# *Independent Auditors' Report*

To the Plan Administrator
Center for Breakthrough Medicines
401(k) Plan
King of Prussia, Pennsylvania

## *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Center for Breakthrough Medicines 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Center for Breakthrough Medicines 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

## *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator
Center for Breakthrough Medicines
401(k) Plan
King of Prussia, Pennsylvania

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Center for Breakthrough Medicines 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Center for Breakthrough Medicines 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Center for Breakthrough Medicines 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Center for Breakthrough Medicines 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Plan Administrator
Center for Breakthrough Medicines
401(k) Plan
King of Prussia, Pennsylvania

***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTE A - DESCRIPTION OF PLAN

The following description of the Center for Breakthrough Medicines 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

### ***General***

The Plan is a defined contribution plan, which commenced January 1, 2022, and was restated January 1, 2023. All employees age 21 and over who have completed one month of service – elapsed time (not to exceed twelve months) are eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

### ***Contributions***

Each year, participants may contribute to the Plan up to 100% of their gross compensation on a pre-tax basis through salary reduction. Participants' elective deferrals are subject to the limitations of Internal Revenue Code Section 402(g). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants may designate a percentage of after-tax compensation as Roth contributions. The Company can make a discretionary match as a uniform percentage of matched employee contributions and a non-elective contribution in an amount determined by the Company, as defined in the Plan. The Company contributions are determined annually by management. Participants' contributions were $2,213,434 for the year ended December 31, 2025. There were $788,941 in Company contributions for the year ended December 31, 2025, net of forfeitures of $284,394.

### ***Participant Accounts***

A separate investment account is maintained for each Plan participant. Participants may direct the investment of their accounts into various funds specified by the Plan. Participant accounts are credited with the participant's contribution, an allocation of the Company's matching contribution and an allocation of Plan earnings as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### ***Vesting***

Participants are immediately 100% vested in their own contributions to the Plan. Participants will be considered to have earned a year of service based on the elapsed time method from their date of hire. Effective January 1, 2025, the Plan was amended to reflect a change in the vesting schedule. Vesting in the Company's matching and profit-sharing contribution is determined as follows:

| | |
|---|---|
| Year 1 | 25% |
| Year 2 | 50% |
| Year 3 | 75% |
| Year 4 | 100% |

*See the independent auditors' report.*

**NOTE A - DESCRIPTION OF PLAN (Continued)**

***Vesting (Continued)***

Regardless of the vesting schedule, a participant will become fully vested upon death, disability, and at normal retirement age.

***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loans must be fully repaid through payroll deductions within 5 years unless the loan is used to purchase the participant's primary residence. Loans used to purchase a primary residence, the administrator may permit a longer repayment term of up to 30 years. The loans are secured by the balance in the participant's account and bear interest at the prime rate + 2% as published in The Wall Street Journal. The loans bear interest at rates that range from 8.75% to 10.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. The maximum number of loans outstanding at any one time is one.

***Payment of Benefits***

Participants are eligible to receive a distribution of the vested portion of their individual account balance upon the following:

- The occurrence of any of the distributable events specified in the Adoption Agreement,
- The participant's termination of employment, or
- Termination of the Plan.

The normal retirement age under this Plan is 65.

***Forfeitures***

Employees who terminate employment and are not vested will forfeit the nonvested portion of their account balance to the Plan as specified in the Adoption Agreement. Forfeitures will be applied to reduce employer contributions or reduce administrative expenses. The forfeiture nonvested account balances for the years ended December 31, 2025 and 2024, was $18,440 and $14,679, respectively. The forfeitures are maintained in an account separate from individual participant accounts. Forfeitures applied to reduce the employer matching contribution and administrative expenses for the year ended December 31, 2025 was $315,673.

## NOTE A - DESCRIPTION OF PLAN (Continued)

### *Plan Termination*

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, distribution of participants' accounts shall be in accordance with the Plan document.

### *Plan Amendments*

On December 29, 2022, the "Setting Every Community Up for Retirement Enhancement (SECURE) 2.0 Act" was signed into law in the United States. The Secure 2.0 Act is an expansion of the Secure Act passed during 2019. The Act includes several mandatory and optional provisions that will become effective across several years. The Secure 2.0 Act aims to expand retirement access, increase retirement savings, and simplify plan administration. Plans may choose to operationally implement the provisions of the Secure 2.0 Act; however, plan administrators have until December 31, 2026 to officially amend the plan document to reflect the provisions adopted by the plan.

