Re: Form 5500 Financial Statements for the 2025 Plan Year Plan

Interstate Waste Services 401(k) Plan

To Whom It May Concern:

This letter is to advise that the financial statements associated with our Form 5500 filing for the year 2025 will be filed later than anticipated due to delays in completing the required nondiscrimination testing for the Plan.

The delay resulted from two primary factors. First, the Plan's complexity requires extensive data gathering, validation, and reconciliation from multiple sources to ensure the accuracy and completeness of participant and compensation information used in the nondiscrimination testing process. This review required additional time to ensure accurate testing results and regulatory compliance.

Second, during the testing period, the Company experienced significant staffing challenges affecting the administration of the Plan's annual compliance requirements. The individual primarily responsible for coordinating and completing the nondiscrimination testing experienced extraordinary personal circumstances. Her mother became seriously ill, requiring her to take emergency family leave to provide care. During this period, her father passed away unexpectedly, and approximately one month later her mother also passed away. As a result of these consecutive family tragedies, she required bereavement leave and subsequently an approved mental health leave. Upon her return, she faced a substantial backlog of responsibilities and required additional time to resume normal operations and complete critical compliance activities.

These unforeseen circumstances, combined with the complexity of the Plan and the extensive data validation required, contributed directly to delays in completing the nondiscrimination testing and the preparation of information necessary for Form 5500 filing. The Company understands the importance of timely compliance with all Plan reporting and testing requirements and remains committed to acting diligently in fulfilling its fiduciary and regulatory

obligations. We have taken appropriate steps to complete the outstanding testing as expeditiously as possible and are evaluating process enhancements to help ensure timely completion of future compliance requirements.

Because the nondiscrimination testing must be finalized before certain financial reporting components can be completed, the delay has affected our ability to finalize the financial statements for inclusion with the Form 5500 filing.

We are actively working with our recordkeeper, third-party administrator, auditors, and other service providers to complete the testing process and finalize all required financial information. We currently expect the nondiscrimination testing and related financial statements to be completed and submitted before December 31, 2026.

We appreciate your understanding and remain committed to fulfilling all applicable reporting requirements. Should you require any additional information, please do not hesitate to contact me.

Sincerely,

Martha Samaniego
