Independent Auditors' Report

To the Board of Directors of
Richmond Children's Center, Inc. (d/b/a Richmond Community Services) as Sponsor of the Richmond Children's Center, Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audit of the financial statements of the Richmond Children's Center, Inc. 403(b) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2025 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by the Plan and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 10, 2025, indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Their report also indicated that the form and content of the 2024 supplemental schedules, other than the information in the 2024 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Richmond Children's Center, Inc. 403(b) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan sponsored by Richmond Children's Center, Inc. (d/b/a Richmond Community Services) (the "Employer" or "Sponsor"). The Plan was originally effective February 1, 2006 and was amended and restated effective November 1, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Generally, eligible employees may begin making elective deferrals upon hire, with no minimum age or service requirement. To receive non-elective contributions, an eligible employee must be at least age 18 and complete one year of eligibility service, defined as at least 1,000 hours of service during the applicable 12-month computation period. After meeting these requirements, the employee enters the Plan for non-elective contribution purposes on the first day of the calendar month coincident with or next following the date the requirements are met. The term "Eligible Employee" excludes employees who are eligible to participate in another plan of the Employer that offers a qualified cash or deferred election under Internal Revenue Code Section 401(k), an annuity contract described in Internal Revenue Code Section 403(b), or an eligible governmental plan under Internal Revenue Code Section 457(b) that permits employee-elected contributions or deferrals. Employees eligible to make salary reduction contributions to another plan of the Employer and Richmond Children's Center, Inc. clients and residents who work for Richmond Children's Center, Inc. are also excluded from the Plan. In addition, a non-resident alien who receives no earned income, within the meaning of Internal Revenue Code Section 911(d)(2), from services performed within the United States, within the meaning of Internal Revenue Code Section 861(a)(3), is excluded for purposes of non-elective contributions.

CONTRIBUTIONS

Each year, participants may contribute up to 100% of their annual compensation as pre-tax elective deferrals or Roth elective deferrals, as defined in the Plan. Eligible employees may begin making elective deferrals immediately upon becoming eligible. Compensation is W-2 wages earned during the Plan year and includes elective deferrals and post-severance compensation. Certain fringe benefits are excluded from compensation. Participants who have attained age 50 before the end of the Plan year may make age-50 catch-up contributions. Participants with 15 years of service may make special long-service catch-up contributions. An eligible employee, even if not yet a participant in the Plan, or a terminated participant with an account balance may make a rollover contribution. Participants direct the investment of their contributions into various investment options offered by the Plan. Non-elective contributions are permitted. The Sponsor contributes 5% of total participant compensation for the Plan year are calculated to participant accounts each calendar month. Contributions are subject to certain limitations.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their employee elective deferrals and rollover contributions, plus actual earnings thereon. Vesting in the Employer's non-elective contributions is based on years of vesting service under a 2-to-6-year graded schedule: less than two years, 0%; two years, 20%; three years, 40%; four years, 60%; five years, 80%; and six or more years, 100%. A year of vesting service requires at least 1,000 hours of service, measured using the Plan year as the vesting computation period. A participant also becomes fully vested upon termination of employment due to death or disability while an employee of the Employer.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate of 3.25% to 8.5%, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator, and are generally payable in installments over periods ranging from one to five years (unless the loan is used for the purchase of a primary residence, in which case the repayment period may be up to ten years). Principal and interest are paid ratably through monthly payments from the participant to Hand Benefits & Trust, the Plan trustee. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant.

PAYMENT OF BENEFITS

Upon a participant's death, the participant's beneficiary may receive the participant's account balance. Following severance from employment, including retirement, a participant may receive the vested interest in his or her account as a lump-sum distribution, in substantially equal installments, or under a continuous right of withdrawal pursuant to which the participant may elect the amounts and timing of withdrawals. Disability results in full vesting but is not a separate distribution event under the Plan. The Plan's involuntary cash-out limit is $5,000, excluding amounts attributable to rollover contributions when determining the participant's vested account balance for this purpose. In accordance with the Plan's automatic rollover arrangement, terminated participants with vested account balances greater than $1,000 and not exceeding $5,000 who do not make a distribution election may have their balances automatically rolled over to an individual retirement account. A participant may also leave all or part of the vested account in the Plan, defer receipt of the benefit, and continue to share in the investment experience of the funds in which the vested account is invested.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Hardship withdrawals are permitted from a participant's elective deferral account. The Plan uses the safe harbor criteria set forth in Section 8.01(b) to determine whether a participant is eligible for a hardship withdrawal.