Effective 1/1/2025, the Plan was amended to change the Vesting schedule to 1-4 years graded for all existing and future employer contributions.

## NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### *Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis.

### *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

### *Investment Valuation*

Plan investments in mutual funds are stated at fair value. Mutual funds shares are valued at quoted market prices. Net appreciation or depreciation of investments is reported on the statement of changes in net assets available for benefits and consists of realized gains and losses and the unrealized appreciation or depreciation of these investments. All underlying investment options are valued daily. This daily price is considered the selling price for transfers and withdrawals and is calculated each day the principal market is open and available to any participant in the Plan.

*See the independent auditors' report.*

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

The Plan's investment in the group annuity contract is valued daily at book value with a market value adjustment.

Purchases and sales of mutual funds shares, and the group annuity contract are recorded at end of day net asset value. Dividends are recorded as of the record date.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are paid.

***Benefit Payments***

Benefits are recorded when paid.

***Administrative Expenses***

Administrative expenses, excluding transaction fees, are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

***Party-in-Interest Transactions***

The Plan issues loans to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions allowable under ERISA guidelines.

***Date of Management's Review***

Management has evaluated subsequent events through October 15, 2026, the date which the financial statements were available to be issued.

**NOTE C - RELIANCE ON TRUSTEES' REPORT**

The administrator of the Plan has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by AdvisorTrust, Inc., the trustee of the Plan, as of December 31, 2025 and 2024 and for the year ended December 31, 2025, other than comparing such information to that contained in the financial statements and supplemental schedule.

*See the independent auditors' report.*

**NOTE C - RELIANCE ON TRUSTEES' REPORT (Continued)**

The information certified by AdvisorTrust, Inc. which was relied upon in the preparation of these statements and schedule includes:

| | 2025 | 2024 |
|---|---|---|
| INVESTMENTS | | |
| Mutual funds | $ 14,512,769 | $ 11,554,421 |
| Funds held in a group annuity contract | 27,594 | 28,516 |
| Notes receivable from participants | 138,488 | 173,041 |
| Interest income, notes receivable from participants | 13,197 | * |
| INVESTMENT INCOME | | |
| Dividends | 469,553 | * |
| Net appreciation in value of mutual funds | 1,911,544 | * |
| Net appreciation in value of funds held in a group annuity contract | 1,142 | * |

*2024 investment income was not presented in the financial statements.

**NOTE D - TAX STATUS**

The Plan is a non-standardized pre-approved profit sharing plan sponsored by PCS Retirement LLC. The non-standardized pre-approved profit sharing plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. Management is aware of certain operational failures with employee and employer contributions. The Company is working with the recordkeeper to correct these failures in accordance with Department of Labor Guidelines.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Company is working with the recordkeeper to correct the operational failures, therefore, the Plan Administrator analyzed the tax positions by the Plan and has concluded that as of October 15, 2026, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

*See the independent auditors' report.*

## NOTE E - FAIR VALUE MEASUREMENTS

Professional accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels.

*Level 1* inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. *Level 2* inputs are other than quoted prices that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. *Level 3* inputs are unobservable inputs based on the Plan's assumptions used to measure assets and liabilities at fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The assets of the Plan for which fair values are determined on a recurring basis are summarized as follows:

| | 2025 | | 2024 | |
|---|---|---|---|---|
| | Quoted Prices in Active Markets (Level 1) | Other Observable Inputs (Level 2) | Quoted Prices in Active Markets (Level 1) | Other Observable Inputs (Level 2) |
| Mutual funds | $ 14,512,769 | $ - | $ 11,554,421 | $ - |
| Funds held in a group annuity contract | - | 27,594 | - | 28,516 |
| | $ 14,512,769 | $ 27,594 | $ 11,554,421 | $ 28,516 |

Mutual funds have quoted prices for identical assets in active markets; therefore, the investments are measured at fair value using these readily available Level 1 inputs.

The group annuity contract is categorized as Level 2 and is valued at cost plus accrued interest and a market value adjustment as defined in the contract, which approximates fair value.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

*See the independent auditors' report.*

## NOTE F - RISKS AND UNCERTAINTIES

The Plan provides for investments in a selection of mutual funds. Mutual funds and the group annuity contract are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain mutual funds and the group annuity contract, it is at least reasonably possible that changes in the values of these investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## NOTE G – ASSETS TRANSFERRED FROM THE PLAN

As a result of a spin-off, a group of employees were transferred out of the plan into another plan on November 29, 2025. Assets totaling $4,646 have been transferred out of the Plan.
