INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Woodharbor 401(k) Retirement Plan
Mason City, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Woodharbor 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 Woodharbor 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section:

- The amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of Woodharbor 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements

relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Woodharbor 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Woodharbor 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Woodharbor 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025

financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2025 Supplemental Schedules Required by ERISA

The supplemental schedules of schedule H, Line 4i - schedule of assets (held at end of year) and schedule H, line 4a - schedule of delinquent participant contributions as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or was derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - PLAN DESCRIPTION

The following description of Woodharbor 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a contributory, defined contribution 401(k) plan available to qualifying employees of Woodharbor Molding & Millworks, LLC dba Woodharbor Custom Cabinetry (the "Sponsor"). The Plan originated on October 15, 1993. To be eligible to participate in the Plan and for purposes of the employer matching contribution, a full-time or part-time employee must have completed three months of service and must have attained the age of eighteen. An eligible employee may enter the Plan on the first day of the month after or coinciding with meeting eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Transfer

During the Plan year ended December 31, 2025, the Plan received assets totaling $10,047,005 from the Wellborn Forest Products, Inc. 401(k) Plan, which was merged into the Plan due to Woodharbor Molding & Millworks, LLC dba Woodharbor Custom Cabinetry being acquired by Wellborn Forest Products, Inc.

Contributions

Subject to certain limitations under Internal Revenue Code (IRC) Section 401(k), participants may contribute a percentage of their annual compensation, as defined in the Plan, with the contributions and earnings thereon being nontaxable until withdrawn from the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective January 1, 2025, participants who will attain the age 60, 61, 62, or 63 during the Plan year are eligible to make additional "super catch-up" contributions in excess of the standard age 50 catch-up limit, as permitted under Section 109 of the SECURE 2.0 Act of 2022. Participants may also contribute their after-tax annual compensation for Roth elective deferral purposes, subject to certain limitations, with the contributions and earnings thereon being nontaxable when withdrawn from the Plan. Participants may also contribute amounts representing distributions from other qualified plans. Such transfers from other qualified plans are reported as rollover contributions. The Sponsor will match 100 percent of the participant's deferral contributions up to four percent. The match is invested in various investment options as directed by the participant.

Participant Accounts

Each participant's account is credited with the participant's and the Sponsor's contributions and an allocation of net Plan earnings. Participants may direct the investment of their account balances into various investment options offered by the Plan. The benefit to which a participant is entitled is based on the participant's vested balance.

NOTE 1 - PLAN DESCRIPTION - Continued

Vesting

Participants are immediately vested in their elective deferrals and any income or loss thereon. Participants become 100 percent vested in Sponsor contributions immediately upon entering the Plan.

Notes Receivable from Participants

Participants may borrow up to a maximum amount equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate of 5.25% - 10.50%. A loan will provide a fixed rate of interest equal to the prime rate reported by the United States Federal Reserve plus one percent. The plan administrator will determine whether the interest rate is commercially reasonable at the time it approves the loan. Principal and interest are paid through payroll deductions as indicated in the loan policy.

Payment of Benefits

Upon termination of service, due to death, disability, retirement or separation of service, a participant may receive a lump-sum distribution or annuity payments under various options equal to the value of the participant's vested interest in his/her account. The Plan also permits withdrawals due to circumstances of financial hardship, in accordance with provisions specified in the Plan document. If a terminated participant's vested interest in his or her account is less than $7,000 and he or she does not elect to receive a distribution from the Plan, benefits will be paid in a single, lump-sum distribution as soon as administratively feasible.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Investment-related expenses are included in net appreciation or depreciation of fair value of investments. The Sponsor pays the administrative costs of the Plan associated with any professional services provided to the Plan and the cost of communications to the participants. Administrative expenses recorded in the Plan represent trustee fees and other recordkeeping fees paid directly from the Plan to the Plan's trustee and other third parties. Loan fees are deducted directly from the participant's account.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America. In preparation of the financial statements, management evaluated subsequent events through October 14, 2026, the date the financial statements were available to be issued.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Realized gains and losses from security transactions are reported on the average cost method.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Fair Value

The established framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Fair value is the price the Plan would expect to receive to sell an asset or pay to transfer a liability in an orderly transaction with a market participant at the measurement date. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Fair Value - Continued

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs which are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEES

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustees, Hand Benefits & Trust Company and ADP Retirement Trust Services, LLC, have certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments at fair value and notes receivable from participants, included in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Investment income, which includes net appreciation in fair value of investments, dividends, and interest income on notes receivable from participants, included in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- The schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025, included in the supplemental information.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE 4 - PLAN TERMINATION

Although it has not expressed intent to do so, the Sponsor has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in Sponsor contributions.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

NOTE 6 - FAIR VALUE

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 or 2024.

- *Registered investments*: Valued at the closing price reported on the active market on which the individual securities are traded.
- *Common collective trust:* Valued at the net asset value per share/unit reported at the close of every business day.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 6 - FAIR VALUE - Continued

The following tables set forth, by level within the fair value hierarchy, the Plan investment assets at fair value as of December 31, 2025 and 2024:

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2025				
Registered investments	$ 21,396,041	$ 21,396,041	$ -	$ -
December 31, 2024				
Registered investments	$ 8,981,920	$ 8,981,920	$ -	$ -
Investments measured using net asset value per share as a practical expedient	36,583	-	-	-
	$ 9,018,503	$ 8,981,920	$ -	$ -

The Plan invested in a common collective trust which trades at the net asset value (NAV) per share practical expedient of the common collective trust. This common collective trust is not categorized within the fair value hierarchy.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2024:

	December 31, 2024			
	Fair Value	Unfunded Commitments	Frequency (If Currently Eligible)	Redemption Notice Period
Common collective trust	$ 36,583	n/a	Daily	1 day

NOTE 7 - INCOME TAX STATUS

Effective January 1, 2025, the Plan changed from a Benefit Plan Administrative Services, LLC non-standardized pre-approved profit sharing plan to an ADP, LLC prototype defined contribution plan. The Internal Revenue Service has ruled, in a letter dated October 6, 2020, that the prototype plan developed by ADP, LLC, after which the Plan is modeled, qualifies under the applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

Tax positions are recognized when it is more likely than not the position will be sustained upon examination by the tax authorities.

The Sponsor has concluded, as of December 31, 2025 and 2024, the Plan had no uncertain tax positions or material amounts of unrecognized tax benefits that qualify for either recognition or disclosure in the financial statements for open tax years based on an assessment of many factors including experience and interpretations of tax laws.

NOTE 8 - RELATED PARTY TRANSACTIONS

Plan investments are managed by Hand Benefits & Trust Company and ADP Retirement Trust Services, LLC, the trustees of the Plan; therefore, these transactions qualify as party-in-interest transactions.

NOTE 9 - NON-EXEMPT TRANSACTIONS

During the year ended September 30, 2023, employee contributions totaling $16,196 were not remitted within the appropriate time period by the Plan Sponsor. These transactions constitute prohibited transactions as defined by ERISA. The Company has deposited the contributions but not the lost earnings attributable to the delinquent contributions. The Plan Sponsor is taking corrective action for the lost earnings related to the $16,196 subsequent to the year ended December 31, 2025.