The Plan permits employees who are participants to make an in-plan Roth rollover contribution by direct rollover as an in-service distribution from pre-tax elective deferral accounts only. Loan accounts may not be distributed as part of an in-plan Roth rollover contribution. A participant may elect to have a portion of the distributable amount paid solely for federal or state income tax withholding related to the in-plan Roth rollover contribution.

FORFEITED ACCOUNTS

At December 31, 2025 and 2024, the Plan had forfeited nonvested account balances of $1,272 and $483, respectively, available for future allocation. Forfeitures may be used to restore prior forfeitures, reduce Employer contributions, be reallocated as Employer contributions, or pay reasonable Plan expenses, unless otherwise limited by the Adoption Agreement. Employer contributions reported in the statement of changes represent amounts allocated to participant accounts. Employer contributions were reduced by $83,223 and $88,984, respectively, from forfeited nonvested accounts.

INVESTMENT OPTIONS

Participants can allocate their account balances amongst various investment options offered by Hand Benefits & Trust.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual basis of accounting. The Plan adheres to accounting principles generally accepted in the United States of America ("U.S. GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 4 for a discussion of fair value measurements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value includes realized gains and losses on investments and unrealized changes in the fair value of investments held at year end.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. When a participant loan is determined to be in default, the unpaid balance is treated as a deemed distribution for tax-reporting purposes and presented as a deduction from net assets. The accounting treatment of the related receivable depends on whether the loan continues to be secured by the participant's account and remains collectible under the Plan's terms.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

OPERATING EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan and others are paid for by the Sponsor. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

REGULATORY COMPLIANCE AFFECTING RETIREMENT PLANS

The Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act") was enacted on December 20, 2019. Among other changes, the SECURE Act increased the age at which certain participants are required to begin receiving required minimum distributions from age 70½ to age 72 for individuals who attained age 70½ after December 31, 2019. The SECURE Act also included various provisions affecting retirement plans and participants.

The SECURE 2.0 Act of 2022 was enacted on December 29, 2022. Among other changes, SECURE 2.0 increased the age at which certain individuals are generally required to begin receiving required minimum distributions from age 72 to age 73, effective January 1, 2023. SECURE 2.0 also increased the limit for catch-up contributions for participants ages 60 through 63, effective for taxable years beginning after December 31, 2024. Plans were required to be formally amended for certain provisions of the SECURE Act and SECURE 2.0 Act by the last day of the 2026 plan year.

NOTE 3 - INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan administrator has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified as complete and accurate by Hand Benefits & Trust Company and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements.

Hand Benefits & Trust Company has certified to the completeness and accuracy of the investments included in the financial statements as of December 31, 2025 and 2024, and the investment activity included in the financial statements for the years then ended as summarized below:

	2025	2024
Mutual Funds	$ 19,568,430	$ 18,385,725
Total Investments	$ 19,568,430	$ 18,385,725

Investment activity consisted of the following for the years ended December 31:

	2025	2024
Dividends	$ 833,187	$ 695,833
Net appreciation in fair value of investments	1,394,187	1,377,012
Net Investment Income	$ 2,227,374	$ 2,072,845

Notes receivable from participants amounted to $643,037 and $604,844 as of December 31, 2025 and 2024, respectively. Interest income on notes receivable from participants amounted to $9,096 and $32,128 for the years ended December 31, 2025 and 2024, respectively.

NOTE 4 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

MUTUAL FUNDS

Mutual funds are valued at their daily published net assets value, which represents the price at which the Plan transacts in shares of the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Financial assets carried at fair value at December 31, 2025 are classified in the table below as follows:

	Level 1
Investments at fair value:	
Mutual Funds	$ 19,568,430
Total Investments	$ 19,568,430

Financial assets carried at fair value at December 31, 2024 are classified in the table below as follows:

	Level 1
Investments at fair value:	
Mutual Funds	$ 18,385,725
Total Investments	$ 18,385,725

NOTE 5 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are held by Hand Benefits & Trust, which serves as the Plan's trustee. As a result, transactions involving these investments constitute party-in-interest transactions. The Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions. Administrative expenses included fees paid to Hand Benefits & Trust totaling $157,411 and $157,793 for the years ended December 31, 2025 and 2024, respectively.

NOTE 6 - TAX STATUS

The Plan adopted a pre-approved plan document that has received an opinion letter from the IRS dated March 31, 2017, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code ("IRC") Section 403(b). Although the Plan has been amended since adoption the pre-approved plan document, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to audits by the IRS; however, there are currently no audits for any tax periods in progress.

NOTE 7- PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants would become 100% vested in their accounts. Any unallocated assets of the Plan would be allocated to participant accounts and distributed in such a manner as the Sponsor may determine.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

Management has evaluated subsequent events from the date of the statement of net assets available for benefits through October 15, 2026, the date the financial statements were available to be issued.
