefits and death benefits to full-time employees of the Sponsor and to their beneficiaries and covered dependents.

Disability and death benefits are covered by group insurance policies with independent insurance carriers.

Eligibility - Employees are eligible to participate in the Plan if they are a regular full-time employee for at least 1 month and regularly scheduled to work a minimum of 30 hours per week. An employee's eligible dependents may also participate.

Contributions - The employers and employees make monthly contributions to the Plan to fund the Plan's benefits. The contribution rates are evaluated annually by the Plan's actuary, based upon claims experience, and adjusted when necessary. The Sponsor's policy is to contribute the amounts not to exceed maximum amounts allowed as a tax deduction by the Internal Revenue Code. Under present law, the Sponsor is not permitted to deduct amounts for future benefits to employees.

Plan termination - If the Plan is terminated, the rights of the Plan Participants are limited to expenses incurred before termination. The Employer intends to maintain this Plan indefinitely, however, it reserves the right at any time to amend, to discontinue its contributions and to suspend or terminate the Plan in whole or in part subject to the provisions set forth in ERISA. This includes amending the benefits under the Plan or the Trust agreement.

Date of Management's Review - Management has evaluated subsequent events through August 31, 2026, the date on which the financial statements were available to be issued.

NOTE B -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Plan Benefits - Plan liabilities for health claims incurred but not reported as of December 31, 2025 and 2024, are estimated using claims payment experience during the fiscal year and any other matters that may affect the reasonableness of the estimated liability.

NOTE C -- REINSURANCE (Excess Risk Insurance)

The Plan purchased an excess risk insurance policy which limits the Plan's liability for claims for individuals and the Plan in excess of agreed upon limits. The individual excess risk level was $125,000, with an additional aggregate specific deductible of $150,000 and $350,000 for the annual policy periods ended September 30, 2025 and 2024, respectively, for all individual claims. The Plan's excess risk level had a minimum aggregate attachment point of $2,644,125 and $2,435,750 for the policy periods ending September 30, 2025 and 2024, respectively.

NOTE D -- PARTIES-IN-INTEREST AND PLAN EXPENSES

The Plan Sponsor may pay administrative and trust expenses in whole or in part. All expenses not paid by the Sponsor shall be paid by the Plan. Plan expenses paid by the Sponsor include audit fees and legal fees to Conner & Winters, which are not charged to the Plan, totaling $24,871 and $23,883 for the years ended December 31, 2025 and 2024, respectively.

The Sponsor also pays the salaries of the benefits coordinator and other personnel who perform services for the Plan as part of their duties. These salaries and wages are not recorded as Plan expenses.

NOTE E -- ERISA BOND REQUIREMENTS

The Employee Retirement Income Security Act of 1974 (ERISA) requires that every person who handles funds or other property of the Plan be bonded. The bond coverage is to be determined by the balance of the total assets and is required to be at least equal to the lesser of 10% of the plan's assets at the beginning of the year or $500,000. At December 31, 2025 and 2024, the Plan's sponsor maintained bond coverage in the amount of $1,000,000.

NOTE F -- TAX STATUS

The trust established under the plan to hold the plan's assets obtained its latest determination letter on April 11, 1989, in which the Internal Revenue Service stated that the trust, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The trust has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the trust is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Effective January 1, 2009, the Plan adopted guidance issued by the Financial Accounting Standards Board regarding accounting for uncertainty in income taxes. This guidance clarifies the accounting for income taxes by prescribing the minimum recognition threshold an income tax position is required to meet before being recognized in the financial statements and applies to all income tax positions. Each income tax position is assessed using a two-step process. A determination is first made as to whether it is more likely than not that the income tax position will be sustained, based upon technical merits, upon examination by the taxing authorities. If the income tax position is expected to meet the more likely than not criteria, the benefit recorded in the financial statements equals the largest amount that is greater than 50% likely to be realized upon its ultimate settlement.

The Plan is organized as a not-for-profit entity for federal income tax purposes. As a result there is no federal income tax liability. Therefore, no provision or liability for federal income taxes has been included in the financial statements. The federal income tax returns of the Plan for years 2022 through 2025 are subject to examination by the IRS, generally for three years after they were filed.

The income tax position taken by the Plan for any years open under various statutes of limitation is that the Plan continues to be exempt from federal income taxes by virtue of its not-for-profit entity status. Trustees believe this tax position meets the more-likely-than-not threshold and, accordingly, the tax benefit of this income tax position (no federal income tax expense or liability) has been recognized for the years ended December 31, 2025 and 2024. The Plan does not
